- SECTION II: UnitedHealthcare Benefit Booklet (includes Summary of Medical Benefits)
- SECTION III: CVS Caremark Prescription Drug Guide (includes Summary of Prescription Drug Benefits)

***Duke Energy Retiree Medical Plan
General Information***

(Pre-65 Retirees)

IMPORTANT NOTICE

This General Information booklet for the Duke Energy Retiree Medical Plan (Medical Plan) provides information that is applicable to all Medical Plan coverage options available to retirees who are not yet age 65 and their eligible dependents who are not yet age 65. This booklet addresses eligibility for coverage under the Medical Plan, how to enroll, opportunities to make mid-year changes, when coverage ends and how you and your covered dependents may be able to continue coverage if it ends. It also contains information such as who provides coverage, who administers the Medical Plan, who decides claims for benefits, ERISA rights and Duke Energy Corporation's right to amend or terminate the Medical Plan.

The attached Medical Plan booklets and summaries of benefits describe your Medical Plan benefits, applicable deductible, co-pay and co-insurance information, how to submit a claim for Medical Plan benefits and other important information about your Medical Plan.

This General Information booklet, together with the Medical Plan booklets and summaries of benefits, is the Summary Plan Description (SPD) for the Medical Plan as of January 1, 2023 and replaces all prior descriptions of the Medical Plan. It is intended to provide an easy-to-understand explanation of your benefits.

Medical Coverage Availability

Duke Energy Corporation (Duke Energy) offers you and your eligible dependents a comprehensive Medical Plan with coverage administered by the claims administrators identified in your Medical Plan benefits booklets (Claims Administrators). The Medical Plan includes medical, surgical, hospitalization, prescription drug and disease management benefits.

Based on your location and retiree group, there are various Medical Plan coverage options available, such as high deductible health plan (HDHP), preferred provider organization (PPO) and catastrophic options. If you do not have adequate access to network providers, you may qualify for an out-of-area (OOA) option. All of the Medical Plan options are designed to help you pay for health care expenses.

Duke Energy myHR™ Service Center

If you have any questions about the Medical Plan or the information in this General Information booklet, contact the Duke Energy myHR Service Center at 1-888-465-1300.

Eligibility

Eligible Retirees

If your employment terminates on or after January 1, 2023, to be eligible for retiree coverage under the Medical Plan, at termination of employment you must be:

- employed by Duke Energy or an affiliated Duke Energy company that is participating in the Medical Plan (individually or collectively referred to with Duke Energy as the Company, as applicable) offering access to retiree coverage under the Medical Plan;
- at least age 50 and credited with at least 5 years of retiree eligibility service; and
- under age 65.

Note: You are not eligible for coverage under the Medical Plan if you are a current employee of Duke Energy or its affiliates. If you are a current employee of Duke Energy or its affiliates and eligible for coverage, you must enroll in the Duke Energy Active Medical Plan for medical coverage, even if you are a rehired retiree or an under age 65 eligible dependent of another Company retiree who might otherwise be eligible for coverage under the Medical Plan if you weren't a current employee of Duke Energy or its affiliates.

Other Retiree Eligibility Information

If your employment with Duke Energy and its affiliates terminated before January 1, 2023, your eligibility for retiree coverage is governed by the eligibility rules in effect at that time.

If you were previously employed with Duke Energy and its affiliates and you are rehired, you will be eligible for retiree coverage under the Medical Plan upon your subsequent termination of employment only if either (1) you satisfied the eligibility requirements for retiree coverage under the Medical Plan upon your previous termination of employment (i.e., you were at least age 50 and credited with at least 5 years of retiree eligibility service upon your previous termination of

employment) or (2) you satisfy the eligibility requirements for retiree coverage under the Medical Plan upon your subsequent termination of employment based solely on retiree eligibility service credited during your subsequent period of employment (i.e., you are at least age 50 at your subsequent termination of employment and are credited with at least 5 years of retiree eligibility service during your subsequent period of employment). Your retiree eligibility service from your previous period of employment and your subsequent period of employment will not be aggregated for purposes of determining whether you are credited with at least 5 years of retiree eligibility service.

If you enroll for coverage for yourself, you may be able to elect coverage under the Medical Plan for your eligible spouse/domestic partner and/or child(ren) who are under age 65. Please refer to the sections *Enrolling in the Medical Plan* and *Mid-Year Changes* for additional information. Your eligible spouse/domestic partner and/or child(ren) who are age 65 or older may be able to elect individual medical and prescription drug coverage through a Medicare exchange available to eligible retirees who are age 65 or older. Additional information about the individual medical and prescription drug coverage available through the Medicare exchange will be provided to your eligible spouse/domestic partner and/or child(ren) when they reach age 65.

Duke Energy Corporation reserves the right to amend, modify or terminate retiree coverage offered under the Medical Plan at any time, including termination of eligibility.

Eligible Dependents

When you enroll for certain coverage, you may elect to cover your eligible dependents, which may include:

- your eligible spouse
- your eligible domestic partner
- your eligible child(ren)

In order to be eligible for coverage under the Medical Plan, your eligible dependent must be under age 65. Under age 65 eligible dependents of eligible retirees who are age 65 or older are eligible for coverage under the Medical Plan. Your eligible dependents age 65 or older are eligible for individual medical and prescription drug coverage through a Medicare exchange. Additional information about the individual medical and prescription drug coverage available through the Medicare exchange will be provided to your eligible dependent(s) when they reach age 65.

Spouse Eligibility

Your spouse, eligible for coverage as a dependent, is a person to whom you are legally married under applicable law, which may include “common law marriage” and “same-sex marriage.”

Generally, for health coverage of a taxpayer’s spouse to be tax-free to the taxpayer, the spouse must be recognized as such under applicable state law and any related federal guidance, which may include “common law marriage” and “same-sex marriage.”

By enrolling your spouse in the Medical Plan, you are affirmatively representing that your spouse is eligible for coverage under the Medical Plan. Failure to drop your spouse from coverage constitutes a continuous affirmation of your spouse’s eligibility.

You must immediately report any spouse who should be dropped from your coverage due to a loss of eligibility within 31 calendar days of the loss of eligibility. See *If a Dependent Becomes Ineligible* for a description of what happens if your spouse's loss of eligibility is not reported within 31 calendar days of the loss of eligibility. To drop coverage for an ineligible spouse, you should contact the Duke Energy myHR Service Center. Any failure to drop coverage for your spouse after your spouse ceases to be eligible will be considered a misrepresentation of your spouse's eligibility.

Domestic Partner Eligibility

If you are enrolled in Medical Plan coverage, you can elect coverage for your eligible same- or opposite-sex domestic partner. You and your domestic partner must continuously:

- be each other's sole domestic partner, and intend to remain so indefinitely;
- be at least 18 years of age and mentally competent to enter into a legal contract;
- have lived together in a common household for the immediately preceding 6 consecutive months;
- share financial obligations of, and be jointly responsible for, the common household;
- not be legally married to or legally separated from anyone else, nor in a domestic partnership with anyone else; and
- not be related by blood or marriage to a degree of closeness that would prohibit marriage to one another in your current state of residence.

Generally, for medical coverage of a taxpayer's domestic partner to be tax-free to the taxpayer, the domestic partner must qualify as the taxpayer's tax dependent for federal income tax purposes, as defined by Section 152 of the Internal Revenue Code. See *Cost of Coverage* below for additional information regarding the tax treatment of your domestic partner's medical coverage.

By enrolling your domestic partner in the Medical Plan, you are affirmatively representing that your domestic partner is eligible for coverage under the Medical Plan. Failure to drop your domestic partner from coverage constitutes a continuous affirmation of your domestic partner's eligibility.

You must immediately report any domestic partner who should be dropped from your coverage due to a loss of eligibility within 31 calendar days of the loss of eligibility. See *If a Dependent Becomes Ineligible* for a description of what happens if your domestic partner's loss of eligibility is not reported within 31 calendar days of the loss of eligibility. To drop coverage for an ineligible domestic partner, you should contact the Duke Energy myHR Service Center. Any failure to drop coverage for your domestic partner after your domestic partner ceases to be eligible will be considered a misrepresentation of your domestic partner's eligibility.

Child Eligibility

Your child is:

- your biological child, up to age 26; **or**
- your legally adopted child, including a child placed in your home for legal adoption by you as long as the child remains in your home and the adoption procedure has not been terminated, and whether or not the adoption has become final, up to age 26; **or**

- your stepchild, up to age 26; **or**
- your foster child, up to age 26; **or**
- your domestic partner's biological child, legally adopted child (including a child placed in your home for legal adoption by your domestic partner as long as the child remains in your home and the adoption procedure has not been terminated, whether or not the adoption has become final), stepchild or foster child, who is primarily dependent on you for support, whom you claim as a dependent for federal income tax purposes and with whom you have a regular parent-child relationship, up to age 26; **or**
- any other child for whom you, your spouse or your domestic partner has legal guardianship, full or joint legal custody or managing conservatorship under a valid court decree, who is primarily dependent on you for support, whom you claim as a dependent for federal income tax purposes and with whom you have a regular parent-child relationship, up to age 26.

In addition, your child may be covered at any age if:

- he or she became physically or mentally incapable of self-support while enrolled in a Company-sponsored medical plan and before reaching the applicable limiting age of 26 and continuously remains incapacitated and enrolled in a Company-sponsored medical plan; **or**
- he or she was physically or mentally incapable of self-support on your date of employment with the Company, was enrolled in a Company-sponsored medical plan as of your employment date and continuously remains incapacitated and enrolled in a Company-sponsored medical plan.

By enrolling a dependent child in the Medical Plan, you are affirmatively representing that the child is eligible for coverage under the Medical Plan. Failure to drop your child from coverage constitutes a continuous affirmation of your child's eligibility. You must immediately report any dependent child who should be dropped from your coverage due to a loss of eligibility within 31 calendar days of the loss of eligibility. See *If a Dependent Becomes Ineligible* for a description of what happens if your dependent child's loss of eligibility is not reported within 31 calendar days of the loss of eligibility. To drop coverage for an ineligible dependent child, you should contact the Duke Energy myHR Service Center. Any failure to drop coverage for your child after your child ceases to be eligible will be considered a misrepresentation of your child's eligibility.

An eligible child only can be covered by one Company employee or retiree.

Surviving Spouse, Domestic Partner and Child Eligibility

If you die while you and your spouse/domestic partner are covered under the Medical Plan, your surviving spouse/domestic partner may continue Medical Plan coverage by making contribution payment arrangements with the Duke Energy myHR Service Center. This coverage can be continued until the earliest of your spouse's remarriage, your domestic partner's establishment of a new domestic partner relationship, your spouse's/domestic partner's attainment of age 65, the death of your spouse/domestic partner and the date that your spouse/domestic partner becomes eligible for other coverage (e.g., through an employer's plan).

If you are survived by dependent children, their medical coverage may continue for as long as they:

- continue to meet the definition of eligible dependents; and

- make required payments for coverage. Payment arrangements should be coordinated with the Duke Energy myHR Service Center.

This provision applies even if your spouse/domestic partner dies or loses coverage after you.

Your surviving spouse/domestic partner and/or dependent children will be charged for their component of the contribution for coverage.

If your spouse/domestic partner and/or dependent children elect survivor coverage, they may drop their survivor coverage at any time during the calendar year, regardless of whether they experience a work/life event for which mid-year changes are allowed. See *Mid-Year Changes* for additional information about work/life events for which mid-year changes are allowed.

If coverage under the Medical Plan is declined or ends, your covered dependents may be eligible for continued coverage under COBRA for up to 36 months in certain situations.

Your spouse/domestic partner must immediately report any dependents who should be dropped from survivor coverage due to a loss of eligibility within 31 calendar days of the loss of eligibility. See *If a Dependent Becomes Ineligible* for a description of what happens if your dependent's loss of eligibility is not reported within 31 calendar days of the loss of eligibility. To drop coverage for ineligible dependents, your spouse/domestic partner should contact the Duke Energy myHR Service Center. Any failure to drop coverage for a dependent after the dependent ceases to be eligible will be considered a misrepresentation of the dependent's eligibility.

See *Termination of Coverage for Non-Payment* for a description of what happens when required payments for coverage are not made.

If you are covered under the Medical Plan and your spouse/domestic partner is an eligible retiree who is covered as your dependent, your spouse/domestic partner may elect retiree coverage under the Medical Plan at the time of your death.

Employee and Retiree Couples

No one may be considered as a dependent of more than one employee or more than one retiree.

Verification of Dependent Status

By enrolling your dependent in the Medical Plan, you are affirmatively representing that your dependent is eligible for coverage under the Medical Plan. You will be required to provide evidence of dependent eligibility, such as, but not limited to, tax returns, marriage license, birth certificate, court order, adoption papers or proof of joint residency within 30 calendar days following the date of enrollment. If you fail to provide proper evidence of dependent eligibility in a timely manner, coverage for your dependent generally will end 45 calendar days following the date of enrollment. See *Claims Determination Procedures* for a description of how to file an eligibility or enrollment claim if your dependent's Medical Plan coverage ends due to a failure to timely provide evidence of dependent eligibility. If your claim or appeal is granted, coverage for your dependent may be reinstated retroactively to the date coverage for your dependent was dropped.

To continue coverage beyond age 26 for a child who is physically or mentally incapable of self-support, you must provide evidence of your child's incapacity to the Medical Plan Claims

Administrator. The application can be obtained by contacting the Duke Energy myHR Service Center. You may be required periodically to provide evidence of the child's continuing incapacity.

If a Dependent Becomes Ineligible

If a covered spouse, domestic partner or dependent child becomes ineligible for coverage during the year (for example, if your child reaches age 26), the individual(s) who become(s) ineligible for coverage will be dropped from your coverage.

You must immediately report any dependents who should be dropped from coverage due to a loss of eligibility within 31 calendar days of the loss of eligibility. When you report a dependent's loss of eligibility within 31 calendar days of the loss of eligibility:

- the dependent's coverage ends at midnight on the last day of the month in which the dependent loses eligibility for coverage; and
- changes to your contribution amounts will be made as soon as administratively practicable after the date on which you notify the Duke Energy myHR Service Center that your dependent is no longer eligible.

If you do not inform the Duke Energy myHR Service Center of a covered dependent's ineligibility within 31 calendar days of the loss of eligibility:

- the dependent's coverage ends at midnight on the last day of the month in which the dependent loses eligibility for coverage;
- the coverage provided while your dependent is ineligible will be considered as part of the individual's COBRA coverage period (this period begins on the first day of the month following the month in which eligibility is lost); and
- COBRA contributions (102% of the total cost) will be required to pay for the coverage received since the end of the month in which eligibility was lost if the individual elects continuation of coverage under COBRA.

To drop coverage for ineligible dependents, contact the Duke Energy myHR Service Center.

The Company reserves the right to seek recovery of any benefits paid under the Medical Plan to your ineligible dependents.

Enrolling in the Medical Plan

When You Become Eligible

If you are an eligible retiree as described in the *Eligible Retirees* section above, you may elect retiree coverage under the Medical Plan when you retire. When your employment terminates, if you are an eligible retiree, you can choose to:

- begin Medical Plan coverage immediately or at a later date; or
- decline Medical Plan coverage.

When you enroll in the Medical Plan as an eligible retiree, based on the dependent(s) that you elect to cover, if any, your coverage level will be one of the following:

- Individual Only
- Individual + Spouse/Domestic Partner
- Individual + Child(ren)
- Individual + Family (Spouse/Domestic Partner and Child(ren))

You must make your election within 31 calendar days of becoming eligible for retiree coverage in order for coverage to begin on the date you become an eligible retiree. If you do not make your election within 31 calendar days of becoming eligible, your next opportunity to enroll will be during a subsequent annual enrollment period or within 31 calendar days of a work/life event for which mid-year changes are allowed. Please refer to *At a Later Date* below.

When you are eligible to enroll as a retiree, you can make your Medical Plan election using an online enrollment tool. You will receive additional information about the online enrollment tool when you become eligible. You also can make your Medical Plan election by contacting the Duke Energy myHR Service Center.

By making your coverage election when you are first eligible, you are affirmatively representing that all information provided during enrollment including, but not limited to, the eligibility of any dependents for coverage, is true and correct. If Duke Energy discovers that any information you provide during enrollment is incorrect or inaccurate, Duke Energy reserves the right to recover any contribution amounts you should have paid, to recover Medical Plan benefits paid, to take appropriate disciplinary action for falsification of information, up to and including termination of Medical Plan coverage, and to take other appropriate action.

If you have any questions or need assistance in making your enrollment election, contact the Duke Energy myHR Service Center.

At a Later Date

If you are an eligible retiree and you do not immediately begin retiree coverage under the Medical Plan at your termination of employment, or if you subsequently discontinue your retiree coverage, you can elect to enroll during a subsequent annual enrollment period or within 31 calendar days of a work/life event for which mid-year changes are allowed.

For example, if you are an eligible retiree covered as a dependent of a spouse enrolled as an active employee under the Duke Energy Active Medical Plan, you may elect retiree coverage under the Medical Plan during a future annual enrollment period or within 31 calendar days of a work/life event for which mid-year changes are allowed.

Please refer to *During Annual Enrollment* and *Mid-Year Changes* for additional information.

During Annual Enrollment

Each fall you will have the opportunity to change your Medical Plan election for the following plan year, including changing your coverage option or electing to drop or add eligible dependents. This

process is referred to as “annual enrollment.” You will receive information and instructions each fall about annual enrollment.

By making (or not changing, as applicable) your coverage election during annual enrollment, you are affirmatively representing that all information provided during annual enrollment, including, but not limited to, the eligibility of any dependents for coverage, is true and correct. If Duke Energy discovers that any information you provide during annual enrollment is incorrect or inaccurate, Duke Energy reserves the right to recover any contribution amounts you should have paid, to recover Medical Plan benefits paid, to take appropriate disciplinary action for falsification of information, up to and including termination of Medical Plan coverage, and to take other appropriate action.

If You Are Rehired

If you retire from the Company as an eligible retiree and are later rehired as an eligible active employee, you will be eligible for coverage as an active employee under the Duke Energy Active Medical Plan. When your employment subsequently terminates, you may be able to reelect retiree coverage under the Medical Plan or individual coverage through an insurance exchange if you are not yet age 65 at that time, or you may be able to elect individual coverage through a Medicare exchange if you are age 65 or older at that time.

Cost of Coverage

The cost of your retiree coverage under the Medical Plan is based on the Medical Plan coverage option you elect and the eligible dependent(s) you choose to cover. The portion of the cost that you must pay depends on multiple factors, including your date of hire, your date of termination and your retiree group. Your eligibility for Company contributions is governed by the eligibility rules in effect at the time of your termination, but remains subject to Duke Energy Corporation’s right to amend, modify or terminate the Medical Plan, including termination of eligibility for Company contributions toward the cost of retiree medical coverage.

If your employment with Duke Energy and its affiliates ends on or after January 1, 2023 and you are eligible for a Company contribution toward the cost of retiree medical coverage, the Company contribution will be provided in the form of Health Reimbursement Account benefits (i.e., either the Subsidy Health Reimbursement Account or the Modified Cinergy Health Reimbursement Account). Refer to the applicable Health Reimbursement Account summary plan description for additional information about eligibility for Health Reimbursement Account benefits.

If your employment with Duke Energy and its affiliates ended prior to January 1, 2023, your eligibility for a Company contribution toward the cost of retiree medical coverage and the form of your Company contribution toward the cost of retiree medical coverage are governed by the eligibility rules in effect at that time.

If you are an eligible retiree and you are rehired, when you subsequently terminate your employment with Duke Energy and its affiliates you may be eligible for a Company contribution toward the cost of retiree medical coverage only if, upon your previous termination of employment, you satisfied the eligibility requirements for Company contributions towards the cost of retiree medical coverage in effect at the time of such termination of employment. If you did not satisfy the eligibility requirements in effect at the time of your previous termination, you will be treated as a new hire (i.e., your prior period of employment with Duke Energy and its affiliates will not be

considered in determining whether you satisfy any applicable service requirements for a Company contribution toward the cost of retiree medical coverage), and you will be responsible for paying the full cost of any retiree medical coverage you elect upon your subsequent termination of employment.

If you have questions about the form of any subsidized monthly coverage for which you may be eligible, contact the Duke Energy myHR Service Center.

Information about contribution amounts is available through the myHR website.

Paying for Coverage as a Retiree

Initially, you will be billed directly for the monthly contribution for your medical coverage. There are several different options available to you for making payment, which are listed below.

- If you are billed directly each month, you will receive a statement that explains how to make your payments, when they are due and where they need to be sent.
- Rather than receiving a monthly bill, you may set up an automatic withdrawal from your checking or savings account for monthly contribution payments. If you choose this option, a *Direct Debit Authorization* must be completed and returned to the Duke Energy myHR Service Center.
- If you are receiving annuity payments under a Company-sponsored pension plan, you may elect to have your contributions deducted from your monthly pension check by contacting the Duke Energy myHR Service Center. However, if the amount of your contributions is or becomes greater than the amount of your pension annuity payment, you will be switched to a monthly billing arrangement.

If you would like to change your payment method, contact the Duke Energy myHR Service Center.

If you elect coverage for a domestic partner, you will need to confirm whether your covered domestic partner is your tax dependent for federal income tax purposes, as defined by Section 152 of the Internal Revenue Code.

If your covered domestic partner is not your tax dependent for federal income tax purposes and you are receiving a Company contribution toward the cost of retiree medical coverage in the form of subsidized monthly coverage, the value of the coverage associated with the benefits you elected under the Medical Plan for your domestic partner is considered taxable (or imputed) income to you. This imputed income will be reported as income on a Form W-2 and will be subject to federal and state income tax (if applicable), as well as FICA and FUTA taxes. The Company is obligated to collect the applicable taxes on the imputed income created by the election of benefits for a domestic partner who is not your tax dependent for federal income tax purposes. Therefore, in addition to reporting the imputed income on your Form W-2, you will be billed for the amount of this tax liability. If you do not pay the bills for the tax liability in a timely manner, you may be subject to termination of any benefit coverage you elected for your domestic partner.

If your domestic partner is your tax dependent for federal income tax purposes and you are receiving a Company contribution toward the cost of retiree medical coverage in the form of subsidized monthly coverage, the value of the coverage associated with the benefits you elected under the Medical Plan for your domestic partner is not considered taxable (or imputed) income to you, and the tax and reporting obligations described above with respect to imputed income do not

apply. As a result, please make sure to indicate your domestic partner's tax dependent status when you enroll to ensure proper tax treatment for your coverage. Please note that the Company does not provide tax advice, and you should consult with your tax advisor for information about the tax consequences of electing coverage for a domestic partner.

Termination of Coverage for Non-Payment

Your coverage under the Medical Plan (and all other Duke Energy-sponsored plans in which you are enrolled and for which payments are required) will be terminated for non-payment if:

- you do not make the required payment in full for two months; or
- you call the Duke Energy myHR Service Center to indicate the payment is being sent, but it does not arrive by the due date.

If your coverage is terminated for non-payment, you will receive a Confirmation of Coverage statement indicating that your coverage has been cancelled.

Except in cases of termination of COBRA coverage for non-payment, reinstatement after non-payment is possible if you contact the Duke Energy myHR Service Center no later than three months from the date printed on the Confirmation of Coverage statement. However, past due contributions for your coverage under the Medical Plan (and any other Duke Energy-sponsored plans under which you want to continue coverage) must be paid in full to reinstate coverage. Reinstatement after non-payment will be allowed only one time. If your coverage under the Medical Plan is reinstated under this provision and then subsequently terminated again for non-payment, you will not be entitled to reinstatement of your coverage under the Medical Plan, or under any other Duke Energy-sponsored plan for which payments are required, at any later date. If COBRA coverage is terminated for non-payment, reinstatement is not available.

Any amounts owed in arrears at the time of a death or coverage change will continue to be billed and must be paid.

When Coverage and Contributions Begin

When you make your Medical Plan election as a newly eligible retiree, coverage begins on the date you become eligible (assuming that you make your election within 31 calendar days of becoming eligible). Payments for your coverage begin as soon as administratively practicable following the date that you make your election.

When you make your coverage elections during annual enrollment, coverage begins on January 1 of the following calendar year. Payments for your coverage begin as soon as administratively practicable following January 1 of the following calendar year.

Mid-Year Changes

Enrolling in Coverage Mid-Year

Once you have made your Medical Plan election for the year, you may not change your election during that year to enroll in coverage for yourself and/or your eligible dependents unless you have a work or life event for which a mid-year enrollment change is permitted and the work or life event

results in the gain of eligibility for coverage. Specific information about these “work/life” events and allowable mid-year enrollment changes is available by calling the Duke Energy myHR Service Center. A “mid-year enrollment change” refers to any change made to your coverage during a calendar year due to a work or life event that results in the gain of eligibility for coverage.

If you experience a work/life event for which mid-year enrollment changes are allowed, you have 31 calendar days from the date of the event (for example, your marriage date) to change your election. Otherwise, unless a subsequent work/life event which would allow you to enroll yourself and/or your eligible dependents in coverage occurs, you cannot elect to enroll yourself and/or your eligible dependents in Medical Plan coverage until annual enrollment.

If you are eligible to make enrollment changes, the election you make must be consistent with and on account of the work/life event.

Below is a list of some work/life events for which you may enroll yourself and/or your eligible dependents mid-year:

- You get married
- Your domestic partner becomes eligible for coverage
- The number of your eligible children changes
 - you have, or adopt, a child
 - you become the legal guardian of a child
 - a Qualified Medical Child Support Order (QMCSO) is received¹
- Your dependent’s benefit coverage changes because:
 - he or she loses coverage due to a change in eligibility as a result of a change in employment status or work schedule
 - his or her period of coverage and annual enrollment window is different from yours
- Your or your dependent’s COBRA coverage from another employer expires
- You or your dependent loses Medicare or Medicaid
- You or your dependent loses coverage under a group health plan
- There is a significant increase in the cost of coverage under the employer plan in which your dependent participates
- Your period of temporary employment with the Company ends

Dropping Coverage Mid-Year

Once you have made your Medical Plan election for the year, you may elect to drop coverage for yourself and/or one or more covered dependents at any time, even if you do not experience a

¹If a Qualified Medical Child Support Order is issued requiring medical coverage for your child, you may change your medical coverage election to provide coverage for your child. You also may make an election change to cancel medical coverage for the child if the order requires the child’s other parent to provide coverage.

work/life event. An election to drop coverage for yourself and/or your covered dependents will be effective on a prospective basis only.

When Your Dependent Is No Longer Eligible

If a covered dependent ceases to be eligible for benefits, your dependent's coverage ends at midnight on the last day of the month in which the dependent loses eligibility for coverage. If you notify the Duke Energy myHR Service Center within 31 calendar days of the loss of eligibility, changes to your contribution amounts will be made as soon as administratively practicable after the date on which you provide notice. See *If a Dependent Becomes Ineligible* for information about the consequences of failing to notify the Duke Energy myHR Service Center within 31 calendar days of a loss of eligibility.

When You Enroll a Dependent Mid-Year

If your change is to add a dependent to your Medical Plan coverage, and your dependent's eligibility for Medical Plan coverage has not previously been verified, you will be required to provide evidence of dependent eligibility, such as, but not limited to, tax returns, marriage license, birth certificate, court order, adoption papers, or proof of joint residency within 30 calendar days following the date of enrollment. If you fail to provide proper evidence of dependent eligibility in a timely manner, coverage for your dependent generally will end 45 calendar days following the date of enrollment. See *Claims Determination Procedures* for a description of how to file an eligibility or enrollment claim if your dependent's Medical Plan coverage ends due to a failure to timely provide evidence of dependent eligibility. If your claim or appeal is granted, coverage for your dependent may be reinstated retroactively to the date coverage for your dependent was dropped.

When Mid-Year Coverage and Contribution Changes Are Effective

This section outlines the timing of coverage and contribution changes when you (i) elect to start or increase coverage due to a work/life event, (ii) elect to decrease or terminate coverage or (iii) stop or decrease coverage due to a covered individual becoming ineligible for coverage (e.g., divorce or child reaches age 26).

