2023 Annual Enrollment

START >

 **StateFarm®**

It's Time to **CHOOSE**

Annual Enrollment is taking place November 10–30, 2022. You spend a lot of time and energy building your life — your family and your career. But, you don't have to spend a lot of effort to make sure the benefit plans you choose are the best fit for your individual needs.

To better understand your enrollment options and any plan changes, visit the Annual Enrollment Benefits Fair and attend a live benefit presentation. The live presentations run through November 18, 2022, and the Benefits Fair will end November 30, 2022.

**ENROLLMENT
TIP >>>>**

We make it easy to review all of your benefit choices by providing easy-to-use tools and an online enrollment process. Changes will not be accepted after November 30, so don't wait until the last few days to enroll.

Your Enrollment “To-Do” List

Don't sit back and relax yet, there are certain actions you need to take before you enroll. Think of this as your handy checklist for what you need to know about making your 2023 State Farm benefit elections before November 30.

Get Informed

Don't miss out on your opportunity to learn more about your Total Rewards benefits package. Now through November 30, attend the State Farm Annual Enrollment Benefits Fair at <https://s.f/aebfsite>.

You can also go to the My State Farm Benefits Resource website at www.statefarmbenefits.com to see all of the options available to you. The coverage you select depends on your anticipated needs in 2023.

Review all of the important information regarding plan changes for 2023, and other information that is disclosed in the Summary of Material Modifications, including how to obtain a copy of the Health Insurance Portability and Accountability Act (HIPAA) Notice of Privacy Practices. You can also access the Summary Plan Descriptions, Certificates of Coverage, and Summaries of Benefits and Coverage (SBCs), which compare different medical options.

Make Your Tobacco Election

You must review your “Tobacco Election” to ensure it accurately reflects your current tobacco status when you enroll. Remember your tobacco status makes a difference in the amount you pay for your medical coverage.

If you and/or your spouse or partner use tobacco, you will pay an additional \$50 per month for your medical coverage in 2023. Remember this applies to both you and/or your spouse or partner. If you're ready to quit, you and/or your spouse or partner can enroll in the Tobacco Cessation Program at no cost to you. Upon successful completion of the Tobacco Cessation Program, you will no longer pay the additional \$50 per month for your medical coverage. For more details visit the “Live Well, Be Well” page on the SFNet. If you have additional questions, contact the State Farm Benefits Center at **1-866-935-4015**.

Your Enrollment “To-Do” List

Complete the RealAge® Test by November 30

If you are enrolled in a Group Medical Plan (PPO, HMO, or ACO) and complete the RealAge test, you’ll get an extra \$15 monthly incentive* – that’s \$180 for the year.

Go to statefarm.sharecare.com to register your profile and take the RealAge test by November 30, 2022. Credits will appear on the first paycheck of 2023.

*Employees enrolled in a Company-sponsored medical plan (as an employee, not as a dependent) are eligible for the incentive.

Review Your State Farm 401(k) Savings Plan Account

Review your account. Any time is a good time to review your 401(k) participation, investment choices, and contribution amount or rate. Familiarize yourself with helpful plan features, such as the automatic contribution increase option. You can start, stop, or change your 401(k) contribution amount/rate at any time by visiting the My State Farm Benefits Resource website or calling the State Farm Benefits Center.*

Consider the Aight Protection Program. When you take the required steps to help protect your account, the Aight Protection Program reimburses you for amounts taken as a result of unauthorized activity and through no fault of your own. Go to the My State Farm Benefits Resources website to learn more about the eligibility requirements, add your mobile number, and choose to receive text messages from your benefits account.

New Account Lock feature. Account Lock is a new, no-cost feature designed to help safeguard your retirement plan benefit(s) and prevent unauthorized users from accessing your money. It’s a good option if you won’t need to be immediately withdrawing funds from your account, are traveling, or want to add an extra layer of protection to your account. To initiate Account Lock, go to www.statefarmbenefits.com and click the “Account Lock” link (under the “My Profile” icon in the upper right corner of the home page).

*Any changes you make to your 401(k) account during Annual Enrollment will be processed immediately. Contribution changes are effective within one to two paychecks after the change is made.

Included Health: Black Health Concierge Services

State Farm partners with Included Health’s concierge service so that you and your family members have a starting point for navigating health-related questions, ranging from physical health to family and community support. All employees and household members are eligible. A State Farm health plan is not required and there is no cost to you.

