# Benefits Enrollment

## Mark Your Calendar

### 2018 Benefits Enrollment

Monday, October 16 through  
Friday October 27, 2017.

Enroll — in English or Spanish —  
online at [benefits.zimmerbiomet.com](http://benefits.zimmerbiomet.com)  
using a computer, smartphone,  
iPad or other tablet or via phone at  
Zimmer Biomet Benefits Service Center  
at **1-877-588-0933**.

## Important — Additional Plan Information

To make updated information more accessible and reduce the environmental impact of printing larger documents, the Company provides additional information about the plans, including the summary plan descriptions (SPDs), on the Zimmer Biomet intranet and the Zimmer Biomet Benefits Service Center website at [benefits.zimmerbiomet.com](http://benefits.zimmerbiomet.com), or you may contact the Zimmer Biomet Benefits Service Center at **1-877-588-0933** anytime during its operating hours if you would prefer a paper copy of the SPDs.

Your 2018 Benefits Enrollment Guide provides an overview of the benefits offered by Zimmer Biomet, effective from January 1 through December 31, 2018. This Enrollment Guide also serves as the summary of material modifications that describes the material changes to the plan document and Summary Plan Description (SPD) for 2018. If you need specific plan information that isn't detailed in this guide, please refer to the appropriate SPD. All benefits are subject to the terms and conditions of the plan document or insurance policy, as amended from time to time. If there is any discrepancy between this guide and the plan document or policy, the plan document or policy will govern. While the Company intends to continue these benefits, we reserve the right to change or discontinue them at any time for any reason.

## Coverage period

If you enroll during the annual benefits enrollment period, coverage for your elections will begin on January 1, 2018 and remain in effect through December 31 (as long as you continue to remain eligible).

## Have questions about your benefit options?

Contact the Zimmer Biomet Benefits Service Center at:  
Customer Care Center  
P.O. Box 785090  
Orlando, FL 32878-5090

Ph: **1-877-588-0933**  
Fax: **1-800-363-7571**

Monday through Friday,  
from 9 a.m. to 7 p.m. ET

## Update your beneficiary information

Designating beneficiaries (and keeping your choices up to date) allows you to ensure your benefits get distributed as you wish.

# 2018 Benefit Changes

It's that time again: annual enrollment. This is your once-a-year opportunity to select and make changes to your healthcare and other benefits for 2018. Take time to review your coverage options and ensure you have the protection you need for both yourself and your family.

For 2018, we have made the following changes and enhancements to your benefits:

- The annual deductible and out-of-pocket maximum under HRA Medical will increase as follows:

Annual deductible (you only/you + family)	\$1,600/\$3,200
In-network out-of-pocket maximum (you only/you + family)	\$3,100/\$6,200
Out-of-network out-of-pocket maximum (you only/you + family)	\$6,200/\$12,400

- The prescription drug out-of-pocket maximum under HRA Medical is increasing to \$1,500 you only/\$3,000 you + family
- The Anthem Health Guide has enhanced its services by including a new **Integrated Health Model (IHM)**. When you call the Anthem Health Guide, you may be connected to a personal health consultant in the IHM area that will serve as a single point of contact for medical questions, health advice, coordination of care before or after a surgery and other medical concerns that may arise.
- The Employee Assistance Program (EAP) will change names to **Work-Life Solutions**. All current services will continue.
- The IRS has increased the Healthcare FSA annual maximum limit to \$2,600.
- The IRS has increased Health Savings Account (HSA) contribution limits to \$3,450 (you only) and \$6,900 (you + family).
- Compass Professional Health Services will no longer be available after December 31, 2017.

Learn more about each of these offerings in this Benefits Enrollment Guide and think about what benefits you'll need or want for the coming year. Compare all of your options — coverage through Zimmer Biomet and coverage you may be eligible for through your spouse or domestic partner — and get ready to enroll.

## Get the benefits you need

You must enroll or waive coverage during annual enrollment. If you do not complete the enrollment process or actively waive coverage during annual enrollment, you will automatically receive the following default coverage:

- HRA Medical at the same coverage level you chose for 2017 (or you only coverage if you waived medical coverage for 2017)
- Premium Dental at the same coverage level you chose for 2017
- Vision plan at the same coverage level you chose for 2017
- No Flexible Spending Accounts (FSAs)
- Company-provided Basic Life and Basic Accidental Death & Dismemberment (AD&D) Insurance only
- The same Life insurance, AD&D insurance and Survivor Income coverage, if any, for supplemental or dependent coverage you chose for 2017

You will not be able to make changes to your coverage or contribute to an FSA in 2018 unless you experience a Qualified Status Change, such as a marriage or the birth of a child.

Default coverage will only apply to eligible dependents enrolled on December 31, 2017 who remain eligible on January 1, 2018.

# Benefits Enrollment Overview

## Annual Enrollment 2018

At Zimmer Biomet, you are part of a Company creating and delivering innovative products that are changing the world. As a global leader in musculoskeletal healthcare, we strive to deliver innovative health and wellness programs to you and your family, including high-quality care, comprehensive coverage and easy access to doctors, care or healthcare facilities of your choice.

Each year, you and your family have an opportunity to review your healthcare choices and make your annual enrollment decisions.

Watch for information about mandatory benefits enrollment meetings to learn more about your 2018 benefit options and to help you make decisions that best meet your needs.

## Wellness Participation Incentive

If you are currently enrolled in a Zimmer Biomet medical option, you and your spouse/domestic partner must complete your health screening and health assessment by Tuesday, October 31, 2017, to receive the Wellness Participation Incentive for 2018 and reduce your payroll contributions for healthcare coverage by:

- \$600 (annually) for you only or you + child(ren) coverage
- \$1,200 (annually) for you + spouse/domestic partner or you + family coverage

The wellness programs are completely voluntary.

## Exceptions Regarding the Wellness Participation Incentive

If you were hired on or after January 1, 2017, you will automatically receive the Wellness Participation Incentive for 2018.

If you added a spouse/domestic partner in 2017 due to a Qualified Status Change (on or after January 1, 2017), you will receive the Wellness Participation Incentive in 2018. Your spouse/domestic partner does not have to complete both the health screening and health assessment in 2017 in order for you to receive the Wellness Participation Incentive in 2018.

## Annual Enrollment is an Active Enrollment

You must either elect coverage or choose no coverage during annual benefits enrollment, otherwise, you will receive default coverage and the corresponding payroll deduction will apply.

## Don't have internet access?

Call the Zimmer Biomet Benefits Service Center at **1-877-588-0933** to speak with a customer service representative, Monday through Friday, from 9 a.m. to 7 p.m. ET.

## 2018 Benefits Confirmation Statement

The benefits confirmation statement, which will be sent by email and/or mailed to your home address in December, summarizes the elections you made for your 2018 medical, dental, vision, Health Saving Account, flexible spending account and life insurance benefits during the enrollment period.

**You must review your statement carefully and report any errors and/or changes to the Zimmer Biomet Benefits Service Center within 15 days from the date on the confirmation.**

If you do not receive a benefits confirmation statement by December 31, 2017, please contact the Zimmer Biomet Benefits Service Center.

## Tobacco-Free Policy

Having tobacco-free facilities demonstrates Zimmer Biomet's commitment to encouraging all of us to make healthy lifestyle choices every day.

Tobacco use is prohibited at all Zimmer Biomet facilities and locations (e.g., property, buildings, leased buildings, Company vehicles, Company-sponsored meetings, and during breaks and lunch periods when on Company property) and applies to Team Members, visitors, vendors, contractors, surgeons, consultants, distributors, temporary agency employees or others on Zimmer Biomet property.

## Disability Plan Protects Your Finances

A disabling injury or illness could have a devastating impact on your family. Our Short-Term Disability (STD) and Long-Term Disability (LTD) plans, administered through Unum, are here to help you and your family. **Family Medical Leave Act (FMLA) claims must be filed within two business days of the requested family or medical leave. Disability claims must be filed within 30 days after your disability begins. Team Members must call Unum at 1-866-779-1037 in order to file a claim.** See page 58 for more information.

## Summary of Benefits and Coverage

The ACA requires group health plans to make available a Summary of Benefits and Coverage (SBC) that describes the key features of each medical and prescription drug coverage option available to you under the Zimmer Biomet Holdings, Inc. Health and Welfare Plan (the "Plan").

The SBCs are available for review on the Zimmer Biomet enrollment website (also known as Upoint™) and the Zimmer Biomet intranet.

## Imputed Income for Domestic Partner's and Non-Dependent Child's Coverage

The federal tax code excludes the value of medical, dental and/or vision (group health) coverage for you (the Team Member) and any of your federal tax dependents from your taxable income, but it is difficult for a domestic partner (and often his or her children) to qualify as your dependents under the federal tax rules. As a result, the fair market value of any group health coverage extended to your domestic partner and his or her children, who are not dependents for federal tax purposes, are treated as your taxable income. This means the value of your domestic partner's and any eligible non-dependent child's coverage is reflected on your pay statement as imputed income and reported as taxable wages on your Form W-2, and Zimmer Biomet must withhold for federal Social Security (FICA), unemployment (FUTA), Medicare and income taxes on the value of these benefits.

## Healthcare Reform

Under the Affordable Care Act (ACA), you are generally required to have healthcare coverage for you and your dependents, if applicable, that meets basic minimum standards, or pay a penalty.

Zimmer Biomet offers comprehensive, affordable healthcare plans that meet these requirements. If you are eligible for healthcare coverage through Zimmer Biomet, this coverage is likely your best option unless you are covered through another employer-sponsored plan.

Because of ACA rules, you may only enroll in the Healthcare Flexible Spending Account (FSA) if you are also enrolled in the HRA Medical option.

## Choose Your 2018 Benefits

The following chart summarizes the benefit programs and options you choose during the annual enrollment period. For most benefits, you may elect a specific option and a level of coverage, or choose no coverage for that benefit.

When electing your medical, dental and/or vision benefits, your contributions each pay period will depend on the type of option and coverage level you elect and whether the spousal surcharge applies.

## Benefit Election Options

Medical	Dental	Vision
<ul style="list-style-type: none"> <li>Premium HSA Medical</li> <li>Value HSA Medical</li> <li>HRA Medical<sup>1</sup></li> <li>No medical coverage</li> </ul>	<ul style="list-style-type: none"> <li>Premium Dental<sup>1</sup></li> <li>Value Dental</li> <li>No dental coverage</li> </ul>	<ul style="list-style-type: none"> <li>Vision<sup>1</sup></li> <li>No vision coverage</li> </ul>
<b>Flexible Spending Accounts (FSAs)</b> <ul style="list-style-type: none"> <li>Healthcare FSA (requires enrollment in the HRA Medical option; not available if you enroll in Premium or Value HSA Medical options or choose no coverage)</li> <li>Dependent Care FSA</li> <li>No FSA<sup>1</sup></li> </ul>		
<b>Life Insurance and/or Accidental Death and Dismemberment (AD&amp;D) Insurance<sup>1</sup></b> <ul style="list-style-type: none"> <li>Supplemental Team Member Life and/or AD&amp;D Insurance               <ul style="list-style-type: none"> <li>1x to 8x annual benefits salary</li> </ul> </li> <li>No Supplemental Team Member Life and/or AD&amp;D Insurance</li> <li>Dependent Life and/or AD&amp;D Insurance               <ul style="list-style-type: none"> <li>Spouse/Domestic Partner Coverage                   <ul style="list-style-type: none"> <li>Denominations between \$10,000 and \$500,000</li> </ul> </li> <li>Child Coverage                   <ul style="list-style-type: none"> <li>\$5,000 or \$10,000</li> </ul> </li> </ul> </li> <li>No Dependent Life and/or AD&amp;D Insurance</li> </ul>		
<b>Survivor Income Plan<sup>1</sup></b> <ul style="list-style-type: none"> <li>Survivor Income Plan</li> <li>No Survivor Income Plan</li> </ul>		
<b>Supplemental Long-Term Disability (LTD)<sup>1</sup></b> <ul style="list-style-type: none"> <li>10% Supplemental Long-Term Disability Insurance</li> <li>No Supplemental LTD Insurance</li> </ul>		

<sup>1</sup> If you do not complete the enrollment process, these are the default options for which you will receive the same level of coverage as your 2017 elections for you and any eligible dependents enrolled on December 31, 2017 who remain eligible on January 1, 2018. Refer to page 4 and 8 regarding default options.

### Levels of Coverage

- You only
- You + spouse/domestic partner
- You + child(ren)
- You + family
- No coverage

## What Happens if You Don't Enroll?

Ensure you receive the benefits you want by completing your enrollment elections on time. If you don't complete the enrollment process, you will default to the coverage listed below.

Any elections you choose when you enroll (or the default elections) will remain in effect until December 31, 2018, unless you experience a Qualified Status Change.

## Default Coverage

### Medical

HRA Medical with the same level of coverage and dependents, if eligible, as in effect on December 31, 2017.

- If you covered a spouse/domestic partner in 2017, your default coverage will include the additional charge of \$46.15 per pay period for the spouse/domestic partner surcharge.

If you chose no coverage in 2017, you will default to HRA Medical, you only coverage.

### Dental

Premium Dental with the same level of coverage and dependents, if eligible, as in effect on December 31, 2017. If you have no coverage this year for dental, you will default to no coverage for 2018.

### Vision

Vision plan with the same level of coverage and dependents, if eligible, as in effect on December 31, 2017. If you have no coverage this year for vision, you will default to no coverage for 2018.

### Flexible Spending Accounts

No participation.

### Life and Accidental Death and Dismemberment (AD&D) Insurance

You will automatically be enrolled in Basic Life and AD&D insurance at 2x your eligible benefits salary. This is provided at no cost.

You will receive the same coverage levels as your 2017 elections for any supplemental or dependent coverage.

(Please remember to update your beneficiary designations.)

### Survivor Income Plan

You will receive the same coverage as your 2017 elections.

(Please remember to update your beneficiary designations. Only surviving spouse/domestic partner and/or surviving children are eligible to be a beneficiary for the Survivor Income Plan benefit.)

### Short-Term and Long-Term Disability

You will automatically be enrolled in Basic Short-Term and Long-Term Disability. This is provided at no cost.

You will receive the same coverage level as your 2017 election for any supplemental LTD coverage.

---

# Eligibility

## Full-Time Team Members<sup>1</sup>

You are eligible to participate in all the Zimmer Biomet benefit programs if you are a full-time Team Member (regularly scheduled to work 40 hours per week) who is paid under the Zimmer Biomet U.S. payroll.

## Part-Time Team Members

If you are a part-time Team Member who is regularly scheduled to work (or averaged during a measurement period) at least 30 hours per week, but fewer than 40 hours per week (other than because of a disability or approved leave), you may be eligible for these coverages:

- Medical Option — you and any eligible dependent(s)
- Dental and Vision Options — you only coverage
- Healthcare and Dependent Care Flexible Spending Account
- Commuter Benefit
- Work-Life Solutions

If you are a part-time Team Member scheduled to work fewer than 30 hours per week, you are only eligible for Work-Life Solutions. No other benefits will be provided.

To participate in any of the Zimmer Biomet benefits, you must be employed by Zimmer Biomet or a subsidiary that adopts the Plan or program and must be paid under the Zimmer Biomet U.S. payroll.

## Team Members and Others Ineligible for Coverage

Team Members covered by a collective bargaining agreement, temporary or seasonal employees, student interns, co-ops, contractors and leased employees are not eligible to participate in the benefit programs.

## Dependent Eligibility

**Full-time and part-time eligible** Team Members may enroll eligible dependents in a medical option. An eligible dependent is:

- **For medical:**
  - ▶ Your spouse (including same-gender spouse) to whom you are legally married under the law of the state where the marriage occurred, or your common law spouse if recognized under the law of your state of residence.
  - ▶ Your domestic partner (same or opposite gender).
  - ▶ Your child (as defined in section 152(f) (1) of the tax code) who is under the age of 26 (during all or a portion of a calendar month), regardless of whether he/she is a full-time student or married, or whether you claim him/her as a dependent on your income taxes.
  - ▶ Your unmarried, incapacitated child of any age, if his/her incapacitation existed before age 26, and if he/she was enrolled in the Zimmer Biomet plan (or the legacy medical plan sponsored by either Zimmer or Biomet) at the time of his/her incapacity, and if the plan administrator (or its designee) approved him/her as eligible to continue coverage under the Plan.