- **Start or Increase Coverage.** If you elect to start or increase your coverage due to a work/life event, your coverage changes on the day the work/life event occurred. In order for the change to take effect on the day the work/life event occurred, you must notify the Duke Energy myHR Service Center within 31 calendar days of the work/life event. Changes to your contribution amounts are effective as soon as administratively practicable after you submit your election changes.
- **Elective Decrease or Termination of Coverage.** If you elect to decrease or terminate coverage, your coverage changes on the first day of the month after you submit your election changes. You may elect to decrease or terminate coverage at any time. Changes to your contribution amounts are effective as soon as administratively practicable after you submit your election changes.
- **Decrease or Termination of Coverage Due to Loss of Eligibility.** Coverage for individuals who are no longer eligible ends at midnight on the last day of the month in which the individual loses eligibility for coverage. Changes to your contribution amounts generally are effective as soon as administratively practicable after you submit your

election changes provided that you notify the Duke Energy myHR Service Center within 31 days of the loss of eligibility. See *If a Dependent Becomes Ineligible* above for the consequences of failing to notify the Duke Energy myHR Service Center of a covered individual's ineligibility within 31 calendar days of the loss of eligibility. Note that in the event of your death, coverage for you and your dependents ends on the date of your death. See *Surviving Spouse, Domestic Partner and Child Eligibility* above for information about coverage available to your spouse/domestic partner and/or child if you die while they are covered under the Medical Plan.

Situations Impacting Your Eligibility for Coverage

When You Reach Age 65

When you and your spouse or other dependent reach age 65, you and your spouse or other dependent will be able to purchase individual medical and prescription drug coverage through a Medicare exchange if you choose. The Medical Plan options available to retirees and their spouses and other dependents who have not yet reached age 65 are not available to retirees and their spouses and other dependents who are age 65 or older.

Once you and your spouse or other dependent reach age 65, you will receive additional information that describes your individual health plan choices, coverage costs and how to enroll in individual coverage for yourself and your eligible spouse/dependent.

If You Become Entitled to Medicare Before Age 65

If you become entitled to Medicare before age 65 due to disability or end stage renal disease, you can elect to continue your coverage under the Medical Plan or enroll in individual coverage through a Medicare exchange. If you wish to continue your enrollment in Duke Energy-sponsored coverage, you will be required to enroll in a Medical Plan option that coordinates with Medicare Part B (note that there is no coordination of benefits between the Medical Plan's prescription drug coverage and Medicare Part D). Contact the Duke Energy myHR Service Center for additional information regarding the options available to you when you become entitled to Medicare before age 65.

If you elect to terminate your coverage under the Medical Plan when you become entitled to Medicare before age 65, any of your eligible dependents who are covered under the Medical Plan and are not eligible for Medicare may continue coverage under the Medical Plan until reaching age 65.

If you and/or a covered dependent enroll in a Medicare prescription drug plan for a calendar year, you and/or your covered dependent will not be eligible for coverage under the Medical Plan for that calendar year. Therefore, Medical Plan coverage ends for a calendar year for individuals who enroll in a Medicare prescription drug plan mid-year. Such individuals may be able to enroll for Medical Plan coverage at the next annual enrollment if Medicare prescription drug coverage is dropped for the following calendar year.

Termination of Coverage

When Coverage Ends

Your coverage under the Medical Plan will cease on the earliest of the following dates:

- the last day of the month prior to the month in which you reach age 65;
- the date that you are rehired as an active employee of Duke Energy or its affiliates (e.g., as a regular, fixed-term or temporary employee);
- the last day of the month in which you cease to be an eligible retiree or dependent or otherwise cease to be eligible for coverage under the Medical Plan;
- the end of the period for which your last required contribution was made;
- the date of your death; or
- the date the Medical Plan is discontinued.

Your dependent's coverage will end when your coverage ends, at the end of the period for which your last required contribution was made, on the last day of the month in which you elect not to cover the dependent, on the last day of the month prior to the month in which the dependent reaches age 65 or on the last day of the month in which the dependent otherwise loses eligibility, unless he or she continues his or her coverage under COBRA or through survivor coverage, as applicable. Medical Plan coverage actually will terminate, but it will be reinstated retroactive to the coverage termination date if the COBRA enrollment is properly received and processed. COBRA enrollment forms must be completed and received within 60 days of the event or notification, whichever is later.

If You Become Divorced or Your Domestic Partner Relationship Ends

If you cover a spouse/domestic partner under the Medical Plan and you become divorced or your domestic partner relationship ends, you must drop coverage for your former spouse/domestic partner within 31 calendar days of the divorce or the date on which your domestic partner relationship ends. Your former spouse/domestic partner will then be notified that he or she may continue coverage through COBRA by contacting the COBRA administrator within 60 days of the qualifying event.

See *If a Dependent Becomes Ineligible* for a description of what happens when you either do or do not report your divorce or the end of your domestic partner relationship within 31 calendar days.

To drop coverage for your former spouse/domestic partner, contact the Duke Energy myHR Service Center.

COBRA Continuation Coverage

Under COBRA (Consolidated Omnibus Budget Reconciliation Act), your spouse and eligible dependent children may elect to continue Medical Plan coverage if certain qualifying events occur. Although domestic partners are not entitled to continuation coverage under COBRA, the Company will apply the same rules to a domestic partner as to a spouse.

There also may be other coverage options available to you and your family if you experience a qualifying event. For example, you'll be able to buy coverage through the Health Insurance Marketplace. In the Marketplace, you could be eligible for a tax credit that lowers your monthly premiums right away, and you can see what your premium, deductibles and out-of-pocket costs will be before you make a decision to enroll. Being eligible for COBRA does not limit your eligibility for coverage or a tax credit through the Marketplace.

COBRA notices, elections and premium payments generally must be submitted by certain deadlines, as further described below. However, notwithstanding the deadlines described below, a period of up to 12 months during the Outbreak Period may be disregarded in determining the applicable deadline for submitting COBRA notices, elections and premium payments, in accordance with applicable legal guidance. The Outbreak Period is the period from March 1, 2020 through the date that is 60 days after the announced end of the national emergency related to the COVID-19 pandemic, or through such other date announced by federal agencies (Outbreak Period).

Continued Coverage for Your Dependents

Your covered dependents may continue their coverage under the Medical Plan for up to 36 months if they lose coverage as a result of your:

- death;
- divorce;
- termination of domestic partner status; or
- dependent child ceasing to be a dependent as defined by the Medical Plan.

Bankruptcy Proceeding

Since you are a retired employee, if you or your eligible dependents lose coverage resulting from a bankruptcy proceeding against the Company, you may qualify for continuation coverage under COBRA.

Procedures to Obtain Continued Coverage

Both your dependent and the Company have responsibilities if qualifying events occur that make your covered dependents eligible for continued coverage.

You or your covered dependents must notify the Duke Energy myHR Service Center within 60 days when one of these qualifying events occurs:

- you become divorced;
- your domestic partner relationship ends; or
- your dependent child is no longer considered an eligible dependent as defined by the Medical Plan.

If these procedures are not followed, or if notice is not provided to the Duke Energy myHR Service Center during the 60-day notice period, then your covered dependents will lose their rights to elect COBRA coverage.

For other qualifying events, such as your death, it is the Company's responsibility to notify the COBRA administrator.

Election Period

The Company's COBRA administrator will notify your covered dependents of the right to elect continued coverage. Each qualified beneficiary has independent election rights and has 60 days to elect coverage, beginning on the later of:

- the date coverage terminates by reason of the qualifying event, or
- the date notification of the right to elect continued coverage is mailed to your covered dependents.

Type of Coverage

If continued coverage is elected, the medical coverage will initially be the same coverage as was in effect on the day before the qualifying event. During the COBRA continuation period, any changes to the medical coverage of similarly situated retirees also will apply to the medical coverage elected as a COBRA qualified beneficiary. In addition, if the COBRA continuation period extends into a future plan year, the Medical Plan COBRA election may be changed for the following plan year during annual enrollment to the same extent that Medical Plan elections can be changed by other similarly situated retirees for the following plan year during annual enrollment.

Cost

Your covered dependents will be required to pay 102% of the full group cost for continued coverage. The 2% is intended to cover administrative fees. The contributions are paid on an after-tax basis.

Your dependent will be asked to pay for coverage in monthly installments. The first payment will be retroactive to the date of the qualifying event and will be due no later than 45 days after the date continued coverage was elected. Coverage will be effective once the initial premium is paid. Once payment is received, notification of coverage will be passed on to the applicable Claims Administrator. Your dependent may refile claims that may have been denied between benefits termination and the election to continue coverage. Your dependent will be required to make monthly payments thereafter, with a 30-day grace period. If the cost or benefits change in the future for retirees, the changes also will affect continued coverage under COBRA. Your dependent will be notified of any changes in the cost or benefits associated with his or her coverage.

Termination of Continued Coverage

COBRA coverage automatically ends if any of the following occurs:

- the COBRA participant fails to make the required contribution on time;
- the Company terminates the Medical Plan for all retirees; or
- the COBRA participant becomes covered under another group medical plan (as an employee or otherwise) after the election of COBRA coverage.

Conversion Privilege

The Medical Plan has no conversion privilege. This means that you are not able to convert your coverage under the Medical Plan to an individual policy when coverage ends.

Qualified Medical Child Support Orders (QMCSOs)

If the Company receives notification that, as a result of a QMCSO, you are required to provide Medical Plan coverage for a dependent child, the Company will:

- notify you (and any other person named in the order) of receipt of the order; and
- within a reasonable period of time (up to 30 days), determine if the child is eligible for coverage under the Medical Plan and notify you in writing of the decision.

As appropriate to the court order, the child will be enrolled for medical coverage, unless there are legal proceedings that dispute the determination. If the court order is disputed, claims processing will be delayed until the dispute is resolved.

If the child's covered expenses are paid by a custodial parent or legal guardian who is not a participant in the Medical Plan, reimbursement of these expenses will be made directly to the custodial parent or legal guardian if required by the order. Custodial parents and legal guardians also may sign claim forms and assign benefits to providers. The Claims Administrator will send notification of payment of providers to the custodial parent.

If you do not comply with the procedures required by the order, the Company may change your coverage status to that required by the court order and require you to pay the appropriate contributions at the direction of the court.

Your Role

As a participant in the Medical Plan, please follow the guidelines below.

- File accurate claims. If someone else (other than the provider) files a claim on your behalf, you must review the form before you sign it.
- Review the explanation of benefits when it is returned to you. Make sure that benefits have been paid correctly based on your knowledge of the expenses incurred and the services rendered.
- Never allow another person to seek medical treatment under your identity.
- Provide complete and accurate information on claim forms and any other forms; answer all questions to the best of your knowledge.

You must notify the applicable Claims Administrator if a provider:

- bills you for services or treatment that you have never received;
- asks you to sign a blank claim form; or
- asks you to undergo tests that you feel are not needed.

Any covered person who knowingly intends to defraud the Medical Plan will be considered guilty of fraud. If you are concerned about any of the charges that appear on a bill or explanation of benefits form or if you know of or suspect any illegal activity, call the applicable Claims Administrator at the toll-free number on your I.D. card. All calls are strictly confidential.

Other Important Information

Plan Sponsor

Duke Energy Corporation is the sole sponsor of the Medical Plan. The Company address, telephone number and employer identification number (EIN) are:

Duke Energy Corporation
526 South Church Street
Charlotte, NC 28202
EIN: 20-2777218

Identification Numbers

If you need to correspond with the federal government about the Medical Plan, you should include in the correspondence the Duke Energy Corporation EIN and the plan number assigned to the Medical Plan. The Medical Plan is a component plan under the Duke Energy Retiree Health & Welfare Benefit (Financed) Plans, plan number 503.

Funding

The following funding vehicles are, or may be, used to accumulate assets from which Medical Plan claims may be paid: (i) Section 401(h) medical account under the Duke Energy Retirement Cash Balance Plan, (ii) Section 401(h) medical account under the Duke Energy Legacy Pension Plan, (iii) Duke Energy Corporation Welfare Benefits Trust VEBA I, (iv) Duke Energy Corporation Post-Retirement Medical Benefits Trust VEBA II, (v) Piedmont Natural Gas Co., Inc. 501(c)(9) Trust for Retired Non-Bargaining Employees and/or (vi) Piedmont Natural Gas Co., Inc. 501(c)(9) Trust for Retired Bargaining Unit Employees. Duke Energy also may provide benefits under the Medical Plan from its general assets.

The trustee for the Section 401(h) medical accounts is:

Duke Energy Corporation Master Retirement Trust
The Northern Trust Company, Trustee
50 South LaSalle Street
Chicago, IL 60675

The trustee for the VEBAs and the Piedmont 501(c)(9) Trusts is:

Bank of New York Mellon
BNY Mellon Center
500 Grant Street
Pittsburgh, PA 15258

Plan Administrator

The Plan Administrator for the Medical Plan is the Duke Energy Benefits Committee (Benefits Committee). The Benefits Committee has responsibility and authority to control and manage the operation and administration of the Medical Plan, except to the extent delegated or assigned to others.

The Benefits Committee may assign or delegate any of its authority or duties to others. The Benefits Committee has appointed Duke Energy Human Resources to serve as the Initial Claim Administrator and the Duke Energy Claims Committee (Claims Committee) to serve as Denied Claim Reviewer for claims as to whether an individual is eligible to participate in or obtain coverage under, or whether an eligible individual is enrolled for participation in or coverage under, the Medical Plan or any coverage option under the Medical Plan. The Benefits Committee, the Claims Committee and Duke Energy Human Resources may be contacted as follows:

Benefits Committee
Duke Energy Corporation
526 South Church Street – DEP14A
Charlotte, NC 28202
704-382-4703

Claims Committee
Duke Energy Corporation
526 South Church Street – DEP14A
Charlotte, NC 28202
704-382-4703

Duke Energy Human Resources
Duke Energy Corporation
526 South Church Street – DEP14A
Charlotte, NC 28202
704-382-4703

The Benefits Committee has appointed the Claims Administrators to serve as Initial Claim Administrators and Denied Claim Reviewers for claims for benefits under the Medical Plan. The Claims Administrators may be contacted at the addresses listed in the Medical Plan booklets. You also can obtain additional information by contacting the Duke Energy myHR Service Center.

The Benefits Committee, the Claims Committee, Duke Energy Human Resources and the Claims Administrators, and/or any delegate thereof, each within its area of authority and responsibility, have power and discretion to construe and interpret the Medical Plan and to make factual determinations.

Investment Committee

The named fiduciary for the maintenance and investment of the plan assets that are held in the Duke Energy Corporation Welfare Benefits Trust VEBA I, the Duke Energy Corporation Post-Retirement Medical Benefits Trust VEBA II, the Piedmont Natural Gas Co., Inc. 501(c)(9) Trust for Retired Non-Bargaining Employees, the Piedmont Natural Gas Co., Inc. 501(c)(9) Trust for Retired Bargaining Unit Employees and the 401(h) medical accounts under the Duke Energy Corporation Master Retirement Trust is the Duke Energy Investment Committee. The Board of Directors of Duke Energy Corporation appointed the Chairman of the Investment Committee, who in turn appoints the other members of the Investment Committee. Any successor Chairman of the Investment Committee is appointed by the Finance and Risk Management Committee of the Board of Directors of Duke Energy Corporation.

The Investment Committee may be contacted through the following address:

Investment Committee
Director, Long Term Investments
Duke Energy Corporation
526 South Church Street – DEP14A
Charlotte, NC 28202

Plan Year

The plan year for the Medical Plan is January 1 through December 31.

Service of Legal Process

The person designated for service of legal process upon the Medical Plan is:

Corporate Secretary
Duke Energy Corporation
526 South Church Street
Charlotte, North Carolina 28202

Legal process also may be served upon the Medical Plan's trustee, if applicable, or upon the Benefits Committee as Plan Administrator.

Affiliated Employers of Duke Energy That Have Adopted the Medical Plan

Contact the Duke Energy myHR Service Center for information regarding affiliated employers of Duke Energy that have adopted the Medical Plan.

Claim Determination Procedures

There are two different types of claims that may be made under the Medical Plan...Claims for Medical Plan Benefits and Eligibility or Enrollment Claims.

A Claim for Medical Plan Benefits is a claim for Medical Plan benefits made in accordance with the Medical Plan's procedures for filing benefit claims.

An Eligibility or Enrollment Claim is a claim as to whether an individual is eligible to participate in or obtain coverage under, or whether an eligible individual is enrolled for participation in or coverage under, the Medical Plan or applicable Medical Plan option made in accordance with the Medical Plan's procedures for filing eligibility or enrollment claims. An Eligibility or Enrollment Claim does not include (i) requests to change your Medical Plan coverage level and/or coverage option due to your failure to take action during the applicable enrollment period, (ii) requests to change your Medical Plan coverage level and/or coverage option based solely on a change in your preferred coverage level and/or coverage option, (iii) disputes regarding the cost of your Medical Plan coverage and/or requests to change your Medical Plan coverage level and/or coverage option due to disputes regarding the cost of your Medical Plan coverage or (iv) requests for reinstatement of Medical Plan coverage if your coverage is terminated for non-payment and you have already exhausted your one-time reinstatement opportunity.

Claims for Medical Plan Benefits and Eligibility or Enrollment Claims, and related appeals, generally must be submitted by certain deadlines, as further described below. However, notwithstanding the deadlines described below, a period of up to 12 months during the Outbreak Period may be disregarded in determining the deadline for filing Claims for Medical Plan Benefits, Eligibility or Enrollment Claims and/or related appeals, in accordance with applicable legal guidance.

Claims for Medical Plan Benefits

The Claims Administrators for your Medical Plan options have the authority to decide initial Claims for Medical Plan Benefits, as the Initial Claim Administrators, and denied Claims for Medical Plan Benefits on review, as the Denied Claim Reviewers. The Company has no discretionary authority with respect to Claims for Medical Plan Benefits.

Claims submission procedures for your Medical Plan benefits are described in the Medical Plan booklets for the Medical Plan options in which you participate. You also can obtain additional information by calling the Duke Energy myHR Service Center. To file a valid Claim for Medical Plan Benefits, you (or your authorized representative) must follow the claim submission procedures for the Medical Plan as described in the Medical Plan booklets applicable to the Medical Plan options in which you participate and any updating materials.

Eligibility or Enrollment Claims

The Benefits Committee has appointed Duke Energy Human Resources to decide Eligibility or Enrollment Claims as the Initial Claim Administrator. Duke Energy Human Resources has delegated its authority to decide Eligibility or Enrollment Claims to Alight Solutions Claims and Appeals Management.

The Benefits Committee has appointed the Claims Committee to perform the fair and impartial review of denied Eligibility or Enrollment Claims on appeal as the Denied Claim Reviewer. The Company has no discretionary authority with respect to the Claims Committee's final determinations regarding Eligibility or Enrollment Claims on appeal.

To file a valid Eligibility or Enrollment Claim, you (or your authorized representative) must follow the claim submission procedures for the Medical Plan as described in this General Information booklet and any updating materials.

Initial Claim

If you have an Eligibility or Enrollment Claim, you (or your authorized representative) must submit a claim initiation form. This form can be obtained by calling the Duke Energy myHR Service Center.

The claim form must be submitted in writing to the address on the form and include:

- a statement that the claim is a "Claim for Eligibility/Enrollment" and identification of the Medical Plan;
- your name, Social Security number, mailing address and daytime telephone number;
- a complete description of the claim, including the eligibility/enrollment issue presented;

- dependent information, if applicable; and
- any additional information you want considered.

A “Claim for Eligibility/Enrollment” must be received by Claims and Appeals Management within 12 months after the date on which you are claiming eligibility/enrollment should have occurred. If your claim is not filed within this period, your claim will be deemed permanently waived and abandoned, and you will be precluded from reasserting it.

Claims and Appeals Management will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Claims and Appeals Management’s control, it will notify you or your representative within 30 days after receiving the request. The extension notice will include a description of the circumstances requiring the extension and the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice also will specify what information is needed. The determination period will be suspended on the date Claims and Appeals Management sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice. You will have at least 45 days to respond to the request for information.

In the case of an Eligibility or Enrollment Claim relating to your failure to enroll your newborn or newly adopted child in Medical Plan coverage within 31 calendar days of your child’s date of birth or adoption, Claims and Appeals Management will approve the Eligibility or Enrollment Claim notwithstanding your failure to timely enroll your child in Medical Plan coverage, but only if (1) you contact the Duke Energy myHR Service Center within 60 calendar days of your child’s date of birth or adoption to enroll your child in Medical Plan coverage and (2) you submit a claim initiation form and all other required documentation, in accordance with the instructions specified on the claim initiation form, within 75 calendar days of your child’s date of birth or adoption. If Claims and Appeals Management approves your Eligibility or Enrollment Claim, your child’s Medical Plan coverage will be effective retroactive to your child’s date of birth if a newborn or date of adoption for a newly adopted child. If Claims and Appeals Management denies your Eligibility or Enrollment Claim, you (or your authorized representative) will be notified of the adverse determination in writing as described below.

Adverse Determination

In the event of an adverse eligibility or enrollment determination, in whole or in part, you (or your authorized representative) will be notified of the adverse determination in writing.

An adverse determination notification for an Eligibility or Enrollment Claim will contain:

- the specific reason or reasons for the adverse determination;
- specific references to the pertinent Medical Plan provisions on which the adverse determination is based;
- a description of any additional information or material necessary to perfect the claim and an explanation of why such information or material is needed;
- an explanation of the claims review process and the time limits applicable to such process, including a statement of your right to bring a civil action under Section 502(a) of ERISA

following an adverse determination on review and any time limits for filing such a civil action;

- if an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse determination, a statement that such a rule, guideline, protocol or other similar criterion was relied upon in making the adverse determination and that a copy of such rule, guideline, protocol or other similar criterion is available free of charge upon request; and
- if denial of the claim is based on medical necessity or experimental treatment, or a similar exclusion or limitation, a statement that the Plan Administrator or its designee will, upon request, provide you, free of charge, an explanation of the scientific or clinical judgment, applying the terms of the Medical Plan to your medical circumstances.

Appeal of Adverse Determination

If you disagree with an adverse eligibility or enrollment determination, you (or your authorized representative) can request a review of the initial determination by submitting a written request to the Claims Committee within 180 calendar days after receipt of the adverse determination. If your appeal is not filed within this period, your claim will be deemed permanently waived and abandoned, and you will be precluded from reasserting it.

A request to the Claims Committee must be submitted in writing to:

Claims Committee
Duke Energy Corporation
526 South Church Street – DEP14A
Charlotte, NC 28202

You may request to examine and receive copies of all documents, records and other information relevant to the claim. The Claims Committee will review the appeal without granting any deference to the initial decision regarding the claim. Also, no reviewer may be a person that was involved in making the initial decision regarding the claim, or a subordinate to that person. In addition, if the claim was based in whole or in part on a medical judgment, the Claims Committee will consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment. This person will not be a person (or a subordinate of a person) consulted by Claims and Appeals Management in deciding the initial claim. When reviewing an adverse determination that has been appealed, any new information that you provide that was not available or utilized when the initial determination was made will be considered.

You will be notified regarding the decision on your appeal within 60 days after receipt of the appeal. The determination of your appeal will be in writing and, if adverse, will contain:

- the specific reason or reasons for the adverse determination;
- specific references to the pertinent Medical Plan provisions on which the adverse determination is based;
- a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claim;
- a statement about your right to bring a civil action under Section 502(a) of ERISA and any time limits for filing such a civil action;

- if an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse determination, a statement that such a rule, guideline, protocol or other similar criterion was relied upon in making the adverse determination and that a copy of such rule, guideline, protocol or other similar criterion is available free of charge upon request;
- if denial of the claim is based on medical necessity or experimental treatment, or a similar exclusion or limitation, a statement that the Plan Administrator or its designee will, upon request, provide you, free of charge, an explanation of the scientific or clinical judgment, applying the terms of the Medical Plan to your medical circumstances; and
- the following statement: ‘You and your plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your state insurance regulatory agency.’

Also, upon request, the Claims Committee will provide you with a statement identifying those medical or vocational experts whose advice was obtained in connection with the appeal.

For additional information on filing an Eligibility or Enrollment Claim or filing an appeal of an adverse determination, you should contact the Claims Committee.

Legal Action

You have the right to bring a civil action under Section 502(a) of ERISA if you are not satisfied with the outcome of the claim and appeal procedure. You may not initiate a legal action against the Claims Administrators, the Medical Plan, the Company, or the Plan Administrator until you have completed the appeal processes. No legal action may be brought more than one year following a final decision on the claim under the appeal processes. If a civil action is not filed within this period, your claim will be deemed permanently waived and abandoned, and you will be precluded from reasserting it.

Discretionary Authority

Authority to decide initial claims (including claims for Medical Plan benefits) under the Medical Plan and denied claims on review (including denied claims for Medical Plan benefits on review) under the Medical Plan includes the full power and discretion to interpret Medical Plan provisions and to make factual determinations, with the Initial Claim Administrators’ and the Denied Claim Reviewers’ decisions, interpretations and factual determinations controlling. Requests for information regarding individual claims, or a review of a denied claim, are to be directed in writing and properly addressed to the particular entity identified as having the authority to decide the initial claim, or to decide the denied claim on review, as applicable.

Right to Change or Terminate the Medical Plan

Duke Energy Corporation reserves the right to amend or terminate the Medical Plan in any respect and at any time. For example, the Medical Plan may be discontinued in part or in its entirety, or what the Medical Plan or Medical Plan option covers or what benefits it provides may be changed. Cost sharing between the Company and covered individuals also is subject to change, which may include initiating or increasing contributions required of employees, retirees, other former employees and their dependents.

The amendment or termination of the Medical Plan may affect the benefits or benefit coverage not only of active employees (and their dependents), but also of former active employees who retired (and their dependents), became disabled, died or whose Company employment has otherwise terminated (and their dependents), and also of any covered person who began receiving benefit coverage or payments prior to the amendment or termination. If such a termination or amendment occurs, affected participants will be notified. The right to amend or terminate the Medical Plan may be exercised by Duke Energy Corporation, or its authorized delegates, and any amendment shall be in writing.

In the event of a complete termination of the Medical Plan, eligible claims for Medical Plan benefits will be paid by the Duke Energy Corporation Welfare Benefits Trust VEBA I, the Duke Energy Corporation Post-Retirement Medical Benefits Trust VEBA II, the Piedmont Natural Gas Co., Inc. 501(c)(9) Trust for Retired Non-Bargaining Employees, the Piedmont Natural Gas Co., Inc. 501(c)(9) Trust for Retired Bargaining Unit Employees and/or the Duke Energy Corporation Master Retirement Trust – 401(h) Account, as applicable, to the extent that funds are available.

Statement of Rights

As a participant in the Medical Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Medical Plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Medical Plan, including collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the Medical Plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.
- obtain, upon written request to the Plan Administrator, copies of documents governing the Medical Plan, including collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.
- receive a summary of the Medical Plan's annual financial report. The Plan Administrator is required by law to furnish each participant in the Medical Plan with a copy of this summary financial report.
- obtain a copy of the Medical Plan's procedures for determining a Qualified Medical Child Support Order (QMCSO).

Continue Group Health Plan Coverage

- continue health care coverage for yourself, your spouse² or dependents if there is a loss of coverage under the Medical Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this General Information Booklet and the other

² Additionally, the Company extends continuation of coverage under COBRA to covered domestic partners if they lose eligibility for coverage in certain situations.

documents governing the Medical Plan on the rules governing your federal continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the Medical Plan. The people who operate your Medical Plan, called “fiduciaries” of the Medical Plan, have a duty to do so prudently and in the interest of you and other Medical Plan participants and beneficiaries. No one, including the Company, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Medical Plan documents or the latest annual report from the Medical Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court once you have exhausted the Medical Plan’s claims procedures.

In addition, if you disagree with the Medical Plan’s decision or lack thereof concerning the qualified status of a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the Medical Plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about the Medical Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You also may obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Keep Us Informed

It is your responsibility to make sure that your benefits records are correct and that the personal information needed to administer your benefits is current. Promptly review any confirmation and

other benefit statements carefully, and immediately advise the Duke Energy myHR Service Center if you believe there is an error. If you move, marry, divorce, or gain a new child, or if your child is no longer an eligible dependent, contact the Duke Energy myHR Service Center as soon as possible.