Services include:

- Culturally competent care for your needs that make you feel seen
- Dedicated care coordinator on Black-led team
- Connections to people with similar identities and shared experience around health needs (birth plans, fertility, etc.)
- Parenting Black youth
- Local Black support group information

Visit includedhealth.com/statefarm or call **1-844-880-3032** to become a member or submit a care request.

Your Enrollment “To-Do” List

✔ Thinking About a Flexible Spending Account?

A Health Care Flexible Spending Account (HCFSAs) can help you save on taxes related to your health care expenses so you can use that money for something else. If you enroll in the HCFSAs, you can contribute from \$120 up to \$2,850 tax-free in 2023. If you’re currently enrolled in the HCFSAs, up to \$550 will be carried forward to the 2023 plan year. Any carried over amounts do not apply to your annual 2023 contribution limit.

If you have kids in child care, the Dependent Care Flexible Spending Account (DCFSAs) lets you pay for eligible child care with before-tax dollars. If you enroll, you can contribute from \$120 up to \$5,000 in 2023. If you’re currently enrolled in the DCFSAs, all unused funds will be forfeited and will not carry over to 2023.

New FSA Vendor for 2023: We’re changing our FSA vendor to Optum Financial. If you enroll in an HCFSAs for 2023, you’ll receive a payment card that works like a debit card, allowing you easy access to your spending account funds without submitting receipts. However, you still need to retain receipts for verification and tax purposes. Visit the Total Rewards-Benefits website on the SFNet for further information.

✔ Review Your Beneficiaries for All Plans

Do you have beneficiaries named for all your benefits – life insurance, 401(k), and pension? Click on the Profile icon and choose “Beneficiaries” in the upper right corner of the My State Farm Benefits Resource website. Take a few moments to make sure everything on file is correct and up to date.

Check Out the Newly Expanded Vision Coverage for Kids

Build a healthy foundation for your kids’ eyesight by ensuring they have regular vision screenings and consistent eye care.

New in 2023 is VSP KidsCare.* KidsCare covers:

- Two fully covered WellVision exams
- A new pair of glasses each year*
- VSP LightCare for ultraviolet and blue light defense
- Vision Therapy to correct problems that can come up in childhood

*VSP KidsCare Plan can cover contact lenses in lieu of glasses. It is not available at retail chains, Costco® Optical, or Visionworks®.

Your Enrollment “To-Do” List

✔ Add Biometric Authentication to Your Account

Having this additional multi-factor authentication option offers further protection of your benefit information and can make accessing your account easier because it uses the capabilities of your mobile device combined with biometrics (your fingerprint or face ID) to provide immediate access to your account. Note: No biometric data is transmitted or accessed by Alight.

To begin, you must have a mobile number on file on the My State Farm Benefits website and be able to receive text alerts. To ensure your Contact and Delivery information is listed as you want it, click on “Manage Communications” on the website. Then take the following steps:

1. Have the new Alight Mobile app downloaded on your phone.
2. Enter your username and password, select “Setup Touch ID” (choose “next”).
3. A code will be texted to your mobile phone number on file. Enter the code into the app when requested.
4. Accept terms and hit “OK.”

As a registered user of biometric authentication, you will have the choice of using biometrics to log on to the My State Farm Benefits Resource website, mobile app, and call center in lieu of using your password. You may add or change your mobile number via the “Manage Communications” page on the My State Farm Benefits Resource website at any time.