<sup>1</sup> Team Member refers to a common law employee of Zimmer Biomet and does not include individuals who are contractors or employees of any other employer that is not Zimmer Biomet or one of its affiliates.

**Full-time** Team Members may enroll eligible dependents in dental, vision, life and AD&D insurance. An eligible dependent is:

- **For Dental and Vision:**

- ▶ Your spouse (including same-gender spouse) to whom you are legally married under the law of the state where the marriage occurred, or your common law spouse if recognized under the law of your state of residence.
- ▶ Your domestic partner (same or opposite gender).
- ▶ Your unmarried dependent child under age 19 (under age 23 if he/she is a full-time student<sup>1</sup>).
- ▶ Your unmarried, incapacitated child of any age, if his/her incapacitation existed before age 19 (or age 23 if he/she is a full-time student), and if he/she was enrolled in the Zimmer Biomet plan (or the legacy dental and vision plans sponsored by either Zimmer or Biomet) at the time of his/her incapacity, and if the insurer, or the plan administrator (or its designee), whichever is applicable, approves him/her as eligible to continue coverage under the Plan.

- **For Life and AD&D insurance:**

- ▶ Your spouse (including same-gender spouse) to whom you are legally married under the law of the state where the marriage occurred, or your common law spouse if recognized under the law of your state of residence.
- ▶ Your domestic partner (same or opposite gender).
- ▶ Your unmarried dependent child under age 19 (under age 23 if he/she is a full-time student<sup>1</sup>).

- ▶ Your unmarried, incapacitated child age 19 or over, provided he/she became disabled while covered as an eligible dependent by the Zimmer Biomet plan (or the legacy life and AD&D plans sponsored by either Zimmer or Biomet), remains incapable of self-support because of physical or mental disability, and is approved by the insurer as eligible to continue coverage under the Plan. In addition, the Team Member must be the main source of support and maintenance.

## Eligibility as Either Team Member or Dependent

If you and your spouse/domestic partner both work at Zimmer Biomet, you may not be covered as both a Team Member and a dependent (the same applies for your Zimmer Biomet spouse/domestic partner under any plan). Also in this situation, your dependent child(ren) can only be covered by one of you.

## Other Dependents

Other dependents, including stepchildren, may be eligible for coverage. Contact the Zimmer Biomet Benefits Service Center at **1-877-588-0933** to determine eligibility for your circumstances<sup>2</sup>.

<sup>1</sup> Schools may have their own definition of a full-time student, but the Plan generally requires being enrolled in at least 12 credits per term at an accredited post-secondary institution.

<sup>2</sup> By enrolling an eligible individual (other than your spouse, child or domestic partner and his/her children) in the Plan, you are certifying to Zimmer Biomet that the individual is your dependent for federal income tax purposes (as defined in section 152 of the tax code). If you enroll an individual, such as a legal ward, who is eligible to participate in the Plan, but who is not your dependent for federal tax purposes, you must notify the Zimmer Biomet Benefits Service Center no later than December 31 that you will not be eligible to claim that person as a dependent on your federal income tax return so Zimmer Biomet can properly report the value of that individual's coverage as taxable income on your W-2.

Note: Zimmer Biomet does not provide tax advice. If you have any questions about whether an individual you enroll in the Plan is your dependent for federal income tax purposes, you should consult your tax professional.

# Qualified Status Change

In accordance with the internal revenue code, a Qualified Status Change is a change in work or family status that allows limited mid-year changes to benefit elections.

When you add a new dependent, you will be required to provide documentation to support the Qualified Status Change.

No documentation is required to remove a dependent from coverage.

Below is a list of Qualified Status Change examples. For a complete list, go to [benefits.zimmerbiomet.com](https://benefits.zimmerbiomet.com).

## Marriage or Divorce

**Non-Registered Domestic Partner Relationship:** A non-registered domestic partner is any person recognized as a Team Member's domestic partner based on completion of the Zimmer Biomet domestic partner affidavit.

**Registered Domestic Partner Relationship:** A registered domestic partner is any person recognized as the Team Member's domestic partner under applicable state or municipal law for which the Team Member received proof of the domestic partner relationship.

**You, Your Spouse/Domestic Partner or Another Covered Dependent Loses or Gains Benefits Coverage**

## Birth or Adoption of a Child

### New Guardianship

### Change in Full-Time Student Status for Your Child

Note: If you do not timely enroll an eligible dependent, you will need to wait until the next annual benefits enrollment period.

**You must complete the following steps to properly report a Qualified Status Change:**

- **Timely notify the Zimmer Biomet Benefits Service Center.** Contact the Zimmer Biomet Benefits Service Center at **1-877-588-0933** and speak with a customer service representative, or go online and declare the Qualified Status Change at [benefits.zimmerbiomet.com](https://benefits.zimmerbiomet.com).

No matter which method you use, you must notify the Zimmer Biomet Benefits Service Center and make the changes to your benefit elections:

- ▶ **Within 31 calendar days** of the Qualified Status Change (other than birth or adoption), including the day of the event (within 60 days if change is due to gaining or losing Medicaid or Children's Health Insurance Program (CHIP) coverage. See page 65 for additional information about Medicaid and CHIP.)
- ▶ **Within 90 calendar days** of the Qualified Status Change for birth or adoption of a child, including the day of the event.
- After reporting the Qualified Status Change, updates will be sent to the carriers, and your payroll deductions will be adjusted. However, your dependent will not be eligible for coverage under any plan unless you also timely provide the required documentation.
  - ▶ You must submit the required documentation within 60 calendar days from the day of notification; otherwise, coverage will be terminated retroactively.

Respond promptly to any notices provided by the Zimmer Biomet Benefits Service Center to ensure changes are applied.

## Qualified Status Change Documents

Documents can be sent to the Zimmer Biomet Benefits Service Center by:

**Uploading documents:**  
[benefits.zimmerbiomet.com](https://benefits.zimmerbiomet.com)

**Mailing:**  
Dependent Verification Center  
P. O. Box 1401  
Lincolnshire, IL 60069-1401

**Faxing:**  
1-877-465-9555

Failure to timely notify and provide proper documentation to the Zimmer Biomet Benefits Service Center after enrolling based on a Qualified Status Change event will be deemed an intentional misrepresentation of your dependent's eligibility for coverage, and coverage will terminate retroactively.

Each Team Member is responsible for timely notifying the Zimmer Biomet Benefits Service Center if his/her dependent becomes ineligible for coverage.

**Reporting a Qualified Status Change to anyone other than the Zimmer Biomet Benefits Service Center is not a valid notification under any circumstances.**

Following this process will enable you to update your benefits coverage as permitted due to a Qualified Status Change.

Failure to follow this process means your benefits election related to the Qualified Status Change cannot be adjusted until the next annual benefits enrollment period and will not be effective until the next plan year. In the interim period, you will not have the benefit coverage for which you or your dependent would otherwise be eligible.

# Medical Options

Zimmer Biomet provides three comprehensive, yet distinct, medical options administered by Anthem (BlueCross BlueShield). Each option has features that appeal to different Team Members and family healthcare situations.

Please take the time to consider the total cost of each medical option, meaning your contributions for coverage, your annual deductible and your other out-of-pocket costs, before selecting the option that is best for you and your family.

The three medical options are:

Premium HSA Medical	Value HSA Medical	HRA Medical
Deductible: \$1,500/\$3,000	Deductible: \$3,000/\$6,000	Deductible: \$1,600/\$3,200
<ul style="list-style-type: none"> <li>▶ True Family deductible requires all or one individual to meet the family deductible before the plan pays coinsurance</li> </ul>	<ul style="list-style-type: none"> <li>▶ Embedded deductible limits each individual in a family to the individual deductible before the plan pays coinsurance</li> <li>▶ The embedded individual deductible applies to each family member until the family deductible is satisfied</li> </ul>	<ul style="list-style-type: none"> <li>▶ True Family deductible requires all or one individual to meet the family deductible before the plan pays coinsurance</li> </ul>
HSA Company contribution: \$750/\$1,500	HSA Company contribution: \$750/\$1,500	HRA Company contribution: \$500/\$1,000
Out-of-pocket maximum: \$3,500/\$6,850	Out-of-pocket maximum: \$4,000/\$8,000	Out-of-pocket maximum: \$3,100/\$6,200
<ul style="list-style-type: none"> <li>▶ True Family out-of-pocket maximum requires all or one individual to meet the out-of-pocket maximum before the plan pays 100%</li> </ul>	<ul style="list-style-type: none"> <li>▶ Embedded out-of-pocket maximum limits each individual in a family to the individual out-of-pocket maximum before the plan pays 100%</li> </ul>	<ul style="list-style-type: none"> <li>▶ True Family out-of-pocket maximum requires all or one individual to meet the out-of-pocket maximum before the plan pays 100%</li> </ul>

No matter which medical option you elect, you receive competitive prescription drug coverage administered by Express Scripts.

What you pay for a prescription drug is based on the medical option you elect, the formulary list or tier, and coinsurance. The price of a drug may vary depending on what pharmacy you use. If you use an in-network pharmacy, you will receive the Express Scripts negotiated discounted price for that prescription drug.

**To help you save money you can fill a 90-day supply of your maintenance medications through the mail-order pharmacy at Express Scripts or a retail Walgreens pharmacy. See page 32 for more details.**

Note: No covered family member will be subject to combined medical and prescription drug expenses that exceed the annual amount established by the Department of Health and Human Services (HHS) each year, as adjusted for inflation (\$7,350 for 2018).

**Customer service**  
1-800-693-5406

Monday through Friday,  
8 a.m. to 8 p.m. ET

**Website**  
[anthem.com](http://anthem.com)

**Confidentiality:**  
The Zimmer Biomet group health plan is covered by the Privacy and Security Rules under the federal law HIPAA. These rules protect the confidentiality of your medical services, including medical, dental, vision and prescription drugs.

## Embedded or True Family — What Does it Mean?

The deductible and out-of-pocket maximum work differently depending on which medical option you select.

- When you enroll in Premium HSA Medical or HRA Medical, you are subject to a **True Family deductible** and out-of-pocket maximum. This means that when you enroll in either of these options and cover dependents, the entire family deductible must be met before expenses are covered by coinsurance. The deductible may be met entirely by one family member or by a combination of family members.

With the **True Family out-of-pocket maximum**, the entire family out-of-pocket maximum must be met before the plan will begin paying 100% of the remaining eligible expenses. The out-of-pocket maximum can be met entirely by one family member, or by a combination of family members.

- When you enroll in the Value HSA Medical, you are subject to an **Embedded deductible** and out-of-pocket maximum. If you enroll in this option and cover dependents, when one family member reaches the \$3,000 individual deductible, the plan will begin covering that family member's additional expenses through coinsurance. Coinsurance will apply for that family member only — even if the total eligible expenses for all family members have not yet reached the \$6,000 deductible for family coverage.

With the **Embedded out-of-pocket maximum**, once a family member reaches the individual out-of-pocket maximum of \$4,000, the plan will begin paying 100% of that family member's eligible expenses, even if the \$8,000 family out-of-pocket maximum has not yet been met.

## Moving Between Medical Options

### Moving from HRA Medical to HSA Medical:

- The HSA is funded by the Company and you can elect to make personal contributions.
- Prescription drugs are subject to the same deductible and out-of-pocket maximum as eligible medical expenses.
- Any remaining balance in the HRA will roll over to the HSA Extra Bucks Account<sup>1</sup>.
- The HSA Extra Bucks Account is funded when you complete healthy activities and earn incentives.
- You cannot participate in both HSA Medical and the Healthcare FSA.
- If you enrolled in a Healthcare FSA in 2017, you must use your funds by December 31, 2017.
- HSA funds are portable, but the HSA Extra Bucks Account is not portable.

### Moving from HSA Medical to HRA Medical:

- The HRA is funded by the Company.
- Prescription drugs have an out-of-pocket maximum separate from covered medical expenses.
- Any remaining balance in your HSA will remain in your HSA, but you will no longer be eligible to make any contributions to your HSA.
- Any remaining balance in the HSA Extra Bucks Account will roll over to the HRA.
- The HRA is funded when you complete healthy activities and earn incentives.
- You can participate in a Healthcare FSA.
- The HRA funds are not portable.

<sup>1</sup>See page 16 regarding description of the HSA Extra Bucks Account.

# Health Savings Account (HSA) Medical

HSA Medical combines traditional health coverage with a special account that provides a tax-free way to pay for current, or save for future, healthcare expenses. The account is funded by the Company and can include your own tax-free contributions.

Any unused funds roll over to the next year and are portable if you leave the Company or change medical options.

You have the opportunity to earn additional funding in your Extra Bucks Account by completing healthy activities.

All medical services, including non-preventive prescription drugs, are subject to the deductible and coinsurance. However, preventive care and select preventive prescription drugs are covered 100% and are not subject to the deductible.

Zimmer Biomet offers two HSA medical options — Premium HSA and Value HSA.

## How Premium and Value HSA Medical Work (for in-network services)

Zimmer Biomet makes a contribution <sup>1</sup> :	You can make personal contributions <sup>2</sup> :	You pay the deductible (with HSA funds or out-of-pocket):	100% coverage after out-of-pocket maximum:
<p>Each year, Zimmer Biomet will contribute a set amount to your HSA.</p> <p>For 2018, the amount will be up to \$750<sup>1</sup> (you only) or \$1,500<sup>1</sup> (you + family).</p> <p>Deposits will be made twice a year. One-half of the contribution<sup>1</sup>, \$375 (you only) and \$750 (you + family), will be made in January and the other half will be made in July.</p> <p>Once this money is deposited into your account, it is yours to keep. It will not be forfeited if you leave the Company.</p>	<p>During the year, you can contribute to your HSA on a pre-tax basis through payroll deductions.</p> <p>For 2018, the IRS limits the total annual contribution — the combination of your personal and Zimmer Biomet's contribution — to \$3,450 (you only) or \$6,900 (you + family).</p> <p>The maximum you can contribute is based on the number of months you participate in either HSA Medical option.</p>	<p>You must satisfy the deductible before the plan's coinsurance begins.</p> <p>During the year, when you incur non-preventive care expenses<sup>3</sup>, you choose how you want to pay for those medical services.</p> <p>You can either pay with money from your HSA, or pay out-of-pocket for the expense, keeping the money in your HSA to continue to accumulate and earn interest (so you have more available funds to use for future healthcare expenses).</p> <p>After you satisfy your annual deductible, Zimmer Biomet pays 80% of eligible expenses and you pay 20%.</p>	<p>Once you meet your annual out-of-pocket maximum, the plan pays 100% of eligible medical and prescription drug expenses.</p>

<sup>1</sup> Your Zimmer Biomet contribution will be based on your coverage level on January 1, 2018, and on July 1, 2018. For example, if you enroll in you only coverage, you will receive half of the annual Company contribution, which would be \$375, in January. If you experience a Qualified Status Change and get married between January 1, 2018, and July 1, 2018, and change your coverage to you + family, you will receive half of the annual contribution, which would be \$750, in July.

<sup>2</sup> HSAs are Team Member-owned accounts. This means you are responsible for ensuring you are eligible to contribute to an HSA and the tax consequences of contributing to, and taking reimbursements from, the HSA. You can start, stop, increase or decrease your personal HSA contributions throughout the year and the change will go into effect as soon as administratively possible. Team Members age 55+ may be eligible to make additional personal contributions up to a maximum of \$1,000. Consult your tax advisor about your eligibility to contribute to or receive reimbursements from your HSA.

<sup>3</sup> You can use your HSA to pay for any qualified healthcare expense, including non-preventive medical care, such as doctor office visits, hospitalizations and prescription drugs. You can also use your HSA to pay for dental and vision expenses. Dental and vision expenses do not count toward HSA Medical out-of-pocket maximums.

## HSA Extra Bucks Account

The HSA Extra Bucks Account is a second account administered by Anthem that includes incentives earned from completing healthy activities or any rollover funds from the HRA. Certain restrictions apply to your HSA Extra Bucks Account that do not apply to your personal HSA.

### Here is how the HSA Extra Bucks Account works with both the Premium and Value HSA Medical Options:

The HSA Extra Bucks Account is only available when you enroll in an HSA Medical option. Because your HSA is a tax-free account, the IRS imposes certain regulations limiting access to other Company-provided funds, such as the contributions to your HSA Extra Bucks Account for participation in healthy activities.