A Final Note

Although this General Information Booklet and the other documents that comprise the SPD describe the principal features of the Medical Plan that are generally applicable, the SPD is only a summary. The complete provisions of the Medical Plan are set forth in the plan documents, which are available upon request from Duke Energy Human Resources. An SPD is an overview and is written to be read in its entirety. Descriptions of Medical Plan features should not be taken out of context. Inquiries about specific situations should be directed in writing to Duke Energy Human Resources. Changes to the Medical Plan, pending revision of the SPD, will be communicated in benefit newsletters, letters and/or enrollment materials. In the event of a conflict between this SPD or any other communication regarding the Medical Plan and the plan documents themselves, the plan documents control. Remember, the Medical Plan may not be amended by oral or written communications.

Quick Reference Box

- Member services, claim inquiries, Personal Health Support and Mental Health/Substance-Related and Addictive Disorders Administrator: (877) 214-2930.
- Claims submittal address: UnitedHealthcare - Claims, P.O. Box 740809, Atlanta, GA 30374-0800.
- Online assistance: www.myuhc.com.

Duke Energy is pleased to provide you with this Benefit Booklet, which describes the health Benefits available to you and your covered family members under the Duke Energy Retiree Medical Plan's Standard PPO Option. It includes summaries of:

- services that are covered, called Covered Health Services;
- services that are not covered, called Exclusions and Limitations;
- how Benefits are paid; and
- your rights and responsibilities under the Plan.

UnitedHealthcare is a private healthcare claims administrator. UnitedHealthcare's goal is to give you the tools you need to make wise healthcare decisions. UnitedHealthcare also helps your employer to administer claims. Although UnitedHealthcare will assist you in many ways, it does not guarantee any Benefits. Duke Energy is solely responsible for paying Benefits described in this Benefit Booklet.

IMPORTANT

The healthcare service, supply or pharmaceutical product is only a Covered Health Service if it is Medically Necessary. (See definitions of Medically Necessary and Covered Health Service in Section 12, *Glossary*.) The fact that a Physician or other provider has performed or prescribed a procedure or treatment, or the fact that it may be the only available treatment for a Sickness, Injury, Mental Illness, substance-related and addictive disorder, disease or its symptoms does not mean that the procedure or treatment is a Covered Health Service under the Plan.

Please read this Benefit Booklet thoroughly to learn how the Duke Energy Retiree Medical Plan's Standard PPO Option works. If you have questions call the number on your ID card.

How To Use This Benefit Booklet

- Read the entire Benefit Booklet (including the benefit booklet describing the prescription drug benefit), as well as the General Information Booklet and share them with your family. Together, the General Information Booklet and the Benefit Booklets comprise the Summary Plan Description (SPD) for the Plan's Standard PPO Option. Keep these documents in a safe place for future reference.
- Many of the sections of this Benefit Booklet are related to other sections. You may not have all the information you need by reading just one section.
- You can find or request printed copies of your SPD at <http://digital.alight.com/duke-energy> or by contacting the Duke Energy myHR™ Service Center at (888) 465-1300.
- Capitalized words in the Benefit Booklet have special meanings and are defined in Section 12, *Glossary*.
- If eligible for coverage, the words "you" and "your" refer to Covered Persons as defined in Section 12, *Glossary*.
- Duke Energy and its affiliated companies which are participating in the Plan are also referred to as the Company.

SECTION 2 - HOW THE PLAN WORKS

What this section includes:

- Accessing Benefits;
- Eligible Expenses;
- Annual Deductible;
- Copayment;
- Coinsurance; and
- Out-of-Pocket Maximum.

Accessing Benefits

As a participant in this Plan, you have the freedom to choose the Physician or health care professional you prefer each time you need to receive Covered Health Services. The choices you make affect the amounts you pay, as well as the level of Benefits you receive and any benefit limitations that may apply.

You are eligible for the Network level of Benefits under this Plan when you receive Covered Health Services from Physicians and other health care professionals who have contracted with UnitedHealthcare to provide those services.

You can choose to receive Designated Network Benefits, Network Benefits or Non-Network Benefits.

Designated Network Benefits apply to Covered Health Services that are provided by a Network Physician or other provider that is identified as a Designated Provider. Only certain Physicians and providers have been identified as a Designated Provider. Designated Network Benefits are available only for specific Covered Health Services as identified in Section 5, *Plan Highlights*. When Designated Network Benefits apply, they are included in and subject to the same Annual Deductible, and Out-of-Pocket Maximum requirements as all other Covered Health Services provided by Network providers.

Network Benefits apply to Covered Health Services that are provided by a Network Physician or other Network provider. You are not required to select a Primary Physician in order to obtain Network Benefits. In general health care terminology, a Primary Physician may also be referred to as a *Primary Care Physician* or *PCP*.

Non-Network Benefits apply to Covered Health Services that are provided by a non-Network Physician or other non-Network provider, or Covered Health Services that are provided at a non-Network facility. In general health care terminology, Non-Network Benefits may also be referred to as out-of-Network Benefits.

Emergency Health Services provided by a non-Network provider will be reimbursed as set forth under *Eligible Expenses* as described at the end of this section.

Covered Health Services provided at certain Network facilities by a non-Network Physician, when not Emergency Health Services, will be reimbursed as set forth under *Eligible Expenses* as described at the end of this section. For these Covered Health Services, "certain Network facility" is limited to a hospital (as defined in Section 1861(e) of the *Social Security Act*), a hospital outpatient department, a critical access hospital (as defined in Section 1861(mm)(1) of the *Social Security Act*), an ambulatory surgical center as described in Section 1833(i)(1)(A) of the *Social Security Act*, and any other facility specified by the Secretary.

Air Ambulance transport provided by a non-Network provider will be reimbursed as set forth under *Eligible Expenses* as described at the end of this section.

You must show your identification card (ID card) every time you request health care services from a Network provider. If you do not show your ID card, Network providers have no way of knowing that you are enrolled under the Plan. As a result, they may bill you for the entire cost of the services you receive.

Generally, when you receive Covered Health Services from a Network provider, you pay less than you would if you receive the same care from a non-Network provider. Therefore, in most instances, your out-of-pocket expenses will be less if you use a Network provider.

If you choose to seek care outside the Network, the Plan generally pays Benefits at a lower level. You are required to pay the amount that exceeds the Eligible Expense. The amount in excess of the Eligible Expense could be significant, and this amount does not apply to the Out-of-Pocket Maximum. You may want to ask the non-Network provider about their billed charges before you receive care.

Looking for a Network Provider?

In addition to other helpful information, www.myuhc.com, UnitedHealthcare's consumer website, contains a directory of health care professionals and facilities in UnitedHealthcare's Network. While Network status may change from time to time, www.myuhc.com has the most current source of Network information. Use www.myuhc.com to search for Physicians available in your Plan.

Network Providers

UnitedHealthcare or its affiliates arrange for health care providers to participate in a Network. At your request, UnitedHealthcare will send you a directory of Network providers free of charge. Keep in mind, a provider's Network status may change. To verify a provider's status or request a provider directory, you can call UnitedHealthcare at the number on your ID card or log onto www.myuhc.com.

Network providers are independent practitioners and are not employees of the Company or UnitedHealthcare.

UnitedHealthcare's credentialing process confirms public information about the providers' licenses and other credentials but does not assure the quality of the services provided.

Before obtaining services, you should always verify the Network status of a provider. A provider's status may change. You can verify the provider's status by calling

UnitedHealthcare. A directory of providers is available online at www.myuhc.com or by calling the number on your ID card to request a copy. If you receive a Covered Health Service from a non-Network provider and were informed incorrectly prior to receipt of the Covered Health Service that the provider was a Network provider, either through a database, provider directory, or in a response to your request for such information (via telephone, electronic, web-based or internet-based means), you may be eligible for Network Benefits.

It is possible that you might not be able to obtain services from a particular Network provider. The Network of providers is subject to change. Or you might find that a particular Network provider may not be accepting new patients. If a provider leaves the Network or is otherwise not available to you, you must choose another Network provider to get Network Benefits. However, in certain circumstances if you are currently receiving treatment for Covered Health Services from a provider or health care facility whose network status changes from Network to non-Network during such treatment due to expiration or nonrenewal of the provider's or health care facility's contract, you may be eligible to request continued care from your current provider or health care facility at the Network Benefit level for specified conditions and timeframes up to 90 days. This provision applies if you are undergoing a course of treatment for a serious and complex condition from the provider or health care facility, undergoing a course of institutional or in-patient care from the provider or health care facility, scheduled to undergo nonelective surgery from the provider, including receipt of postoperative care from such provider or health care facility with respect to such a surgery, pregnant and undergoing a course of treatment for pregnancy from the provider or determined to be terminally ill (as defined in Section 1861(dd)(3)(A) of the Social Security Act) and receiving treatment for such illness from the provider or health care facility. This provision does not apply to provider contract terminations for failure to meet applicable quality standards or for fraud. If you would like help to find out if you are eligible for continuity of care Benefits, please call the telephone number on your ID card.

If you are currently undergoing a course of treatment utilizing a non-Network Physician or health care facility, you may be eligible to receive transition of care Benefits. This transition period is available for specific medical services and for limited periods of time. If you have questions regarding this transition of care reimbursement policy or would like help determining whether you are eligible for transition of care Benefits, please contact UnitedHealthcare at the telephone number on your ID card.

Do not assume that a Network provider's agreement includes all Covered Health Services. Some Network providers contract with UnitedHealthcare to provide only certain Covered Health Services, but not all Covered Health Services. Some Network providers choose to be a Network provider for only some of UnitedHealthcare's products. Refer to your provider directory or contact UnitedHealthcare for assistance.

Non-Network Benefits Exception

You may be eligible to receive Benefits for certain non-Network Covered Health Services paid at the Network level if you do not have access to a Network provider within a 30 mile radius of your home zip code.

You can check a provider's Network status by visiting www.myuhc.com or by calling UnitedHealthcare at the number on your ID card. UnitedHealthcare must approve any Benefits payable under this exception before you receive care.

Designated Providers

If you have a medical condition that UnitedHealthcare believes needs special services, UnitedHealthcare may direct you to a Designated Provider chosen by UnitedHealthcare. If you require certain complex Covered Health Services for which expertise is limited, UnitedHealthcare may direct you to a Network facility or provider that is outside your local geographic area. If you are required to travel to obtain such Covered Health Services from a Designated Provider, UnitedHealthcare may reimburse certain travel expenses at UnitedHealthcare's discretion.

In both cases, Network Benefits will only be paid if your Covered Health Services for that condition are provided by or arranged by the Designated Provider or other provider chosen by UnitedHealthcare.

You or your Network Physician must notify UnitedHealthcare of special service needs (such as transplants or cancer treatment) that might warrant referral to a Designated Provider. If you do not notify UnitedHealthcare in advance, and if you receive services from a non-Network facility (regardless of whether it is a Designated Provider) or other non-Network provider, Network Benefits will not be paid. Non-Network Benefits may be available if the special needs services you receive are Covered Health Services for which Benefits are provided under the Plan.

Limitations on Selection of Providers

If UnitedHealthcare determines that you are using health care services in a harmful or abusive manner, or with harmful frequency, your selection of Network providers may be limited. If this happens, UnitedHealthcare may require you to select a single Network Physician to provide and coordinate all future Covered Health Services. If you don't make a selection within 31 days of the date UnitedHealthcare notifies you, UnitedHealthcare will select a single Network Physician for you. If you fail to use the selected Network Physician, Covered Health Services will be paid as Non-Network Benefits.

Eligible Expenses

Duke Energy has delegated to the Claims Administrator the discretion and authority to decide whether a treatment or supply is a Covered Health Service and how the Eligible Expenses will be determined and otherwise covered under the Plan.

Eligible Expenses are the amount the Claims Administrator determines that the Plan will pay for Benefits.

- For Designated Network Benefits and Network Benefits for Covered Health Services provided by a Network provider, except for your cost sharing obligations, you are not responsible for any difference between Eligible Expenses and the amount the provider bills.

- For Non-Network Benefits, except as described below, you are responsible for paying, directly to the non-Network provider, any difference between the amount the provider bills you and the amount the Claims Administrator will pay for Eligible Expenses.
 - For Covered Health Services that are **Ancillary Services received at certain Network facilities on a non-Emergency basis from non-Network Physicians**, you are not responsible, and the non-Network provider may not bill you, for amounts in excess of your Copayment, Coinsurance or Annual Deductible which is based on the Recognized Amount as defined in this SPD.
 - For Covered Health Services that are **non-Ancillary Services received at certain Network facilities on a non-Emergency basis from non-Network Physicians who have not satisfied the notice and consent criteria or for unforeseen or urgent medical needs that arise at the time a non-Ancillary Service is provided for which notice and consent has been satisfied as described below**, you are not responsible, and the non-Network provider may not bill you, for amounts in excess of your Copayment, Coinsurance or Annual Deductible which is based on the Recognized Amount as defined in the SPD.
 - For Covered Health Services that are **Emergency Health Services provided by a non-Network provider**, you are not responsible, and the non-Network provider may not bill you, for amounts in excess of your applicable Copayment, Coinsurance or Annual Deductible which is based on the Recognized Amount as defined in this SPD.
 - For Covered Health Services that are **Air Ambulance services provided by a non-Network provider**, you are not responsible, and the non-Network provider may not bill you, for amounts in excess of your applicable Copayment, Coinsurance or Annual Deductible which is based on the rates that would apply if the service was provided by a Network provider which is based on the Recognized Amount as defined in the SPD.

Eligible Expenses are determined in accordance with the Claims Administrator's reimbursement policy guidelines or as required by law, as described in the SPD.

Designated Network Benefits and Network Benefits

Eligible Expenses are based on the following:

- When Covered Health Services are received from a Designated Network and Network provider, Eligible Expenses are our contracted fee(s) with that provider.
- When Covered Health Services are received from a non-Network provider as arranged by the Claims Administrator, including when there is no Network provider who is reasonably accessible or available to provide Covered Health Services, Eligible Expenses are an amount negotiated by the Claims Administrator or an amount permitted by law. Please contact the Claims Administrator if you are billed for amounts in excess of your applicable Coinsurance, Copayment or any Annual Deductible. The Plan will not pay excessive charges or amounts you are not legally obligated to pay.

Non-Network Benefits

When Covered Health Services are received from a non-Network provider as described below, Eligible Expenses are determined as follows:

- **For non-Emergency Covered Health Services received at certain Network facilities from non-Network Physicians** when such services are either Ancillary Services, or non-Ancillary Services that have not satisfied the notice and consent criteria of Section 2799B-2(d) of the *Public Health Service Act* with respect to a visit as defined by the Secretary, the Eligible Expense is based on one of the following in the order listed below as applicable:
 - The reimbursement rate as determined by a state All Payer Model Agreement.
 - The reimbursement rate as determined by state law.
 - The initial payment made by the Claims Administrator, or the amount subsequently agreed to by the non-Network provider and the Claims Administrator.
 - The amount determined by Independent Dispute Resolution (IDR).

For the purpose of this provision, "certain Network facilities" are limited to a hospital (as defined in Section 1861(e) of the *Social Security Act*), a hospital outpatient department, a critical access hospital (as defined in Section 1861(mm)(1) of the *Social Security Act*), an ambulatory surgical center as described in Section 1833(i)(1)(A) of the *Social Security Act*, and any other facility specified by the Secretary.

IMPORTANT NOTICE: For Ancillary Services, non-Ancillary Services provided without notice and consent, and non-Ancillary Services for unforeseen or urgent medical needs that arise at the time a service is provided for which notice and consent has been satisfied, you are not responsible, and a non-Network Physician may not bill you, for amounts in excess of your applicable Copayment, Coinsurance or Annual Deductible which is based on the Recognized Amount as defined in the SPD.

- **For Emergency Health Services provided by a non-Network provider**, the Eligible Expense is based on one of the following in the order listed below as applicable:
 - The reimbursement rate as determined by a state All Payer Model Agreement.
 - The reimbursement rate as determined by state law.
 - The initial payment made by the Claims Administrator, or the amount subsequently agreed to by the non-Network provider and the Claims Administrator.
 - The amount determined by Independent Dispute Resolution (IDR).

IMPORTANT NOTICE: You are not responsible, and a non-Network provider may not bill you, for amounts in excess of your applicable Copayment, Coinsurance or Annual Deductible which is based on the Recognized Amount as defined in the SPD.

- **For Air Ambulance transportation provided by a non-Network provider**, the Eligible Expense is based on one of the following in the order listed below as applicable:
 - The reimbursement rate as determined by a state All Payer Model Agreement.
 - The reimbursement rate as determined by state law.

- The initial payment made by the Claims Administrator, or the amount subsequently agreed to by the non-Network provider and the Claims Administrator.
- The amount determined by Independent Dispute Resolution (IDR).

IMPORTANT NOTICE: You are not responsible, and a non-Network provider may not bill you, for amounts in excess of your Copayment, Coinsurance or Annual Deductible which is based on the rates that would apply if the service was provided by a Network provider which is based on the Recognized Amount as defined in the SPD.

- **For Emergency ground ambulance transportation provided by a non-Network provider,** the Eligible Expense, which includes mileage, is a rate agreed upon by the non-Network provider or, unless a different amount is required by applicable law, determined based upon the median amount negotiated with Network providers for the same or similar service.

IMPORTANT NOTICE: Non-Network providers may bill you for any difference between the provider's billed charges and the Eligible Expense described here.

When Covered Health Services are received from a non-Network provider, except as described above, Eligible Expense are determined as follows: an amount negotiated by the Claims Administrator, a specific amount required by law (when required by law), or an amount the Claims Administrator has determined is typically accepted by a healthcare provider for the same or similar service. The Plan will not pay excessive charges. You are responsible for paying, directly to the non-Network provider, the applicable Coinsurance, Copayment or any Deductible. Please contact the Claims Administrator if you are billed for amounts in excess of your applicable Coinsurance, Copayment or any Deductible to access the Advocacy Services as described below. Following the conclusion of the Advocacy Services described below, any responsibility to pay more than the Eligible Expense (which includes your Coinsurance, Copayment, and Deductible) is yours.

Advocacy Services

The Plan has contracted with the Claims Administrator to provide advocacy services on your behalf with respect to non-network providers that have questions about the Eligible Expenses and how the Claims Administrator determined those amounts. Please call the Claims Administrator at the number on your ID card to access these advocacy services if you are billed for amounts in excess of your applicable Coinsurance, Copayment, or Deductible.

When Covered Health Services are received from a non-network provider in the following cases:

- non-Ancillary Services received at certain Network facilities on a non-Emergency basis from non-Network Physicians who have satisfied the notice and consent criteria as described below; and
- Emergency ground ambulance transportation provided by a non-Network provider;

then, in such circumstances, if the Claims Administrator, or its designee, reasonably concludes that the particular facts and circumstances related to a claim provide justification for reimbursement greater than that which would result from the application of the Eligible

Expense, and the Claims Administrator, or its designee, determines that it would serve the best interests of the Plan and its Participants (including interests in avoiding costs and expenses of disputes over payment of claims), the Claims Administrator, or its designee, may use its sole discretion to increase the Eligible Expense for that particular claim.

When Covered Health Services are received from a non-Network provider that are not:

- Ancillary Services received at certain Network facilities on a non-Emergency basis;
- non-Ancillary Services received at certain Network facilities on a non-Emergency basis;
- Emergency Health Services;
- Air Ambulance services; or
- Emergency ground ambulance transportation;

then, in such circumstances, the Claims Administrator, or its designee, will either work with the provider on your behalf, or provide you with tools and support for you to work with the provider, to attempt to reduce the amount you owe beyond your Coinsurance, Copayment, and Deductible.

Don't Forget Your ID Card

Remember to show your ID card every time you receive health care services from a provider. If you do not show your ID card, a provider has no way of knowing that you are enrolled under the Plan.

Annual Deductible

The Annual Deductible is the amount of Eligible Expenses, or the Recognized Amount when applicable, you must pay each calendar year for Covered Health Services before you are eligible to begin receiving Benefits (other than Benefits for Network preventive care services and Benefits for which you must pay a Copay). The amounts you pay toward your Annual Deductible accumulate over the course of the calendar year.

Eligible Expenses charged by both Network and non-Network providers apply towards both the Network individual and family Deductibles and the non-Network individual and family Deductibles.

When a Covered Person was previously covered under a benefit plan that was replaced by the Plan, any amount already applied to that annual Deductible provision of the prior plan will apply to the Annual Deductible provision under this Plan.

Copayment

A Copayment (Copay) is the amount you pay each time you receive certain Covered Health Services. The Copay is a flat dollar amount and is paid at the time of service or when billed by the provider. Copays do not count toward the Annual Deductible, but Copays do count toward the Out-of-Pocket-Maximum. If the Eligible Expense is less than the Copay, you are only responsible for paying the Eligible Expense and not the Copay.

Coinsurance

Coinsurance is the percentage of Eligible Expenses that you are responsible for paying. Coinsurance is a fixed percentage that applies to certain Covered Health Services after you meet the Annual Deductible.

Coinsurance – Example

Let's assume that you receive Plan Benefits for outpatient surgery from a Network provider. Since the Plan pays 80% after you meet the Annual Deductible, you are responsible for paying the other 20%. This 20% is your Coinsurance.

Out-of-Pocket Maximum

The annual Out-of-Pocket Maximum is the most you pay each calendar year for Covered Health Services. There are separate medical and prescription drug Out-of-Pocket Maximums for the Plan's Standard PPO Option. If your eligible out-of-pocket expenses in a calendar year exceed the applicable annual maximum, the Plan pays 100% of additional Eligible Expenses you incur for Covered Health Services through the end of the calendar year.

The medical Copays and Coinsurance amounts are applied toward the Plan's annual **medical** Out-of-Pocket Maximums. This means that once you satisfy your applicable annual **medical** Out-of-Pocket Maximums, you do not have to pay any further Copays or Coinsurance amounts for Covered Health Services that are medical expenses. However, if you satisfy the Plan's separate annual **prescription drug** Out-of-Pocket Maximums but have not yet satisfied your applicable annual **medical** Out-of-Pocket Maximums, you still have to pay any applicable Copay or Coinsurance amount for Covered Health Services which are medical expenses until you satisfy your applicable annual **medical** Out-of-Pocket Maximums.

Eligible Expenses charged by both Network and non-Network providers apply toward both the Network individual and family Out-of-Pocket Maximums and the non-Network individual and family Out-of-Pocket Maximums.

The following table identifies what does and does not apply toward your applicable Network and non-Network Out-of-Pocket Maximums:

Plan Features	Applies to the Network Out-of-Pocket Maximum?	Applies to the Non-Network Out-of-Pocket Maximum?
Copays	Yes	No
Payments toward the Annual Deductible	Yes	Yes
Coinsurance Payments	Yes	Yes
Charges for non-Covered Health Services	No	No

Plan Features	Applies to the Network Out-of-Pocket Maximum?	Applies to the Non-Network Out-of-Pocket Maximum?
The amounts of any reductions in Benefits you incur by not obtaining prior authorization as required	No	No
Charges that exceed Eligible Expenses, or the Recognized Amount when applicable.	No	No

Amounts that do not apply toward your Out-of-Pocket Maximum are always your responsibility to pay, even after you reach your Out-of-Pocket Maximum.

Travel and Lodging (For Travel and Lodging related to complex medical conditions see Section 7: *Clinical Programs And Resources*)

The Plan provides a Covered Person with a travel and lodging allowance related to the Covered Health Service provided by a Network provider that is not available in the Covered Person's state of residence due to law or regulation when such Covered Health Services are received in another state, as legally permissible.

Travel and Lodging provides support for the Covered Person under the Plan. The Plan provides an allowance for reasonable travel and lodging expenses for a Covered Person and travel companion when the Covered Person must travel at least 50 miles from their home address, as reflected in our records, to receive the Covered Health Services.

This Plan provides an allowance for incurred reasonable travel and lodging expenses only and is independent of any existing medical coverage available for the Covered Person. An allowance of up to \$2,000 per Covered Person per year, will be provided for travel and lodging expenses incurred as a part of the Covered Health Service. Lodging expenses are further limited to \$50 per night for the Covered Person, or \$100 per night for the Covered Person with a travel companion.

Please remember to save travel and lodging receipts to submit for reimbursement. If you would like additional information regarding Travel and Lodging, you may contact us at www.myuhc.com or the telephone number on your ID card.

SECTION 3 - PERSONAL HEALTH SUPPORT AND PRIOR AUTHORIZATION

What this section includes:

- An overview of the Personal Health Support Program.
- Covered Health Services which Require Prior Authorization.

Care Management

When you seek prior authorization as required, the Claims Administrator will work with you to implement the care management process and to provide you with information about additional services that are available to you, such as disease management programs, health education and patient advocacy.

UnitedHealthcare provides a program called Personal Health Support designed to encourage personalized, efficient care for you and your covered Dependents.

Personal Health Support Nurses center their efforts on prevention, education, and closing any gaps in your care. The goal of the program is to ensure you receive the most appropriate and cost-effective services available. A Personal Health Support Nurse is notified when you or your provider calls the number on your ID card regarding an upcoming treatment or service.

If you are living with a chronic condition or dealing with complex health care needs, UnitedHealthcare may assign to you a primary nurse, referred to as a Personal Health Support Nurse to guide you through your treatment. This assigned nurse will answer questions, explain options, identify your needs, and may refer you to specialized care programs. The Personal Health Support Nurse will provide you with their telephone number so you can call them with questions about your conditions, or your overall health and well-being.

Personal Health Support Nurses will provide a variety of different services to help you and your covered family members receive appropriate medical care. Program components are subject to change without notice. As of the publication of this Benefit Booklet, the Personal Health Support Program includes:

- **Admission counseling** - Nurse Advocates are available to help you prepare for a successful surgical admission and recovery. Call the number on your ID card.
- **Inpatient care management** - If you are hospitalized, a nurse will work with your Physician to make sure you are getting the care you need and that your Physician's treatment plan is being carried out effectively.
- **Readmission Management** - This program serves as a bridge between the Hospital and your home if you are at high risk of being readmitted. After leaving the Hospital, if you have a certain chronic or complex condition, you may receive a phone call from a Personal Health Support Nurse to confirm that medications, needed equipment, or follow-up services are in place. The Personal Health Support Nurse will also share

important health care information, reiterate and reinforce discharge instructions, and support a safe transition home.

- **Risk Management** - Designed for participants with certain chronic or complex conditions, this program addresses such health care needs as access to medical specialists, medication information, and coordination of equipment and supplies. Participants may receive a phone call from a Personal Health Support Nurse to discuss and share important health care information related to the participant's specific chronic or complex condition.

If you do not receive a call from a Personal Health Support Nurse but feel you could benefit from any of these programs, please call the number on your ID card.

Prior Authorization

UnitedHealthcare requires prior authorization for certain Covered Health Services. Network Primary Physicians and other Network providers are responsible for obtaining prior authorization before they provide these services to you.

Network providers are responsible for obtaining prior authorization from the Claims Administrator before they provide certain services to you.

It is recommended that you confirm with the Claims Administrator that prior authorization has been obtained for all Covered Health Services as required. Before receiving these services from a Network provider, you may want to contact the Claims Administrator to verify that the Hospital, Physician and other providers are Network providers and that they have obtained the required prior authorization. Network facilities and Network providers cannot bill you for services for which they fail to obtain prior authorization as required. You can contact the Claims Administrator by calling the number on your ID card.

To obtain prior authorization, call the number on your ID card. This call starts the utilization review process. Once you have obtained the authorization, please review it carefully so that you understand what services have been authorized and what providers are authorized to deliver the services that are subject to the authorization.

The utilization review process is a set of formal techniques designed to monitor the use of, or evaluate the clinical necessity, appropriateness, efficacy, or efficiency of, health care services, procedures or settings. Such techniques may include ambulatory review, prospective review, second opinion, certification, concurrent review, case management, discharge planning, retrospective review or similar programs.

When you choose to receive certain Covered Health Services from non-Network providers, you are responsible for obtaining prior authorization from the Claims Administrator before you receive these services. In many cases, your Non-Network Benefits will be reduced if the Claims Administrator has not provided prior authorization.