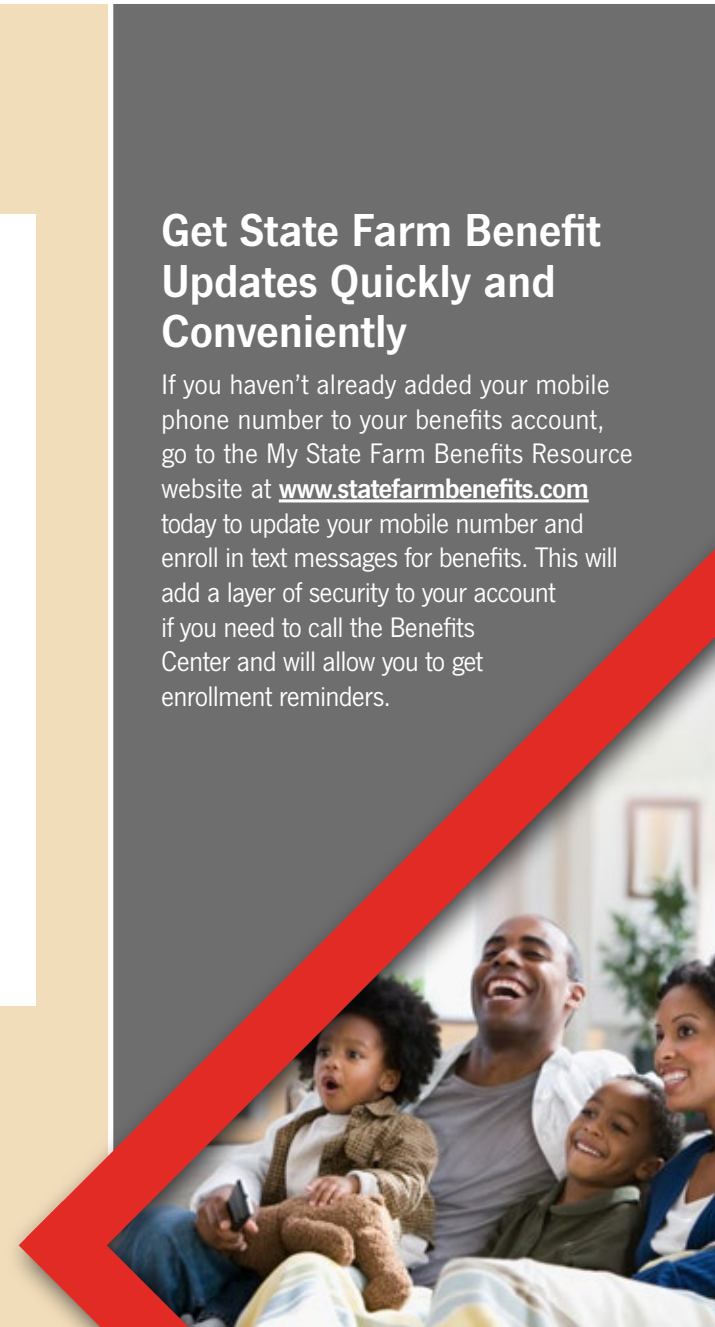

Get State Farm Benefit Updates Quickly and Conveniently

If you haven't already added your mobile phone number to your benefits account, go to the My State Farm Benefits Resource website at www.statefarmbenefits.com today to update your mobile number and enroll in text messages for benefits. This will add a layer of security to your account if you need to call the Benefits Center and will allow you to get enrollment reminders.

Need Help While Enrolling?

If you need help enrolling or have questions regarding your coverage, State Farm Benefits Center representatives are available at **1-866-935-4015** between 7:00 a.m. and 6:00 p.m., Central Time, Monday through Friday.* While on the My State Farm Benefits Resource website at www.statefarmbenefits.com, you can also use the webchat feature.

*Closed Thursday, November 24, and Friday, November 25, 2022, in observation of the Thanksgiving holiday.

Need Help Choosing?

No worries. You'll find all the right tools on the My State Farm Benefits Resource website. Check them out before you complete your enrollment. Go to www.statefarmbenefits.com.

- Personalized recommendations** are available to help you choose. Just answer a few short questions at the beginning of your enrollment process and you'll get plan recommendations based on your unique situation. You don't have to choose the recommendation, but it's helpful information to decide with confidence.
- The **Group Rates** modeler lets you view rates for all of the coverages for which you are eligible. You'll find it on the "Recommendations" section of the home page.
- The **Health Plan Comparison Charts** compare medical, dental, and vision options based on price, deductibles, and much more.
- Participate in the **Annual Enrollment Benefits Fair**. It features live presentations and important benefit information. Check it out at <https://s.f/aebfsite>.
- You'll find the **Summary of Benefits and Coverage (SBC)** as a tile in the "Recommendations" section of the home page.
- Use **ProviderDirect** to find out if your doctor or specialist is within the network of the health plan you're considering.
- Review the **Summary of Material Modifications (SMM)**. It provides important information on any plan changes for 2023 as well as information on how to obtain a copy of the Health Insurance Portability and Accountability Act (HIPAA) Notice of Privacy Practices.
- Connect with your Accolade Health Assistant® for questions related to your current Group Medical PPO Plan coverage or possible changes. Call **1-844-287-3859**, use your Accolade mobile app, or connect online at member.accolade.com.

What Is a Summary of Benefits and Coverage (SBC)?

Under the Patient Protection and Affordable Care Act (PPACA, or ACA for short), insurers and group health plans are required to provide standardized documents about health plan benefits and coverage, called a "Summary of Benefits and Coverage (SBC)." The SBC provides a consistent format for all employers and plans to summarize the key features of the plan or coverage, such as the covered benefits, cost-sharing provisions, and coverage limitations and exceptions. SBCs will help you better understand the coverage you have and allow you to easily compare different coverage options. SBCs are another tool that may be used, in addition to the tools described in this guide, to help you make an informed decision regarding your health care needs. All State Farm SBCs are available on the My State Farm Benefits Resource website at www.statefarmbenefits.com. A paper copy is also available, free of charge, by calling the State Farm Benefits Center at **1-866-935-4015**.