- Your HSA Extra Bucks Account is funded when you complete healthy activities (see page 38 for information on the healthy activities).
- You must first meet the deductible before funds are automatically deducted from your HSA Extra Bucks Account. You cannot use your HSA Extra Bucks Account to help meet the cost of your deductible, but you can use your personal HSA to pay these expenses.
- Once you have met the deductible, the funds will automatically draw from the available balance in your HSA Extra Bucks Account to help cover your coinsurance for medical and prescription drug expenses. If you do not have enough funds in your HSA Extra Bucks Account, you will be responsible for paying the cost of the healthcare expense either out-of-pocket or by using funds from your HSA. Expenses paid from your HSA Extra Bucks Account will apply toward your out-of-pocket maximum.
- When your coverage ends, any remaining balance in your HSA Extra Bucks Account will be forfeited.

If you are enrolled in a Healthcare FSA in 2017 and will enroll in an HSA Medical option in 2018, you must use your 2017 Healthcare FSA funds by December 31, 2017.

Because of the rules under the tax code, the IRS limits the use of a Healthcare FSA if you want to contribute to an HSA. Therefore, if you enroll in HSA Medical, you cannot enroll in the Healthcare FSA and must use any remaining balance in your Healthcare FSA before January 1, 2018. Your HSA has all the tax advantages of the Healthcare FSA without the use-it-or-lose-it condition.

The following chart highlights the specific features of Premium HSA Medical:

Premium HSA Medical Provisions	In-Network <sup>1</sup>	Out-of-Network
Preventive Care/Wellness	Covered at 100%, no deductible	Covered at 100%, no deductible
Select Preventive Prescription Drugs	Covered at 100%, no deductible	Covered at 100%, no deductible
HSA Contribution from Zimmer Biomet <sup>2</sup>	\$750 you only/\$1,500 you + family (½ in January and ½ in July) <sup>3</sup>	
Personal HSA Contributions	Up to \$3,450 for you only/\$6,900 for you + family (includes Zimmer Biomet contributions)	
Catch-up Contributions	Team Members age 55+ who are not eligible for or enrolled in Medicare can contribute up to an additional \$1,000 per year	
Annual Deductible <sup>4</sup>	\$1,500 <sup>3</sup> you only/\$3,000 <sup>3</sup> you + family	
HSA Extra Bucks Account <sup>5</sup>	Zimmer Biomet adds incentives to your HSA Extra Bucks Account when you and/or your covered spouse/domestic partner complete healthy activities. See page 16 regarding details about the HSA Extra Bucks Account.	
Coinsurance <sup>6</sup>	Zimmer Biomet pays 80%/You pay 20%	Zimmer Biomet pays 60%/You pay 40%
Out-of-Pocket Maximum <sup>7</sup>	\$3,500 you only/\$6,850 you + family	\$7,000 you only/\$14,000 you + family
Prescription Drugs	Subject to Premium HSA Medical deductible and coinsurance	

<sup>1</sup> Network Providers are a group of doctors, hospitals and other healthcare service providers that contract with a medical plan to provide healthcare services at negotiated rates. The Anthem BlueCross BlueShield network is used for all three medical options.

<sup>2</sup> If you timely set up your HSA, all Zimmer Biomet contributions are made through the Section 125 Plan (unless you opt out).

<sup>3</sup> You can reduce the amount you pay out-of-pocket toward your deductible by using the Zimmer Biomet contribution in your HSA, which will also apply toward your out-of-pocket maximum.

<sup>4</sup> The amount you pay each plan year for covered services before the medical option pays benefits. You can pay from your HSA or out-of-pocket. Premium HSA has a True Family deductible that requires all or one individual to meet the family deductible before the plan pays coinsurance. For example, the annual deductible for Premium HSA family coverage is an aggregate amount that includes both medical and prescription drug costs.

<sup>5</sup> Incentives used from your HSA Extra Bucks Account apply toward your coinsurance and out-of-pocket maximum, but not toward your annual deductible.

<sup>6</sup> The percentage the Plan pays for certain covered expenses after you meet your applicable annual deductible. You pay the remaining percentage.

<sup>7</sup> The maximum amount you pay in a plan year for covered services. Once you meet the out-of-pocket maximum, the medical option pays 100% of any eligible expenses covered by the plan for the rest of the plan year. Deductible, coinsurance and any eligible medical or prescription expenses paid from your HSA Extra Bucks Account apply toward the out-of-pocket maximum. Amounts that exceed the maximum allowable amount<sup>8</sup> do not count toward the out-of-pocket maximum. Premium HSA Medical has a True Family out-of-pocket maximum that requires all or one individual to meet the family out-of-pocket maximum before the plan pays 100%. For example, the annual out-of-pocket maximum for Premium HSA family coverage is an aggregate amount that includes both medical and prescription drug costs.

<sup>8</sup> The maximum allowable amount is the amount the claims administrator will reimburse for services and supplies which meet its definition of covered services, as long as such services and supplies are not excluded under the Plan; are medically necessary; and are provided in accordance with the Plan. Coinsurance/maximums are calculated based upon the maximum allowable amount, not the provider's charge. If an out-of-network provider is used, however, you are responsible for paying the difference between the maximum allowable amount and the amount the out-of-network provider charges.

**If you enroll in Premium HSA Medical**, you can choose to use the money in your HSA to help pay for prescription drug expenses, or you can pay out-of-pocket.

In the HSA Medical option, prescription drugs are treated like any other medical expense and are subject to the deductible. You will be responsible for the drug’s actual cost (or the network discounted rate) until you meet your annual deductible.

After you satisfy the deductible, you pay a portion of the prescription drug cost through coinsurance until you meet your annual out-of-pocket maximum. Once you have met your out-of-pocket maximum, the coverage pays 100% of your costs.

Maintenance medications are the medications you take long-term for chronic conditions like high blood pressure or diabetes. If you take these medications, your costs will be lowered by using either the Exclusive Home Delivery or

Walgreens Retail. If after two fills you elect to stay at a retail (non-Walgreens) pharmacy and do not move to either the Home Delivery or Walgreens Retail, you will pay a penalty. That penalty amount will not count toward your deductible or annual out-of-pocket maximum (even after meeting your annual out-of-pocket maximum, the penalty will still be an additional cost).

If you choose to receive a brand-name medication when a generic is available, you will pay your brand non-formulary coinsurance plus the difference in cost between the brand-name and the generic price. Note that you can use your HSA to pay this difference if you have funds available.

In the event that a generic is not available, you will be required to pay the applicable coinsurance for the brand-name medication. You can use any available funds in your HSA to pay for your prescription drug costs.

Type of Prescription	Premium HSA Medical
<b>Select Preventive Prescription Drugs</b>	Covered at 100%
<b>Retail (30-day supply)</b>	<b>After deductible, you pay:</b>
Generic <sup>1</sup>	20% (\$7 minimum, \$30 maximum)
Brand Formulary <sup>2</sup>	30% (\$25 minimum, \$60 maximum)
Brand Non-Formulary <sup>3</sup>	40% (\$50 minimum, \$120 maximum)
Brand Lifestyle Drugs <sup>4</sup>	50% (\$50 minimum, no maximum)
<b>Exclusive Home Delivery or Walgreens Retail (90-day supply)</b>	<b>After deductible, you pay:</b>
Generic <sup>1</sup>	20% (\$14 minimum, \$50 maximum)
Brand Formulary <sup>2</sup>	30% (\$50 minimum, \$100 maximum)
Brand Non-Formulary <sup>3</sup>	40% (\$100 minimum, \$175 maximum)
Brand Lifestyle Drugs <sup>4</sup>	50% (\$100 minimum, no maximum)
<b>Annual Out-of-Pocket Maximum<sup>5</sup></b>	\$3,500 you only/\$6,850 you + family (Includes covered medical and prescription drug costs)

<sup>1</sup> An FDA-approved prescription drug containing the same active ingredients as its brand-name counterpart. It must be available in the same strength and dosage forms as the equivalent brand-name drug, but may be a different shape or color.

<sup>2</sup> Prescription medications that are included on the Express Scripts preferred prescription drug list selected by a panel of healthcare professionals. The list includes a select group of brand-name drugs that are evaluated on their usefulness, safety and cost-effectiveness.

<sup>3</sup> Prescription medications that are not on Express Scripts’ preferred prescription drug list.

<sup>4</sup> Brand lifestyle drugs refers to brand-name prescription drugs used for conditions such as erectile dysfunction and infertility.

<sup>5</sup> Annual out-of-pocket maximum for Premium HSA family coverage has a True Family out-of-pocket maximum that requires all or one individual to meet the family out-of-pocket maximum before the plan pays 100%. For example, the annual out-of-pocket maximum is an aggregate amount that includes both medical and prescription drug costs.

Note: No covered family member will be subject to combined medical and prescription drug expenses that exceed the annual amount established by the Department of Health and Human Services (HHS) each year, as adjusted for inflation (\$7,350 for 2018).

The following chart highlights the specific features of Value HSA Medical:

Value HSA Medical Provisions	In-Network	Out-of-Network
Preventive Care/Wellness	Covered at 100%, no deductible	Covered at 100%, no deductible
Select Preventive Prescription Drugs	Covered at 100%, no deductible	Covered at 100%, no deductible
HSA Contribution from Zimmer Biomet <sup>1</sup>	\$750 you only/\$1,500 you + family (½ in January and ½ in July) <sup>2</sup>	
Personal HSA Contributions	Up to \$3,450 for you only/\$6,900 for you + family (includes Zimmer Biomet contributions)	
Catch-up Contributions	Team Members age 55+ who are not eligible for or enrolled in Medicare can contribute up to an additional \$1,000 per year	
Annual Deductible <sup>3</sup>	\$3,000 <sup>2</sup> you only/\$6,000 <sup>2</sup> you + family	
HSA Extra Bucks Account <sup>4</sup>	Zimmer Biomet adds incentives to your HSA Extra Bucks Account when you and/or your covered spouse/domestic partner complete healthy activities. See page 16 regarding details about the HSA Extra Bucks Account.	
Coinsurance <sup>5</sup>	Zimmer Biomet pays 80%/You pay 20%	Zimmer Biomet pays 60%/You pay 40%
Out-of-Pocket Maximum <sup>6</sup>	\$4,000 you only/\$8,000 you + family	\$7,000 you only/\$14,000 you + family
Prescription Drugs	Subject to Value HSA Medical deductible and coinsurance	

<sup>1</sup> If you timely set up your HSA, all Zimmer Biomet contributions are made through the Section 125 Plan (unless you opt out).

<sup>2</sup> You can reduce the amount you pay out-of-pocket toward your deductible by using the Zimmer Biomet contribution in your HSA, which will also apply toward your out-of-pocket maximum.

<sup>3</sup> The amount you pay each plan year for covered services before the medical option pays benefits. You can pay from your HSA or out-of-pocket. Value HSA has an Embedded deductible that limits each individual in a family to the individual deductible before the plan pays coinsurance. For example, the Embedded individual deductible applies until the family deductible is satisfied, which means no individual family member will pay more than the individual deductible before the plan pays coinsurance.

<sup>4</sup> Incentives used from your HSA Extra Bucks Account apply toward your coinsurance and out-of-pocket maximum, but not toward your annual deductible.

<sup>5</sup> The percentage the Plan pays for certain covered expenses after you meet your annual deductible, if applicable. You pay the remaining percentage.

<sup>6</sup> The maximum amount you pay in a plan year for covered services. Once you meet the out-of-pocket maximum, the medical option pays 100% of all covered expenses for the rest of the plan year. Deductible, coinsurance and any eligible medical and prescription expenses paid from your HSA Extra Bucks Account apply toward the out-of-pocket maximum. Out-of-network amounts that exceed the maximum allowable amount<sup>7</sup> do not count toward the out-of-pocket maximum. Value HSA has an Embedded out-of-pocket maximum that limits each individual in a family to the individual out-of-pocket maximum before the plan pays 100%. For example, the Embedded individual out-of-pocket maximum applies to each covered individual until the family out-of-pocket maximum is satisfied.

<sup>7</sup> The maximum allowable amount is the amount the claims administrator will reimburse for services and supplies which meet its definition of covered services, as long as such services and supplies are not excluded under the Plan; are medically necessary; and are provided in accordance with the Plan. Coinsurance/maximums are calculated based upon the maximum allowable amount, not the provider's charge. If an out-of-network provider is used, however, you are responsible for paying the difference between the maximum allowable amount and the amount the out-of-network provider charges.

**If you enroll in Value HSA Medical**, you can choose to use the money in your HSA to help pay for prescription drug expenses, or you can pay out-of-pocket.

In the HSA Medical option, prescription drugs are treated like any other healthcare expense and are subject to the deductible. You will be responsible for the drug's actual cost (or the network discounted rate) until you meet your annual deductible.

After you satisfy the deductible, you pay a portion of the prescription drug cost through coinsurance until you meet your annual out-of-pocket maximum. Once you have met your out-of-pocket maximum, the coverage pays 100% of your costs.

Maintenance medications are the medications you take long-term for chronic conditions like high blood pressure or diabetes. If you take these medications, your costs will be lowered by using either the Exclusive Home Delivery or

Walgreens Retail. If after two fills you elect to stay at a retail (non-Walgreens) pharmacy and do not move to either the Home Delivery or Walgreens Retail, you will pay a penalty. That penalty amount will not count toward your deductible or annual out-of-pocket maximum (even after meeting your annual out-of-pocket maximum, the penalty will still be an additional cost).

If you choose to receive a brand-name medication when a generic is available, you will pay your brand non-formulary coinsurance plus the difference in cost between the brand-name and the generic price. Note that you can use your HSA to pay this difference if you have funds available.

In the event that a generic is not available, you will be required to pay the applicable coinsurance for the brand-name medication. You can use any available funds in your HSA to pay for your prescription drug costs.

<sup>3</sup> Prescription medications that are not on Express Scripts' preferred prescription drug list.

<sup>4</sup> Brand lifestyle drugs refers to brand-name prescription drugs used for conditions such as erectile dysfunction and infertility.

<sup>5</sup> Annual out-of-pocket maximum for Value HSA family coverage has an Embedded out-of-pocket maximum that limits each individual in a family to the individual out-of-pocket maximum before the plan pays 100%. For example, the annual out-of-pocket maximum is an individual amount that includes both medical and prescription drug costs.

Note: No covered family member will be subject to combined medical and prescription drug expenses that exceed the annual amount established by the Department of Health and Human Services (HHS) each year, as adjusted for inflation (\$7,350 for 2018).

# Your Personal Health Savings Account (HSA)

When you enroll in the HSA Premium Medical option or the HSA Value Medical option for the first time, you must open an HSA in your name with HealthEquity, Anthem's partner for HSA services. If you already have an open HSA with HealthEquity, no further action is needed to activate your account.

**No personal or Company contributions will be made to your HSA until you open your account.**

You cannot use your HSA to pay expenses incurred before you open your HSA. Any personal and Company contributions will be forfeited if you do not open your HSA with HealthEquity by the last business day of 2018.

If you currently have an HSA that is not with HealthEquity, you may keep your current HSA or transfer the funds to a HealthEquity HSA. Zimmer Biomet will pay the monthly administration fee for Team Members enrolled in Zimmer Biomet's HSA with HealthEquity.

## Activating Your HSA

During the annual enrollment process, if you do not already have an HSA established with HealthEquity, you will have the opportunity to agree to the terms and conditions as required by federal law to open your HSA. If you enroll online, the website will walk you through this process.

- If you successfully meet the criteria for the terms and conditions, your HSA will be opened.
- If you do not successfully meet the criteria for the terms and conditions, your HSA will not be opened and you will be notified by mail or email.

Once you successfully meet the criteria for the terms and conditions and your HSA has been opened, you will receive welcome materials from HealthEquity that include:

- HealthEquity Visa® debit card
- Instructions for accessing the HealthEquity website
- Contact information for member services
- Tips for maximizing health savings with an HSA

*You are automatically set up to receive paper HealthEquity statements and will be charged \$1.00 per monthly statement. To avoid this fee, we recommend you switch your account preference settings to electronic statements.*

### Important:

**If you are enrolled in a Healthcare FSA in 2017 and enroll in either HSA Medical option for 2018, you must use all of your remaining 2017 Healthcare FSA funds by December 31, 2017, to be eligible to contribute to your HSA in January 2018.**

## HealthEquity®

Building Health Savings™

### Customer service

1-877-713-7712

24 hours a day, 7 days per week

### Website

[myhealthequity.com](http://myhealthequity.com)

### HSA is portable

Your HSA is portable and will not be forfeited if you retire or leave Zimmer Biomet.