Services for which you are required to obtain prior authorization are identified in Section 5, *Additional Coverage Details*, within each Covered Health Service Benefit description. Please note that prior authorization timelines apply. Refer to the applicable Benefit description to determine how far in advance you must obtain prior authorization.

Special Note Regarding Medicare

(Applicable only to Medicare enrollees who have Plan coverage under COBRA or due to the receipt of long-term disability benefits under a Company-sponsored long-term disability plan).

If you are enrolled in Medicare on a primary basis and Medicare pays benefits before the Plan, you are not required to obtain prior authorization before receiving Covered Health Services. Since Medicare pays Benefits first, the Plan will pay benefits second as described in Section 9, *Coordination of Benefits (COB)*.

SECTION 4 - PLAN HIGHLIGHTS

Payment Terms & Features

The table below provides an overview of Copays that apply when you receive certain Covered Health Services, and outlines the Plan's Annual Deductible, Out-of-Pocket Maximum and Lifetime Maximum Benefit.

Plan Features	Network	Non-Network
Copays¹ <ul style="list-style-type: none"> ■ Emergency Health Services ■ Physician's Office Services – Primary Physician ■ Physician's Office Services - Specialist ■ Urgent Care Center Services ■ 24/7 Virtual Visits 	<p style="text-align: center;">\$150</p> <p style="text-align: center;">\$40</p> <p style="text-align: center;">\$50</p> <p style="text-align: center;">\$50</p> <p style="text-align: center;">\$40</p>	<p style="text-align: center;">\$150</p> <p style="text-align: center;">60% after you meet the Annual Deductible</p> <p style="text-align: center;">60% after you meet the Annual Deductible</p> <p style="text-align: center;">\$50</p> <p style="text-align: center;">Not Applicable</p>
Annual Deductible² <ul style="list-style-type: none"> ■ Individual ■ Family (not to exceed the applicable Individual amount per Covered Person) 	<p style="text-align: center;">\$800</p> <p style="text-align: center;">\$2,400</p>	<p style="text-align: center;">\$1,000</p> <p style="text-align: center;">\$3,000</p>
Annual Out-of-Pocket Maximum² <ul style="list-style-type: none"> ■ Individual ■ Family (not to exceed the applicable Individual amount per Covered Person) 	<p style="text-align: center;">\$3,300</p> <p style="text-align: center;">\$7,400</p>	<p style="text-align: center;">\$6,000</p> <p style="text-align: center;">\$10,000</p>
Lifetime Maximum Benefit³ There is no dollar limit on the amount the Plan will pay for essential Benefits during the entire period you are enrolled in this Plan.	Unlimited	

¹In addition to these Copays, you may be responsible for meeting the Annual Deductible for the Covered Health Services described in the chart on the following pages. With the exception of Emergency Health Services and Urgent Care Center Services, a Copay does not apply when you visit a non-Network provider.

Covered Health Services ¹	Percentage of Eligible Expenses Payable by the Plan:	
	Network	Non-Network
Cellular and Gene Therapy	Depending upon where the Covered Health Service is provided, Benefits will be the same as those stated under each Covered Health Service category in this section.	Non-Network Benefits are not available
Clinical Trials Benefits are available when the Covered Health Services are provided by either Network or non-Network providers.	Depending upon where the Covered Health Service is provided, Benefits for Clinical Trials will be the same as those stated under each applicable Covered Health Service category in this section.	
Congenital Heart Disease (CHD) Surgery Services Network and Non-Network Benefits under this section include only the inpatient facility charges for the congenital heart disease (CHD) surgery. Depending upon where the Covered Health Service is provided, Benefits for diagnostic services, cardiac catheterization and non-surgical management of CHD will be the same as those stated under each Covered Health Service category in this section.	80% after you meet the Annual Deductible	60% after you meet the Annual Deductible
Dental Services – Accident Only (Copay is per visit)	100% after you pay a \$50 Copay	60% after you meet the Annual Deductible
Dental Services -Treatment of a Medical Condition (Copay is per visit)	100% after you pay a \$50 Copay	60% after you meet the Annual Deductible
Dental Treatment Covered under Plan (Copay is per visit)	100% after you pay a \$50 Copay	60% after you meet the Annual Deductible

¹Please obtain prior authorization before receiving Covered Health Services as described in Section 5, *Additional Coverage Details*.

SECTION 5 - ADDITIONAL COVERAGE DETAILS

What this section includes:

- Covered Health Services for which the Plan pays Benefits.
- Covered Health Services that require you to obtain prior authorization before you receive them, and any reduction in Benefits that may apply if you do not call to obtain prior authorization.

This section supplements the second table in Section 4, *Plan Highlights*.

While the table in Section 4, *Plan Highlights* provides you with Benefit limitations along with Copayment, Coinsurance and Annual Deductible information for each Covered Health Service, this section includes descriptions of the Benefits. These descriptions include any additional limitations that may apply, as well as Covered Health Services for which you must obtain prior authorization. The Covered Health Services in this section appear in the same order as they do in the table for easy reference. Services that are not covered are described in Section 7, *Exclusions and Limitations*.

Benefits are provided for services delivered via Telehealth/Telemedicine. Benefits are also provided for Remote Physiologic Monitoring. Benefits for these services are provided to the same extent as an in-person service under any applicable Benefit category in this section unless otherwise specified in the table.

Acupuncture Services

The Plan pays for acupuncture services for pain therapy provided that the service is performed in an office setting by a provider who is one of the following, either practicing within the scope of his/her license (if state license is available) or who is certified by a national accrediting body:

- Doctor of Medicine.
- Doctor of Osteopathy.
- Chiropractor.
- Acupuncturist.

Covered Health Services include treatment of nausea as a result of:

- Chemotherapy.
- Pregnancy.
- Post-operative procedures.

Acupuncture services will be reviewed after 20 visits for medical necessity.

Benefits can be denied or shortened for Covered Persons who are not progressing in goal-directed services or if goals have previously been met.

Did you know...

You generally pay less out-of-pocket when you use a Network provider?

Ambulance Services

The Plan covers Emergency ambulance services and transportation provided by a licensed ambulance service to the nearest Hospital that offers Emergency Health Services. See Section 12, *Glossary* for the definition of Emergency.

Ambulance service by air is covered in an Emergency if ground transportation is impossible or would put your life or health in serious jeopardy. If special circumstances exist, UnitedHealthcare may pay Benefits for Emergency air transportation to a Hospital that is not the closest facility to provide Emergency Health Services.

The Plan also covers transportation provided by a licensed professional ambulance (either ground or air ambulance, as UnitedHealthcare determines appropriate) between facilities when the transport is:

- From a non-Network Hospital to a Network Hospital.
- To a Hospital that provides a higher level of care that was not available at the original Hospital.
- To a more cost-effective acute care facility.
- From an acute facility to a sub-acute setting.

Prior Authorization Requirement

In most cases, the Claims Administrator will initiate and direct non-Emergency ambulance transportation. For Non-Network Benefits, if you are requesting non-Emergency air ambulance services (including any affiliated non-Emergency ground ambulance transport in conjunction with non-Emergency air ambulance transport), you must obtain prior authorization from the Claims Administrator as soon as possible prior to the transport. If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

Cellular and Gene Therapy

The Plan covers Cellular Therapy and Gene Therapy received on an inpatient or outpatient basis at a Hospital or on an outpatient basis at an Alternate Facility or in a Physician's office.

Benefits for CAR-T therapy for malignancies are provided as described under *Transplantation Services*.

Clinical Trials

The Plan pays for routine patient care costs incurred during participation in a qualifying Clinical Trial for the treatment of:

- Cancer or other life-threatening disease or condition. For purposes of this benefit, a life-threatening disease or condition is one from which the likelihood of death is probable unless the course of the disease or condition is interrupted.
- Cardiovascular disease (cardiac/stroke) which is not life threatening, for which, as UnitedHealthcare determines, a Clinical Trial meets the qualifying Clinical Trial criteria stated below.
- Surgical musculoskeletal disorders of the spine, hip and knees, which are not life threatening, for which, as UnitedHealthcare determines, a Clinical Trial meets the qualifying Clinical Trial criteria stated below.
- Other diseases or disorders which are not life threatening for which, as determined by UnitedHealthcare, a Clinical Trial meets the qualifying Clinical Trial criteria stated below.

Benefits include the reasonable and necessary items and services used to prevent, diagnose and treat complications arising from participation in a qualifying Clinical Trial.

Benefits are available only when the Covered Person is clinically eligible for participation in the qualifying Clinical Trial as defined by the researcher.

Routine patient care costs for qualifying Clinical Trials include:

- Covered Health Services for which Benefits are typically provided absent a Clinical Trial.
- Covered Health Services required solely for the provision of the Experimental or Investigational Service(s) or item, the clinically appropriate monitoring of the effects of the service or item, or the prevention of complications.
- Covered Health Services needed for reasonable and necessary care arising from the provision of an Experimental or Investigational Service(s) or item.

Routine costs for Clinical Trials do not include:

- The Experimental or Investigational Service(s) or item. The only exceptions to this are:
 - Certain *Category B* devices.
 - Certain promising interventions for patients with terminal illnesses.
 - Other items and services that meet specified criteria in accordance with the Claims Administrator's medical and drug policies.
- Items and services provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient.
- A service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.
- Items and services provided by the research sponsors free of charge for any person enrolled in the trial.

With respect to cancer or other life-threatening diseases or conditions, a qualifying Clinical Trial is a Phase I, Phase II, Phase III, or Phase IV Clinical Trial that is conducted in relation to the prevention, detection or treatment of cancer or other life-threatening disease or condition and which meets any of the following criteria in the bulleted list below.

With respect to cardiovascular disease or musculoskeletal disorders of the spine, hip and knees and other diseases or disorders which are not life-threatening, a qualifying Clinical Trial is a Phase I, Phase II, or Phase III Clinical Trial that is conducted in relation to the detection or treatment of such non-life-threatening disease or disorder and which meets any of the following criteria in the bulleted list below.

- Federally funded trials. The study or investigation is approved or funded (which may include funding through in-kind contributions) by one or more of the following:
 - *National Institutes of Health (NIH)*. (Includes *National Cancer Institute (NCI)*).
 - *Centers for Disease Control and Prevention (CDC)*.
 - *Agency for Healthcare Research and Quality (AHRQ)*.
 - *Centers for Medicare and Medicaid Services (CMS)*.
 - A cooperative group or center of any of the entities described above or the *Department of Defense (DOD)* or the *Veterans Administration (VA)*.
 - A qualified non-governmental research entity identified in the guidelines issued by the *National Institutes of Health* for center support grants.
 - The *Department of Veterans Affairs*, the *Department of Defense* or the *Department of Energy* as long as the study or investigation has been reviewed and approved through a system of peer review that is determined by the *Secretary of Health and Human Services* to meet both of the following criteria:
 - Comparable to the system of peer review of studies and investigations used by the *National Institutes of Health*.
 - Ensures unbiased review of the highest scientific standards by qualified individuals who have no interest in the outcome of the review.
- The study or investigation is conducted under an investigational new drug application reviewed by the *U.S. Food and Drug Administration*.
- The study or investigation is a drug trial that is exempt from having such an investigational new drug application.
- The Clinical Trial must have a written protocol that describes a scientifically sound study and have been approved by all relevant institutional review boards (IRBs) before participants are enrolled in the trial. UnitedHealthcare may, at any time, request documentation about the trial.
- The subject or purpose of the trial must be the evaluation of an item or service that meets the definition of a Covered Health Service and is not otherwise excluded under the Plan.

Prior Authorization Requirement

For Non-Network Benefits, you must obtain prior authorization from the Claims Administrator as soon as the possibility of participation in a Clinical Trial arises. If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

Congenital Heart Disease (CHD) Surgery Services

The Plan pays Benefits for Congenital Heart Disease (CHD) surgeries which are ordered by a Physician. CHD surgical procedures include surgeries to treat conditions such as coarctation of the aorta, aortic stenosis, tetralogy of fallot, transposition of the great vessels and hypoplastic left or right heart syndrome.

UnitedHealthcare has specific guidelines regarding Benefits for CHD surgery services. Contact UnitedHealthcare at the number on your ID card for information about these guidelines.

The Plan pays Benefits for Congenital Heart Disease (CHD) surgery services ordered by a Physician and received at a facility participating in the CHD Resource Services Program. Benefits include the facility charge and the charge for supplies and equipment. Benefits for Physician services are described under *Physician Fees for Surgical and Medical Services*. Surgery may be performed as open or closed surgical procedures or may be performed through interventional cardiac catheterization.

Benefits are available for the following CHD surgery services:

- Outpatient diagnostic testing.
- Evaluation.
- Surgical interventions.
- Interventional cardiac catheterizations (insertion of a tubular device in the heart).
- Fetal echocardiograms (examination, measurement and diagnosis of the heart using ultrasound technology).
- Approved fetal interventions.

CHD services other than those listed above are excluded from coverage, unless determined by UnitedHealthcare to be proven procedures for the involved diagnoses. Contact CHD Resource Services at 1-888-936-7246 before receiving care for information about CHD services. More information is also available at www.myoptumhealthcomplexmedical.com.

If you receive Congenital Heart Disease services from a facility that is not a Designated Provider, the Plan pays Benefits as described under:

- Physician's Office Services - Sickness and Injury.
- Physician Fees for Surgical and Medical Services.
- Scopic Procedures - Outpatient Diagnostic and Therapeutic.
- Therapeutic Treatments - Outpatient.
- Hospital - Inpatient Stay.
- Surgery - Outpatient.

To receive Benefits under the CHD Program, you should contact CHD Resource Services at 1-888-936-7246 prior to obtaining Covered Health Services. The Plan will only pay Benefits under the CHD Program if CHD provides the proper notification to the Designated Provider performing the services (even if you self-refer to a provider in that Network).

Note: The services described under the *Travel and Lodging Assistance Program* are Covered Health Services only in connection with CHD surgery services received at a Congenital Heart Disease Resource Services Program.

Prior Authorization Requirement

For Non-Network Benefits, you must obtain prior authorization from the Claims Administrator as soon as the possibility of a CHD surgery arises.

If you do not obtain prior authorization from the Claims Administrator as required, Benefits will be reduced to 50% of Eligible Expenses.

It is important that you notify the Claims Administrator regarding your intention to have surgery. Your notification will open the opportunity to become enrolled in programs that are designed to achieve the best outcomes for you.

Dental Services - Accident Only

Accident only dental services are covered by the Plan when all of the following are true:

- Treatment is necessary because of accidental damage.
- Dental services are received from a Doctor of Dental Surgery or a Doctor of Medical Dentistry.
- The dental damage is severe enough that initial contact with a Physician or dentist occurs within 72 hours of the accident. (You may request an extension of this time period provided that you do so within 60 days of the Injury and if extenuating circumstances exist due to the severity of the Injury.)

Please note that dental damage that occurs as a result of normal activities of daily living or extraordinary use of the teeth is not considered having occurred as an accident. Benefits are not available for repairs to teeth that are damaged as a result of such activities.

Dental services for final treatment to repair the damage caused by accidental Injury must be started within 3 months of the accident, or if not a Covered Person at the time of the accident, within the first three months of coverage under the Plan, unless extenuating circumstances exist (such as prolonged hospitalization or the presence of fixation wires from fracture care) and completed within 12 months of the accident or if not a Covered Person at the time of the accident, within the first 12 months of coverage under the Plan.

The Plan pays for accidental Injury for children. Timing of when the Covered Services will be rendered is determined by the Physician.

The Plan pays for treatment of accidental Injury only for:

- Emergency examination.
- Necessary diagnostic X-rays.
- Endodontic (root canal) treatment.
- Temporary splinting of teeth.
- Prefabricated post and core.
- Simple minimal restorative procedures (fillings).
- Extractions.
- Post-traumatic crowns if such are the only clinically acceptable treatment.
- Replacement of lost teeth due to the Injury by implant, dentures or bridges.

Dental Services – Treatment of a Medical Condition

The Plan covers dental care (oral examination, X-rays, extractions and non-surgical elimination of oral infection) required for the direct treatment of a medical condition limited to:

- dental services related to medical transplant procedures;
- initiation of immunosuppressives (medication used to reduce inflammation and suppress the immune system); and
- direct treatment of acute traumatic Injury, cancer or cleft palate.

Dental treatment required as a result of a medical condition, but which is not an integral component of the treatment of that condition, is not covered (examples include decayed teeth due to dry mouth from medication or disease, or treatment of disease).

Dental Treatment Covered under Plan

The Plan provides Benefits for services provided by a duly licensed doctor, Doctor of Dental Surgery or Doctor of Dental Medicine for diagnostic, therapeutic or surgical procedures, including oral surgery involving bones or joints of the jaw, when the procedure is related to one of the following conditions:

- Congenital deformity, including cleft lip and cleft palate; and
 - Removal of:
 - Tumors;
 - cysts which are not related to teeth or associated by dental procedures; and
 - exostoses for reasons other than preparation of dentures.

The Plan provides Benefits for dental implants and related procedures, such as bone grafting associated with the above three conditions.

In addition, Benefits may be provided for dentures and orthodontic braces if used to treat congenital deformity including cleft lip and cleft palate.

When any of the conditions listed above require surgical correction, Benefits for surgery will be subject to a Covered Health Service review to examine whether or not the condition resulted in functional impairment. Examples of functional impairment include an impairment that affects speech or the ability to eat, or injury to soft tissue of the mouth.

In special cases, Benefits are only provided for anesthesia and facility charges related to dental procedures performed in a hospital or ambulatory surgical center. This Benefit is only available to dependent children below the age of nine years, persons with serious mental or physical conditions and persons with significant behavioral problems. The treating provider must certify that the patient's age, condition or problem requires hospitalization or general anesthesia in order to safely and effectively perform the procedure. Other dental services, including the charge for surgery, are not covered unless specifically covered by the Plan.

Diabetes Services

The Plan pays Benefits for the Covered Health Services identified below.

Covered Diabetes Services	
Diabetes Self-Management and Training/Diabetic Eye Examinations/Foot Care	Benefits include outpatient self-management training for the treatment of diabetes, education and medical nutrition therapy services. These services must be ordered by a Physician and provided by appropriately licensed or registered healthcare professionals. Benefits also include medical eye examinations (dilated retinal examinations) and preventive foot care for diabetes.
Diabetic Self-Management Items	Insulin pumps and pump supplies and continuous glucose monitors for the management and treatment of diabetes based upon your medical needs. Insulin pumps are subject to all the conditions of coverage stated under <i>Durable Medical Equipment</i> in this section.

Diabetic supplies such as blood glucose meters, insulin syringes with needles, blood glucose and urine test strips, ketone test strips and tablets and lancets and lancet devices are covered under the Plan’s prescription drug benefit.

Benefits for diabetes equipment that meet the definition of Durable Medical Equipment are subject to the limit stated under Durable Medical Equipment in this section.

Prior Authorization Requirement
For Non-Network Benefits, you must obtain prior authorization from the Claims Administrator before obtaining any Durable Medical Equipment for the management and treatment of diabetes that exceeds \$1,000 in cost (either retail purchase cost or cumulative retail rental cost of a single item). If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

Durable Medical Equipment (DME)

The Plan pays for Durable Medical Equipment (DME) that is:

- Ordered or provided by a Physician for outpatient use.
- Used for medical purposes.
- Not consumable or disposable.
- Not of use to a person in the absence of a Sickness, Injury or disability.
- Durable enough to withstand repeated use.
- Appropriate for use in the home.

If more than one piece of DME can meet your functional needs, you will receive Benefits only for the most Cost-Effective piece of equipment. Benefits are provided for a single unit of DME (example: one insulin pump) and for repairs of that unit.

Examples of DME include but are not limited to:

- Equipment to administer oxygen;
- Equipment to assist mobility, such as a standard wheelchair;
- Hospital beds;
- Delivery pumps for tube feedings;
- Breast pumps (only as provided under the Health Resources and Services Administration (HRSA) requirement);
- Negative pressure wound therapy pumps (wound vacuums);
- Burn garments;
- Insulin pumps and all related necessary supplies as described under *Diabetes Services* in this section;
- External cochlear devices and systems. Surgery to place a cochlear implant is also covered by the Plan. Cochlear implantation can either be an inpatient or outpatient procedure. Benefits for cochlear implantation are provided under the applicable medical/surgical Benefit categories in this SPD. See *Hospital – Inpatient Stay, Rehabilitation Services – Outpatient Therapy* and *Surgery – Outpatient* in this section;
- Orthotic devices when prescribed by Physician. This includes braces that straighten or change the shape of a body part, cranial orthotics (helmets) for correction of positional plagiocephaly, including dynamic orthotic cranioplasty (DOC) bands and soft helmets, shoes/inserts made from a mold of a Covered Person's foot; Charges for custom built orthopedic shoes when medically necessary must be prescribed by a doctor and limited to two (2) pairs per calendar year;
- Braces that stabilize an injured body part, including necessary adjustments to shoes to accommodate braces. Braces that stabilize an injured body part and braces to treat

curvature of the spine are considered Durable Medical Equipment and are a Covered Health Service. Dental braces are excluded from coverage;

- Mechanical equipment necessary for the treatment of chronic or acute respiratory failure (except that air-conditioners, humidifiers, dehumidifiers, air purifiers and filters, and personal comfort items are excluded from coverage).

The Plan also covers tubings, nasal cannulas, connectors and masks used in connection with DME.

Benefits also include dedicated speech generating devices and tracheo-esophageal voice devices required for treatment of severe speech impairment or lack of speech directly attributed to Sickness or Injury. Benefits for the purchase of these devices are available only after completing a required three-month rental period. Benefits are limited as stated below.

Benefits under this section do not include any device, appliance, pump, machine, stimulator, or monitor that is fully implanted into the body.

Benefits for dedicated speech generating devices and tracheo-esophageal voice devices are limited to the purchase of one device during the entire period of time a Covered Person is enrolled under the Plan.

To receive Network Benefits, you must obtain the Durable Medical Equipment or orthotic from the vendor UnitedHealthcare identifies or from the prescribing Network Physician.

Benefits are provided for the repair/replacement of a type of Durable Medical Equipment once every five calendar years.

Note: DME is different from prosthetic devices – see *Prosthetic Devices* in this section.

At UnitedHealthcare's discretion, replacements are covered for damage beyond repair with normal wear and tear, when repair costs exceed new purchase price, or when a change in the Covered Person's medical condition occurs sooner than the five year timeframe. Repairs, including the replacement of essential accessories, such as hoses, tubes, mouth pieces, etc., for necessary DME are only covered when required to make the item/device serviceable and the estimated repair expense does not exceed the cost of purchasing or renting another item/device. Requests for repairs may be made at any time and are not subject to the five year timeline for replacement.

Prior Authorization Requirement

For Non-Network Benefits, you must obtain prior authorization from the Claims Administrator before obtaining any Durable Medical Equipment that exceeds \$1,000 in cost (either retail purchase cost or cumulative retail rental cost of a single item). If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

Emergency Health Services - Outpatient

The Plan's Emergency services Benefit pays for outpatient treatment at a Hospital or Alternate Facility when required to stabilize a patient or initiate treatment.

If you are admitted as an inpatient to a Network Hospital directly from the Emergency room, you will not have to pay the Copay for Emergency Health Services. The Benefits for an Inpatient Stay in a Network Hospital will apply instead.

Network Benefits will be paid for an Emergency admission to a non-Network Hospital as long as the Claims Administrator is notified within two business days of the admission or on the same day of admission if reasonably possible after you are admitted to a non-Network Hospital. The Claims Administrator may elect to transfer you to a Network Hospital as soon as it is medically appropriate to do so. If you continue your stay in a non-Network Hospital after the date your Physician determines that it is medically appropriate to transfer you to a Network Hospital, Network Benefits will not be provided. Non-Network Benefits may be available if the continued stay is determined to be a Covered Health Service. Eligible Expenses will be determined as described under *Eligible Expenses* in Section 2, *How the Plan Works*.

Benefits under this section are available for services to treat a condition that does not meet the definition of an Emergency.

Note: If you are confined in a non-Network Hospital after you receive outpatient Emergency Health Services, you must notify the Claims Administrator within two business days of the admission or on the same day of admission if reasonably possible. The Claims Administrator may elect to transfer you to a Network Hospital as soon as it is medically appropriate to do so. If you choose to stay in the non-Network Hospital after the date the Claims Administrator decides a transfer is medically appropriate, Network Benefits will not be provided. Non-Network Benefits may be available if the continued stay is determined to be a Covered Health Service.

Foot Care

The Plan covers hygienic and preventive maintenance foot care; cutting or removal of corns and calluses, nail trimming, cutting, or debriding only if the treatment is a Covered Health Service and related to a medical condition.

Home Health Care

Covered Health Services are services that a Home Health Agency provides if you need care in your home due to the nature of your condition. Services must be:

- Ordered by a Physician.
- Provided by or supervised by a registered nurse in your home or provided by either a home health aide or licensed practical nurse and supervised by a registered nurse.
- Not considered Custodial Care, as defined in Section 12, *Glossary*.

- Provided on a part-time, Intermittent Care schedule when Skilled Care is required. Refer to Section 12, *Glossary* for the definition of Skilled Care.

The Claims Administrator will determine if Skilled Care is needed by reviewing both the skilled nature of the service and the need for Physician-directed medical management. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Prior Authorization Requirement

For Non-Network Benefits, you must obtain prior authorization from the Claims Administrator five business days before receiving services, including nutritional foods and Private Duty Nursing or as soon as is reasonably possible. If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

Hospice Care

Hospice care is an integrated program recommended by a Physician which provides comfort and support services for the terminally ill. Hospice care can be provided on an inpatient or outpatient basis and includes physical, psychological, social, spiritual and respite care for the terminally ill person, and short-term grief counseling for immediate family members while the Covered Person is receiving hospice care. Benefits are available only when hospice care is received from a licensed hospice agency, which can include a Hospital.

Prior Authorization Requirement

For Non-Network Benefits, you must obtain prior authorization from the Claims Administrator five business days before admission for an Inpatient Stay in a hospice facility or as soon as is reasonably possible. If you do not obtain prior authorization from the Claims Administrator as required, Benefits will be reduced to 50% of Eligible Expenses.

In addition, for Non-Network Benefits, you must contact the Claims Administrator within 24 hours of admission for an Inpatient Stay in a hospice facility.

Hospital - Inpatient Stay

Hospital Benefits are available for:

- Non-Physician services and supplies received during an Inpatient Stay.
- Room and board in a Semi-private Room (a room with two or more beds).
- Physician services for radiologists, anesthesiologists, pathologists and Emergency room Physicians.

The Plan will pay the difference in cost between a Semi-private Room and a private room only if a private room is necessary according to generally accepted medical practice.

Benefits for an Inpatient Stay in a Hospital are available only when the Inpatient Stay is necessary to prevent, diagnose or treat a Sickness or Injury. Benefits for other Hospital-

based Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

Benefits for Emergency admissions and admissions of less than 24 hours are described under *Emergency Health Services and Surgery - Outpatient*, *Scopic Procedures - Outpatient Diagnostic and Therapeutic*, and *Therapeutic Treatments - Outpatient*, respectively.

Prior Authorization Requirement

For Non-Network Benefits for:

- A scheduled admission, you must obtain prior authorization from the Claims Administrator five business days before admission.
- A non-scheduled admission, you must provide notification as soon as is reasonably possible.

If you do not obtain prior authorization from the Claims Administrator as required, or notification is not provided as required, Benefits will be reduced to 50% of Eligible Expenses.

In addition, you must contact the Claims Administrator 24 hours before admission for scheduled admissions or as soon as is reasonably possible for non-scheduled admissions.

Kaia Health

A mobile app for on-demand, personalized support to help relieve pain and live healthier. Connect with Kaia: <http://startkaia.com/uhc>.

Lab, X-Ray and Diagnostics - Outpatient

Services for Sickness and Injury-related diagnostic purposes, received on an outpatient basis at a Hospital or Alternate Facility or in a Physician's office include:

- Lab and radiology/X-ray.
- Mammography, including 3D mammograms (breast tomosynthesis) for screening or diagnosis of breast cancer.

