Important Questions	Answers	Why This Matters:
What is the overall deductible?	Network : \$400 per individual, \$1,200 per family; Nonnetwork: \$800 per individual, \$2,400 per family. Nonnetwork charges will apply to network .	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible?	Yes. Deductible does not apply to copayments , prescription drugs , preventive care or vision.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	Network : \$2,400 per individual, \$5,700 per family for medical expenses; Nonnetwork: \$2,800 per individual, \$6,900 per family for medical expenses; Network -nonnetwork combined, plan year medical deductible is included in medical out-of-pocket maximum amount; Separate \$6,700 per individual, \$12,500 per family for network prescription drug expenses.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.

Important Questions	Answers	Why This Matters:
What is not included in the out-of-pocket limit ?	Premiums , balance-billed charges, health care this plan doesn't cover, penalties for failing to obtain preauthorization , vision.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.bcbsil.com/boeing or call 1-888-802-8776 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use a nonnetwork provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use a nonnetwork provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