### Beneficiaries

Establishing a beneficiary is one of the first actions you should take when you open your HSA. You can add or change your beneficiaries for your HSA anytime on the HealthEquity website.

## Important HSA Information

You cannot contribute to an HSA if you are enrolled in the HRA Medical option or any other medical option, including your spouse's/domestic partner's plan, unless it is an IRS qualified high-deductible health plan.

If you are age 65 or older (or are otherwise eligible) and have enrolled in Medicare, you can no longer contribute to an HSA or receive any Zimmer Biomet contributions to your HSA. Of course, even after you are no longer eligible to contribute to an HSA, you may still use the funds in your HSA to pay for qualified medical expenses. You must promptly notify the Zimmer Biomet Benefits Service Center as soon as you enroll in Medicare and request to stop any HSA contributions (once you become eligible for Medicare, you may still contribute to an HSA, but only if you have not enrolled in Medicare).

To learn more about qualified healthcare expenses and regulations that apply to HSAs, go to [irs.gov](https://www.irs.gov).

**Remember, because the HSA is an individual account, you are responsible for ensuring you are eligible to contribute to an HSA, determining what healthcare expenses are eligible and reporting contributions and disbursements each year to the IRS.**

## HSA Eligibility for Children and Domestic Partners

If you enroll in HSA Medical and elect coverage for your child, domestic partner and/or their dependent child, you may receive the Zimmer Biomet contribution for you + family coverage. However, generally, you may only use your HSA to pay eligible medical expenses on a tax-preferred basis for: (1) your child if he/she is a qualifying child as defined in tax code section 152; or (2) your domestic partner and/or his/her dependent child, or your legal ward, if the individual qualifies as a qualifying relative as defined in tax code section 152.

## Growing Your HSA

There are several ways you can increase the balance in your HSA:

- Contribute the maximum amount into your account
- Save rather than spend
- Invest your money

For information regarding each of the available investment funds, including management fees and expenses, please consult a current mutual fund prospectus, which is available on the HealthEquity website. Please read it carefully before you invest or send money. Because the HSA is your account, you are solely responsible for investment decisions and any gains and/or losses.

## Triple Tax Advantage

Your HSA provides you with a tax-free way to pay for out-of-pocket expenses, similar to a Healthcare FSA, but without the use-it-or-lose-it feature.

Your HSA is a tax-preferred savings vehicle for your healthcare needs now and in the future. When you contribute to your HSA, you get triple tax advantages:

- The money is not taxed when it is deposited into your account because it is exempt from federal income tax, FICA (Social Security and Medicare) taxes and state income tax (for most states).
- It accumulates interest, or investment earnings (or losses), tax-free.
- The money is not taxed when you use it to pay for qualified healthcare expenses. Remember — save your receipts in the event the IRS requests them.

## Advantages and Important Considerations of Premium and Value HSA Medical

Advantages	Important Considerations
<p><b>Premium and Value HSA Medical Options</b></p> <ul style="list-style-type: none"> <li>• Lower biweekly medical premiums than HRA medical.</li> <li>• You have the flexibility to visit any doctor or other healthcare providers you wish — but you pay less with the group discounted rates when you use in-network providers<sup>1</sup>.</li> </ul>	<p><b>Premium and Value HSA Medical Options</b></p> <ul style="list-style-type: none"> <li>• By law, you must be enrolled in an IRS qualified high-deductible health plan like the HSA Medical options to contribute to an HSA. You will pay more initially out-of-pocket for healthcare services, until you meet your deductible.</li> <li>• When you visit an out-of-network provider, you are responsible for paying any amount that exceeds the maximum allowable charge that applies for in-network providers, plus any deductible and/or coinsurance amount.</li> </ul>
<p><b>Your HSA</b></p> <ul style="list-style-type: none"> <li>• Zimmer Biomet makes an annual contribution of \$750 (you only) or \$1,500 (you + family) to your account. One-half of the contribution will be made in January and the other half will be made in July, provided you are employed on the contribution date.</li> <li>• You can also contribute your own money, tax-free, up to annual IRS limits. The 2018 HSA limits are \$3,450 (you only) or \$6,900 (you + family), including both your and Zimmer Biomet's contributions.</li> <li>• Tax advantages, ongoing contributions and account earnings help you save for the future and can help you cover COBRA or retiree medical expenses.</li> <li>• Over the long term, you may benefit from investing your account in a variety of funds available through the HSA administrator. You must have a balance of \$1,000 in order to invest.</li> <li>• Team Members who are age 55+ and not eligible for or enrolled in Medicare may make extra catch-up contributions, up to an additional \$1,000 per year, to their HSA.</li> <li>• Both interest and investment earnings grow tax-free and can be used tax-free for any qualified medical, prescription drug, dental or vision expense.</li> <li>• Your HSA is portable and will not be forfeited if you retire or leave Zimmer Biomet.</li> <li>• As long as you are enrolled in either HSA Medical option, Zimmer Biomet pays the administrative fee to manage the HSA through HealthEquity.</li> </ul>	<p><b>Your HSA</b></p> <ul style="list-style-type: none"> <li>• You are responsible for retaining healthcare expense receipts to support the tax treatment of your HSA contributions and disbursements. You cannot use or be reimbursed for eligible expenses until your HSA is activated and funds are available in your HSA.</li> <li>• The Department of Homeland Security requires bank accounts — including the HSA — to be tied to a physical mailing address. If you have only a P.O. Box address, you may not enroll in this option.</li> <li>• In order to contribute to your HSA, you cannot be enrolled in any other medical coverage, unless it is also a high-deductible health plan.</li> <li>• Typical banking fees will apply for monthly paper banking statements, overdraft charges or the replacement of an HSA debit card.</li> <li>• You and your eligible dependents may not make contributions to your HSA after you enroll in Medicare.</li> <li>• You are not eligible to enroll in a Healthcare FSA if you (or the Company) are contributing to an HSA.</li> <li>• Your HSA Extra Bucks Account will be forfeited once your coverage ends.</li> </ul>

<sup>1</sup> Network Providers are a group of doctors, hospitals and other healthcare service providers that contract with a medical plan to provide healthcare services at negotiated rates. The Anthem BlueCross BlueShield network is used for all three medical options.

## Regarding the HSA

The information contained in this guide does not constitute legal, tax or personal planning advice. Consult with a tax advisor before establishing an HSA. All benefits under Premium and Value HSA Medical options are subject to the terms and conditions of the Plan, as amended from time to time. Your HSA is not a group plan, therefore, you are responsible for ensuring your eligibility and contribution limits, reporting to the IRS and whether distributions from your HSA are tax-exempt.

# Health Reimbursement Account (HRA) Medical

HRA Medical provides traditional medical coverage combined with a special Company-funded account called an HRA. The funds in your HRA will automatically be used to help pay for medical services for you and your enrolled dependents. You have the opportunity to earn additional funding by completing healthy activities. If you do not use all the funds in your HRA, the remaining balance will roll over each year. There is no cap on the total funds you can accumulate in your HRA. If you leave Zimmer Biomet, any remaining balance will be forfeited.

## How HRA Medical Works (for in-network services)

Zimmer Biomet makes a contribution <sup>1</sup> :	You pay the deductible (with HRA funds or out-of-pocket) <sup>2</sup> :	100% coverage after out-of-pocket maximum <sup>3</sup> :
<p>Your Zimmer Biomet HRA contribution of \$500 (you only) or \$1,000 (you + family) will be used to help pay for covered expenses.</p>	<p>Zimmer Biomet's annual contribution to your HRA will be used to help satisfy your annual deductible. When you use in-network providers, you pay only the negotiated rate.</p> <p>Prescription drug expenses do not apply toward your annual medical deductible.</p> <p>After you satisfy your annual deductible<sup>2</sup>, Zimmer Biomet pays 80% of eligible expenses and you pay 20%.</p>	<p>Once you meet your annual medical out-of-pocket maximum, the plan pays 100% of eligible medical expenses.</p> <p>Prescription drugs are subject to a separate out-of-pocket maximum.</p>

<sup>1</sup> Zimmer Biomet's HRA contribution will be used to help satisfy the deductible and will apply toward your out-of-pocket maximum.

<sup>2</sup> HRA Medical has a True Family deductible, which requires all or one individual to meet the family deductible before the plan pays coinsurance.

<sup>3</sup> The HRA Medical has a True Family out-of-pocket maximum that requires all or one individual to meet the family out-of-pocket maximum before the plan pays 100%. For example, the annual out-of-pocket maximum for HRA family coverage is an aggregate amount and includes medical only.

The following chart highlights the specific features of HRA Medical:

HRA Medical Provisions	In-Network	Out-of-Network
Preventive Care/Wellness	Covered at 100%, no deductible	Covered at 100%, no deductible
Select Preventive Prescription Drugs	Covered at 100%, no deductible	Covered at 100%, no deductible
HRA Contribution from Zimmer Biomet <sup>1</sup>	\$500 you only/\$1,000 you + family	
Healthy Activities <sup>2</sup>	Zimmer Biomet adds incentives to your HRA when you and/or your covered spouse/domestic partner complete healthy activities. See page 38 for details regarding healthy activities.	
Annual Deductible <sup>3</sup>	\$1,600 you only/\$3,200 you + family	
Coinsurance <sup>4</sup>	Zimmer Biomet pays 80%/You pay 20%	Zimmer Biomet pays 60%/You pay 40%
Out-of-Pocket Maximum <sup>5</sup>	\$3,100 you/\$6,200 you + family	\$6,200 you/\$12,400 you + family

<sup>1</sup> Zimmer Biomet's HRA contribution will be used to help satisfy the deductible and will apply toward your out-of-pocket maximum.

<sup>2</sup> Incentives, as well as rollover funds from prior years, can be used to help meet your annual deductible or pay your coinsurance, and they apply toward your out-of-pocket maximum.

<sup>3</sup> The amount you pay each plan year either from your HRA or out-of-pocket for covered services before the medical option pays benefits. HRA Medical has a True Family deductible that requires all or one individual to meet the family deductible before the plan pays coinsurance. For example, the annual deductible for the HRA family coverage is an aggregate amount.

<sup>4</sup> The percentage the plan pays for certain covered expenses after you meet your applicable annual deductible. You pay the remaining percentage.

<sup>5</sup> The maximum amount you pay in a plan year for covered services. Once you meet the out-of-pocket maximum, the medical option pays 100% of all covered expenses for the rest of the plan year. The deductible, coinsurance and eligible medical expenses paid from your HRA apply toward the out-of-pocket maximum. Amounts that exceed the maximum allowable amount<sup>6</sup> for out-of-network expenses do not count toward the out-of-pocket maximum. Separate out-of-pocket maximum applies for prescription drug expenses covered by HRA Medical. HRA Medical has a True Family out-of-pocket maximum that requires all or one individual to meet the family out-of-pocket maximum before the plan pays 100%. For example, the annual out-of-pocket maximum for the HRA family coverage is an aggregate amount.

<sup>6</sup> The maximum allowable amount is the amount the claims administrator will reimburse for services and supplies which meet its definition of covered services, as long as such services and supplies are not excluded under the Plan; are medically necessary; and are provided in accordance with the Plan. Coinsurance/maximums are calculated based upon the maximum allowable amount, not the provider's charge. If an out-of-network provider is used, however, you are responsible for paying the difference between the maximum allowable amount and the amount the out-of-network provider charges.

**If you enroll in HRA Medical**, you will pay coinsurance based on the formulary list or tier until you meet your annual prescription drug out-of-pocket maximum. The prescription drug out-of-pocket maximum is separate from the medical out-of-pocket maximum.

Maintenance medications are the medications you take long-term for chronic conditions like high blood pressure or diabetes. If you take these medications, your costs will be lowered by using either the Exclusive Home Delivery or Walgreens Retail. If after two fills you elect to stay at a retail (non-Walgreens) pharmacy and do not move to either the Home Delivery or Walgreens Retail, you will pay a penalty. That penalty amount will not count toward your deductible

or annual out-of-pocket maximum (even after meeting your annual out-of-pocket maximum, the penalty will still be an additional cost).

If you choose to receive a brand-name medication when a generic is available, you will pay your brand non-formulary coinsurance plus the difference in cost between the brand-name and the generic price.

In the event that a generic is not available, you will be required to pay the applicable coinsurance for the brand-name medication.

Type of Prescription	HRA Medical
<b>Select Preventive Prescription Drugs</b>	Covered at 100%
<b>Retail (30-day supply)</b>	<b>You pay:</b>
Generic <sup>1</sup>	20% (\$7 minimum, \$30 maximum)
Brand Formulary <sup>2</sup>	30% (\$25 minimum, \$60 maximum)
Brand Non-Formulary <sup>3</sup>	40% (\$50 minimum, \$120 maximum)
Brand Lifestyle Drugs <sup>4</sup>	50% (\$50 minimum, no maximum)
<b>Exclusive Home Delivery or Walgreens Retail (90-day supply)</b>	<b>You pay:</b>
Generic <sup>1</sup>	20% (\$14 minimum, \$50 maximum)
Brand Formulary <sup>2</sup>	30% (\$50 minimum, \$100 maximum)
Brand Non-Formulary <sup>3</sup>	40% (\$100 minimum, \$175 maximum)
Brand Lifestyle Drugs <sup>4</sup>	50% (\$100 minimum, no maximum)
<b>Annual Out-of-Pocket Maximum<sup>5</sup></b>	\$1,500/\$3,000 you + family (no covered family member will exceed \$1,500 in expenses) (Includes prescription drug costs only)

<sup>1</sup> An FDA-approved prescription drug containing the same active ingredients as its brand-name counterpart. It must be available in the same strength and dosage forms as the equivalent brand-name drug, but may be a different shape or color.

<sup>2</sup> Prescription medications that are included on the Express Scripts preferred prescription drug list selected by a panel of healthcare professionals. The list includes a select group of brand-name drugs that are evaluated on their usefulness, safety and cost-effectiveness.

<sup>3</sup> Prescription medications that are not on Express Scripts' preferred prescription drug list.

<sup>4</sup> Brand lifestyle drugs refer to brand-name prescription drugs used for conditions such as erectile dysfunction and infertility.

<sup>5</sup> Prescription Drug coverage has an Embedded out-of-pocket maximum that limits each individual in a family to the individual out-of-pocket maximum before the plan pays 100%. For example, the Embedded individual out-of-pocket maximum applies to each covered family member until the family out-of-pocket maximum is satisfied.

Note: No covered family member will be subject to combined medical and prescription drug expenses that exceed the annual amount established by the Department of Health and Human Services (HHS) each year, as adjusted for inflation (\$7,350 for 2018).