Benefits under this section include:

- The facility charge and the charge for supplies and equipment.
- Physician services for radiologists, anesthesiologists and pathologists. (Benefits for other Physician services are described under Physician Fees for Surgical and Medical Services.)
- Presumptive Drug Tests and Definitive Drug Tests.

Any combination of Network Benefits and Non-Network Benefits is limited to 18 Presumptive Drug Tests per calendar year.

Any combination of Network Benefits and Non-Network Benefits is limited to 18 Definitive Drug Tests per calendar year.

Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*. Lab, X-ray and diagnostic services for preventive care are described under *Preventive Care Services* in this section. CT scans, PET scans, MRI, MRA, nuclear medicine and major diagnostic services are described under *Lab, X-Ray and Major Diagnostics - CT, PET Scans, MRI, MRA and Nuclear Medicine - Outpatient* in this section.

Prior Authorization Requirement

For Non-Network Benefits for Genetic Testing, stress echocardiography and transthoracic echocardiogram, and sleep studies, you must obtain prior authorization from the Claims Administrator five business days before scheduled services are received. If you do not obtain prior authorization from the Claims Administrator as required, Benefits will be reduced to 50% of Eligible Expenses.

Lab, X-Ray and Major Diagnostics - CT, PET Scans, MRI, MRA and Nuclear Medicine - Outpatient

Services for CT scans, PET scans, MRI, MRA, nuclear medicine, and major diagnostic services received on an outpatient basis at a Hospital or Alternate Facility or in a Physician's office.

Benefits under this section include:

- The facility charge and the charge for supplies and equipment.
- Physician services for radiologists, anesthesiologists and pathologists.

When these services are performed in a Physician's office, Benefits are described under *Physician's Office Services - Sickness and Injury* in this section. Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

Prior Authorization Requirement

For Non-Network Benefits for CT, PET scans, MRI, MRA and nuclear medicine, including nuclear cardiology, you must obtain prior authorization five business days before scheduled services are received. If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

Mental Health Services

Mental Health Services include those received on an inpatient or outpatient basis in a Hospital, an Alternate Facility or in a provider's office. All services must be provided by or under the direction of a behavioral health provider who is properly licensed and qualified by law and acting within the scope of their licensure.

Benefits include the following levels of care:

- Inpatient treatment.
- Residential Treatment.
- Partial Hospitalization/Day Treatment.

- Intensive Outpatient Treatment.
- Outpatient treatment.

Inpatient treatment and Residential Treatment includes room and board in a Semi-private Room (a room with two or more beds).

Services include the following:

- Diagnostic evaluations, assessment and treatment planning.
- Treatment and/or procedures.
- Medication management and other associated treatments.
- Individual, family and group therapy.
- Crisis intervention.

The Mental Health/Substance-Related and Addictive Disorders Administrator provides administrative services for all levels of care.

You are encouraged to contact the Mental Health/Substance-Related and Addictive Disorders Administrator for assistance in locating a provider and coordination of care.

Prior Authorization Requirement

For Non-Network Benefits for:

- A scheduled admission for Mental Health Services (including Partial Hospitalization/Day Treatment and admission for services at a Residential Treatment facility), you must obtain authorization from the Claims Administrator five business days before admission.
- A non-scheduled admission, , you must provide notification as soon as is reasonably possible.
- In addition, for Non-Network Benefits, you must obtain prior authorization from the Claims Administrator before the following services are received: Intensive Outpatient Treatment programs; outpatient electro-convulsive treatment; psychological testing; transcranial magnetic stimulation.

If you do not obtain prior authorization from or to provide notification to the Claims Administrator as required, Benefits will be reduced to 50% of Eligible Expenses.

Virtual Behavioral Health Therapy and Coaching

Specialized virtual behavioral health care provided by AbleTo, Inc. (“AbleTo Therapy360 Program”) for Covered Persons with certain co-occurring behavioral and medical conditions.

The AbleTo Therapy360 Program provides behavioral Covered Health Care Services through virtual therapy and coaching services that are individualized and tailored to your specific health needs. Virtual therapy is provided by licensed therapists. Coaching services are provided by coaches who are supervised by licensed professionals.

There are no Deductibles, Copayments or Coinsurance you must meet or pay for when receiving these services.

If you would like information regarding these services, you may contact the Claims Administrator at the telephone number on your ID Card.

Neurobiological Disorders - Autism Spectrum Disorder Services

The Plan pays Benefits for behavioral services for Autism Spectrum Disorder including Intensive Behavioral Therapies such as Applied Behavior Analysis (ABA) that are the following:

- Focused on the treatment of core deficits of Autism Spectrum Disorder.
- Provided by a Board Certified Applied Behavior Analyst (BCBA) or other qualified provider under the appropriate supervision.
- Focused on treating maladaptive/stereotypic behaviors that are posing danger to self, others and property and impairment in daily functioning.

These Benefits describe only the behavioral component of treatment for Autism Spectrum Disorder. Medical treatment of Autism Spectrum Disorder is a Covered Health Service for which Benefits are available as described under the applicable medical Covered Health Services categories as described in this section.

Benefits include the following levels of care:

- Inpatient treatment.
- Residential Treatment.
- Partial Hospitalization/Day Treatment.
- Intensive Outpatient Treatment.
- Outpatient treatment.

Inpatient treatment and Residential Treatment includes room and board in a Semi-private Room (a room with two or more beds).

Services include the following:

- Diagnostic evaluations, assessment and treatment planning.
- Treatment and/or procedures.
- Medication management and other associated treatments.
- Individual, family and group therapy.
- Crisis intervention.

The Mental Health/Substance-Related and Addictive Disorders Administrator provides administrative services for all levels of care.

You are encouraged to contact the Mental Health/Substance-Related and Addictive Disorders Administrator for assistance in locating a provider and coordination of care.

Prior Authorization Requirement

For Non-Network Benefits for:

- A scheduled admission for Neurobiological Disorders – Autism Spectrum Disorder Services (including Partial Hospitalization/Day Treatment and admission for services at a Residential Treatment facility), you must obtain authorization from the Claims Administrator five business days before admission.
- A non-scheduled admission, , you must provide notification as soon as is reasonably possible.
- In addition, for Non-Network Benefits, you must obtain prior authorization from the Claims Administrator before the following services are received: Intensive Outpatient Treatment programs; psychological testing; Intensive Behavioral Therapy, including *Applied Behavior Analysis (ABA)*.

If you do not obtain prior authorization from or to provide notification to the Claims Administrator as required, Benefits will be reduced to 50% of Eligible Expenses.

Nutritional Counseling

The Plan will pay for Covered Health Services for medical education services provided in a Physician's office by an appropriately licensed or healthcare professional when:

- Education is required for a disease in which patient self-management is an important component of treatment.
- There exists a knowledge deficit regarding the disease which requires the intervention of a trained health professional.

Some examples of such medical conditions include, but are not limited to:

- Coronary artery disease.
- Congestive heart failure.
- Severe obstructive airway disease.
- Gout (a form of arthritis).
- Renal failure.
- Phenylketonuria (a genetic disorder diagnosed at infancy).
- Hyperlipidemia (excess of fatty substances in the blood).

Benefits are limited to twelve individual sessions per calendar year for each medical condition.

Obesity Surgery

Surgical treatment of obesity when provided by or under the direction of a Physician when all of the following are true:

- You have enrolled in the Bariatric Resource Services (BRS) program.
- You have a minimum Body Mass Index (BMI) of 40, or greater than 35 with at least one complicating coexisting medical condition or disease present.
- You are over the age of 18 with documentation from a Physician of a diagnosis of morbid obesity for a minimum of five years.
- You have a 3-month physician or other health care provider supervised diet documented within the last 2 years.
- You have completed a multi-disciplinary surgical preparatory regimen, which includes a psychological evaluation.
- You are having your first bariatric surgery under the Plan, unless there were complications with your first procedure.

See *Bariatric Resource Services (BRS)* in Section 6, *Clinical Programs and Resources* for more information on the BRS program.

Note: The services described under the *Travel and Lodging Assistance Program* are Covered Health Services only in connection with obesity-related services received at a Designated Provider.

Benefits are available for obesity surgery services that meet the definition of a Covered Health Service, as defined in Section 12, *Glossary* and are not Experimental or Investigational or Unproven Services.

Please remember Non-Network Benefits for obesity surgery are not available.

Orthopedic Health Support Program – Enrollment Required

Orthopedic Health Support is a program that provides you access to specialized nurses and high-performing providers to help meet your specific needs from early pain onset through treatment and beyond.

This program can help you:

- Understand treatment options.
- Manage your pain.
- Learn more about a certain condition and your options.
- Estimate treatment costs and see how you could save money.
- Access top providers and find resources that you may not be aware of today.
- Prepare for surgery and recovery.
- Connect you with an approved Center of Excellence facility.
- Reduce your out of pocket costs and improve your chance of a successful outcome.

Enhanced benefits are offered to Covered Persons who enroll in this program and/or enroll and utilize a Spine and Joint Center of Excellence (COE) facility/provider for their surgery. See *Travel and Lodging Assistance Program* for details.

Enrollment in Orthopedic Health Support (OHS) is **required** for coverage of any in-scope surgery. If the Covered Person does not call the OHS nurse prior to surgery, the Covered Person's benefit may be reduced or not paid.

If the Covered Person lives within 60 miles of a COE facility, use of the COE is also **required**.

Orthotic Devices

Refer to the Durable Medical Equipment (DME) section above for details.

Ostomy Supplies

Benefits for ostomy supplies are limited to:

- pouches, face plates and belts;
- irrigation sleeves, bags and ostomy irrigation catheters; and
- skin barriers.

Pharmaceutical Products - Outpatient

The Plan pays for Pharmaceutical Products that are administered on an outpatient basis in a Hospital, Alternate Facility, Physician's office, or in a Covered Person's home. Examples of what would be included under this category are antibiotic injections in the Physician's office or inhaled medication in an Urgent Care Center for treatment of an asthma attack.

Benefits under this section are provided only for Pharmaceutical Products which, due to their characteristics (as determined by UnitedHealthcare), must typically be administered or directly supervised by a qualified provider or licensed/certified health professional. Depending on where the Pharmaceutical Product is administered, Benefits will be provided for administration of the Pharmaceutical Product under the corresponding Benefit category in this SPD.

If you require certain Pharmaceutical Products, including specialty Pharmaceutical Products, UnitedHealthcare may direct you to a Designated Dispensing Entity with whom UnitedHealthcare has an arrangement to provide those Pharmaceutical Products. Such Dispensing Entities may include an outpatient pharmacy, specialty pharmacy, Home Health Agency provider, Hospital-affiliated pharmacy or hemophilia treatment center contracted pharmacy.

If you/your provider are directed to a Designated Dispensing Entity and you/your provider choose not to obtain your Pharmaceutical Product from a Designated Dispensing Entity, Network Benefits are not available for that Pharmaceutical Product.

Certain Pharmaceutical Products are subject to step therapy requirements. This means that in order to receive Benefits for such Pharmaceutical Products, you must use a different

Pharmaceutical Product and/or prescription drug product first. You may find out whether a particular Pharmaceutical Product is subject to step therapy requirements by contacting UnitedHealthcare at www.myuhc.com or by calling the telephone number on your ID card.

UnitedHealthcare may have certain programs in which you may receive an enhanced or reduced Benefit based on your actions such as adherence/compliance to medication or treatment regimens and/or participation in health management programs. You may access information on these programs through the Internet at www.myuhc.com or by calling the number on your ID card.

Prior Authorization Requirement

For Non-Network Benefits, you must obtain prior authorization from the Claims Administrator for Inflammatory Injectable Medications (site of care). If authorization is not obtained as required, Benefits will be reduced to 50% of Eligible Expenses.

Physician Fees for Surgical and Medical Services

The Plan pays Physician fees for surgical procedures and other medical care received from a Physician in a Hospital, Skilled Nursing Facility, Inpatient Rehabilitation Facility, Alternate Facility or for Physician house calls.

Physician's Office Services - Sickness and Injury

Benefits are paid by the Plan for Covered Health Services provided in a Physician's office for the diagnosis and treatment of a Sickness or Injury. Benefits are provided under this section regardless of whether the Physician's office is free-standing, located in a clinic or located in a Hospital. Benefits under this section include allergy injections and hearing exams in case of Injury or Sickness.

Covered Health Services include medical education services that are provided in a Physician's office by appropriately licensed or registered healthcare professionals when both of the following are true:

- Education is required for a disease in which patient self-management is an important component of treatment.
- There exists a knowledge deficit regarding the disease which requires the intervention of a trained health professional.

Covered Health Services include genetic counseling. Benefits are available for Genetic Testing which is determined to be Medically Necessary following genetic counseling when ordered by the Physician and authorized in advance by UnitedHealthcare.

Benefits for preventive services are described under *Preventive Care Services* in this section.

When a test is performed or a sample is drawn in the Physician's office and then sent outside the Physician's office for analysis or testing, Benefits for lab, radiology/X-rays and other diagnostic services that are performed outside the Physician's office are described in Lab, X-Ray and Diagnostics - Outpatient.

Please Note

Your Physician does not have a copy of your Benefit Booklet and is not responsible for knowing or communicating your Benefits.

Pregnancy - Maternity Services

Benefits for Pregnancy will be paid at the same level as Benefits for any other condition, Sickness or Injury. This includes all maternity-related medical services for prenatal care, postnatal care, delivery, and any related complications.

The Plan will pay Benefits for an Inpatient Stay of at least:

- 48 hours for the mother and newborn child following a vaginal delivery.
- 96 hours for the mother and newborn child following a cesarean section delivery.

These are federally mandated requirements under the *Newborns' and Mothers' Health Protection Act of 1996* which apply to this Plan. The Hospital or other provider is not required to get authorization for the time periods stated above. Authorizations are required for longer lengths of stay. If the mother agrees, the attending Physician may discharge the mother and/or the newborn child earlier than these minimum timeframes.

Also, under federal law, group health plans and health insurance issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a doctor or other health care provider obtain certification for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain certification.

Both before and during a Pregnancy, Benefits include the services of a genetic counselor when provided or referred by a Physician. These Benefits are available to all Covered Persons in the immediate family. Covered Health Services include related tests and treatment.

The Plan does not provide coverage for:

- Doula (labor aide);
- Parenting, pre-natal or birthing classes;
- Post-delivery – services/treatment for the newborn of a dependent daughter.

Prior Authorization Requirement

For Non-Network Benefits, you must obtain prior authorization from the Claims Administrator as soon as reasonably possible if the Inpatient Stay for the mother and/or the newborn will be more than 48 hours for the mother and newborn child following a normal vaginal delivery, or more than 96 hours for the mother and newborn child following a cesarean section delivery. If you do not obtain prior authorization as required, Benefits for the extended stay will be reduced to 50% of Eligible Expenses.

Healthy moms and babies

The Plan provides a special prenatal program to help during Pregnancy. Participation is voluntary and free of charge. See Section 6, *Clinical Programs and Resources*, for details.

Preventive Care Services

The Plan pays Benefits for preventive care services provided on an outpatient basis at a Physician's office, an Alternate Facility or a Hospital. Preventive care services encompass medical services that have been demonstrated by clinical evidence to be safe and effective in either the early detection of disease or in the prevention of disease, have been proven to have a beneficial effect on health outcomes and include the following as required under applicable law:

- Evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the *United States Preventive Services Task Force*.
- Immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention.
- With respect to infants, children and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the *Health Resources and Services Administration*.
- With respect to women, such additional preventive care and screenings as provided for in comprehensive guidelines supported by the *Health Resources and Services Administration*.

Examples of preventive care services include routine physical examinations, well-baby and well-child care, immunizations, screening mammograms and prostate screenings.

Preventive care Benefits for women defined under the Health Resources and Services Administration (HRSA) requirement include the cost of renting or purchasing one breast pump per Pregnancy in conjunction with childbirth.

If more than one breast pump can meet your needs, Benefits are available only for the most cost-effective pump. UnitedHealthcare will determine the following:

- Which pump is the most cost-effective.
- Whether the pump should be purchased or rented.
- Duration of a rental.
- Timing of an acquisition.

Benefits are only available if breast pumps are obtained from a DME provider or Physician.

Preventive care Benefits for women defined under the Health Resources and Services Administration (HRSA) requirement also include the following:

- Screening for gestational diabetes in pregnant women between 24 and 28 weeks of gestation and at the first prenatal visit for pregnant women identified to be at high risk for diabetes;
- Human papillomavirus testing in women with normal cytology results beginning at age 30 and no more frequently than once every three years;
- Annual counseling for sexually transmitted infections;
- Annual counseling and screening for human immune-deficiency virus;
- Comprehensive lactation support and counseling in conjunction with each birth, by a trained provider during pregnancy and/or in the postpartum period;
- All Food and Drug Administration approved contraceptive methods, sterilization procedures and patient education and counseling for all women with reproductive capacity, as prescribed by a doctor; and
- Annual screening and counseling for interpersonal and domestic violence.

These additional services are paid under the preventive care benefit when billed by your provider with a wellness diagnosis. Call the number on your ID card for additional information regarding coverage available for specific services.

For questions about your preventive care Benefits under this Plan call the number on your ID card.

Private Duty Nursing - Outpatient

The Plan covers Private Duty Nursing care given on an outpatient basis by a licensed nurse such as a Registered Nurse (R.N.), Licensed Practical Nurse (L.P.N.), or Licensed Vocational Nurse (L.V.N.), as defined in Section 12, *Glossary*.

Prosthetic Devices

Benefits are paid by the Plan for prosthetic devices and appliances that replace a limb or body part or help an impaired limb or body part work. Examples include, but are not limited to:

- artificial arms, legs, feet and hands;
- artificial face, eyes, ears and nose; and
- breast prosthesis following mastectomy as required by the Women's Health and Cancer Rights Act of 1998, including mastectomy bras and lymphedema stockings for the arm.

Benefits under this section are provided only for external prosthetic devices and do not include any device that is fully implanted into the body other than breast prostheses.

If more than one prosthetic device can meet your functional needs, Benefits are available only for the most Cost-Effective prosthetic device. The device must be ordered or provided either by a Physician, or under a Physician's direction. If you purchase a prosthetic device that exceeds these minimum specifications, the Plan may pay only the amount that it would have paid for the prosthetic that meets the minimum specifications, and you may be responsible for paying any difference in cost.

Benefits are available for repairs and replacement, except that:

- There are no Benefits for repairs due to misuse, malicious damage or gross neglect.
- There are no Benefits for replacement due to misuse, malicious damage, gross neglect or for lost or stolen prosthetic devices.

Benefits are provided for the replacement of a type of prosthetic device once every five calendar years.

Note: Prosthetic devices are different from DME - see *Durable Medical Equipment (DME)* in this section.

Prior Authorization Requirement

For Non-Network Benefits, you must obtain prior authorization from the Claims Administrator before obtaining prosthetic devices that exceed \$1,000 in cost per device. If prior authorization is not obtained as required, Benefits will be reduced to 50% of Eligible Expenses.

Reconstructive Procedures

Reconstructive Procedures are services performed when the primary purpose of the procedure is either to treat a medical condition or to improve or restore physiologic function for an organ or body part. Reconstructive Procedures include surgery or other procedures which are associated with an Injury, Sickness or Congenital Anomaly. The primary result of the procedure is not a changed or improved physical appearance.

Improving or restoring physiologic function means that the organ or body part is made to work better. An example of a Reconstructive Procedure is surgery on the inside of the nose so that a person's breathing can be improved or restored.

Benefits for Reconstructive Procedures include breast reconstruction following a mastectomy and reconstruction of the non-affected breast to achieve symmetry without regard to the lapse of time between the mastectomy and the reconstructive surgery. Replacement of an existing breast implant is covered by the Plan if the initial breast implant followed mastectomy. Other services required by the *Women's Health and Cancer Rights Act of 1998*, including breast prostheses and treatment of complications, are provided in the same manner and at the same level as those for any other Covered Health Service. You can contact UnitedHealthcare at the number on your ID card for more information about Benefits for mastectomy-related services.

There may be times when the primary purpose of a procedure is to make a body part work better. However, in other situations, the purpose of the same procedure is to improve the appearance of a body part. Cosmetic procedures are excluded from coverage. Procedures that correct an anatomical Congenital Anomaly without improving or restoring physiologic function are considered Cosmetic Procedures. A good example is upper eyelid surgery. At times, this procedure will be done to improve vision, which is considered a Reconstructive Procedure. In other cases, improvement in appearance is the primary intended purpose, which is considered a Cosmetic Procedure. This Plan does not provide Benefits for Cosmetic Procedures, as defined in Section 12, *Glossary*.

The fact that a Covered Person may suffer psychological consequences or socially avoidant behavior as a result of an Injury, Sickness or Congenital Anomaly does not classify surgery (or other procedures done to relieve such consequences or behavior) as a Reconstructive Procedure.

Prior Authorization Requirement

For Non-Network Benefits for:

- A scheduled Reconstructive Procedure, you must obtain prior authorization from the Claims Administrator five business days before a scheduled Reconstructive Procedure is performed.
- A non-scheduled Reconstructive Procedure, you must provide notification within one business day or as soon as is reasonably possible.

If authorization is not obtained from the Claims Administrator as required, or notification is not provided as required, Benefits will be reduced to 50% of Eligible Expenses.

In addition, for Non-Network Benefits, you must contact the Claims Administrator 24 hours before admission for scheduled admissions or as soon as is reasonably possible for non-scheduled admissions.

Rehabilitation Services - Outpatient Therapy and Manipulative/Chiropractic Treatment

The Plan provides short-term outpatient rehabilitation services (including habilitative services) limited to:

- Physical therapy;
- Occupational therapy;
- Manipulative/Chiropractic Treatment;
- Speech therapy;
- Post-cochlear implant aural therapy;
- Cognitive rehabilitation therapy following a post-traumatic brain Injury or stroke;
- Pulmonary rehabilitation; and

- Cardiac rehabilitation.

For all rehabilitation services, a licensed therapy provider, under the direction of a Physician (when required by state law), must perform the services. Benefits under this section include rehabilitation services provided in a Physician's office or on an outpatient basis at a Hospital or Alternate Facility. Rehabilitative services provided in a Covered Person's home by a Home Health Agency are provided as described under Home Health Care. Rehabilitative services provided in a Covered Person's home other than by a Home Health Agency are provided as described under this section.

Benefits can be denied or shortened for Covered Persons who are not progressing in goal-directed rehabilitation services or if rehabilitation goals have previously been met. Benefits can be denied or shortened for Covered Persons who are not progressing in goal-directed Manipulative Treatment or if treatment goals have previously been met. Benefits under this section are not available for maintenance/preventive Manipulative Treatment.

Habilitative Services

For the purpose of this Benefit, "habilitative services" means Medically Necessary skilled health care services that help a person keep, learn or improve skills and functioning for daily living. Habilitative services are skilled when all of the following are true:

- The services are part of a prescribed plan of treatment or maintenance program that is Medically Necessary to maintain a Covered Person's current condition or to prevent or slow further decline.
- The services are ordered by a Physician and provided and administered by a licensed provider.
- The services are not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- The services require clinical training in order to be delivered safely and effectively.
- The services are not Custodial Care.

The Claims Administrator will determine if Benefits are available by reviewing both the skilled nature of the service and the need for Physician-directed medical management. Therapies provided for the purpose of general well-being or conditioning in the absence of a disabling condition are not considered habilitative services. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Benefits are provided for habilitative services provided for Covered Persons with a disabling condition when both of the following conditions are met:

- The treatment is administered by a licensed speech-language pathologist, licensed audiologist, licensed occupational therapist, licensed physical therapist or Physician.
- The initial or continued treatment must be proven and not Experimental or Investigational.

Benefits for habilitative services do not apply to those services that are solely educational in nature or otherwise paid under state or federal law for purely educational services. Custodial

Care, respite care, day care, therapeutic recreation, vocational training and Residential Treatment are not habilitative services. A service that does not help the Covered Person to meet functional goals in a treatment plan within a prescribed time frame is not a habilitative service. When the Covered Person reaches his/her maximum level of improvement or does not demonstrate continued progress under a treatment plan, a service that was previously habilitative is no longer habilitative.

The Plan may require that a treatment plan be provided, request medical records, clinical notes, or other necessary data to allow the Plan to substantiate that initial or continued medical treatment is needed. When the treating provider anticipates that continued treatment is or will be required to permit the Covered Person to achieve demonstrable progress, the Plan may request a treatment plan consisting of diagnosis, proposed treatment by type, frequency, anticipated duration of treatment, the anticipated goals of treatment, and how frequently the treatment plan will be updated.

Benefits for Durable Medical Equipment and prosthetic devices, when used as a component of habilitative services, are described under *Durable Medical Equipment* and *Prosthetic Devices* in this section.

Other than as described under Habilitative Services above, please note that the Plan will pay Benefits for speech therapy for the treatment of disorders of speech, language, voice, communication and auditory processing only when the disorder results from Injury, stroke, cancer, or Congenital Anomaly. Rehabilitation services will be reviewed after 40 visits for medical necessity. The Plan will pay Benefits for cognitive rehabilitation therapy only when Medically Necessary following a post-traumatic brain Injury or stroke.

Also, other than as described under Habilitative Services above, Physical therapy, Occupational therapy and Post-cochlear implant aural therapy will be reviewed after 40 visits for medical necessity.

Manipulative/Chiropractic Treatment will be reviewed after 20 visits for medical necessity.

Scopic Procedures - Outpatient Diagnostic and Therapeutic

The Plan pays for diagnostic and therapeutic scopic procedures and related services received on an outpatient basis at a Hospital or Alternate Facility or in a Physician's office.

Diagnostic scopic procedures are those for visualization, biopsy and polyp removal. Examples of diagnostic scopic procedures include colonoscopy, sigmoidoscopy, and endoscopy.

Benefits under this section include:

- The facility charge and the charge for supplies and equipment.
- Physician services for radiologists, anesthesiologists and pathologists.

Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

Please note that Benefits under this section do not include surgical scopic procedures, which are for the purpose of performing surgery. Benefits for surgical scopic procedures are described under *Surgery - Outpatient*. Examples of surgical scopic procedures include arthroscopy, laparoscopy, bronchoscopy, hysteroscopy.

When these services are performed for preventive screening purposes, Benefits are described in this section under *Preventive Care Services*.

Skilled Nursing Facility/Inpatient Rehabilitation Facility Services

Facility services for an Inpatient Stay in a Skilled Nursing Facility or Inpatient Rehabilitation Facility are covered by the Plan. Benefits include:

- Supplies and non-Physician services received during the Inpatient Stay.
- Room and board in a Semi-private Room (a room with two or more beds).
- Physician services for radiologists, anesthesiologists and pathologists.

Benefits are available when skilled nursing and/or Inpatient Rehabilitation Facility services are needed on a daily basis. Benefits are also available in a Skilled Nursing Facility or Inpatient Rehabilitation Facility for treatment of a Sickness or Injury that would have otherwise required an Inpatient Stay in a Hospital.

Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

UnitedHealthcare will determine if Benefits are available by reviewing both the skilled nature of the service and the need for Physician-directed medical management. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Benefits are available only if both of the following are true:

- The initial confinement in a Skilled Nursing Facility or Inpatient Rehabilitation Facility was or will be a Cost-Effective alternative to an Inpatient Stay in a Hospital.
- You will receive skilled care services that are not primarily Custodial Care.

Skilled care is skilled nursing, skilled teaching, and skilled rehabilitation services when all of the following are true:

- It must be delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome and provide for the safety of the patient.
- It is ordered by a Physician.
- It is not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- It requires clinical training in order to be delivered safely and effectively.

You are expected to improve to a predictable level of recovery. Benefits can be denied or shortened for Covered Persons who are not progressing in goal-directed rehabilitation services or if discharge rehabilitation goals have previously been met.

Note: The Plan does not pay Benefits for Custodial Care or Domiciliary Care, even if ordered by a Physician, as defined in Section 12, *Glossary*.

Any combination of Network Benefits and Non-Network Benefits is limited to 150 days per Covered Person per calendar year.

