## **SBC Information Notice**

### **Summary of Benefits and Coverage (SBC) Information Notice**

As a result of the Patient Protection and Affordable Care Act (i.e., health care reform), PSEG is required to provide standardized Summaries of Benefits and Coverage (SBCs). You are receiving the enclosed SBC(s) because you are enrolled in or are eligible to enroll in a plan offered by PSEG.

The SBC is intended to provide health plan design information such as plan limits and costs for certain health services in a consistent way across employers and plans.

Additional SBCs are available on Your Benefits Resources™ website at [www.resources.hewitt.com/pseg](http://www.resources.hewitt.com/pseg). During your enrollment period you can view the SBC by opening the Plan Information page, as follows:

- Log into Your Benefits Resources™ at [www.resources.hewitt.com/pseg](http://www.resources.hewitt.com/pseg)
- Open the Health and Insurance tab
- From the drop down menu, select Plan Information
- Then choose the Summary of Benefits and Coverage you'd like to review.

Paper copies are also available, free of charge, by calling Benefits Express at 1-855-myPSEG1 (1-855-697-7341).

**Note:** If you have dependents in your household who are enrolled in a PSEG Company plan, please share this SBC information with them.