# Comparing Medical Options

	Premium and Value HSA Medical	HRA Medical
<b>Zimmer Biomet contribution</b>	<ul style="list-style-type: none"> <li>Zimmer Biomet will contribute \$750 (you only) or \$1,500 (you + family) to your HSA.</li> <li>One-half will be contributed in January and the other half in July, provided you are employed by Zimmer Biomet on each contribution date.</li> </ul>	<ul style="list-style-type: none"> <li>Zimmer Biomet will contribute \$500 (you only) or \$1,000 (you + family) to your HRA in January.</li> </ul>
<b>Personal contribution</b>	<ul style="list-style-type: none"> <li>The 2018 HSA limits are \$3,450 (you only) or \$6,900 (you + family), including both your and Zimmer Biomet's contributions.</li> <li>Team Members age 55+ may be eligible to make additional contributions up to a maximum of \$1,000 per year.</li> </ul>	<ul style="list-style-type: none"> <li>You may not make personal contributions to your HRA.</li> </ul>
<b>Deductible</b>	<ul style="list-style-type: none"> <li>Premium HSA Medical has a True Family deductible, which requires all or one individual to meet the family deductible before the plan pays coinsurance.</li> <li>Value HSA Medical has an Embedded deductible, which limits each individual in a family to the individual deductible before the plan pays coinsurance.</li> <li>The Embedded individual deductible applies to each family member until the family deductible is satisfied.</li> </ul>	<ul style="list-style-type: none"> <li>HRA Medical has a True Family deductible, which requires all or one individual to meet the family deductible before the plan pays coinsurance.</li> </ul>
<b>Incentives for healthy behaviors</b>	<ul style="list-style-type: none"> <li>Zimmer Biomet contributes incentives to the HSA Extra Bucks Account when you or your covered spouse/domestic partner participate in and complete healthy activities.</li> <li>The funds in your HSA Extra Bucks Account will help pay your coinsurance only after you have met the applicable deductible.</li> </ul>	<ul style="list-style-type: none"> <li>Zimmer Biomet contributes incentives to your HRA when you or your covered spouse/domestic partner participate in and complete healthy activities.</li> <li>The funds in your HRA will help satisfy your annual deductible or pay for coinsurance.</li> </ul>
<b>Choice of when to use your account</b>	<ul style="list-style-type: none"> <li>You may choose to use available funds from your HSA to pay for your qualified healthcare expenses, or you may keep the funds in your HSA and pay out-of-pocket.</li> <li>If you incur healthcare expenses after you meet your deductible, funds will automatically be drawn from your HSA Extra Bucks Account to help pay for coinsurance.</li> </ul>	<ul style="list-style-type: none"> <li>When you incur healthcare expenses, funds will automatically be drawn from your HRA.</li> <li>If you do not have enough funds in your HRA, you pay the difference out-of-pocket toward the deductible and/or coinsurance.</li> </ul>
<b>Rolling over unused funds</b>	<ul style="list-style-type: none"> <li>Your HSA and/or HSA Extra Bucks Account balance will roll over each year. Your HSA will continue to grow tax-free with interest.</li> </ul>	<ul style="list-style-type: none"> <li>Your HRA balance will roll over each year as long as you are an active Team Member and are enrolled in one of the Zimmer Biomet medical options.</li> </ul>
<b>Portability when you leave Zimmer Biomet</b>	<ul style="list-style-type: none"> <li>You own your HSA, so you take it with you to pay for healthcare expenses when you leave Zimmer Biomet or retire. You can build up unused funds in your HSA to use for retiree healthcare expenses.</li> <li>The HSA Extra Bucks Account is a Zimmer Biomet-owned account. When your coverage ends, any remaining HSA Extra Bucks Account balance will be used to offset healthcare expenses incurred while you have active coverage. Otherwise, the funds in the HSA Extra Bucks Account will be forfeited.</li> </ul>	<ul style="list-style-type: none"> <li>The HRA is a Zimmer Biomet-owned account.</li> <li>When your coverage ends, any remaining HRA balance will be used to offset healthcare expenses incurred while you were still covered. Otherwise, any remaining balance in the HRA will be forfeited.</li> </ul>
<b>Retirement savings</b>	<ul style="list-style-type: none"> <li>Your HSA is a great way to save money, especially for healthcare in retirement. Unused funds in your HSA earn interest and can be invested.</li> </ul>	<ul style="list-style-type: none"> <li>N/A</li> </ul>
<b>Tax benefits</b>	<ul style="list-style-type: none"> <li>Triple tax advantage — both Zimmer Biomet's and your contributions are tax-free, your HSA's earnings are tax-free and your withdrawals to pay for qualified healthcare expenses are tax-free.</li> </ul>	<ul style="list-style-type: none"> <li>You are not taxed on the funds in your HRA when they are deposited or used.</li> </ul>

	Out-of-Network	Zimmer Biomet pays 60%	Zimmer Biomet pays 60%	Zimmer Biomet pays 60%

<sup>1</sup> The 2018 HSA limits are \$3,450 (you only) and \$6,900 (you + family), including both your and Zimmer Biomet's contributions, which are made pre-tax through the section 125 plan (unless you opt out).

<sup>2</sup> True Family deductible requires all or one individual to meet the family deductible before the plan pays coinsurance.

<sup>3</sup> Embedded deductible limits each individual in a family to the individual deductible (until the family deductible is satisfied) before the plan pays coinsurance. This means that no individual family member will pay more than the individual deductible before the plan pays coinsurance.

<sup>4</sup> Any eligible medical or prescription drug expenses paid from your HSA, HSA Extra Bucks Account or HRA and any deductible or coinsurance you pay will all apply toward the applicable out-of-pocket maximum.

<sup>5</sup> Healthcare FSA available for eligible out-of-pocket healthcare expenses not covered by your HRA or any qualified dental and vision expenses. For a complete list of eligible expenses, go to [wageworks.com](http://wageworks.com).

<sup>6</sup> Infertility coverage is provided for the initial evaluation, treatment and correction of the underlying condition. Additionally, infertility treatment or assisted reproductive technologies are covered under the plan, if treatments that foster natural conception are not successful.

## Medical Payroll Contributions

Please take the time to consider the total cost of each medical option — meaning your contributions for coverage, your annual deductible and your other out-of-pocket costs, before selecting the option that is best for you and your family. Use this guide as a resource to help you make this important decision.

Medical Payroll Contributions Cost Per Pay Period						
	Premium HSA Medical		Value HSA Medical		HRA Medical	
	With Incentive*	Without Incentive	With Incentive*	Without Incentive	With Incentive*	Without Incentive
<b>You only</b>	\$39.36	\$62.44	\$34.48	\$57.56	\$46.68	\$69.76
<b>You + spouse/domestic partner</b>	\$96.82	\$142.97	\$85.21	\$131.36	\$113.46	\$159.61
<b>You + child(ren)</b>	\$92.21	\$115.29	\$77.09	\$100.17	\$105.97	\$129.05
<b>You + family</b>	\$167.62	\$213.77	\$138.96	\$185.11	\$194.93	\$241.08
<b>Spouse/domestic partner surcharge**</b>	\$46.15	\$46.15	\$46.15	\$46.15	\$46.15	\$46.15

\*Only available if you and your spouse/domestic partner (if applicable) have both completed the health screening and health assessment by Tuesday, October 31, 2017. Exceptions apply, please see below.

### \*\*Spouse/Domestic Partner Surcharge

If your spouse/domestic partner has access to group medical coverage outside of Zimmer Biomet, you will pay a surcharge if you choose to enroll him/her as your covered dependent. When you enroll, you will be asked to attest that your spouse/domestic partner does not have available group medical coverage to avoid the surcharge.

Throughout the year, you must inform Zimmer Biomet if your spouse/domestic partner becomes eligible for other group medical coverage.

Zimmer Biomet reserves the right to periodically review whether your spouse/domestic partner is eligible for other group medical coverage. However, you are responsible for timely notifying the Zimmer Biomet Benefits Service Center of any changes in your spouse's/domestic partner's eligibility. Your failure to accurately attest or timely update information about your spouse's/domestic partner's eligibility for other group medical coverage will be deemed an intentional misrepresentation and coverage may terminate retroactively.

### Exceptions Regarding the Wellness Participation Incentive

All Team Members hired on or after January 1, 2017, or who experienced a Qualified Status Change in 2017, will automatically receive the Wellness Participation Incentive (reduced payroll contribution when you enroll for your 2018 medical coverage), but must complete both the health screening and health assessment in 2018 to be eligible for the incentive in 2019.

## Wellness Participation Incentive

As part of our ongoing wellness strategy, Zimmer Biomet offers the Wellness Participation Incentive to support healthy behaviors, promote health awareness and encourage all Team Members to complete their health screening and health assessment to allow for early detection of health conditions.

### Eligibility details:

- If you and your covered spouse/domestic partner both complete a health screening and health assessment by Tuesday, October 31, 2017, you will receive the Wellness Participation Incentive (reduced payroll contribution when you enroll for your 2018 medical coverage).
- A covered spouse/domestic partner needs to complete both the health screening and health assessment if he/she was enrolled in a medical option prior to January 1, 2017, and you plan to cover him/her again in 2018.
- If you cover a spouse/domestic partner in 2017 and you will not cover him/her in 2018, he/she does not have to complete both the health screening and health assessment for you to receive the incentive. Only you need to have both the health screening and health assessment completed by Tuesday, October 31, 2017, to receive the incentive.
- If you added a spouse/domestic partner in 2017 due to a Qualified Status Change (on or after January 1, 2017), you will receive the Wellness Participation Incentive in 2018. Your spouse/domestic partner does not have to complete both the health screening and health assessment in 2017 in order for you to receive the Wellness Participation Incentive in 2018.

Redbrick Health, our wellness program administrator, will provide Zimmer Biomet a file indicating if you and your covered spouse/domestic partner (if applicable) have completed the health screening and health assessment by Tuesday, October 31, 2017, and qualify for the Wellness Participation Incentive.

At the time of enrollment, if our records indicate that you and your covered spouse/domestic partner completed these programs, your contribution will reflect the Wellness Participation Incentive.

Any updates to the completion of these programs after annual enrollment, but prior to Tuesday, October 31, 2017, will be reflected on your benefits confirmation sheet.

# Prescription Drugs

## Select Preventive Prescription Drugs

Zimmer Biomet wants to remove as many barriers as possible that keep you and your family from getting the care you need, when you need it. In order to encourage Team Members to use their preventive benefits, Zimmer Biomet covers select preventive prescription drugs at 100%.

This program is administered separately from your other prescription drug coverage. The Select Preventive Prescription Drug list will be updated quarterly, and covered prescription drugs are subject to change. For the most recent Select Preventive Prescription Drug list, go to the Zimmer Biomet intranet and select Team Member Center.

## Exclusive Home Delivery and Walgreens Retail

Maintenance medications are used to treat chronic conditions such as diabetes, high cholesterol and asthma. To help you save time and money, your maintenance medications will be mailed to your home. Enjoy no longer waiting in line at the pharmacy — your drugs are delivered to your door and you can set up worry-free refills and receive medication-related alerts.

You and your covered dependents will be allowed two fills of maintenance medications at a retail pharmacy at the negotiated cost even if the drug is on the Select Preventive Prescription Drug list. If, after the second fill of a prescription at a retail pharmacy, you don't transfer the prescription to Exclusive Home Delivery or Walgreens Retail, you will pay the full cost of the prescription at a non-Walgreens retail pharmacy. That penalty amount will not count toward your deductible or annual out-of-pocket maximum (even after meeting your annual out-of-pocket maximum, the penalty will still be an additional cost).

If you are currently taking a maintenance medication, you will need to get a 90-day prescription from your doctor and process it through Express Scripts Exclusive Home Delivery or Walgreens Retail.

Note: Use the Savings Advisor tool at [express-scripts.com/zimmerbiomet](https://express-scripts.com/zimmerbiomet) to find the prescription options with the lowest cost.

**Customer service**  
**1-866-544-6884**

24 hours a day, 7 days a week

**Website**  
**[express-scripts.com](https://express-scripts.com)**

## Accredo Specialty Pharmacy

Express Scripts has a preferred specialty pharmacy called Accredo, where members are required to fill specialty medications. Specialty medications are drugs that are used to treat complex conditions, such as rheumatoid arthritis, multiple sclerosis and cancer.

Benefits of Accredo include 24/7 phone access to specially trained pharmacists, personalized counseling from registered nurses and pharmacists, and expedited delivery of medications and supplies, such as syringes and needles — all at no cost to you.

If you are currently taking specialty medications and are interested in participating, call Express Scripts Member Services at **1-866-544-6884**.

## Additional Prescription Plan Information

Certain drugs have quantity limits per prescription or month. For a list of drugs with quantity limits, contact Express Scripts. Other drugs will require prior authorization before coverage will be approved. Contact Express Scripts for a list of these drugs.

**Note: Not all prescription drugs are covered. Please contact Express Scripts for a list of excluded drugs.**

Express Scripts helps make safe and effective medications available for you.

A national panel of physicians and pharmacists continually reviews and compares prescription drugs to ensure your drug list includes proven medications to treat every condition. Some drugs may no longer be included when other safer and more effective alternatives are available. Additionally, if over-the-counter versions of a medication are available, prescription forms may no longer be covered under your prescription benefit.

### Three ways to order your prescriptions through Exclusive Home Delivery:

1. Go to [express-scripts.com](https://www.express-scripts.com)
2. Call Express Scripts at **1-866-544-6884**
3. Use the convenient Home Delivery form

# Preventive Care

Zimmer Biomet provides full coverage for preventive care to help you reduce the risk of serious health issues in the future. All preventive care services — no matter which medical option you elect — are covered at 100% and you do not pay any out-of-pocket expenses for eligible preventive care services.

It is important to remind the doctor or nurse at the time of service that these preventive care services should be coded as preventive when claims are submitted.

## What Qualifies as Preventive Care

Preventive care generally will not include any service or benefit intended to treat an existing illness or diagnosed condition. The following services are considered to be preventive:

### Well-Baby and Well-Child Care

#### Preventive<sup>1</sup>:

- Preventive care visits — unlimited
- Baby/Child screening tests — unlimited, unless otherwise indicated
- Lead level tests
- Vision screenings — annually
- Hearing screenings — annually
- Routine pelvic exam, Pap test and contraceptive management

#### Immunizations<sup>2</sup>:

- Diphtheria, Tetanus, Pertussis (DTaP)
- H. Influenza Type B
- Hepatitis A: Recommended for high-risk groups, such as international travelers or workers in food service or healthcare industry
- Hepatitis B and Varicella: Recommended for high-risk individuals
- Human Papilloma Virus (HPV) Vaccine
- Influenza — flu shot
- Measles, Mumps, Rubella (MMR)
- Meningococcal: Considered for college students who live in dormitories and have a slightly increased risk of getting meningococcal disease
- Pneumococcal Conjugate (pneumonia)
- Polio
- Rotavirus
- Tuberculosis (TB) Vaccine
- Varicella (chicken pox)

<sup>1</sup> The HSA and HRA Medical options cover services recommended with A or B ratings by the U.S. Preventive Services Task Force (USPSTF) as preventive services. Preventive care is updated based on changes in the USPSTF ratings.

<sup>2</sup> Actual dosing regimen to be determined by physician.

## Adult Care

### Preventive<sup>1</sup>:

- Preventive visits — unlimited
- Vision screening — annually
- Hearing tests — annually

### Adult Screening Tests:

- Clinical breast exam and mammogram
- Colorectal cancer screenings: Fecal occult blood testing or flexible sigmoidoscopy
- Coronary artery disease: Periodic cholesterol and lipid screening
- Diabetes (Type II) screening: Periodic blood glucose testing for high-risk individuals (e.g., hypertension, hyperlipidemia)
- Osteoporosis screening: Periodic bone density screening for women age 35 and older with increased risk for osteoporotic fractures
- Prostate cancer screenings: Digital rectal examination (DRE) and Prostate Specific Antigen (PSA)
- Routine pelvic exam, Pap test and contraceptive management
- Alcohol and drug screening
- Tobacco counseling for children and adults
- Cardiovascular disease prevention counseling
- Obesity screening and counseling
- Lung cancer screening for 30-pack-per-year smokers (or those who stopped smoking within 15 years)
- Fall prevention for older adults

### Immunizations<sup>2</sup>:

- Hepatitis A: Recommended for high-risk groups, such as international travelers or workers in food service or healthcare industry
- Hepatitis B and Varicella: Recommended for high-risk individuals
- Human Papilloma Virus (HPV) Vaccine
- Influenza — flu shot
- Measles, Mumps, Rubella (MMR)
- Meningococcal: Considered for college students who live in dormitories and have a slightly increased risk of getting meningococcal disease
- Pneumococcal Conjugate (pneumonia)
- Tetanus, Diphtheria (DTaP)
- Herpes Zoster/Varicell Zoster (Shingles Vaccine)

### Women's Health Services:

- Well-woman visits
- Gestational diabetes screening
- HPV DNA testing
- Sexually transmitted infection counseling
- HIV screening and counseling
- FDA-approved contraception methods and contraceptive counseling
- Breastfeeding support, supplies and counseling
- Domestic violence screening and counseling

<sup>1</sup> The HSA and HRA Medical options cover services recommended with A or B ratings by the U.S. Preventive Services Task Force (USPSTF) as preventive services. Preventive care is updated based on changes in the USPSTF ratings.

<sup>2</sup> Actual dosing regimen to be determined by physician.

# Wellness Programs

Your health and wellness are important to Zimmer Biomet; therefore, we partner with RedBrick Health to provide tools, resources and the motivation to help you understand, maintain and improve your health.

In addition, to reduce payroll contributions for your medical coverage, you and your covered spouse/domestic partner can earn incentives for participating in healthy activities through RedBrick Health. See how your healthy activities can add up — while you get rewarded for getting healthier.

## Healthy Activities Incentives

If you are enrolled in the HSA or HRA medical options, you and your covered spouse/ domestic partner can also receive incentives in your HSA Extra Bucks Account or HRA for participating in healthy activities.