Prior Authorization Requirement

For Non-Network Benefits for:

- A scheduled admission, you must obtain prior authorization from the Claims Administrator five business days before admission.
- A non-scheduled admission, you must provide notification as soon as is reasonably possible.

If authorization is not obtained as required, or notification is not provided as required, Benefits will be reduced to 50% of Eligible Expenses.

In addition, for Non-Network Benefits, you must contact the Claims Administrator 24 hours before admission for scheduled admissions or as soon as is reasonably possible for non-scheduled admissions.

Substance-Related and Addictive Disorders Services

Substance-Related and Addictive Disorders Services include those received on an inpatient or outpatient basis in a Hospital, an Alternate Facility, or in a provider's office. All services must be provided by or under the direction of a behavioral health provider who is properly licensed and qualified by law and acting within the scope of their licensure.

Benefits include the following levels of care:

- Inpatient treatment.
- Residential Treatment.
- Partial Hospitalization/Day Treatment.
- Intensive Outpatient Treatment.
- Outpatient treatment.

Inpatient treatment and Residential Treatment includes room and board in a Semi-private Room (a room with two or more beds).

Services include the following:

- Diagnostic evaluations, assessment and treatment planning.
- Treatment and/or procedures.

- Medication management and other associated treatments.
- Individual, family and group therapy.
- Crisis intervention.

The Mental Health/Substance-Related and Addictive Disorders Administrator provides administrative services for all levels of care.

You are encouraged to contact the Mental Health/ Substance-Related and Addictive Disorders Administrator for assistance in locating a provider and coordination of care.

Use of a Network program will result in enhanced benefits and waiver of cost share, where applicable. Contact the Claims Administrator or search for a Network program on www.myuhc.com.

Prior Authorization Requirement

For Non-Network Benefits for:

- A scheduled admission for Substance-Related and Addictive Disorders Services (including Partial Hospitalization/Day Treatment and admission for services at a Residential Treatment facility), you must obtain authorization from the Claims Administrator five business days before admission.
- A non-scheduled admission, you must provide notification to the Claims Administrator as soon as is reasonably possible.
- In addition, for Non-Network Benefits you must obtain prior authorization from the Claims Administrator before the following services are received: Intensive Outpatient Treatment programs; psychological testing.

If you do not obtain prior authorization from or to provide notification to the Claims Administrator as required, Benefits will be reduced to 50% of Eligible Expenses.

Surgery - Outpatient

The Plan pays for surgery and related services received on an outpatient basis at a Hospital or Alternate Facility.

Benefits under this section include certain scopic procedures. Examples of surgical scopic procedures include arthroscopy, laparoscopy, bronchoscopy and hysteroscopy.

Benefits under this section include:

- The facility charge and the charge for supplies and equipment.
- Physician services for radiologists, anesthesiologists and pathologists. Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

When these services are performed in a Physician's office, Benefits are described under *Physician's Office Services - Sickness and Injury* in this section.

Prior Authorization Requirement

For Non-Network Benefits for cardiac catheterization, pacemaker insertion, implantable cardioverter defibrillators, diagnostic catheterization and electrophysiology implant and sleep apnea surgery you must obtain prior authorization five business days before scheduled services are received or for non-scheduled services, within one business day or as soon as is reasonably possible.

If you do not obtain prior authorization as required, Benefits will be reduced to 50% of Eligible Expenses.

Temporomandibular Joint (TMJ) Services

The Plan covers diagnostic and surgical and non-surgical treatment of conditions affecting the temporomandibular joint when provided by or under the direction of a Physician. Coverage includes necessary treatment required as a result of accident, trauma, a Congenital Anomaly, developmental defect, or pathology.

Diagnostic treatment includes examination, radiographs and applicable imaging studies and consultation. Non-surgical treatment includes clinical examinations, oral appliances (orthotic splints), arthrocentesis and trigger-point injections.

Benefits are provided for surgical treatment if:

- there is clearly demonstrated radiographic evidence of significant joint abnormality;
- non-surgical treatment has failed to adequately resolve the symptoms; and
- pain or dysfunction is moderate or severe.

Benefits for surgical services include arthrocentesis, arthroscopy, arthroplasty, arthrotomy, open or closed reduction of dislocations. Benefits for surgical services also include *U.S. Food and Drug Administration (FDA)*-approved TMJ implants only when all other treatment has failed.

Any combination of Network Benefits and Non-Network Benefits for oral appliances and associated expenses is limited to a \$1,500 maximum per Covered Person per lifetime.

Benefits for an Inpatient Stay in a Hospital and Hospital-based Physician services are described in this section under *Hospital – Inpatient Stay* and *Physician Fees for Surgical and Medical Services*, respectively.

Therapeutic Treatments - Outpatient

The Plan pays Benefits for therapeutic treatments received on an outpatient basis at a Hospital or Alternate Facility, including dialysis* (both hemodialysis and peritoneal dialysis), intravenous chemotherapy or other intravenous infusion therapy and radiation oncology.

*Non-Network dialysis is *not* covered under the Plan.

Covered Health Services include medical education services that are provided on an outpatient basis at a Hospital or Alternate Facility by appropriately licensed or registered healthcare professionals when:

- Education is required for a disease in which patient self-management is an important component of treatment.
- There exists a knowledge deficit regarding the disease which requires the intervention of a trained health professional.

Benefits under this section include:

- The facility charge and the charge for related supplies and equipment.
- Physician services for anesthesiologists, pathologists and radiologists. Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

Prior Authorization Requirement

For Non-Network Benefits for the following outpatient therapeutic services, you must obtain prior authorization from the Claims Administrator five business days before scheduled services are received or, for non-scheduled services, within one business day or as soon as is reasonably possible. Services that require prior authorization: IV infusion, intensity modulated radiation therapy, hyperbaric oxygen therapy and MRI guided focused ultrasound.

If you do not obtain prior authorization from the Claims Administrator, as required, Benefits will be reduced to 50% of Eligible Expenses.

Transplantation Services

The Plan pays Benefits for organ and tissue transplants including CAR-T cell therapy for malignancies when ordered by a Physician. Benefits are available for transplants when the transplant meets the definition of a Covered Health Service and is not an Experimental or Investigational or Unproven Service.

Examples of transplants for which Benefits are available include bone marrow including CAR-T cell therapy for malignancies, heart, heart/lung, lung, kidney, kidney/pancreas, liver, liver/small bowel, pancreas, small bowel and cornea.

Benefits are available to the donor and the recipient when the recipient is covered under this Plan. Donor costs that are directly related to organ removal or procurement are Covered Health Services for which Benefits are payable through the organ recipient's coverage under the Plan.

The Claims Administrator has specific guidelines regarding Benefits for transplant services. Contact the Claims Administrator at the number on your ID card for information about these guidelines.

Transplantation services including evaluation for transplant, organ procurement and donor searches and transplantation procedures may be received at a Designated Provider, Network facility that is not a Designated Provider or a non-Network facility.

Benefits are also available for cornea transplants. You are not required to obtain prior authorization from the Claims Administrator for a cornea transplant nor is the cornea transplant required to be performed at a Designated Provider.

Note: The services described under the *Travel and Lodging Assistance Program* are Covered Health Services only in connection with transplant services received at a Designated Provider.

Prior Authorization Requirement

For Non-Network Benefits you must obtain prior authorization as soon as the possibility of a transplant arises (and before the time a pre-transplantation evaluation is performed at a transplant center). If you don't obtain prior authorization from the Claims Administrator as required, Benefits will be reduced to 50% of Eligible Expenses.

In addition, for Non-Network Benefits, you must contact the Claims Administrator 24 hours before admission for scheduled admissions or as soon as is reasonably possible for non-scheduled admissions.

Support in the event of serious illness

If you or a covered family member has cancer or needs an organ or bone marrow transplant, UnitedHealthcare can put you in touch with quality treatment centers around the country.

Urinary Catheters

Benefits for indwelling and intermittent urinary catheters for incontinence or retention. Benefits include related urologic supplies for indwelling catheters limited to:

- Urinary drainage bag and insertion tray (kit).
- Anchoring device.
- Irrigation tubing set.

Urgent Care Center Services

The Plan provides Benefits for services, including professional services, received at an Urgent Care Center, as defined in Section 12, *Glossary*. When Urgent Care services are provided in a Physician's office, the Plan pays Benefits as described under *Physician's Office Services - Sickness and Injury* earlier in this section. Benefits under this section are available for services to treat a condition that does not meet the definition of Urgent Care.

24/7 Virtual Visits

Virtual care for Covered Health Services that includes the diagnosis and treatment of less serious medical conditions. Virtual care provides communication of medical information in

real-time between the patient and a distant Physician or health specialist, outside of a medical facility (for example, from home or from work).

Benefits are available only when services are delivered through a Designated Virtual Network Provider. You can find a Designated Virtual Network Provider by contacting the Claims Administrator at www.myuhc.com or the telephone number on your ID card.

Benefits are available for the following:

- Urgent on-demand health care delivered through live audio with video-conferencing or audio only technology for treatment of acute but non-emergency medical needs.

Please Note: Not all medical conditions can be treated through virtual care. The Designated Virtual Network Provider will identify any condition for which treatment by in-person Physician contact is needed.

Benefits do not include email, fax and standard telephone calls, or for services that occur within medical facilities (*CMS* defined originating facilities).

Vision Examinations

The Plan pays Benefits for:

- Vision screenings, which could be performed as part of an annual physical examination in a provider's office (vision screenings do not include refractive examinations to detect vision impairment).
- One routine vision exam, including refraction, to detect vision impairment by a provider in the provider's office every calendar year.
- Non routine vision exam and refraction eye exam – (*Vision Exam* - medical/surgical eye care is typically problem-oriented, involving the use of medication and/or surgical procedures to diagnose and treat eye problems, such as glaucoma, pink eye and cataracts. *Refractive eye exam* – external and internal exam, neurological integrity, pupillary reflexes, versions, biomicroscopy, tonometry, visual acuity, subjective, refraction, accommodative function, binocular function).

Wigs

The Plan pays Benefits for wigs and other scalp hair prosthesis only for loss of hair resulting from treatment of malignancy or permanent loss of hair from an accidental injury.

Any combination of Network Benefits and Non-Network Benefits is limited to one wig/hairpiece up to a \$500 maximum per Covered Person per lifetime.

SECTION 6 - CLINICAL PROGRAMS AND RESOURCES

What this section includes:

Health and well-being resources available to you, including Complex Medical Conditions Programs & Services.

The Company believes in giving you the tools you need to be an educated health care consumer. To that end, the Company has made available several convenient educational and support services, accessible by phone and the Internet, which can help you to:

- take care of yourself and your family members;
- manage a chronic health condition; and
- navigate the complexities of the health care system.

NOTE:

Information obtained through the services identified in this section is based on current medical literature and on Physician review. It is not intended to replace the advice of a doctor. The information is intended to help you make better health care decisions and take a greater responsibility for your own health. UnitedHealthcare and the Company are not responsible for the results of your decisions from the use of the information, including, but not limited to, your choosing to seek or not to seek professional medical care, or your choosing or not choosing specific treatment.

Consumer Solutions and Self-Service Tools

NurseLineSM

NurseLineSM is a telephone service that puts you in immediate contact with an experienced registered nurse any time, 24 hours a day, seven days a week. Nurses can provide health information for routine or urgent health concerns. When you call, a registered nurse may refer you to any additional resources that the Company has available to help you improve your health and well-being or manage a chronic condition. Call any time when you want to learn more about:

- a recent diagnosis;
- a minor Sickness or Injury;
- men's, women's, and children's wellness;
- how to take prescription drug products safely;
- self-care tips and treatment options;
- healthy living habits; or
- any other health related topic.

NurseLineSM gives you another convenient way to access health information. By calling the same number, you can listen to one of the Health Information Library's over 1,100 recorded messages, with over half in Spanish.

NurseLineSM is available to you at no cost. To use this convenient service, simply call the number on your ID card.

Note: If you have a medical emergency, call 911 instead of calling NurseLineSM.

With NurseLineSM, you also have access to nurses online. To use this service, log onto **www.myuhc.com** where you may access the link to initiate an online chat with a registered nurse who can help answer your general health questions any time, 24 hours a day, seven days a week. You can also request an e-mailed transcript of the conversation to use as a reference.

Your child is running a fever and it's 1:00 AM. What do you do?

Call NurseLineSM any time, 24 hours a day, seven days a week. You can count on NurseLineSM to help answer your health questions.

Decision Support

In order to help you make informed decisions about your health care, UnitedHealthcare has a program called Decision Support. This program targets specific conditions as well as the treatments and procedures for those conditions.

This program offers:

- access to accurate, objective and relevant health care information;
- coaching by a nurse through decisions in your treatment and care;
- expectations of treatment; and
- information on high quality providers and programs.

Conditions for which this program is available include:

- back pain;
- knee & hip replacement;
- prostate disease;
- prostate cancer;
- benign uterine conditions;
- breast cancer;
- coronary disease; and
- bariatric surgery.

Participation is completely voluntary and without extra charge. If you think you may be eligible to participate or would like additional information regarding the program, please contact the number on your ID card.

UnitedHealth Premium® Program

To help people make more informed choices about their health care, the UnitedHealth Premium® program recognizes Network Physicians who meet standards for quality and cost efficiency. UnitedHealthcare uses evidence-based medicine and national industry guidelines to evaluate quality. The cost efficiency standards rely on local market benchmarks for the efficient use of resources in providing care.

For details on the UnitedHealth Premium® Program including how to locate a UnitedHealth Premium Physician or facility, log onto **www.myuhc.com** or call the number on your ID card.

www.myuhc.com

UnitedHealthcare's member website, **www.myuhc.com**, provides information at your fingertips anywhere and anytime you have access to the Internet. **www.myuhc.com** opens the door to a wealth of health information and convenient self-service tools to meet your needs.

With **www.myuhc.com** you can:

- receive personalized messages that are available when you log onto **www.myuhc.com**;
- search for Network providers available in your Plan through the online provider directory;
- Access all of the content and wellness topics from NurseLineSM;
- Complete a health survey to help you identify health habits you may improve, learn about healthy lifestyle techniques and access health improvement resources;
- use the treatment cost estimator to obtain an estimate of the costs of various procedures in your area; and
- use the Hospital comparison tool to compare Hospitals in your area on various patient safety and quality measures.

Registering on www.myuhc.com

If you have not already registered as a **www.myuhc.com** subscriber, simply go to **www.myuhc.com** and click on "Register Now." Have your ID card handy. The enrollment process is quick and easy.

Visit **www.myuhc.com** and:

- make real-time inquiries into the status and history of your claims;
- view eligibility and Plan Benefit information;
- view and print all of your Explanations of Benefits (EOBs) online; and
- order a new or replacement ID card or print a temporary ID card.

Want to learn more about a condition or treatment?

Log on to www.myuhc.com and research health topics that are of interest to you. Learn about a specific condition, what the symptoms are, how it is diagnosed, how common it is, and what to ask your Physician.

Note: If you have a medical emergency, call 911 instead of logging onto www.myuhc.com.

Health Management Virtual Behavioral Health Therapy and Coaching Programs

The Virtual Behavioral Health Therapy and Coaching program identifies Covered Persons with chronic medical conditions that frequently co-occur with mental health challenges, and provides support through virtual sessions for depression, anxiety and stress that often accompany chronic medical health issues like diabetes, cancer or cardiac conditions. This means that you may be called by a licensed clinical social worker or coach. You may also call the program and speak with a licensed clinical social worker or coach.

This Plan includes access to an online portal available specifically for Covered Persons enrolled in the program for monitoring your progress toward meeting all the participation criteria.

You're encouraged to visit the site frequently to keep abreast of the activities you should be completing and ensure that your information is up-to-date. The site also includes links to other helpful tools and resources for Behavioral Health.

The program is provided through AbleTo, Inc. Participation is completely voluntary and without extra charge. If you think you may be eligible to participate or would like additional information regarding the program, please contact the number on your ID card.

Complex Medical Conditions Programs & Services**Bariatric Resource Services (BRS)**

Your Plan offers the Bariatric Resource Services (BRS) program. The BRS program provides you with:

- Specialized clinical consulting services to Employees and enrolled Dependents to educate on obesity treatment options.
- Access to specialized Network facilities and Physicians for obesity surgery services.

You must access the Bariatric Resource Services program by calling the number on your ID card.

See *Obesity Surgery* in Section 5, *Additional Coverage Details* for obesity surgery requirements.

Your Plan Sponsor is providing you with Travel and Lodging assistance. Refer to the *Travel and Lodging Assistance Program*.

Cancer Resource Services (CRS) Program

Your Plan offers a Cancer Resource Services (CRS) Program to provide you with access to information and member assistance through a team of specialized cancer nurse consultants and access to one of the nation's leading cancer programs.

To learn more about *CRS*, visit www.myoptumhealthcomplexmedical.com or call the number on your ID card or call the program directly at 1-866-936-6002.

Coverage for oncology services and oncology-related services are based on your Plan's terms, exclusions, limitations and conditions, including the Plan's eligibility requirements and coverage guidelines. Participation in this program is voluntary.

Your Plan Sponsor is providing you with Travel and Lodging assistance. Refer to the *Travel and Lodging Assistance Program*.

Cancer Support Program

UnitedHealthcare provides a program that identifies, assesses, and supports Covered Persons who have cancer. The program is designed to support you. This means that you may be called by a registered nurse who is a specialist in cancer and receive free educational information through the mail. You may also call the program and speak with a nurse whenever you need to. This nurse will be a resource and advocate to advise you and to help you manage your condition. This program will work with you and your Physicians, as appropriate, to offer education on cancer, and self-care strategies and support in choosing treatment options.

Participation is completely voluntary and without extra charge. If you think you may be eligible to participate or would like additional information regarding the program, please call the number on your ID card.

For information regarding specific Benefits for cancer treatment within the Plan, see Section 5, *Additional Coverage Details* under the heading *Cancer Resource Services (CRS)*.

Congenital Heart Disease (CHD) Resource Services

UnitedHealthcare provides a program that identifies and supports a Covered Person who has Congenital Heart Disease (CHD) through all stages of treatment and recovery. This program will work with you and your Physicians, as appropriate, to offer support and education on CHD. Program features include clinical management by specialized CHD Nurses, support from specialized Social Workers, assistance with choosing Physicians and Facilities, and access to Designated Providers.

To learn more about CHD Resource Services program, visit www.myoptumhealthcomplexmedical.com or call UnitedHealthcare at the number on your ID card or you can call the CHD Resource Services Nurse Team at 888-936-7246.

Coverage for CHD surgeries and related services are based on the Plan's terms, exclusions, limitations and conditions, including the Plan's eligibility requirements and coverage guidelines. Participation in this program is voluntary. If you are considering any CHD

surgeries you must contact CHD Resource Services prior to surgery to enroll in the program in order for the surgery to be considered a Covered Health Service under the Plan.

Your Plan Sponsor is providing you with Travel and Lodging assistance. Refer to the *Travel and Lodging Assistance Program*.

Kidney Resource Services (KRS) Program End-Stage Renal Disease (ESRD)

The Kidney Resource Services (KRS) program provides Covered Persons with access to a registered nurse advocate who specializes in helping individuals live with kidney disease. As a participant in the KRS Program, you'll work with a nurse who will provide you with support and information. The nurse can help you manage other conditions, such as diabetes and high blood pressure. He or she can also help you find doctors, specialists and dialysis centers. This program is available at no extra cost to you.

With KRS, you have access to a registered nurse who specializes in kidney health. This program is designed to help you be your own best advocate for your health. You may have been referred to the KRS Program by your medical provider or from past claim information. As part of your health insurance benefits, it's available at no extra cost to you.

KRS nurse advocates are available, Monday through Friday at 1-866-561-7518 (TTY: 711).

Coverage for dialysis and kidney-related services are based on your Plan's terms, exclusions, limitations and conditions, including the Plan's eligibility requirements and coverage guidelines. Participation in this program is voluntary.

Disease Management Services

If you have been diagnosed with certain chronic medical conditions you may be eligible to participate in a disease management program at no additional cost to you.

The heart failure, coronary artery disease, diabetes, chronic obstructive pulmonary disease and asthma programs are designed to support you. This means that you will receive free educational information through the mail, and may even be called by a registered nurse who is a specialist in your specific medical condition. This nurse will be a resource to advise and help you manage your condition. These programs offer:

- educational materials mailed to your home that provide guidance on managing your specific chronic medical condition. This may include information on symptoms, warning signs, self-management techniques, recommended exams and medications;
- access to educational and self-management resources on a consumer website;
- an opportunity for the condition management nurse to work with your Physician to ensure that you are receiving the appropriate care; and
- access to and one-on-one support from a registered nurse who specializes in your condition. Examples of support topics include:
 - education about the specific disease and condition,
 - medication management and compliance,

- reinforcement of on-line behavior modification program goals,
- preparation and support for upcoming Physician visits,
- review of psychosocial services and community resources,
- caregiver status and in-home safety,
- use of mail-order pharmacy and Network providers.

Participation is completely voluntary and without extra charge. If you think you may be eligible to participate or would like additional information regarding the program, please contact the number on your ID card.

Complex Medical Conditions Travel and Lodging Assistance Program for the Covered Health Services described below

Travel and Lodging assistance is available under the Plan for you or your eligible family member only if you meet the qualifications for the benefit, including receiving care at a Designated Provider that is more than 50 miles from your home address. Eligible Expenses are reimbursed after the expense forms have been completed and submitted with the appropriate receipts.

If you have specific questions regarding the Travel and Lodging Assistance Program, please call the Travel and Lodging office at 1-800-842-0843.

Travel and Lodging Expenses

The Plan covers expenses for travel and lodging for the Covered Person, provided the Covered Person is not covered by Medicare, and a companion as follows:

- Transportation of the Covered Person and one companion who is traveling on the same day(s) to and/or from the site of the qualified procedure provided by a Designated Provider for care related to one of the programs listed below..
- The Eligible Expenses for lodging for the Covered Person (while not a Hospital inpatient) and one companion.
- If the Covered Person is an Enrolled Dependent minor child, the transportation expenses of two companions will be covered.
- Travel and lodging expenses are only available if the Covered Person resides more than 50 miles from the Designated Provider.
- Reimbursement for certain lodging expenses for the Covered Person and his/her companion(s) may be included in the taxable income of the Plan participant if the reimbursement exceeds the per diem rate.
- The bariatric, cancer, congenital heart disease and transplant programs offer a combined overall lifetime maximum of \$10,000 per Covered Person for all transportation and lodging expenses incurred by you and reimbursed under the Plan in connection with all qualified procedures.
- The Orthopedic Health Support Program provides a maximum of \$2,000 per Covered Person per procedure for all transportation and lodging expenses incurred by you and reimbursed under the Plan in connection with all qualified procedures.

The Claims Administrator must receive valid receipts for such charges before you will be reimbursed. Reimbursement is as follows:

Lodging

- A per diem rate, up to \$50.00 per day, for the Covered Person or the caregiver if the Covered Person is in the Hospital.
- A per diem rate, up to \$100.00 per day, for the Covered Person and one caregiver. When a child is the Covered Person, two persons may accompany the child.

Wellness Programs

Tobacco Cessation Program

A tobacco cessation Program to help tobacco users withdraw from nicotine dependence. The Quit For Life[®] Program employs an evidence-based combination of physical, psychological and behavioral strategies to help enable you to take responsibility for and overcome your addiction to tobacco use.

If you are a tobacco user, the Quit For Life[®] Program tailors a quitting plan for you and incorporates the following components:

- Multiple planned phone-based coaching sessions.
- Unlimited access to Quit Coach[®] staff for ongoing support throughout the quitting process for up to one year via phone and live chat.
- Nicotine replacement therapy (patch, lozenge or gum) sent to you in conjunction with your quit date.
- Unlimited access to a mobile-friendly online web portal, including support tools that complement your phone-based coaching.
- An online Quit Guide designed to complement your phone-based coaching sessions and web activity.
- Tailored motivational emails sent throughout your quitting process.
- Personalized, interactive text messages.

If you would like to enroll in the Quit For Life[®] Program, or if you would like additional information regarding the program and also how to access the program online, please call the number on your ID card.

Real Appeal

The Plan provides Benefits for virtual obesity counseling services for eligible Covered Persons through Real Appeal. There are no Deductibles, Copayments or Coinsurance you must meet or pay for when receiving these services.

The Plan provides a virtual lifestyle intervention for weight-related conditions to eligible Covered Persons 18 years of age or older. Real Appeal is designed to help those at risk from obesity-related diseases.

This intensive, multi-component behavioral intervention provides 52 weeks of support. This support includes one-on-one coaching with a live virtual coach and online group participation with supporting video content. The experience will be personalized for each individual through an introductory online session.

These Covered Health Services will be individualized and may include, but are not limited to, the following:

- Virtual support and self-help tools: Personal one-on-one coaching, group support sessions, educational videos, tailored kits, integrated web platform and mobile applications.
- Education and training materials focused on goal setting, problem-solving skills, barriers and strategies to maintain changes.
- Behavioral change counseling by a specially trained coach for clinical weight loss.

If you would like information regarding these Covered Health Services, you may contact the Claims Administrator through www.realappeal.com, or at the number shown on your ID card.

Maternity Support Program

If you are pregnant or thinking about becoming pregnant, and you are enrolled in the Plan, you can get valuable educational information, advice and comprehensive case management by calling the number on your ID card. Your enrollment in the program will be handled by an OB nurse who is assigned to you.

This program offers:

- Enrollment by an OB nurse.
- Pre-conception health coaching.
- Written and online educational resources covering a wide range of topics.
- First and second trimester risk screenings.
- Identification and management of at- or high-risk conditions that may impact pregnancy.
- Pre-delivery consultation.
- Coordination with and referrals to other benefits and programs available under the Plan.
- A phone call from a nurse approximately two weeks postpartum to provide information on postpartum and newborn care, feeding, nutrition, immunizations and more.
- Post-partum depression screening.

Participation is completely voluntary and without extra charge. To take full advantage of the program, you are encouraged to enroll within the first trimester of Pregnancy. You can enroll any time, up to your 34th week. To enroll, call the number on your ID card.

As a program participant, you can always call your nurse with any questions or concerns you might have.

SECTION 7 - EXCLUSIONS AND LIMITATIONS: WHAT THE MEDICAL PLAN WILL NOT COVER

What this section includes:

- Services, supplies and treatments that are not Covered Health Services, except as may be specifically provided for in Section 5, *Additional Coverage Details*.

The Plan does not pay Benefits for the following services, treatments or supplies even if they are recommended or prescribed by a provider or are the only available treatment for your condition.

When Benefits are limited within any of the Covered Health Services categories described in Section 5, *Additional Coverage Details*, those limits are stated in the corresponding Covered Health Service category in Section 4, *Plan Highlights*. Limits may also apply to some Covered Health Services that fall under more than one Covered Health Service category. When this occurs, those limits are also stated in Section 4, *Plan Highlights*. Please review all limits carefully, as the Plan will not pay Benefits for any of the services, treatments, items or supplies that exceed these benefit limits.

Please note that in listing services or examples, when the Benefit Booklet says "this includes," or "including but not limited to", it is not UnitedHealthcare's intent to limit the description to that specific list. When the Plan does intend to limit a list of services or examples, the Benefit Booklet specifically states that the list "is limited to."

Alternative Treatments

1. Acupressure.
2. Aromatherapy.
3. Hypnotism.
4. Massage therapy.
5. Rolfing (holistic tissue massage).
6. Art therapy, music therapy, dance therapy, animal-assisted therapy and other forms of alternative treatment as defined by the *National Center for Complementary and Alternative Medicine (NCCAM)* of the *National Institutes of Health*.

This exclusion does not apply to Manipulative/Chiropractic Treatment and non-manipulative /chiropractic osteopathic care for which Benefits are provided as described in Section 5, *Additional Coverage Details*.

Dental

1. Dental implants or root canals, orthodontic braces, removal of teeth and intra-bony cysts, procedures performed for the preparation of the mouth for dentures, except as identified under Dental Treatment Covered under Plan in Section 5, *Additional Coverage Details*.
2. Treatment for the following conditions:
 - injury related to chewing or biting;
 - preventive dental care, diagnosis or treatment of or related to the teeth or gums;
 - periodontal disease or cavities and disease due to infection or tumor.