After You've Enrolled

Look for Your Email Confirmation

Your Annual Enrollment choices are confirmed when you reach the confirmation page. You will be sent an email confirmation to your preferred email address on file showing detailed information on coverage and costs for the plan you enrolled in. Be sure to review and retain a copy of this email and contact the State Farm Benefits Center if you do not receive a confirmation email. **Remember, after November 30, no changes will be accepted.**

If you choose a new option for 2023, you can access your ID number and other important information on the carrier's website, even if you don't have your ID card handy.

You can also find coverage information by visiting the My State Farm Benefits Resource website.

Verify Dependents Enrolled in Coverage

Make sure your dependents are listed under each plan you're enrolling them in and that their Social Security numbers are correct. Without a valid Social Security number, dependent coverage will end on December 31, 2022.* If you add a new dependent to coverage, Dependent Verification Services will mail you a packet in early January. **If you don't provide the required documentation (e.g., marriage or birth certificates) by the deadline indicated, your dependent will be dropped from coverage.** You will be required to reverify your covered dependents' eligibility every three years.

*Except for those born outside the United States and newborns under six months of age as of January 1, 2023.

See the Value of Your Personalized Total Rewards

Your online Total Rewards statement is a way of looking at the value of the comprehensive compensation and benefits State Farm offers you.

Your online personal statement goes beyond just what is in your paycheck. You'll see the value of your whole benefits package. You can check it out now or throughout the year on the My State Farm Benefits Resource website.

Cost-Saving Tips

Even for State Farm employees who are experts in insurance, managing our health and making sure we're getting the best possible care can be frustrating and confusing. Take a look at some of the ideas below that you can use year-round to help save you money – and provide great care for you and your family.

Schedule your annual health screening. All medical plans cover at 100% routine preventive care services like an annual physical exam and immunizations with no cost-sharing for in-network providers.

Use in-network providers for the most cost-effective treatment. Your out-of-pocket expenses are lower when you stay in-network for care. Some plan options may not cover out-of-network services at all.

Ask for generic medications. For most people, generic medications provide the same health benefits as brand-name drugs, but at a much lower cost. Talk to your doctor about lower-cost generic alternatives.

Telehealth – access the care you need, when you need it. Depending on your care needs and the medical plan you are enrolled in, consider using telehealth or telemedicine as a low-cost or no-cost option for conditions such as cold/flu, allergies, pink eye, respiratory infections, sinus problems, and more.

(continued)

Cost-Saving Tips

Enrolled in the Group Medical PPO Plan administered by Blue Cross Blue Shield of Illinois? Accolade Health Assistants are available to help resolve billing disputes, find a network provider, and get you to the right place at the right time – which could help reduce frustration and save you time and money. Health Assistants can be reached at **1-844-287-3859**, Monday through Friday, 8:00 a.m. to 8:00 p.m., Central Time. Use your Accolade mobile app or connect at member.accolade.com.

Enrolled in a Kaiser Permanente HMO or Aetna ACO? For further information and plan-specific details, refer to the contact information on your medical ID card or visit the following websites for help navigating your health care journey:

- [Kaiser Permanente HMOs](#)
- [Dallas ACO](#)
- [Phoenix ACO](#)

Don't-Miss Dates

This is the best part – don't miss out!

Dates	Things to Know or Do
Now through November 30, 2022	Attend the State Farm Annual Enrollment Benefits Fair at https://s.f/aebfsite . Live benefit presentations run through November 18, 2022. Live presentations are recorded and can be viewed on demand at your convenience.
November 10–30, 2022	Enroll. Access the My State Farm Benefits Resource website at www.statefarmbenefits.com to review and enroll in your 2023 benefits.
On or before November 30, 2022	Take the RealAge test at statefarm.sharecare.com to qualify for the \$15 monthly incentive.
Mid-December 2022	If you are new to a health plan or changed health plans, your new medical and prescription drug ID cards will be sent to you during this time. If you enroll in a Health Care Flexible Spending Account, you will receive a payment card from Optum.
January 2023	Deductions for 2023 coverage will be reflected in your paycheck for the first time. If you've enrolled a new dependent for 2023, you'll receive Dependent Verification information in the mail.