If you are not enrolled in one of the medical options, you are still eligible to participate in the wellness programs without receiving incentives.

## Accessing RedBrick Health

**If you are logged on to the Zimmer Biomet network** — go to Team Member Center on the Zimmer Biomet intranet. No login or password required.

**If you are not logged on to the Zimmer Biomet network** — go to [MyRedBrick.com/ZimmerBiomet](https://myredbrick.com/zimmerbiomet). If you are accessing the site for the first time, you will need to register and set up a login and password. Your covered spouse/ domestic partner will need to register for their own account to participate in the program. When registering, you will enter your first name, last name, birthdate and Team Member ID (SAP number). Your spouse/domestic partner will use your Team Member ID.

Incentives for participating in the healthy activities are available to all Team Members enrolled in a medical option. If you feel you are unable to meet a standard for an incentive, you might qualify for an opportunity to earn the same reward by a different means. Contact RedBrick Health at [1-855-479-7626](tel:1-855-479-7626) and they can work with you (and, if you wish, your doctor) to find a healthy activity with the same reward that is right for you.

<b>Total Incentives Available:</b>		<b>\$400 per year</b>	<b>\$400 per year</b>

Note: Team Members that are not enrolled in a medical option are eligible to participate in the Wellness Programs but are not eligible to receive incentives.

## Healthy Activities

If you are enrolled in one of the medical options, you and your covered spouse/domestic partner can each earn \$200 annually in incentives by completing the programs listed below.

Refer to the healthy activity incentive chart on page 37 for details or call RedBrick Health with questions about any of the programs or to get started.

### RedBrick Next-Steps Consult™

During this one-time, 15-minute call, a certified expert will help you understand your health screening and health assessment results and help you choose which RedBrick programs will be the best fit for you.

### RedBrick Track®

The RedBrick Track tool allows you to log your activity in three categories: Eat Healthier, Live Well and Get Active.

You may also sync a number of mobile apps and approved devices to your RedBrick Health portal in order to automatically log your physical activity.

### RedBrick Journeys®

Journeys is a refreshing, re-energizing alternative to more traditional online healthy activities that can be accessed online and by text message, email and telephone.

Select a journey focused on one of the health topics and you are presented with bite-sized, fun steps tailored to your interests. Choose steps you'd like to commit to as part of your journey. Steps may incorporate activities, as well as brief videos. You can continue to personalize your experience by giving feedback on the steps you like and the ones you don't.

Choose from the following health topics:

- Amp Up Your Health
- Be Tobacco Free
- Blood Pressure in Check
- Diabetes Life: Type 2
- Eat Healthier
- Financial Fitness
- Find Your Balance
- Get Active
- Health in a Hurry
- Healthier Heart
- Healthy Back
- Healthy Family
- Healthy Pregnancy
- Heart-Healthy Cholesterol
- Live Well with Asthma
- Manage Well
- Manage Your CAD
- Manage Your COPD
- Manage Your Heart Failure
- Power Patient
- Sleep Well
- Stress Less
- Weigh Less

## RedBrick Phone Coaching (in-depth, one-on-one guidance)

RedBrick Health coaches are certified experts who will work with you by phone and provide the tools and support you need to help make lifestyle and behavioral changes, provide health education, self-management skill-building and medication compliance.

### Key focus areas include:

#### Lifestyle Management

- Anxiety
- Depression
- Healthy Back
- Hyperlipidemia (high cholesterol)
- Hypertension (high blood pressure)
- Nutrition Management
- Personalized Pharmacist Support
- Physical Activity
- Stress and Wellbeing
- Tobacco Cessation
- Weight Management

#### Condition Management

- Asthma
- Chronic Obstructive Pulmonary Disease (COPD)
- Congestive Heart Failure (CHF)
- Coronary Artery Disease (CAD)
- Diabetes

#### Healthy Pregnancy Program

Through RedBrick Health, you have multiple options designed to promote a healthy pregnancy through delivery. Pregnant consumers may elect to enroll and participate in a phone coaching program addressing fitness, nutrition, stress management and/or tobacco cessation.

Your Health Coach (a registered nurse with obstetrical experience) will complete an assessment, including current health status. Based on the assessment, you and your Health Coach will identify education needs and focus areas for lifestyle modification such as proper nutrition, stress management and/or physical activity.

If, after the assessment, any factors indicate you may be at high risk, the coach will refer you to a high-risk pregnancy program or case management.

## Healthy Factors

Once you have completed your health screening, Zimmer Biomet will deposit \$25 into your HSA Extra Bucks Account or HRA for each of your Healthy Factors that falls within the healthy ranges below or has improved from the prior year.

- Healthy Blood Pressure (<140/90 for age <60 or 150/90 for age 60+) or improve by 20mm systolic or 10mm diastolic from the prior year.
  - ▶ Healthy: under 120/80
  - ▶ Prehypertension: 120-139/80-89 or 120-149/80-89 for adults 60 and older
  - ▶ Stage 1 Hypertension: 140-159/90-99 or 150-159/90-99 for adults 60 and older
  - ▶ Stage 2 Hypertension: 160/100 or over
- Healthy Non-HDL Cholesterol (<100) or improve by 10% from the prior year.
  - ▶ Healthy: Less than 100
  - ▶ Moderate Risk: 100-219
  - ▶ High Risk: 220 or over
- Healthy BMI (<30) or reduce by 5% from the prior year.

## Notice Regarding Wellness Program

The RedBrick Health Wellness Program is a voluntary wellness program available to all Team Members. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve Team Member health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health assessment that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, heart disease). You will also be asked to complete a health screening, which will include a blood test to check your general health and measure your total cholesterol, glucose and metabolic function to monitor how well your organs are functioning and identify potential health problems. If you would like more information about the specific tests performed as part of the health screening, you may contact RedBrick Health at **1-855-479-7626**. You are not required to complete the health assessment or to participate in the blood test or other medical examinations. Incentive contributions are only available to individuals who are enrolled in one of Zimmer Biomet's medical options.

In addition, if you are enrolled in you only or you + child(ren) coverage under one of Zimmer Biomet's medical options and choose to participate in the wellness program by completing the health screening and health assessment, you will receive the reduction in payroll contributions required for your medical coverage described on page 30 and an additional contribution to your HSA Extra Bucks or HRA described in the chart on page 37. If you are enrolled in you + spouse/domestic partner or you + family coverage under one of Zimmer

Biomet's medical options in which your spouse/domestic partner is enrolled, you will receive the reduction in payroll contributions required for your coverage described on page 30 and an additional contribution to your HSA Extra Bucks or HRA described in the chart on page 37, if you and your spouse/domestic partner complete the health screening and health assessment. It is not necessary to complete the health screening and health assessment to enroll in Zimmer Biomet's medical coverage, but you will only receive the reduction in payroll contributions and the additional HSA Extra Bucks Account or HRA contributions upon timely completion of the health assessment and health screening as described in the Medical Payroll Contribution and Wellness Programs sections above.

If you are enrolled in one of Zimmer Biomet's medical coverage options, additional contributions to your HSA Extra Bucks or HRA described in the Wellness Programs section above may be available for you (and your spouse/domestic partner) if you participate in certain health-related activities, such as receiving a flu shot and completing healthy activities or achieve certain health outcomes for Body Mass Index (BMI), non-HDL cholesterol and blood pressure. If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting RedBrick Health at **1-855-479-7626**.

The information from your health screening results and from your health assessment will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as a consultation and recommendation for healthy activities, phone coaching and online healthy activity programs. You also are encouraged to share your results or concerns with your own doctor.

## Protections from Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and Zimmer Biomet may use aggregate information it collects to design a program based on identified health risks in the workplace, RedBrick Health will never disclose any of your personal information either publicly or to the employer (Zimmer Biomet), except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is (are) a certified health expert or a personal health coach in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact Zimmer Biomet Benefits Service Center at **1-877-588-0933**.

# Managing Your Healthcare Costs

## Anthem Health Guide

Make the most of your Zimmer Biomet benefits with Anthem Health Guide — at no additional cost to you.

With Anthem Health Guide, our goal is to help you stay involved with your health and navigate the healthcare system so you can make the most of your Zimmer Biomet benefits. And, it's easy to connect with a Health Guide by phone, email or web chat. You can also schedule a convenient time for a Health Guide to call you.

Our Health Guides:

- Can provide support to find an in-network doctor, save money on prescription drugs, estimate your cost for a procedure or help set up an appointment with a provider.
- Connect you with the right programs and resources to help you feel your best.
- Help you understand when, where and how to get the care you need.
- Work with a team of nurses, health coaches, educators and social workers to provide you with guided decision support to ensure you get the right care at the right time — and the right cost.
- Alert you about preventive and medical gaps in care, so the Health Guide can address these gaps during conversations and transfer you to nurse coaches, as needed.

## Integrated Health Model

If you (or a family member) are dealing with a complex health condition or hospital care, the last thing you need is to feel overwhelmed. Wouldn't it be great if someone could help you figure out which specialists to talk to and help you navigate your treatment and medication options?

If you are enrolled in one of the Zimmer Biomet medical options, you and your covered family members will have access to a personal health consultant — at no cost to you — through the Anthem's Health Guide enhanced service, Integrated Health Model (IHM).

With IHM, you have access to a personal health consultant who can recommend you to the full range of Zimmer Biomet programs and resources. The personal health consultant can help identify at-risk members or assist with everyday health issues and questions, concerns about an upcoming surgery or hospital stay, or things like managing a chronic or complex medical condition.

When you call the Anthem Health Guide, you may be connected to a personal health consultant in the IHM area that can help:

- Find the most appropriate resource based on your medical concern.
- Explain a diagnosis and treatment options, and help you obtain referrals.
- Put you in contact with a trained professional who can answer any additional questions.
- Navigate the healthcare system on clinical issues to save you money and improve your health.

You may receive a call from an IHM personal health consultant if you or your covered family member:

- Plan to be hospitalized in the near future.
- Were recently diagnosed with a complex medical condition, such as a heart condition or cancer.
- Are managing a chronic health condition such as diabetes or asthma.
- Has a high-risk pregnancy.

To support your health goals, you also will have access to a team of personal health consultants that work side by side with professionals such as nurses, registered dietitians, behavioral health resources, pharmacists and more. Your personal health consultant will be your single point of contact for you and your covered family members, working with a support team of other professionals as needed.

**Website**  
[anthem.com](http://anthem.com)

## LiveHealth Online

Anthem's LiveHealth Online makes it more convenient to get the care you need — no waiting at an urgent care center or in your doctor's office. You are able to video chat with a doctor through your mobile device or a webcam-enabled computer. Doctors are available 24/7, 365 days a year for non-emergency healthcare needs, such as flu, fevers, infections, allergies and more.

Most visits are just \$49, with the exception of a psychology therapist which is \$80 or a psychologist which is \$95 per visit. The cost of these visits counts toward your deductible. And the cost is the same — regardless of when you see the doctor. If you enroll in either HSA Medical option, you can pay out-of-pocket and reimburse yourself from your HSA. If you have met your HSA deductible and have funds available in your Extra Bucks Account, those funds will automatically pay the claim. If you enroll in HRA Medical and have funds available, your HRA will automatically pay the claim.

In most states (except for Arkansas), doctors can even send prescriptions to the local pharmacy of your choice after your visit.

To access LiveHealth Online, go to [livehealthonline.com](https://livehealthonline.com) or download the LiveHealth Online app on your mobile device. You will need to register and establish an account in your name prior to you connecting with a doctor. For dependents under age 18, you can add them as your dependents when you register. For dependents over age 18 and spouse/domestic partner, they must establish their own account.

**LiveHealth Online**  
**1-888-548-3432**

24 hours a day, 7 days a week

### Website

[livehealthonline.com](https://livehealthonline.com)

or download the LiveHealth Online app on your mobile device

## Nurseline

Nurseline is available 24 hours a day, seven days a week to provide support for your everyday health issues and questions. The service is available at no charge to you and your covered family members. Call to be connected with a registered nurse who can provide accurate, confidential health information about a multitude of health conditions. If you have questions about your symptoms or the care you need, Nurseline offers free advice about your care options. Speaking with a nurse first can help you determine the appropriate level of care for your situation, and whether you need to go to an urgent care facility, your primary care physician or the emergency room.

## Anthem Imaging Management (AIM) Program

When it comes to important imaging services such as CT scans and MRIs, higher cost doesn't necessarily mean higher quality. The AIM Program gathers information from imaging providers about their staff, equipment, accreditations and quality-control measures to ensure you're getting high-quality imaging without the high cost.

After your doctor refers you to an imaging provider and calls for pre-authorization, Anthem reviews the referral to see if the provider offers the best quality of care and price in your area. If it doesn't, you'll get a call to let you know of alternative providers. You may choose to follow your doctor's referral or go to one of the recommended providers through the program.

## Sleep Management Program

Experts agree that good health starts with a good night's sleep. If you suffer from Obstructive Sleep Apnea, the Sleep Management Program can help you find high-quality providers and the right type of care to help you get a better night's sleep.

# Dental

The Company provides you with two dental options administered by Aetna. Each option has features that appeal to different Team Members and family healthcare situations.

When you need dental care, you and your covered dependents may visit any dentist you choose. However, if you visit a dentist who is part of the Aetna provider network, you can take advantage of pre-negotiated, discounted rates and pay less for your dental care.

Plan Design Features	Premium Dental	Value Dental
<b>Annual deductible (you only/you + family) for basic and major procedures</b>	\$50/\$150	\$50/\$150
<b>Preventive and diagnostic care</b> (e.g., routine exams, cleanings, X-rays, one fluoride treatment every 12 consecutive months for children up to age 19)	100% up to two <sup>1</sup> visits per person per calendar year (does not apply to annual maximum benefit)	100% up to two <sup>1</sup> visits per person per calendar year (does not apply to annual maximum benefit)
<b>Basic restorative care</b> (e.g., oral surgery, extractions, periodontal treatment)	80%	80%
<b>Major restorative care</b> (e.g., dentures, crowns, bridgework, inlays, onlays)	50% (1 every 8 years)	50% (1 in 8 years)
<b>General anesthesia</b>	Covered under major services	Covered under major services
<b>Panoramic and/or full mouth X-rays</b>	1 every 5 years	1 every 5 years
<b>Orthodontia for children and adults</b>	50%	Not covered
<b>Orthodontia lifetime benefit maximum</b>	\$2,000 per adult or child	N/A
<b>Dental implants</b>	100% up to annual benefit maximum	100% up to annual benefit maximum
<b>Annual benefit maximum</b>	\$2,000 per person	\$750 per person

<sup>1</sup>Any individual that is identified as being pregnant, having diabetes or heart disease will be able to request one extra cleaning.

Dental Payroll Contributions Cost Per Pay Period		
	Premium Dental	Value Dental
<b>You only</b>	\$6.78	\$4.81
<b>You + spouse/domestic partner</b>	\$14.64	\$10.39
<b>You + child(ren)</b>	\$17.51	\$12.54
<b>You + family</b>	\$26.13	\$18.54

[aetna.com](http://aetna.com)

# Vision

Comprehensive vision coverage is available through Vision Service Plan (VSP). This coverage has features for you and your family for many basic services, such as eye exams, lenses, frames or contact lenses.

When you go to a VSP provider, your costs will be significantly lower and you will not need to submit a claim to receive reimbursement.

If you are interested in LASIK surgery, a discount program is available to you when you use an in-network provider.

**Customer service**

Monday through Friday,  
8 a.m. to 11 p.m. ET  
Saturday and Sunday,  
10 a.m. to 10 p.m. ET

**Website**  
[vsp.com](http://vsp.com)

Plan Design Features	In-Network	Out-of-Network <sup>4</sup>
<b>Eye Exam<sup>1</sup></b>	\$15 copayment, then 100%	\$15 copayment, up to \$45
<b>Frames<sup>2</sup></b>	\$25 copayment, up to \$175	\$25 copayment, up to \$70
<b>Spectacle Lenses<sup>2,3</sup> (including Photochromic or tinted)</b>		
<b>Single Vision</b>	\$25 copayment, then 100%	\$25 copayment, up to \$30 <sup>5</sup>
<b>Lined Bifocal</b>	\$25 copayment, then 100%	\$25 copayment, up to \$50 <sup>5</sup>
<b>Lined Trifocal</b>	\$25 copayment, then 100%	\$25 copayment, up to \$65 <sup>5</sup>
<b>Contact Lens Exam Fitting Evaluation</b>	\$60 maximum copayment	Included with contact lens allowance
<b>Contact Lenses<sup>3</sup></b>	\$175 allowance, no copayment	\$105 allowance, no copayment

<sup>1</sup> If you are enrolled in a medical option, you can submit expenses related to your eye exam to Anthem for reimbursement of any covered portion of the eye exam expense.