This exclusion does not apply to preventive care for which Benefits are provided under the *United States Preventive Services Task Force* requirement or the *Health Resources and Services Administration (HRSA)* requirement.

For information on your dental coverage, contact your Dental Plan provider.

Devices, Appliances and Prosthetics

1. Devices used specifically as safety items or to affect performance in sports-related activities.
2. The following items are excluded, even if prescribed by a Physician:
 - Blood pressure cuff/monitor.
 - Enuresis alarm.
 - Non-wearable external defibrillator.
 - Trusses.
 - Ultrasonic nebulizers.
3. The repair and replacement of prosthetic devices when damaged due to misuse, malicious breakage or gross neglect;
4. The replacement of lost or stolen prosthetic devices
5. Devices and computers to assist in communication and speech except for dedicated speech generating devices and tracheo-esophageal voice devices for which Benefits are provided as described under *Durable Medical Equipment* in Section 5, *Additional Coverage Details*.
6. Oral appliances for snoring.
7. Orthotic appliances and devices that straighten or re-shape a body part, except when prescribed by a Physician as described under *Durable Medical Equipment (DME)* in Section 6, *Additional Coverage Details*. This exclusion does not apply to cranial molding helmets and cranial banding.
8. Powered and non-powered exoskeleton devices.

Drugs

1. Prescription drug products for outpatient use that are filled by a prescription order or refill (See your CVS Caremark Prescription Drug Benefit Booklet for information about the Plan's prescription drug benefit).
2. Self-administered or self-infused medications. This exclusion does not apply to medications which, due to their characteristics, (as determined by UnitedHealthcare), must typically be administered or directly supervised by a qualified provider or licensed/certified health professional in an outpatient setting. This exclusion does not apply to hemophilia treatment centers contracted to dispense hemophilia factor medications directly to Covered Persons for self-infusion.
3. Non-injectable medications given in a Physician's office. This exclusion does not apply to non-injectable medications that are required in an Emergency and consumed in the Physician's office.
4. Over-the-counter drugs and treatments.
5. Growth hormone therapy.
6. Clomiphine (e.g., Clomid[®]), menotropins (e.g., Repronex[®]), or other drugs associated with conception by artificial means.
7. Certain New Pharmaceutical Products and/or new dosage forms until the date as determined by the Claims Administrator or the Claims Administrator's designee, but no later than December 31st of the following calendar year.
This exclusion does not apply if you have a life-threatening Sickness or condition (one that is likely to cause death within one year of the request for treatment). If you have a life-threatening Sickness or condition, under such circumstances, Benefits may be available for the New Pharmaceutical Product to the extent provided for in Section 5, *Additional Coverage Details*.
8. Compounded drugs that contain certain bulk chemicals. Compounded drugs that are available as a similar commercially available Pharmaceutical Product.

Experimental or Investigational or Unproven Services

1. Experimental or Investigational Services and Unproven Services and all services related to Experimental or Investigational and Unproven Services are excluded. The fact that an Experimental or Investigational or Unproven Service, treatment, device or pharmacological regimen is the only available treatment for a particular condition will not result in Benefits if the procedure is considered to be Experimental or Investigational or Unproven in the treatment of that particular condition.

This exclusion does not apply to Covered Health Services provided during a Clinical Trial for which Benefits are provided as described under *Clinical Trials* in Section 5, *Additional Coverage Details*.

Foot Care

1. Hygienic and preventive maintenance foot care. Examples include:

- Cleaning and soaking the feet.
- Applying skin creams in order to maintain skin tone.
- Other services that are performed when there is not a localized Sickness, Injury or symptom involving the foot.

This exclusion does not apply to preventive foot care for Covered Persons who are at risk of neurological or vascular disease arising from diseases such as diabetes.

2. Treatment of flat feet.
3. Treatment of subluxation of the foot.
4. Arch supports.

Medical Supplies and Equipment

1. Prescribed or non-prescribed medical supplies. Examples of supplies that are not covered include, but are not limited to:

- Compression stockings, ace bandages, diabetic strips, and syringes.

This exclusion does not apply to:

- Ostomy bags and related supplies for which Benefits are provided as described under *Ostomy Supplies* in Section 5, *Additional Coverage Details*.
 - Disposable supplies necessary for the effective use of Durable Medical Equipment for which Benefits are provided as described under *Durable Medical Equipment* in Section 5, *Additional Coverage Details*.
 - Diabetic supplies for which Benefits are provided as described under *Diabetes Services* in Section 5, *Additional Coverage Details*.
 - Urinary catheters for which Benefits are provided as described under *Urinary Catheters* in Section 5, *Additional Coverage Details*.
2. Tubings, nasal cannulas, connectors and masks except when used with Durable Medical Equipment.
 3. The repair and replacement of Durable Medical Equipment when damaged due to misuse, malicious breakage or gross neglect.
 4. The replacement of lost or stolen Durable Medical Equipment.
 5. Deodorants, filters, lubricants, tape, appliance cleaners, adhesive, adhesive remover or other items that are not specifically identified under *Ostomy Supplies* in Section 5, *Additional Coverage Details*.

Mental Health, Neurobiological Disorders - Autism Spectrum Disorder and Substance-Related and Addictive Disorders Services

In addition to all other exclusions listed in this Section 7, *Exclusions and Limitations*, the exclusions listed directly below apply to services described under *Mental Health Services*, *Neurobiological Disorders - Autism Spectrum Disorder Services* and/or *Substance-Related and Addictive Disorders Services* in Section 5, *Additional Coverage Details*.

1. Services performed in connection with conditions not classified in the current edition of the *International Classification of Diseases section on Mental and Behavioral Disorders* or *Diagnostic and Statistical Manual of the American Psychiatric Association*.
2. Outside of an initial assessment, services as treatments for a primary diagnosis of conditions and problems that may be a focus of clinical attention but are specifically noted not to be mental disorders within the current edition of the *Diagnostic and Statistical Manual of the American Psychiatric Association*.
3. Outside of initial assessment, services as treatments for the primary diagnoses of learning disabilities, gambling disorder, and paraphilic disorders.
4. Services that are solely educational in nature or otherwise paid under state or federal law for purely educational purposes.
5. Tuition for or services that are school-based for children and adolescents required to be provided by, or paid for by, the school under the *Individuals with Disabilities Education Act*.
6. Outside of initial assessment, unspecified disorders for which the provider is not obligated to provide clinical rationale as defined in the current edition of the *Diagnostic and Statistical Manual of the American Psychiatric Association*.
7. Transitional Living services.
8. Non-Medical 24-Hour Withdrawal Management.
9. High intensity residential care including *American Society of Addiction Medicine (ASAM)* criteria for Covered Persons with substance-related and addictive disorders who are unable to participate in their care due to significant cognitive impairment.

Nutrition

1. Nutritional or cosmetic therapy using high dose or mega quantities of vitamins, minerals or elements, and other nutrition based therapy. Examples include supplements, electrolytes and foods of any kind (including high protein foods and low carbohydrate foods).
2. Food of any kind. Foods that are not covered include:
 - nutritional and electrolyte formulas, including infant formula and donor breast milk, even if they are specifically created to treat inborn errors of metabolism such as phenylketonuria (PKU). Food is covered only when the sole source of nutrition and

- administered via enteral feeding (tube feeding). Infant formula available over the counter is always excluded;
- Foods to control weight, treat obesity (including liquid diets), lower cholesterol or control diabetes.
 - Oral vitamins and minerals.
 - Meals you can order from a menu, for an additional charge, during an Inpatient Stay.
 - Other dietary and electrolyte supplements.
3. Health education classes unless offered by UnitedHealthcare or its affiliates, including but not limited to asthma, smoking cessation, and weight control classes.

Personal Care, Comfort or Convenience

1. Television.
2. Telephone.
3. Beauty/barber service.
4. Guest service.
5. Supplies, equipment and similar incidentals for personal comfort. Examples include:
 - Air conditioners, air purifiers and filters and dehumidifiers.
 - Batteries and battery chargers.
 - Breast pumps. This exclusion does not apply to breast pumps for which Benefits are provided under the *Health Resources and Services Administration (HRSA)* requirement;
 - Car seats.
 - Chairs, bath chairs, feeding chairs, toddler chairs, ergonomically correct chairs, chair lifts and recliners.
 - Exercise equipment and treadmills.
 - Hot tubs.
 - Humidifiers.
 - Jacuzzis.
 - Medical alert systems.
 - Motorized beds, non-Hospital beds, comfort beds and mattresses.
 - Music devices.
 - Personal computers.
 - Pillows.
 - Power-operated vehicles.
 - Radios.
 - Saunas.
 - Stair lifts and stair glides.
 - Strollers.
 - Safety equipment.
 - Treadmills.
 - Vehicle modifications such as van lifts.
 - Video players.
 - Whirlpools.

Physical Appearance

1. Cosmetic Procedures. See the definition in Section 12, *Glossary*. Examples include:
 - Liposuction or removal of fat deposits considered undesirable, including fat accumulation under the male breast and nipple. This exclusion does not apply to liposuction for which Benefits are provided as described under *Reconstructive Procedures* in Section 5, *Additional Coverage Details*.
 - Pharmacological regimens, nutritional procedures or treatments.
 - Scar or tattoo removal or revision procedures (such as salabrasion, chemosurgery and other such skin abrasion procedures).
 - Sclerotherapy treatment of veins.
 - Hair removal or replacement by any means.
 - Treatments for skin wrinkles or any treatment to improve the appearance of the skin.
 - Treatment for spider veins.
 - Skin abrasion procedures performed as a treatment for acne.
 - Treatments for hair loss.
 - Varicose vein treatment of the lower extremities, when it is considered cosmetic.
2. Replacement of an existing intact breast implant if the earlier breast implant was performed as a Cosmetic Procedure. **Note:** Replacement of an existing breast implant is considered reconstructive if the initial breast implant followed mastectomy. See *Reconstructive Procedures* in Section 5, *Additional Coverage Details*.
3. Physical conditioning programs such as athletic training, body-building, exercise, fitness, flexibility, health club memberships and programs, spa treatments and diversion or general motivation.
4. Weight loss programs whether or not they are under medical supervision or for medical reasons, even if for morbid obesity.
5. Wigs regardless of the reason for the hair loss except as described under *Wigs* in Section 5, *Additional Coverage Details*.
6. Treatment of benign gynecomastia (abnormal breast enlargement in males).

Procedures and Treatments

1. Biofeedback.
2. Medical and surgical treatment of snoring, except when provided as a part of treatment for documented obstructive sleep apnea (a sleep disorder in which a person regularly stops breathing for 10 seconds or longer).
3. Rehabilitation services and Manipulative/Chiropractic Treatment to improve general physical condition that are provided to reduce potential risk factors, where significant therapeutic improvement is not expected, including routine, long-term or maintenance/preventive treatment.
4. Speech therapy to treat stuttering, stammering, or other articulation disorders.

5. Speech therapy, except when required for treatment of a speech impairment or speech dysfunction that results from Injury, stroke, cancer, Congenital Anomaly or Autism Spectrum Disorder as identified under *Rehabilitation Services - Outpatient Therapy* in Section 5, *Additional Coverage Details*.
6. A procedure or surgery to remove fatty tissue such as panniculectomy, abdominoplasty, thighplasty, brachioplasty, or mastopexy.
7. Excision or elimination of hanging skin on any part of the body. Examples include plastic surgery procedures called abdominoplasty or abdominal panniculectomy and brachioplasty.
8. Psychosurgery (lobotomy).
9. Treatment of tobacco dependency, excluding screenings and counseling.
10. Chelation therapy, except to treat heavy metal poisoning.
11. Manipulative/chiropractic Treatment to treat a condition unrelated to spinal manipulation and ancillary physiologic treatment rendered to restore/improve motion, reduce pain and improve function, such as asthma or allergies.
12. Physiological modalities and procedures that result in similar or redundant therapeutic effects when performed on the same body region during the same visit or office encounter.
13. The following treatments for obesity:
 - Non-surgical treatment of obesity, even if for morbid obesity.
 - Surgical treatment of obesity unless there is a diagnosis of morbid obesity as described under *Obesity Surgery* in Section 5, *Additional Coverage Details* and the other requirements described under *Obesity Surgery* in Section 5, *Additional Coverage Details*, are satisfied.
14. Medical and surgical treatment of excessive sweating (hyperhidrosis).
15. The following services for the diagnosis and treatment of TMJ: surface electromyography; Doppler analysis; vibration analysis; computerized mandibular scan or jaw tracking; cranosacral therapy; orthodontics; occlusal adjustment; dental restorations.
16. Breast reduction surgery that is determined to be a Cosmetic Procedure.

This exclusion does not apply to breast reduction surgery which the Claims Administrator determines is requested to treat a physiologic functional impairment or to coverage required by the Women's Health and Cancer Right's Act of 1998 for which Benefits are described under *Reconstructive Procedures* in Section 5, *Additional Coverage Details*.

17. Outpatient cognitive rehabilitation therapy except as Medically Necessary following traumatic brain Injury or cerebral vascular accident.
18. Habilitative services or therapies for the purpose of general well-being or condition in the absence of a disabling condition..
19. Intracellular micronutrient testing.
20. Sex transformation operations and related services.

Providers

1. Services performed by a provider who is a family member by birth or marriage, including your Spouse, brother, sister, parent or child. This includes any service the provider may perform on himself or herself.
2. Services performed by a provider with your same legal residence.
3. Services ordered or delivered by a Christian Science practitioner.
4. Services performed by an unlicensed provider or a provider who is operating outside of the scope of his/her license.
5. Services provided at a free-standing or Hospital-based diagnostic facility without an order written by a Physician or other provider. Services that are self-directed to a free-standing or Hospital-based diagnostic facility. Services ordered by a Physician or other provider who is an employee or representative of a free-standing or Hospital-based diagnostic facility, when that Physician or other provider:
 - Has not been actively involved in your medical care prior to ordering the service.
 - Is not actively involved in your medical care after the service is received.

This exclusion does not apply to mammography.

Reproduction

1. Health care services and related expenses for infertility treatments, including assisted reproductive technology, regardless of the reason for the treatment.
2. The following services related to a Gestational Carrier or Surrogate:
 - Fees for the use of a Gestational Carrier or Surrogate.
 - Insemination or InVitro fertilization procedures for Surrogate or transfer of an embryo to Gestational Carrier.
 - Pregnancy services for a Gestational Carrier or Surrogate who is not a Covered Person.
3. Donor, Gestational Carrier or Surrogate administration, agency fees or compensation.
4. The following services related to donor services for donor sperm, ovum (egg cell) or oocytes (eggs), or embryos (fertilized eggs):

- Known egg donor (altruistic donation i.e., friend, relative or acquaintance) - The cost of donor eggs. Medical costs related to donor stimulation and egg retrieval. This refers to purchasing or receiving a donated egg that is fresh, or one that has already been retrieved and is frozen.
 - Purchased egg donor (i.e., clinic or egg bank) – The cost of donor eggs. Medical costs related to donor stimulation and egg retrieval. This refers to purchasing a donor egg that has already been retrieved and is frozen or choosing a donor who will then undergo an egg retrieval once they have been selected in the database.
 - Known donor sperm (altruistic donation i.e., friend, relative or acquaintance) – The cost of sperm collection, cryopreservation and storage. This refers to purchasing or receiving donated sperm that is fresh, or that has already been obtained and is frozen.
 - Purchased donor sperm (i.e., clinic or sperm bank) – The cost of procurement and storage of donor sperm. This refers to purchasing donor sperm that has already been obtained and is frozen or choosing a donor from a database.
5. Storage and retrieval of all reproductive materials. Examples include eggs, sperm, testicular tissue and ovarian tissue.
 6. The reversal of voluntary sterilization.
 7. Health care services and related expenses for surgical, non-surgical or drug-induced Pregnancy termination. This exclusion does not apply to treatment of a molar Pregnancy, ectopic Pregnancy, missed abortion (commonly known as a miscarriage), or medically necessary termination of pregnancy through the first 16 weeks of pregnancy.
 8. InVitro fertilization regardless of the reason for treatment.
 9. Assisted Reproductive Technology procedures done for non-genetic disorder sex selection or eugenic (selective breeding) purposes.

Services Provided under Another Plan

Services for which coverage is available:

1. Under another plan, except for Eligible Expenses payable as described in Section 9, *Coordination of Benefits (COB)*.
2. Under workers' compensation, no-fault automobile coverage or similar legislation if you could elect it or could have it elected for you.
3. While on active military duty.
4. For treatment of military service-related disabilities when you are legally entitled to other coverage and facilities are reasonably available to you.

Transplants

1. Health services for organ and tissue transplants except as identified under *Transplantation Services* in Section 5, *Additional Coverage Details* unless UnitedHealthcare determines the transplant to be appropriate according to UnitedHealthcare's transplant guidelines;

2. Health services for transplants involving animal organs;
3. Health services connected with the removal of an organ or tissue from you for purposes of a transplant to another person. (Donor costs for removal are payable for a transplant through the organ recipient's Benefits under the Plan.)

Travel

1. Health services provided in a foreign country, unless required as Emergency Health Services;
2. Travel or transportation expenses, even if ordered by a Physician, except as identified under *Complex Medical Conditions Travel and Lodging Assistance Program for the Covered Health Services* described in Section 6, *Clinical Programs and Resources*, and except as identified under *Travel and Lodging* in Section 2, *How the Plan Works*. Additional travel expenses related to Covered Health Services received from a Designated Provider or other Network Provider may be reimbursed at the Plan's discretion. This exclusion does not apply to ambulance transportation for which Benefits are provided as described under *Ambulance Services* in Section 5, *Additional Coverage Details*.

Types of Care

1. Custodial Care as defined in Section 12, *Glossary* or maintenance care.
2. Domiciliary Care, as defined in Section 12, *Glossary*.
3. Multi-disciplinary pain management programs provided on an inpatient basis for acute pain or for exacerbation of chronic pain.
4. Provider concierge services.
5. Private Duty Nursing received on an inpatient basis.
6. Respite care. This exclusion does not apply to respite care that is part of an integrated hospice care program of services provided to a terminally ill person by a licensed hospice care agency for which Benefits are provided as described under *Hospice Care* in Section 5, *Additional Coverage Details*.
7. Rest cures.
8. Services of personal care attendants.
9. Work hardening (individualized treatment programs designed to return a person to work or to prepare a person for specific work).

Vision and Hearing

1. Implantable lenses used only to correct a refractive error (such as *Intacs* corneal implants).

2. Purchase cost and associated fitting charges for eyeglasses or contact lenses.
3. Eye exercise or vision therapy.
4. Surgery and other related treatment that is intended to correct nearsightedness, farsightedness, presbyopia and astigmatism including, but not limited to, procedures such as laser and other refractive eye surgery and radial keratotomy.
5. Purchase cost and associated fitting and testing charges for hearing aids, Bone Anchor Hearing Aids (BAHA) and all other hearing assistive devices.

All Other Exclusions

1. Autopsies and other coroner services and transportation services for a corpse.
2. Charges for:
 - Missed appointments.
 - Room or facility reservations.
 - Completion of claim forms.
 - Record processing.
3. Charges prohibited by federal anti-kickback or self-referral statutes.
4. Diagnostic tests that are:
 - Delivered in other than a Physician's office or health care facility.
 - Self-administered home diagnostic tests, including but not limited to HIV and Pregnancy tests.
5. Expenses for health services and supplies:
 - That are received as a result of war or any act of war, whether declared or undeclared, while part of any armed service force of any country. This exclusion does not apply to Covered Persons who are civilians injured or otherwise affected by war, any act of war or terrorism in a non-war zone.
 - That are received after the date your coverage under this Plan ends, including health services for medical conditions which began before the date your coverage under the Plan ends.
 - For which you have no legal responsibility to pay, or for which a charge would not ordinarily be made in the absence of coverage under this Plan.
 - That exceed Eligible Expenses or any specified limitation in this Benefit Booklet
 - For which a non-Network provider waives the Copayment, Annual Deductible or Coinsurance amounts.
6. Foreign language and sign language services.
7. Long term (more than 30 days) storage of blood, umbilical cord or other material. Examples include cryopreservation of tissue, blood and blood products.

8. Health services related to a non-Covered Health Service: When a service is not a Covered Health Service, all services related to that non-Covered Health Service are also excluded. This exclusion does not apply to services the Plan would otherwise determine to be Covered Health Services if they are to treat complications that arise from the non-Covered Health Service.

For the purpose of this exclusion, a "complication" is an unexpected or unanticipated condition that is superimposed on an existing disease and that affects or modifies the prognosis of the original disease or condition. Examples of a "complication" are bleeding or infections, following a Cosmetic Procedure, that require hospitalization.

9. Physical, psychiatric or psychological exams, testing, vaccinations, immunizations or treatments when:
- Required solely for purposes of education, sports or camp, travel, career or employment, insurance, marriage or adoption; or as a result of incarceration.
 - Conducted for purposes of medical research. This exclusion does not apply to Covered Health Services provided during a Clinical Trial for which Benefits are provided as described under *Clinical Trials* in Section 5, *Additional Coverage Details*.
 - Related to judicial or administrative proceedings or orders.
 - Required to obtain or maintain a license of any type.
10. Multi-disciplinary pain management programs provided on an inpatient basis for acute pain or for exacerbation of chronic pain.
11. Health services and supplies that do not meet the definition of a Covered Health Service as defined in Section 12, *Glossary*. Covered Health Services are those health services including services, supplies or Pharmaceutical Products, which the Claims Administrator determines to be all of the following:
- Medically Necessary.
 - Described as a Covered Health Service in this Benefit Booklet under Section 5, *Additional Coverage Details* and in Section 4, *Plan Highlights*.
 - Not otherwise excluded in this Benefit Booklet under this Section 7, *Exclusions and Limitations*.

SECTION 8 - CLAIMS PROCEDURES

What this section includes:

- How Network and non-Network claims work.
- What to do if your claim is denied, in whole or in part.

Network Benefits

In general, if you receive Covered Health Services from a Network provider, UnitedHealthcare will pay the Physician or facility directly. If a Network provider bills you for any Covered Health Service other than your Deductible, Coinsurance or Copay, please contact the provider or call UnitedHealthcare at the phone number on your ID card for assistance.

Keep in mind, you are responsible for meeting the Annual Deductible and paying any Copay or Coinsurance owed to a Network provider at the time of service, or when you receive a bill from the provider.

Non-Network Benefits

If you receive a bill for Covered Health Services from a non-Network provider, you (or the provider if they prefer) must send the bill to UnitedHealthcare for processing. To make sure the claim is processed promptly and accurately, a completed claim form must be attached and mailed to UnitedHealthcare at the address on your ID card.

If Your Provider Does Not File Your Claim

You can obtain a claim form by visiting www.myuhc.com, calling the number on your ID card or by visiting the Duke Energy Portal. If you do not have a claim form, simply attach a brief letter of explanation to the bill and verify that the bill contains the information listed below. If any of these items are missing from the bill, you can include them in your letter:

- Your name and address.
- The patient's name, age and relationship to the Retiree.
- The number as shown on your ID card.
- The name, address and tax identification number of the provider of the service(s).
- A diagnosis from the Physician.
- The date of service.
- An itemized bill from the provider that includes:
 - The Current Procedural Terminology (CPT) codes.
 - A description of, and the charge for, each service.
 - The date the Sickness or Injury began.
 - A statement indicating either that you are, or you are not, enrolled for coverage under any other health insurance plan or program. If you are enrolled for other coverage you must include the name and address of the other carrier(s).

Failure to provide all the information listed above may delay any reimbursement that may be due you.

The above information should be filed with UnitedHealthcare at the address on your ID card.

After UnitedHealthcare has processed your claim, you will receive payment for Benefits that the Plan allows. It is your responsibility to pay the non-Network provider the charges you incurred, including any difference between what you were billed and what the Plan paid.

Payment of Benefits

You may not assign, transfer, or in any way convey your Benefits under the Plan or any cause of action related to your Benefits under the Plan to a provider or to any other third party. Nothing in this Plan shall be construed to make the Plan, Plan Sponsor, or Claims Administrator or its affiliates liable for payments to a provider or to a third party to whom you may be liable for payments for Benefits.

The Plan will not recognize claims for Benefits brought by a third party. Also, any such third party shall not have standing to bring any such claim independently, as a Covered Person or beneficiary, or derivatively, as an assignee of a Covered Person or beneficiary.

References herein to “third parties” include references to providers as well as any collection agencies or third parties that have purchased accounts receivable from providers or to whom accounts receivables have been assigned.

As a matter of convenience to a Covered Person, and where practicable for the Claims Administrator (as determined in its sole discretion), the Claims Administrator may make payment of Benefits directly to a provider.

Any such payment to a provider:

- is NOT an assignment of your Benefits under the Plan or of any legal or equitable right to institute any proceeding relating to your Benefits; and
- is NOT a waiver of the prohibition on assignment of Benefits under the Plan; and
- shall NOT estop the Plan, Plan Sponsor, or Claims Administrator from asserting that any purported assignment of Benefits under the Plan is invalid and prohibited.

If this direct payment for your convenience is made, the Plan’s obligation to you with respect to such Benefits is extinguished by such payment. If any payment of your Benefits is made to a provider as a convenience to you, the Claims Administrator will treat you, rather than the provider, as the beneficiary of your claim for Benefits, and the Plan reserves the right to offset any Benefits to be paid to a provider by any amounts that the provider owes the Plan (including amounts owed as a result of the assignment of other plans’ overpayment recovery rights to the Plan), pursuant to *Refund of Overpayments* in *Section 9: Coordination of Benefit*.

Eligible Expenses due to a non-Network provider for Covered Health Services that are subject to the *No Surprises Act* of the *Consolidated Appropriations Act (P.L. 116-260)* are paid directly to the provider.

Form of Payment of Benefits

Payment of Benefits under the Plan shall be in cash or cash equivalents, or in the form of other consideration that UnitedHealthcare in its discretion determines to be adequate. Where Benefits are payable directly to a provider, such adequate consideration includes the forgiveness in whole or in part of amounts the provider owes to other plans for which UnitedHealthcare makes payments, where the Plan has taken an assignment of the other plans' recovery rights for value.

Health Statements

Each month in which UnitedHealthcare processes at least one claim for you or a covered Dependent, you will receive a Health Statement in the mail. Health Statements make it easy for you to manage your family's medical costs by providing claims information in easy-to-understand terms.

If you would rather track claims for yourself and your covered Dependents online, you may do so at www.myuhc.com. You may also elect to discontinue receipt of paper Health Statements by making the appropriate selection on this site.

Explanation of Benefits (EOB)

You may request that UnitedHealthcare send you a paper copy of an Explanation of Benefits (EOB) after processing the claim. The EOB will let you know if there is any portion of the claim you need to pay. If any claims are denied in whole or in part, the EOB will include the following:

- the specific reason or reasons for the denial;
- reference to the specific Plan provisions on which the denial is based;
- a description of any additional material or information necessary for you to perfect your claim and an explanation of why such material or information is necessary;
- a description of the Plan's review procedures, the time limits applicable to such procedures and how to initiate an appeal, including a statement of your right to bring a civil action under Section 502(a) of ERISA following any final adverse benefit determination and any time limits for filing such a civil action;
- if an internal rule, guideline, protocol or other similar criterion was relied on in making the denial, either the specific rule, guideline, protocol or other similar criterion or a statement that such a rule, guideline, protocol or similar criterion was relied upon in making the denial and that a copy of such rule, guideline, protocol or criterion will be provided free of charge upon request;
- if the denial is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the

denial, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided free of charge upon request; and

- in the case of a denial concerning an Urgent Care claim, a description of the expedited review process applicable to such claims.

If you would like paper copies of the EOBs, you may call the number on your ID card to request them. You can also view and print all of your EOBs online at www.myuhc.com.

See Section 12, *Glossary* for the definition of Explanation of Benefits.

Important - Timely Filing of Non-Network Claims

All claim forms for non-Network services must be submitted within 18 months after the date of service. Otherwise, the Plan will not pay any Benefits for that Eligible Expense, or Benefits will be reduced, as determined by UnitedHealthcare. This 18 month requirement does not apply if you are legally incapacitated. If your claim relates to an Inpatient Stay, the date of service is the date your Inpatient Stay ends.