What About the Rest of the Year?

Getting Married or Having a Baby Next Year?

It's important that you contact the State Farm Benefits Center **within 60 days** of your marriage, the birth or adoption of a child, or any life event. Representatives can be reached at **1-866-935-4015** between 7:00 a.m. and 6:00 p.m., Central Time, Monday through Friday.

If you miss the 60-day deadline, your next opportunity to enroll your dependent may not be until the next Annual Enrollment period, with a coverage effective date of the following January 1. Without coverage, you will pay more if this individual needs to receive care before they are covered.

FSA Reimbursements

In 2023, you can use the new Optum Financial mobile app to access your account information and submit claims for reimbursement to your Health Care Flexible Spending Account (HCFSA) or Dependent Care Flexible Spending Account (DCFSA). The app is available for iPhone or Android mobile devices.

Print off this page and keep it handy to remember these tips throughout the year.

Make Sure Your Contact Information Is Current

Be sure the State Farm Benefits Center has your current address and phone number. To view these records, log on to the My State Farm Benefits Resource website at www.statefarmbenefits.com and click on the Profile icon, then select "Personal Information."

If changes are needed, you will need to make those yourself in Employee Self Service on the State Farm Intranet.

Additional tip: Within the My State Farm Benefits Resource website, click on "Manage Communications" and ensure that the Contact and Delivery information listed is how you want it. You don't want to miss information regarding your benefits.

What About the Rest of the Year?

Visit the My State Farm Benefits Resource Website Anytime

Need to make changes to your benefits due to a life event?
 Need to quickly access your current benefit information?
 Want personalized information about your program eligibility and elections? No problem. The My State Farm Benefits Resource website makes it easy to find the information you need quickly and conveniently. Visit www.statefarmbenefits.com from work or home.

Or — Download the App

Make it easy to access your benefit information with the Alight Mobile app. Download it from the App Store or Google Play.

Once the app has loaded, search for “State Farm” to set the default URL link. **Note:** This is a one-time task. After the initial setup, you’ll access the My State Farm Benefits Resource website directly after opening the app.

EY Navigate — Financial Planning Benefit

EY Navigate is a highly personalized service that helps you identify, manage, and realize your financial goals. EY Navigate offers unlimited access to a powerful combination of personalized consultations with EY financial planners and a comprehensive financial planning website available to all State Farm employees at no cost.

- The EY Navigate financial planners are licensed and well versed with State Farm benefits.
- Discussions with the planners are confidential and specific to your financial situation.
- You can work with the same planner each time or change planners if you prefer.
- There are no limits on the duration or number of calls with your financial planner.
- EY financial planners do not work on commissions and do not sell any products or service.

No prep work is required! To get started visit <https://statefarm.eynavigate.com> or call the financial planner line at **1-855-6SF-CYFF** (1-855-673-2933). The planners are available **Monday through Friday from 8:00 a.m. to 7:00 p.m., Central Time.**

Print off this page and keep it handy to remember these tips throughout the year.

(continued)

What About the Rest of the Year?

Accolade — Benefit Advocacy Services to Get the Most From Your Medical Plan (Group Medical PPO Plan Only)

A Health Assistant can:

- Answer questions about benefits and health care providers
- Help resolve billing disputes and claim-related issues
- Provide administrative support (e.g., ID cards, Explanation of Benefits, etc.)
- Assist you with upcoming inpatient/outpatient treatment

Call **1-844-287-3859**, Monday through Friday, 8:00 a.m. to 8:00 p.m., Central Time. Use your Accolade mobile app or connect online at member.accolade.com.

Accolade can also assist with any additional questions you may have on:

- SWORD Health – virtual physical therapy
- Rx Saving Solutions – prescription savings
- Surgery Plus – savings on specific surgeries
- 2nd.MD – expert second opinion

Manage Your 401(k) Savings Plan Account Year-Round

Manage your 401(k) Savings Plan account anytime from anywhere you have internet access by logging on at www.statefarmbenefits.com. The site is secure, password-protected, and available 24 hours a day, seven days a week. You can:

- Check your current 401(k) Savings Plan balance
- Change your contribution rate, future investment allocation, and/or current asset allocation
- Take action to further protect your account from fraud with the Alight Protection Program; detailed eligibility and program requirements at www.statefarmbenefits.com
- Monitor your 401(k) Savings Plan investment performance
- Avoid unauthorized access to your account with the new Account Lock feature using the following path: **SF Benefit Center > click on the “My Profile” icon > Account Lock.**

Print off this page and keep it handy to remember these tips throughout the year.