<sup>2</sup> The \$25 copay is for a complete pair of glasses which include the frame and lenses.

<sup>3</sup> The plan covers either glasses or contact lenses (not both) once per calendar year.

<sup>4</sup> Out-of-network providers will be reimbursed by VSP up to the amount listed (which includes your copayment). You will be required to submit a claim form for reimbursement. If you use an out-of-network provider, you will pay the provider for any additional charges over the amount listed (in addition to your copayment).

<sup>5</sup> Up to \$5 extra allowance for tinting.

## Extra Discounts and Savings at a VSP Doctor

### Glasses and Sunglasses

- Average 20–25% savings on all non-covered lens options.
- 20% off additional glasses and sunglasses from the same VSP doctor on the same day as your preventive exam. Or get 20% off from any VSP doctor within 12 months of your last covered preventive exam.

### Contacts

- 15% off the cost of a contact lens exam (fitting and evaluation). Available from any VSP doctor within 12 months of your last covered preventive exam.

### Polycarbonate Lenses

- Covered in full for dependent children, up to age 19.

### Laser Vision Correction

- Average 15% off the regular price or 5% off the promotional price. Discounts only available from contracted facilities.
- After surgery, use your frame allowance (if eligible) for sunglasses from any VSP doctor.

### Vision Payroll Contributions Cost Per Pay Period

You only	\$3.25
You + spouse/domestic partner	\$6.81
You + child(ren)	\$6.49
You + family	\$11.36

# Flexible Spending Accounts

Flexible Spending Accounts (FSAs) are tax-advantaged accounts that help you save money on eligible out-of-pocket healthcare and dependent care expenses. You may make contributions to the Healthcare FSA and/or Dependent Care FSA before taxes are deducted and then receive reimbursement for eligible expenses as you incur them throughout the year.

- **Healthcare FSA:** For eligible out-of-pocket healthcare expenses, between \$120 and \$2,600 per year, not covered by your HRA. You can only use your Healthcare FSA to help cover your medical deductible, coinsurance, eligible prescription drugs or over-the-counter medications once your HRA is exhausted. You can use money in your Healthcare FSA to help cover your eligible dental or vision expenses at any time during the year. You need to enroll in the HRA Medical option to enroll in a Healthcare FSA. If you enroll in an HSA Medical option or choose no medical coverage, you are not eligible for a Healthcare FSA.
- **Dependent Care FSA:** For eligible dependent care expenses, between \$120 and \$5,000 per year (\$2,500 if married and filing separate federal income tax returns), that are necessary for you and your spouse/domestic partner to work or attend school full-time.

Eligible dependents include:

- ▶ Your children under age 13.
- ▶ Your eligible spouse/domestic partner or other dependent of any age (such as a parent or older child) who is physically or mentally unable to care for himself or herself.

## Important FSA Rules

There are important rules to keep in mind as you consider enrolling in either the Healthcare and/or Dependent Care FSA. Some rules apply to both types of accounts. Other rules, as described to the right, are specific to either the Healthcare or Dependent Care FSA.

- The FSA is a use-it-or-lose-it account — under the current tax rules, you must use the money you elected to set aside in an FSA for eligible expenses by the applicable deadline (see the next page for deadlines). IRS regulations do not allow Zimmer Biomet to refund any unused money. Any leftover money in your account(s) after the deadline will be forfeited. For this reason, it is important that you carefully estimate the amount you want to set aside for an FSA.
- You cannot use funds from the Dependent Care FSA to pay expenses eligible under the Healthcare FSA, or vice versa.
- Expenses that are reimbursed through your Healthcare FSA or Dependent Care FSA cannot be claimed as a deduction when you file your income tax return. Participating in the Dependent Care FSA also makes you ineligible for the child care credit on your annual tax filing — check with a tax advisor to see which option is right for you.

[wageworks.com](http://wageworks.com)

## Debit card transactions during the grace period (January 1, 2019 – March 15, 2019)

The Company allows a “grace period” that provides more time to incur claims against your 2018 Healthcare FSA balance.

Debit card transactions used between January 1, 2019, and March 15, 2019 (the grace period for the 2018 plan year) will use the previous year’s balance before taking funds out of the current year.

For example, if you have a 2018 balance in your Healthcare FSA and you make a debit card purchase during the grace period in 2019, the amount will be deducted from your 2018 funds prior to using your 2019 funds (if applicable).

If you elected the Healthcare FSA this year but plan to enroll in HSA Medical next year and contribute to an HSA during the grace period, you must use all of your available Healthcare FSA funds by December 31 of this year.

- Your elected FSA contributions cannot be changed during the plan year unless you experience a Qualified Status Change (such as marriage, divorce, birth or adoption) or a change in employment status.
- If you leave Zimmer Biomet, your FSA (either Healthcare or Dependent Care) will terminate on your last day of employment. Any expenses incurred after your termination date are not eligible for payment through the FSA, unless you are eligible for, and elect to continue your Healthcare FSA with COBRA. You will still be allowed to use available FSA funds to pay for expenses incurred before your termination date.
- You may only enroll in the Healthcare FSA if you also enroll in HRA Medical (you cannot enroll in the Healthcare FSA if you enroll in Premium or Value HSA Medical, or if you choose no coverage).
- No matter which medical option you choose (even if you choose no medical coverage), you can enroll in the Dependent Care FSA.

### Healthcare FSA

- You can access funds at any time during the year. If needed, you can use the full account value at the beginning of the plan year.
- Claims must be incurred between your eligibility date and March 15, 2019.
- You have until June 30, 2019, to submit Healthcare FSA expenses for 2018.

### Dependent Care FSA

- You can only access funds once they are available in the account.
- Claims must be incurred between your eligibility date and December 31, 2018.
- You have until June 30, 2019, to submit Dependent Care expenses for 2018.

## Integrating your Healthcare FSA with the Medical Options

### • HSA (Premium or Value)

Because you can contribute your own pre-tax earnings into your HSA, you cannot participate in both HSA Medical and a Healthcare FSA. Your HSA has all the tax advantages of the Healthcare FSA without the use-it-or-lose-it requirement. Unlike the Healthcare FSA, your HSA grows by earning interest.

### • HRA

If you enroll in HRA Medical, your HRA funds for medical expenses will be used first before you can use Healthcare FSA funds for healthcare expenses. Eligible expenses, such as dental and vision expenses, can be paid for with funds from the Healthcare FSA regardless of your HRA balance.

# Commuter Benefit

The Commuter Benefit is administered by WageWorks. It lets you set aside pre-tax dollars through payroll deductions to pay for eligible transit and parking expenses, up to IRS limits. The IRS allows you to set aside up to \$255 per month for work-related transportation costs and up to \$255 per month for work-related parking costs for 2018 (these limits are subject to change).

Eligible expenses include:

- Buses
- Light rail
- Regional rail
- Streetcar
- Trolley
- Subway
- Ferry
- Vanpool
- Parking at or near your work
- Parking at or near public transportation for your commute

Ineligible expenses include:

- Parking and transportation costs that are not work related
- Fuel expenses
- Mileage
- Tolls
- Taxis
- Limousines
- Parking at an airport for air travel

You can sign up for the Commuter Benefit, change your election or stop participating at any time during the year by visiting [wageworks.com](http://wageworks.com). This is not a once-a-year election as your elections must be made by the tenth of each month and will be effective for the first of the following month. **Enrollment for January 2018 will run from November 13, 2017 through December 8 for January 1, 2018.**

The Commuter Benefit is a use-it-or-lose-it account — under the current tax rules, you must use the money you elected to set aside in a Commuter Benefit account for eligible expenses prior to ending employment with the Company. IRS regulations do not allow Zimmer Biomet to refund any unused money. Any leftover money in your account(s) is forfeited after your employment ends. For this reason, it is important that you carefully estimate the amount you want to set aside for the Commuter Benefit.

**Customer service**  
1-877-924-3967

Monday through Friday,  
8 a.m. to 8 p.m. ET

**Fax**  
1-877-353-9236

**Claims administrator**  
P.O. Box 14053  
Lexington, KY 40512

**Website**  
[wageworks.com](http://wageworks.com)

## Save money

Sign up online for the Commuter Benefit and the entire amount of your eligible transit and parking expenses will be conveniently deducted from your paycheck on a pre-tax basis. Since your deductions are taken from your paycheck before taxes, you'll reduce your taxable income — which means you'll keep more money in your pocket. Go to [wageworks.com](http://wageworks.com) for more information and to sign up.

Transit and Parking:

- A transit card will be loaded on the 20<sup>th</sup> of the election month
- Parking cards are loaded on 1<sup>st</sup> of the benefit month

# Work-Life Solutions

Life is always changing, and balancing work and family priorities can be a challenge. Occasionally, situations such as a family crisis, caring for an elderly parent, dealing with a serious family illness or finding dependable child care can become overwhelming.

With the Anthem Work-Life Solutions, you receive six free, in-person visits per issue with a network licensed behavioral health counselor. If you need further counseling, your Work-Life Solutions counselor will coordinate appropriate and affordable resources in your community.

You do not have to be enrolled in a Zimmer Biomet medical option to participate in this Company-provided benefit, available to you and any member of your household.

Here are some of the topics covered by Work-Life Solutions:

- Workplace safety
- Child and elder care
- Tobacco cessation
- Grief and loss
- Family health
- Home improvement
- Addiction and recovery
- Identity theft
- Legal and financial services

Simply visit the website at [anthem.com/wls](https://www.anthem.com/wls) or call the toll-free number, day or night, at **1-833-600-4759**. Anthem specialists are available at no cost to you and there are no limitations on how often you can call.

**Customer service**

# Insurance Plans

Zimmer Biomet automatically provides you with both a basic level of life insurance and accidental death and dismemberment (AD&D) insurance both at no cost to you.

Zimmer Biomet offers different levels of life and AD&D insurance coverage to help protect you and your family. You may purchase supplemental life and AD&D insurance and survivor income plan for yourself, as well as dependent life and AD&D insurance for your spouse/domestic partner and/or children.

The following is a summary of all the coverage options<sup>1</sup>.

## Basic Life Insurance

Zimmer Biomet provides basic life insurance coverage (equal to two times your annual earnings<sup>2</sup>) at no cost to you. The maximum for basic life insurance is \$1 million. Keep in mind that the tax code requires that you be taxed on the cost of basic life insurance coverage over \$50,000, which is called imputed income. This is shown as Group Term Life Imputed on your paycheck statement.

## Supplemental Life Insurance

You may elect supplemental life insurance coverage for yourself and purchase up to eight times your annual earnings on an after-tax basis. The maximum basic life and supplemental life insurance coverage combined is \$1.5 million. Evidence of insurability (EOI) is required for any supplemental coverage elected during annual enrollment.

The cost of life insurance coverage is calculated before the beginning of each year based on your anticipated annual earnings. Life insurance costs are affected by your tobacco use status and age bracket, so be sure to complete your tobacco use declaration.

If you decide to increase your level of coverage anytime after your initial enrollment opportunity, you will need to provide EOI for any amount of additional supplemental coverage.

Coverage that is subject to EOI will not become effective until you complete the insurer's EOI application and the insurer approves your EOI application. Contact The Hartford if you have any questions about its EOI process and requirements or the status of your application for additional coverage that is subject to EOI.

<sup>1</sup> Life, AD&D and business travel accident benefits are subject to the terms of the current insurance policy for each plan. Life, AD&D, survivor income and business travel benefits are generally based on your eligible annual earnings, determined by the insurer at the time of a covered loss according to terms of the policy.

<sup>2</sup> For purposes of your life insurance coverage (as well as AD&D, survivor income and business travel), annual earnings are your eligible earnings, as defined by the insurance policy, immediately prior to a covered loss. Eligible earnings are generally your basic annual wages or salary, including commissions paid to you prior to the date of loss, but excluding bonuses, overtime and any other special pay (Annual commissions will be based on average commissions paid to you over the 12 months immediately prior to the date of a covered loss, or over your actual period of employment, whichever period is shorter.).

**Customer service**  
1-877-320-0484

Monday through Friday,  
9 a.m. to 7 p.m. ET

## Choosing your beneficiary

Your beneficiary(ies) is the person(s) who will receive benefits from your life and AD&D insurance in the event of your death. When you enroll in your benefits, you need to designate your beneficiary online at [benefits.zimmerbiomet.com](https://benefits.zimmerbiomet.com) or by calling **1-877-588-0933** and speaking with a customer service representative.

If your beneficiary is a Zimmer Biomet Team Member, you must call and speak with a customer service representative at the Zimmer Biomet Benefits Service Center to add him/her as your beneficiary.

If you do not designate your beneficiary(ies) during enrollment, any benefits will be paid to the recipient(s) described in the policy.

Note: Only surviving spouse/ domestic partner and/or surviving children are eligible to be a beneficiary for the Survivor Income Plan benefit.

## Basic Accidental Death & Dismemberment (AD&D) Insurance

Zimmer Biomet provides basic AD&D insurance coverage (equal to two times your annual earnings<sup>2</sup>) at no cost to you. The maximum for basic AD&D insurance is \$1 million.

## Supplemental Accidental Death & Dismemberment (AD&D) Insurance

You may elect supplemental AD&D insurance coverage for yourself and purchase up to eight times your annual earnings on an after-tax basis. The maximum basic AD&D and supplemental AD&D insurance coverage combined is \$1.5 million.

The cost of AD&D insurance coverage is calculated before the beginning of each year based on your anticipated annual earnings. AD&D insurance costs are affected by your tobacco use status and age bracket, so be sure to complete your tobacco use declaration.

AD&D insurance does not require EOI.

## Dependent Life Insurance

You may purchase life insurance for your spouse/domestic partner and/or child(ren) on an after-tax basis.

The coverage amounts for spouse/domestic partner are:

- \$10,000
- \$25,000
- \$50,000
- \$75,000
- \$100,000
- \$150,000
- \$200,000
- \$300,000
- \$400,000
- \$500,000

EOI will be required for any increase in spouse/domestic partner life insurance coverage during the annual enrollment period or throughout the year. Any spouse/domestic partner coverage that is subject to EOI will not become effective until your spouse/domestic partner completes the EOI application and the insurer notifies you that the additional coverage has been approved. You are automatically the beneficiary for any life insurance you elect for your eligible dependents.

Your spouse's/domestic partner's coverage cannot exceed 50% of your combined basic and supplemental life insurance. Contributions for your spouse's/domestic partner's coverage are based on your spouse's/domestic partner's age, the amount of coverage you elect and whether or not your spouse/domestic partner uses tobacco.

You have two coverage options for life insurance for your child(ren) who are up to age 19 (or 23 if a full-time student):

- \$5,000
- \$10,000

The cost of coverage is the same regardless of how many children you have. There is no EOI required for child life coverage.

## Dependent AD&D Insurance

You may purchase AD&D insurance for your spouse/domestic partner and/or child(ren) on an after-tax basis.

The coverage amounts for spouse/domestic partner are:

- \$10,000
- \$25,000
- \$50,000
- \$75,000
- \$100,000
- \$150,000
- \$200,000
- \$300,000
- \$400,000
- \$500,000

AD&D insurance does not require EOI. You are automatically the beneficiary for any AD&D insurance you elect for your eligible dependents. Spouse/domestic partner coverage cannot exceed 50% of your combined basic and supplemental AD&D insurance.

You have two coverage options for AD&D insurance for your child(ren) who are up to age 19 (or 23 if a full-time student):

- \$5,000
- \$10,000

The cost of coverage is the same regardless of how many children you have. There is no EOI required for child AD&D coverage.

## Life and AD&D Insurance Reduction

The amount of life and AD&D coverage will be reduced based on the Team Member's age. The annual earnings used to calculate coverage is frozen as of the day before the Team Member's 70<sup>th</sup> birthday. Your and any dependents' coverage will be reduced when you reach age 70 (and further reduced at age 75) to the amounts specified by the insurance policy at that time, as summarized below.

### **On your 70<sup>th</sup> birthday, up through the day before your 75<sup>th</sup> birthday, coverage will be reduced to:**

65% of:

- Company-provided basic life insurance (2x), on the day before your 70<sup>th</sup> birthday
- Company-provided AD&D insurance (2x), on the day before your 70<sup>th</sup> birthday
- Any supplemental life insurance option level that was in force the day before your 70<sup>th</sup> birthday
- Any supplemental AD&D insurance option level that was in force the day before your 70<sup>th</sup> birthday
- Any spouse/domestic partner life insurance option level that was in force the day before your 70<sup>th</sup> birthday
- Any spouse/domestic partner AD&D insurance option level that was in force the day before your 70<sup>th</sup> birthday

### **On your 75<sup>th</sup> birthday, coverage will be further reduced to:**

50% of:

- Company-provided basic life insurance (2x) on the day before your 70<sup>th</sup> birthday
- Company-provided AD&D insurance (2x) on the day before your 70<sup>th</sup> birthday
- Any supplemental life insurance option level that was in force the day before your 70<sup>th</sup> birthday
- Any supplemental AD&D insurance option level that was in force the day before your 70<sup>th</sup> birthday
- Any spouse/domestic partner life insurance option level that was in force the day before your 70<sup>th</sup> birthday
- Any spouse/domestic partner AD&D insurance option level you elected that was in force the day before your 70<sup>th</sup> birthday

## Portability and Conversion

**If your eligibility for life or AD&D insurance ends for any reason except failure to pay the required premium (for example, you are no longer actively working as a full-time Team Member or you have been on Short-Term Disability or any leave of absence for six months), you may qualify to port or convert your coverage if you apply to The Hartford and pay the required premium within 30 days, subject to the terms of the insurance policy.**

Please contact the Zimmer Biomet Benefits Service Center to request information on applying for any continuous coverage that may be available under the portability or conversion features of the insurance policy.

## Survivor Income Plan

The Survivor Income Plan pays your surviving spouse/domestic partner or surviving child 25% of your eligible annual earnings each year for ten years following your death. You pay for this coverage with after-tax dollars. EOI is required at time of enrollment and no coverage will be effective until your EOI is approved by the insurer.

## Business Travel Accident Insurance Plan

In the event of an accidental death or permanent total disability while you are traveling on Company business, the Business Travel Accident Insurance Plan provides your beneficiary with an amount equal to five times your annual earnings, up to \$2 million<sup>1</sup>. If you are eligible for business travel coverage, you automatically receive this coverage and do not need to enroll or make any payroll contributions for this benefit.

<sup>1</sup>Benefit amount may be reduced for certain events/accidents described in the insurance policy.

## Take advantage of additional services that come with your insurance plan

Your Life insurance from The Hartford can help you protect the financial future of your loved ones. They provide valuable services to you and your family when you need them most. Below is an overview of the services offered.

### Funeral Planning and Concierge Services

The Hartford offers a funeral planning and concierge service provided by Everest. It provides a suite of online tools to guide you through key decisions before a loss, including help comparing funeral-related costs. After a loss, this service includes family advocacy and professional negotiations of funeral prices with local providers, often resulting in significant financial savings. For more information, contact Everest at **1-866-854-5429** or visit [www.everestfuneral.com/hartford](http://www.everestfuneral.com/hartford) and use code HFEVLC.

### Beneficiary Assist® Counseling Services

The Hartford offers you beneficiary assist counseling services provided by ComPsych®. Compassionate professionals can help you or your beneficiaries (named in your policy) cope with emotional, financial, and legal issues that arise after a loss. This includes unlimited phone contact with a counselor, attorney, or financial planner for up to a year and five face-to-face sessions. For more information, contact Beneficiary Assist at **1-800-411-7239**.

### EstateGuidance® Will Service

Whether your assets are few or many, it's important to have a will. Through The Hartford, you have access to EstateGuidance® Will Services, provided by ComPsych. It helps you protect your family's future by creating a will online, backed by online support from licensed attorneys. Your will is customized and legally binding. Visit [www.estateguidance.com/wills](http://www.estateguidance.com/wills) and use the code WILLHLF.

### Travel Assistance Services with ID Theft Protection and Assistance

Travel assistance services with ID theft protection and assistance include pre-trip information to help you feel more secure while traveling. It can also help you access medical professionals across the globe for medical assistance when traveling 100+ miles away from home for 90 days or less when unexpected detours arise. The ID theft services are available to you and your family at home or when you travel. For more information on travel assistance services or ID theft services, call **1-800-243-6108** or email [idtheft@europassistance-usa.com](mailto:idtheft@europassistance-usa.com). Please provide your employer's name, a phone number where you can be reached, nature of the problem, travel assistance identification number GLD-09012, and your company policy number 402887.

# Disability Plans

Zimmer Biomet provides you with both Short-Term Disability (STD) pay continuation and basic Long-Term Disability (LTD) insurance coverage, both at no cost to you.

You are automatically enrolled in both plans following 90 days of continuous employment from the later of your hire date or the date you become eligible for benefits, if you are actively employed on that date.

## Requesting Family Medical Leave and/or Filing Disability Claims

To request leave under the Family Medical leave Act (FMLA), or file a STD or LTD claim, call Unum. **FMLA claims must be filed within two business days of the requested family or medical leave. Disability claims must be filed within 30 days after your disability begins.** You must timely submit a disability claim and have it approved before payments begin.

### Short-Term Disability (STD)

If Unum determines you became disabled after 90 days of continuous full-time employment and you have satisfied the seven day elimination period under Zimmer Biomet's STD pay continuation plan, you may receive continuation pay for up to 26 weeks, subject to the terms of the applicable STD plan as described below.

- The STD benefit for non-exempt/hourly Team Members is up to 60% of eligible pay.
- The STD benefit for exempt/salaried Team Members is up to 100% of eligible pay for first 13 weeks, then up to 80% of eligible pay for remaining 13 weeks.

Weekly pay is your eligible earnings, as defined by the Plan, immediately prior to your disability. Eligible earnings are generally your basic weekly wages or salary, including commissions paid to you prior to disability, but excluding bonuses, overtime and any other special pay. Weekly commissions will be based on average commissions paid to you over the 12 months immediately prior to your disability, or over your actual period of employment, whichever period is shorter.

Once your STD has been exhausted and you fail to return to active work, your employment may terminate and your (and any of your dependents') eligibility to participate in Zimmer Biomet benefit plans will end. Unum will determine if you qualify to receive pay continuation under Zimmer Biomet's STD plan and whether you qualify for any further disability benefit payments under the terms of its LTD insurance policy.

**Customer service**  
1-866-779-1037

Monday through Friday,  
8 a.m. to 8 p.m. ET

**Website**  
[unum.com](http://unum.com)

## Long-Term Disability (LTD)

If Unum determines you are still disabled after receiving any applicable STD pay continuation benefits for 26 weeks, you may qualify to receive LTD benefits. The insurer will determine your basic LTD benefit based on 60% of your monthly pay, less any income you receive from certain other sources.

Monthly pay is your eligible earnings, as defined by the insurance policy, immediately prior to your disability.

Eligible earnings are generally your basic monthly wages or salary, including commissions paid to you prior to disability, but excluding bonuses, overtime and any other special pay. Monthly commissions will be based on average commissions paid to you over the 12 months immediately prior to your disability, or over your actual period of employment, whichever period is shorter.

You may also elect supplemental LTD coverage, which is an additional 10% of your eligible pay (for a total of 70%). You pay for the 10% Supplemental LTD Plan with after-tax dollars. There is a monthly cap of \$15,000 on both the basic and supplemental coverage. Your disability must be approved by Unum before you can receive any LTD benefits. You will receive notification to make elections for supplemental LTD 31 days prior to eligibility.

# Savings and Investment 401(k) Program

The Zimmer Biomet Savings and Investment 401(k) Program (the 401(k) Program) offers a convenient, tax-deferred way to save for retirement. Your investment decisions and strategies today will help you prepare for a secure financial future.

## Who is Eligible

When you enroll, you choose how to invest your account in one or more of the investment funds available under the 401(k) Plan. If you do not make an investment election, at the direction of the plan administrator, your contributions will default to the appropriate target retirement date fund that is based on your retirement at age 65.

You are eligible to make contributions to, and receive the Company match for, the 401(k) Program as soon as you become a regular full-time or part-time Team Member (including temporary and interns) who is expected to work at least 1,000 hours in an eligibility computation period (explained below), and:

- You are a non-union Team Member in the United States (excluding Puerto Rico);  
or
- You are a U.S. citizen or resident on a foreign payroll of a company that participates in this 401(k) Program.

In your first year of service, the 12-month eligibility computation period begins on your date of hire. Future years begin on January 1 after your date of hire, and run from January 1 to December 31.

Leased employees and independent contractors are not eligible to participate.

## Default coverage

Team Members who do not make an election within 31 days after becoming newly hired or eligible are automatically enrolled and deemed to have elected to contribute 3% of their eligible pay as a pre-tax contribution each pay period. Automatic contributions will also default to the appropriate target date retirement fund based on your retirement at age 65, until you provide investment instructions. If you were automatically enrolled you may call Fidelity or register at [401k.com](http://401k.com) to manage your account.

### Customer service

**1-800-835-5095** - English  
**1-800-587-5282** - Spanish

Monday through Friday,  
8:30 a.m. to 8 p.m. ET

**Website**  
**[401k.com](http://401k.com)**

## How the Program Works

- Contributions can be made through automatic payroll deductions.
- You can defer between 2% and 60% of your eligible earnings<sup>1</sup>.
  - ▶ A separate deferral is allowed for annual performance or sales bonus earnings.
- You can contribute on a pre-tax, after-tax or Roth basis.
  - ▶ In 2017<sup>2</sup>, the IRS contribution limit for pre-tax and Roth combined is \$18,000. If you are over age 50 and make catch-up contributions, the combined IRS limit is \$24,000.
  - ▶ The annual compensation limit for 2017<sup>2</sup> is \$270,000, so any deferrals you elect and any employer contributions will be taxed only on the portion of your eligible pay up to that limit.

### Roth contributions

A Roth contribution to your retirement savings plan allows you to make after-tax contributions and take any associated earnings completely tax-free at retirement, as long as the distribution is a qualified one. A qualified distribution is one taken at least five years after your first Roth 401(k) contribution and after you reach age 59½, become disabled or pass away.

### The Company Match

You must contribute each pay period to maximize your employer matching contribution.

- All Team Members hired on or after September 2, 2002:
  - ▶ For each dollar you contribute each pay period, up to 6% of your eligible earnings, Zimmer Biomet will match \$1.00.
- Team Members (legacy Zimmer) hired before September 2, 2002:
  - ▶ For each dollar you contribute each pay period, up to 3% of your eligible earnings, Zimmer Biomet will match \$0.75.

To enroll or change your contribution or investment elections, log on to Fidelity at [401k.com](https://www.fidelity.com) or call Fidelity at [1-800-835-5095](tel:1-800-835-5095).

<sup>1</sup>Eligible earnings include regular salary, bonus, commission and overtime.

<sup>2</sup>The IRS will announce the 2018 limits later this fall. Additional limitations may be imposed because of IRS requirements.

### Give your retirement savings a raise

One of the steps to help boost your retirement savings is to increase your deferral percentage when you receive a raise. By raising the amount you contribute to the 401(k) Program by a small percentage, you will improve your chances of reaching your retirement goals.

Log on to Fidelity at [401k.com](https://www.fidelity.com) or call [1-800-835-5095](tel:1-800-835-5095) to enroll in the annual increase program.

## Vesting

Vesting means you have a right to the amount credited to your account in the 401(k) Program<sup>1</sup>. You are always 100% vested in the value of your own contributions to the 401(k). You become vested in Company matching contributions as shown in the chart below.

Years of service	Vested portion of Company match
Less than one year of service	0%
One year of service	25%
Two years of service	50%
Three years of service	75%
Four years of service	100%

## Grandfathered Vesting Schedule

Below is the grandfathered vesting schedule for both legacy Zimmer and legacy Biomet Team Members. If you were a participant in the legacy Zimmer or legacy Biomet 401(k) plans as of December 31, 2015, the grandfathered vesting schedule below applies to you.

Legacy Zimmer	Legacy Biomet
<ul style="list-style-type: none"> <li>• Four or more years of service – 100% vested</li> </ul>	<ul style="list-style-type: none"> <li>• Two or more years of service – 100% vested</li> </ul>
<ul style="list-style-type: none"> <li>• Three years of service – 75% vested</li> </ul>	<ul style="list-style-type: none"> <li>• One year of service – 25% vested</li> </ul>
<ul style="list-style-type: none"> <li>• Two years of service – 50% vested</li> </ul>	
<ul style="list-style-type: none"> <li>• One year of service – 25% vested</li> </ul>	

<sup>1</sup>Although you have a vested right to the amount, you may only receive a distribution upon certain events provided by the 401(k) plan, such as retirement or separation of employment. Prior to vesting, you may forfeit all or a portion of the Company's contributions if your employment terminates before you retire, become disabled or die.

**Customer service**  
**1-877-401-5762**

Monday through Friday,  
9 a.m. to 9 p.m. ET

## Financial Engines

Financial Engines, a leading investment advisor and manager, provides investment services to help you prepare for retirement by providing investment and savings recommendations about your Zimmer Biomet Savings and Investment 401(k) Program.

Their services include:

- **Online Advice.** This service gives you access to expert recommendations and tools so you can create a retirement plan and fine tune your investing strategy yourself, at no additional cost to you.
- **Professional Management.** You can enroll in the Professional Management program which creates, implements and monitors a personalized retirement plan for you. Contact Financial Engines regarding fee information.

## Choosing your beneficiary

Your beneficiary(ies) is the person(s) who will receive your benefits from the 401(k) Program in the event of your death. When you enroll in the 401(k) Program, you need to designate your beneficiary online at [401k.com](http://401k.com) or by calling **1-800-835-5095** and speaking with a customer service representative.

If you do not designate your beneficiary(ies), any benefits will be paid to the recipient(s) described in the plan document for the 401(k) Program.

# Stock Purchase and Bonus Plan

## Employee Stock Purchase Plan

The Employee Stock Purchase Plan (ESPP) offers eligible Team Members the opportunity to share in the Company's continued growth and success by purchasing Company stock at a 15% discount.

To be eligible for the ESPP, you must:

- Be a Team Member scheduled to work 20 hours or more per week;
- Be eligible on the first day of an Offering Period. The six-month Offering Periods begin January 1 and July 1.

Once you are eligible, you determine how much of your pay you want to contribute to the plan. You may contribute a fixed dollar amount each pay period. You must contribute at least \$20 per pay period if you enroll in the plan. In addition, U.S. tax regulations limit the amount of your total payroll deductions for each year.

Team Member contributions are made through convenient payroll deductions during each six-month Offering Period, and shares are then purchased at a 15% discount of the Fair Market Value of Zimmer Biomet Holdings, Inc. Common Stock on the final day of each Offering Period — June 30 and December 31.

Team Members can begin or change their participation level in the ESPP twice a year during designated enrollment periods. When you are eligible to enroll, you will receive information from the Company.

## Performance Incentive Plan (Bonus Plan)

Our Bonus Plan focuses on key drivers of the Company's success, which are meant to align your personal financial interests with those of the Company. We also reward you for your contributions — allowing you to share in the financial and operational successes that you help create. The performance measurements that determine Bonus Plan payments depend on your job assignment.

Throughout the Company, these measurements emphasize adjusted earnings per share, cash flow, revenue and operating earnings. These are key factors that reflect the success of our business performance — especially in the eyes of the financial and investment communities that are vitally important to us as a publicly traded Company.

You must be employed by the Company on the date of the Bonus payment, if any is made, to be eligible for a Bonus Plan payment.

**Have questions about the Bonus Plan?**

Contact your local Human Resources representative.

# Special Notices

## Mastectomy Benefits Under the Zimmer Biomet Group Medical Plan

Under a federal law known as the Women’s Health and Cancer Rights Act, the Zimmer Biomet Group Medical Plan is required to provide certain coverage to participants and beneficiaries who are receiving benefits in connection with a mastectomy.

If you are a participant or beneficiary under the Zimmer Biomet Group Medical Plan who is receiving benefits in connection with a mastectomy, the Plan will provide, in a manner determined in consultation with you and your attending physician, coverage for the following:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and treatment of physical complications of the mastectomy; including lymphedema.

This coverage will be subject to the annual deductibles, copayments and other limitations applicable to your other benefits under the Plan.

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in one of the following states, contact your state Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your state Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of August 10, 2017. Contact your state for more information on eligibility.