Claim Denials and Appeals

This section describes what happens if a claim for Benefits is denied, how you can appeal a denied claim and the first and second level appeals processes. At the end of this section is a table which describes the time frames that you and UnitedHealthcare are required to follow in connection with the claims and appeals processes.

If Your Claim is Denied

If a claim for Benefits is denied in part or in whole, you may call UnitedHealthcare at the number on your ID card before requesting a formal appeal. If UnitedHealthcare cannot resolve the issue to your satisfaction over the phone, you have the right to file a formal appeal as described below.

How to Appeal a Denied Claim

If you wish to appeal a denied pre-service request for Benefits, post-service claim or a concurrent claim determination, including a rescission of coverage, as described below, you or your authorized representative must submit your appeal in writing within 180 days of receiving the denial. This written communication should include:

- The patient's name and ID number as shown on the ID card.
- The provider's name.
- The date of medical service.
- The reason you disagree with the denial.
- Any documentation or other written information to support your request.

You or your authorized representative may send a written request for an appeal to:

UnitedHealthcare - Appeals
P.O. Box 740809

Atlanta, Georgia 30374

For Urgent Care requests for Benefits that have been denied, you or your provider can call UnitedHealthcare at the number on your ID card to request an appeal.

Types of claims

The timing of the claims appeal process is based on the type of claim you are appealing. If you wish to appeal a claim, it helps to understand whether it is an:

- Urgent Care request for Benefits.
- Pre-service request for Benefits.
- Post-service claim.
- Concurrent claim.

Urgent Appeals that Require Immediate Action

Your appeal may require immediate action if a delay in treatment could significantly increase the risk to your health, or the ability to regain maximum function, or cause severe pain. If your situation is urgent, your review will be conducted as quickly as possible. If you believe your situation is urgent, you may request an expedited review, and, if applicable, file an external review at the same time. For help call the Claims Administrator at the number listed on your ID card. Generally, an urgent situation is when your life or health may be in serious jeopardy, or when, in the opinion of your doctor, you may be experiencing severe pain that cannot be adequately controlled while you wait for a decision on your claim or appeal.

Review of an Appeal

UnitedHealthcare will conduct a full and fair review of your appeal, and will take into account all comments, documents, records and other information you submit relating to your claim for Benefits, without regard to whether such information was submitted or considered in the initial denial. The appeal may be reviewed by:

- An appropriate individual(s) who did not make the initial benefit determination.
- A health care professional with appropriate expertise who was not consulted during the initial benefit determination process.

Once the review is complete, if UnitedHealthcare upholds the denial, you will receive a written explanation of the reasons and facts relating to the denial. The written explanation will include the following:

- the specific reason or reasons for the adverse determination of your appeal;
- reference to the specific Plan provisions on which the determination of your appeal is based;
- a statement regarding your right, upon request and free of charge, to access and receive copies of documents, records and other information relevant to the claim;
- a statement regarding your right to bring a civil action under Section 502(a) of ERISA following any final adverse benefit determination and any time limits for filing such a civil action and about any available voluntary alternative dispute resolution options;

- if an internal rule, guideline, protocol or other similar criterion was relied on in making the adverse determination, either the specific rule, guideline, protocol or other similar criterion or a statement that such a rule, guideline, protocol or similar criterion was relied upon in making the determination and that a copy of such rule, guideline, protocol, or criterion will be provided free of charge upon request; and
- if the adverse determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided free of charge upon request.

Filing a Second Appeal

Your Plan offers two levels of appeal. If you are not satisfied with the first level appeal decision, you have the right to request a second level appeal from UnitedHealthcare within 60 days from receipt of the first level appeal determination.

Note: Upon written request and free of charge, any Covered Persons may examine their claim and/or appeals file(s). Covered Persons may also submit evidence, opinions and comments as part of the internal claims review process. UnitedHealthcare will review all claims in accordance with the rules established by the *U.S. Department of Labor*. Any Covered Person will be automatically provided, free of charge, and sufficiently in advance of the date on which the notice of final internal adverse benefit determination is required, with: (i) any new or additional evidence considered, relied upon or generated by the Plan in connection with the claim; and, (ii) a reasonable opportunity for any Covered Person to respond to such new evidence or rationale.

Timing of Appeals Determinations

Separate schedules apply to the timing of claims and appeals, depending on the type of claim or appeal. There are three types of claims and appeals:

- Urgent Care request for Benefits - a request for Benefits provided in connection with Urgent Care services;
- Pre-Service request for Benefits - a request for Benefits which the Plan must approve or in which you must notify UnitedHealthcare before non-Urgent Care is provided; and
- Post-Service claim - a claim for reimbursement of the cost of non-Urgent Care that has already been provided.

Please note that the Claims Administrator's decision is based only on whether or not Benefits are available under the Plan for the proposed treatment or procedure. The determination as to whether the pending health service is necessary or appropriate is between you and your Physician.

The tables below describe the time frames which you and UnitedHealthcare are required to follow.

Urgent Care Request for Benefits*	
Type of Request for Benefits or Appeal	Timing
If your request for Benefits is incomplete, UnitedHealthcare must notify you within:	24 hours
You must then provide completed request for Benefits to UnitedHealthcare within:	48 hours after receiving notice of additional information required
UnitedHealthcare must notify you of the benefit determination within:	72 hours
If UnitedHealthcare denies your request for Benefits, you must appeal the adverse benefit determination no later than:	180 days after receiving the adverse benefit determination
UnitedHealthcare must notify you of the appeal decision within:	72 hours after receiving the appeal

*You do not need to submit Urgent Care appeals in writing. You should call UnitedHealthcare as soon as possible to appeal a denied Urgent Care request for Benefits.

Pre-Service Request for Benefits*	
Type of Request for Benefits or Appeal	Timing
If your request for Benefits is filed improperly, UnitedHealthcare must notify you within:	5 days
If your request for Benefits is incomplete, UnitedHealthcare must notify you within:	15 days
You must then provide completed request for Benefits information to UnitedHealthcare within:	45 days
If UnitedHealthcare denies your initial request for Benefits, they must notify you of the denial:	
■ if the initial request for Benefits is complete, within:	15 days
■ after receiving the completed request for Benefits (if the initial request for Benefits is incomplete), within:	15 days
You must appeal the request for Benefits denial no later than:	180 days after receiving the denial
UnitedHealthcare must notify you of the first level appeal decision within:	15 days after receiving the first level appeal

You must appeal the first level appeal (file a second level appeal) within:	60 days after receiving the first level appeal decision
UnitedHealthcare must notify you of the second level appeal decision within:	15 days after receiving the second level appeal
*UnitedHealthcare may require a one-time extension for the initial claim determination, of no more than 15 days, only if more time is needed due to circumstances beyond control of the Plan.	
Post-Service Claims	
Type of Claim or Appeal	Timing
If your claim is incomplete, UnitedHealthcare must notify you within:	30 days
You must then provide completed claim information to UnitedHealthcare within:	45 days
If UnitedHealthcare denies your initial claim, they must notify you of the denial:	
■ if the initial claim is complete, within:	30 days
■ after receiving the completed claim (if the initial claim is incomplete), within:	30 days
You must appeal the claim denial no later than:	180 days after receiving the denial
UnitedHealthcare must notify you of the first level appeal decision within:	30 days after receiving the first level appeal
You must appeal the first level appeal (file a second level appeal) within:	60 days after receiving the first level appeal decision
UnitedHealthcare must notify you of the second level appeal decision within:	30 days after receiving the second level appeal

Concurrent Care Claims

If an on-going course of treatment was previously approved for a specific period of time or number of treatments, and your request to extend the treatment is an Urgent Care request for Benefits as defined above, your request will be decided within 24 hours, provided your request is made at least 24 hours prior to the end of the approved treatment.

UnitedHealthcare will make a determination on your request for the extended treatment within 24 hours from receipt of your request.

If your request for extended treatment is not made at least 24 hours prior to the end of the approved treatment, the request will be treated as an Urgent Care request for Benefits and decided according to the timeframes described above. If an on-going course of treatment

was previously approved for a specific period of time or number of treatments, and you request to extend treatment in a non-urgent circumstance, your request will be considered a new request and decided according to post-service or pre-service timeframes, whichever applies.

External Review Program

If, after exhausting your internal appeals, you are not satisfied with the determination made by UnitedHealthcare, or if UnitedHealthcare fails to respond to your appeal in accordance with applicable regulations regarding timing, you may be entitled to request an external review of UnitedHealthcare's determination. The process is available at no charge to you.

If one of the above conditions is met, you may request an external review of adverse benefit determinations based upon any of the following:

- Clinical reasons.
- The exclusions for Experimental or Investigational Service(s) or Unproven Service(s).
- Rescission of coverage (coverage that was cancelled or discontinued retroactively).
- As otherwise required by applicable law.

You or your representative may request a standard external review by sending a written request to the address set out in the determination letter. You or your representative may request an expedited external review, in urgent situations as detailed below, by calling the number on your ID card or by sending a written request to the address set out in the determination letter. A request must be made within four months after the date you received UnitedHealthcare's decision. If you do not submit a request for standard external review within four months after the date you received UnitedHealthcare's decision, your claim will be deemed permanently waived and abandoned, and you will be precluded from reasserting it under these procedures.

An external review request should include all of the following:

- A specific request for an external review.
- The Covered Person's name, address, and insurance ID number.
- Your designated representative's name and address, when applicable.
- The service that was denied.
- Any new, relevant information that was not provided during the internal appeal.

An external review will be performed by an Independent Review Organization (IRO). UnitedHealthcare has entered into agreements with three or more IROs that have agreed to perform such reviews. There are two types of external reviews available:

- A standard external review.
- An expedited external review.

Standard External Review

A standard external review is comprised of all of the following:

- A preliminary review by UnitedHealthcare of the request.
- A referral of the request by UnitedHealthcare to the IRO.
- A decision by the IRO.

Within the applicable timeframe after receipt of the request, UnitedHealthcare will complete a preliminary review to determine whether the individual for whom the request was submitted meets all of the following:

- Is or was covered under the Plan at the time the health care service or procedure that is at issue in the request was requested or provided.
- Did not have the claim denied due to a failure to meet the Plan's eligibility requirements.
- Has exhausted the applicable internal appeals process.
- Has provided all the information and forms required so that UnitedHealthcare may process the request.

After UnitedHealthcare completes the preliminary review, UnitedHealthcare will issue a notification in writing to you. If the request is complete but is not eligible for external review, the notice will include the reason or reasons for the denial and contact information for the Department of Labor's Employee Benefits Security Administration. If the request is not complete, the notice will describe the information or materials necessary to make the request complete. You must provide the required information to UnitedHealthcare within the original four-month filing period or within the 48-hour period following receipt of the notification, whichever is later.

If you do not provide the required information by the applicable deadline, the claim will be deemed permanently waived and abandoned and you will be precluded from reasserting it under these procedures.

If the request is eligible for external review, UnitedHealthcare will assign an IRO to conduct such review. UnitedHealthcare will assign requests by either rotating claims assignments among the IROs or by using a random selection process.

The *IRO* will notify you in writing of the request's eligibility and acceptance for external review and if necessary, for any additional information needed to conduct the external review. You will generally have to submit the additional information in writing to the *IRO* within ten business days following the date you receive the *IRO's* request for the additional information. The *IRO* is not required to, but may, accept and consider additional information submitted by you after ten business days.

UnitedHealthcare will provide to the assigned IRO the documents and information considered in making UnitedHealthcare's determination. The documents include:

- All relevant medical records.

- All other documents relied upon by UnitedHealthcare.
- All other information or evidence that you or your Physician submitted. If there is any information or evidence you or your Physician wish to submit that was not previously provided, you may include this information with your external review request and UnitedHealthcare will include it with the documents forwarded to the IRO.

In reaching a decision, the IRO will review the claim anew and not be bound by any decisions or conclusions reached by UnitedHealthcare. The IRO will provide written notice of its determination (the “Final External Review Decision”) within 45 days after it receives the request for the external review (unless they request additional time and you agree). The IRO will deliver the notice of Final External Review Decision to you and UnitedHealthcare, and it will include the following:

- a general description of the reason for the request for external review, including information sufficient to identify the claim;
- the date the IRO received the assignment to conduct the external review and the date of the IRO decision;
- references to the evidence or documentation, including the specific coverage provisions and evidence-based standards, the IRO considered in reaching its decision;
- a discussion of the principal reason or reasons for the IRO’s decision, including the rationale for its decision and any evidence-based standards that were relied on in making the decision;
- a statement that the determination is binding except to the extent that other remedies may be available under State or Federal law to you or the Plan;
- a statement that judicial review may be available to you; and
- current contact information, including phone number, for any applicable office of health insurance consumer assistance or ombudsman.

Upon receipt of a Final External Review Decision reversing UnitedHealthcare’s determination, the Plan will immediately provide coverage or payment for the benefit claim at issue in accordance with the terms and conditions of the Plan, and any applicable law regarding plan remedies. If the Final External Review Decision agrees with UnitedHealthcare’s determination, the Plan will not be obligated to provide Benefits for the health care service or procedure.

Expedited External Review

An expedited external review is similar to a standard external review. The most significant difference between the two is that the time periods for completing certain portions of the review process are much shorter, and in some instances, you may file an expedited external review before completing the internal appeals process.

You may make a written or verbal request for an expedited external review if you receive either of the following:

- An adverse benefit determination of a claim or appeal if the adverse benefit determination involves a medical condition for which the time frame for completion of an expedited internal appeal would seriously jeopardize the life or health of the individual or would jeopardize the individual's ability to regain maximum function and you have filed a request for an expedited internal appeal.
- A final appeal decision, if the determination involves a medical condition where the timeframe for completion of a standard external review would seriously jeopardize the life or health of the individual or would jeopardize the individual's ability to regain maximum function, or if the final appeal decision concerns an admission, availability of care, continued stay, or health care service, procedure or product for which the individual received emergency services, but has not been discharged from a facility.

Immediately upon receipt of the request, UnitedHealthcare will determine whether the individual meets both of the following:

- Is or was covered under the Plan at the time the health care service or procedure that is at issue in the request was provided.
- Has provided all the information and forms required so that UnitedHealthcare may process the request.

After UnitedHealthcare completes the review, UnitedHealthcare will immediately send a notice in writing to you as described above with respect to the Standard External Review Process. Upon a determination that a request is eligible for expedited external review, UnitedHealthcare will assign an IRO in the same manner UnitedHealthcare utilizes to assign standard external reviews to IROs. UnitedHealthcare will provide all necessary documents and information considered in making the adverse benefit determination or final adverse benefit determination to the assigned IRO electronically or by telephone or facsimile or any other available expeditious method. The IRO, to the extent the information or documents are available and the IRO considers them appropriate, must consider the same type of information and documents considered in a standard external review.

In reaching a decision, the IRO will review the claim anew and not be bound by any decisions or conclusions reached by UnitedHealthcare. The IRO will provide notice of the final external review decision for an expedited external review as expeditiously as the claimant's medical condition or circumstances require, but in no event more than 72 hours after the IRO receives the request. If the initial notice is not in writing, within 48 hours after the date of providing the initial notice, the assigned IRO will provide written confirmation of the decision to you and to UnitedHealthcare.

You may contact UnitedHealthcare at the number on your ID card for more information regarding external review rights, or if making a verbal request for an expedited external review.

Limitation of Action

You cannot bring any legal action against the Company, the Plan, the Plan Administrator or the Claims Administrator to recover reimbursement until 90 days after you have properly submitted a request for reimbursement as described in this section and all required reviews of your claim have been completed. You cannot bring any legal action against the Company,

the Plan, the Plan Administrator or the Claims Administrator unless you first complete all the steps in the appeal processes described in this section. After completing this process, if you want to bring a legal action against the Company, the Plan, the Plan Administrator or the Claims Administrator, you must do so within one year following a final decision on the claim under the appeal processes or you lose any rights to bring such an action against the Company, the Plan, the Plan Administrator or the Claims Administrator.

SECTION 9 - COORDINATION OF BENEFITS (COB)

Benefits When You Have Coverage under More than One Plan

This section describes how Benefits under this Plan will be coordinated with those of any other plan that provides benefits to you.

When Does Coordination of Benefits Apply?

This *Coordination of Benefits (COB)* provision applies to you if you are covered by more than one health benefits plan, including any one of the following:

- Another employer sponsored health benefits plan.
- A medical component of a group long-term care plan, such as skilled nursing care.
- No-fault or traditional "fault" type medical payment benefits or personal injury protection benefits under an auto insurance policy.
- Medical payment benefits under any premises liability or other types of liability coverage.
- Medicare or other governmental health benefit.

If coverage is provided under two or more plans, COB determines which plan is primary and which plan is secondary. The plan considered primary pays its benefits first, without regard to the possibility that another plan may cover some expenses. Any remaining expenses may be paid under the other plan, which is considered secondary. The Secondary Plan may determine its benefits based on the benefits paid by the Primary Plan. How much this Plan will reimburse you, if anything, will also depend in part on the Allowable Expense. The term, "Allowable Expense," is further explained below.

What Are the Rules for Determining the Order of Benefit Payments?

Order of Benefit Determination Rules

The order of benefit determination rules determine whether this Plan is a Primary plan or Secondary plan when the person has health care coverage under more than one plan. When this Plan is primary, it determines payment for its benefits first before those of any other plan without considering any other plan's benefits. When this Plan is secondary, it determines its benefits after those of another plan and may reduce the benefits it pays so that all plan benefits do not exceed 100% of the total Allowable Expense.

The order of benefit determination rules below govern the order in which each Plan will pay a claim for benefits.

- **Primary Plan.** The plan that pays first is called the Primary plan. The Primary plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses.
- **Secondary Plan.** The plan that pays after the Primary plan is the Secondary plan. The Secondary plan may reduce the benefits it pays so that payments from all Plans do not exceed 100% of the total Allowable Expense. Allowable Expense is defined below.

When a person is covered by two or more plans, the rules for determining the order of benefit payments are as follows:

- A. This Plan will always be secondary to medical payment coverage or personal injury protection coverage under any auto liability or no-fault insurance policy.
- B. When you have coverage under two or more medical plans and only one has COB provisions, the plan without COB provisions will pay benefits first.
- C. Each plan determines its order of benefits using the first of the following rules that apply:
1. **Non-Dependent or Dependent.** The plan that covers the person other than as a dependent, for example as an employee, former employee under COBRA, policyholder, subscriber or retiree is the Primary plan and the plan that covers the person as a dependent is the Secondary plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the plan covering the person as a dependent; and primary to the plan covering the person as other than a dependent (e.g., a retired employee); then the order of benefits between the two plans is reversed so that the plan covering the person as an employee, policyholder, subscriber or retiree is the Secondary plan and the other plan is the Primary plan.
 2. **Dependent Child Covered Under More Than One Coverage Plan.** Unless there is a court decree stating otherwise, plans covering a dependent child shall determine the order of benefits as follows:
 - a) For a dependent child whose parents are married or are living together, whether or not they have ever been married:
 - (1) The plan of the parent whose birthday falls earlier in the calendar year is the Primary plan; or
 - (2) If both parents have the same birthday, the plan that covered the parent longest is the Primary plan.
 - b) For a dependent child whose parents are divorced or separated or are not living together, whether or not they have ever been married:
 - (1) If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the plan of that parent has actual knowledge of those terms, that Plan is primary. If the parent with responsibility has no health care coverage for the dependent child's health care expenses, but that parent's spouse does, that parent's spouse's plan is the Primary plan. This shall not apply with respect to any plan year during which benefits are paid or provided before the entity has actual knowledge of the court decree provision.
 - (2) If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of subparagraph a) above shall determine the order of benefits.
 - (3) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of subparagraph a) above shall determine the order of benefits.

(4) If there is no court decree allocating responsibility for the child's health care expenses or health care coverage, the order of benefits for the child are as follows:

- a) The plan covering the Custodial Parent.
- b) The plan covering the Custodial Parent's spouse.
- c) The plan covering the non-Custodial Parent.
- d) The plan covering the non-Custodial Parent's spouse.

For purpose of this section, Custodial Parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

- c) For a dependent child covered under more than one plan of individuals who are not the parents of the child, the order of benefits shall be determined, as applicable, under subparagraph a) or b) above as if those individuals were parents of the child.
- d) (i) For a dependent child who has coverage under either or both parents' plans and also has his or her own coverage as a dependent under a spouse's plan, the rule in paragraph (5) applies.
 - (ii) In the event the dependent child's coverage under the spouse's plan began on the same date as the dependent child's coverage under either or both parents' plans, the order of benefits shall be determined by applying the birthday rule in subparagraph (a) to the dependent child's parent(s) and the dependent's spouse.

3. **Active Employee or Retired or Laid-off Employee.** The plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other plan does not have this rule, and, as a result, the plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D.1. can determine the order of benefits.
4. **COBRA or State Continuation Coverage.** If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another plan, the plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary plan, and the COBRA or state or other federal continuation coverage is the Secondary plan. If the other plan does not have this rule, and as a result, the plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D.1. can determine the order of benefits.
5. **Longer or Shorter Length of Coverage.** The plan that covered the person the longer period of time is the Primary plan and the plan that covered the person the shorter period of time is the Secondary plan.

6. If the preceding rules do not determine the order of benefits, the Allowable Expenses shall be shared equally between the plans meeting the definition of Plan. In addition, this Plan will not pay more than it would have paid had it been the Primary plan.

How Are Benefits Paid When This Plan is Secondary?

If this Plan is secondary to any plan other than Medicare, it determines the amount it will pay for a Covered Health Services by following the steps below.

- The Plan determines the amount it would have paid based on the Allowable Expense.
- If this Plan would have paid the same amount or less than the Primary plan paid, this Plan pays no Benefits.
- If this Plan would have paid more than the Primary plan paid, the Plan will pay the difference.

You will be responsible for any applicable Copayment, Coinsurance or Annual Deductible payments as part of the COB payment. The maximum combined payment you can receive from all plans may be less than 100% of the Allowable Expense.

How is the Allowable Expense Determined when this Plan is Secondary?

Determining the Allowable Expense If this Plan is Secondary

What is an Allowable Expense? For purposes of COB, an Allowable Expense is a health care expense that meets the definition of a Covered Health Services under this Plan.

When the provider is a Network provider for both the Primary plan and this Plan, the Allowable Expense is the Primary plan's network rate. When the provider is a network provider for the Primary plan and a non-Network provider for this Plan, the Allowable Expense is the Primary plan's network rate. When the provider is a non-Network provider for the Primary plan and a Network provider for this Plan, the Allowable Expense is the reasonable and customary charges allowed by the Primary plan. When the provider is a non-Network provider for both the Primary plan and this Plan, the Allowable Expense is the greater of the two plans' reasonable and customary charges. If this Plan is secondary to Medicare, please also refer to the discussion in the section below, titled "Determining the Allowable Expense When this Plan is Secondary to Medicare".

What is Different When You Qualify for Medicare?

Determining Which Plan is Primary When You Qualify for Medicare

As permitted by law, this Plan will pay Benefits second to Medicare when you become eligible for Medicare, even if you don't elect it. There are, however, Medicare-eligible individuals for whom the Plan pays Benefits first and Medicare pays benefits second:

- Employees with active current employment status age 65 or older and their Spouses age 65 or older (however, Domestic Partners are excluded as provided by Medicare).
- Individuals with end-stage renal disease, for a limited period of time.

After a Participant who is not actively working has received long-term disability benefits for six months, the Plan will pay Benefits second to Medicare.

Determining the Allowable Expense When this Plan is Secondary to Medicare

If this Plan is secondary to Medicare, the Medicare approved amount is the Allowable Expense, as long as the provider accepts reimbursement directly from Medicare. If the provider accepts reimbursement directly from Medicare, the Medicare approved amount is the charge that Medicare has determined that it will recognize and which it reports on an "explanation of Medicare benefits" issued by Medicare (the "EOMB") for a given service. Medicare typically reimburses such providers a percentage of its approved charge – often 80%.

If the provider does not accept assignment of your Medicare benefits, the Medicare limiting charge (the most a provider can charge you if they don't accept Medicare – typically 115% of the Medicare approved amount) will be the Allowable Expense. Medicare payments, combined with plan Benefits, will not exceed 100% of the Allowable Expense.

If you are eligible for, but not enrolled in, Medicare, and this Plan is secondary to Medicare, or if you have enrolled in Medicare but choose to obtain services from an opt-out provider or one that does not participate in the Medicare program or a provider who does not accept assignment of Medicare benefits, Benefits will be paid on a secondary basis under this Plan and will be determined as if you timely enrolled in Medicare and obtained services from a Medicare participating provider.

When calculating the Plan's Benefits in these situations, and when Medicare does not issue an EOMB, for administrative convenience the Claims Administrator will treat the provider's billed charges for covered services as the Allowable Expense for both the Plan and Medicare, rather than the Medicare approved amount or Medicare limiting charge.

Medicare Crossover Program

The Plan offers a Medicare Crossover program for Medicare Part A and Part B and Durable Medical Equipment (DME) claims. Under this program, you no longer have to file a separate claim with the Plan to receive secondary benefits for these expenses. Your Dependent will also have this automated crossover, as long as he or she is eligible for Medicare and this Plan is your only secondary medical coverage.

Once the Medicare Part A and Part B and DME carriers have reimbursed your health care provider, the Medicare carrier will electronically submit the necessary information to the Claims Administrator to process the balance of your claim under the provisions of this Plan.

You can verify that the automated crossover took place when your copy of the explanation of Medicare benefits (EOMB) states your claim has been forwarded to your secondary carrier.

This crossover process does not apply to expenses that Medicare does not cover. You must continue to file claims for these expenses.

For information about enrollment or if you have questions about the program, call the telephone number listed on your ID card.

Right to Receive and Release Needed Information?

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this Plan and other plans. The Claims Administrator may get the facts needed from, or give them to, other organizations or persons for the purpose of applying these rules and determining benefits payable under this Plan and other plans covering the person claiming benefits.

The Claims Administrator does not need to tell, or get the consent of, any person to do this. Each person claiming benefits under this Plan must give the Claims Administrator any facts needed to apply those rules and determine benefits payable. If you do not provide the Claims Administrator the information needed to apply these rules and determine the Benefits payable, your claim for Benefits will be denied.

Does This Plan Have the Right of Recovery?

Overpayment and Underpayment of Benefits

If you are covered under more than one medical plan, there is a possibility that the other plan will pay a benefit that the Plan should have paid. If this occurs, the Plan may pay the other plan the amount owed.

If the Plan pays you more than it owes under this COB provision, you should pay the excess back promptly. Otherwise, the Plan Sponsor may recover the amount in the form of salary, wages, or benefits payable under any Plan Sponsor-funded benefit plans, including this Plan. The Plan Sponsor also reserves the right to recover any overpayment by legal action or offset payments on future Eligible Expenses.

If the Plan overpays a health care provider, the Claims Administrator reserves the right to recover the excess amount from the provider pursuant to Refund of Overpayments, below.

Refund of Overpayments

If the Plan pays for Benefits for expenses incurred on account of a Covered Person, that Covered Person or any other person or organization that was paid, must make a refund to the Plan if:

- The Plan's obligation to pay Benefits was contingent on the expenses incurred being legally owed and paid by you, but all or some of the expenses were not paid by you or did not legally have to be paid by you.
- All or some of the payment the Plan made exceeded the Benefits under the Plan.
- All or some of the payment was made in error.

The amount that must be refunded equals the amount the Plan paid in excess of the amount that should have been paid under the Plan. If the refund is due from another person or organization, you agree to help the Plan get the refund when requested.

If the refund is due from you and you do not promptly refund the full amount owed, the Plan may recover the overpayment by reallocating the overpaid amount to pay, in whole or in part, future Benefits for you that are payable under the Plan. If the refund is due from a person or organization other than you, the Plan may recover the overpayment by reallocating the overpaid amount to pay, in whole or in part, (i) future Benefits that are

payable in connection with services provided to other Covered Persons under the Plan; or (ii) future Benefits that are payment in connection with services provided to persons under other plans for which the Claims Administrator processes payments, pursuant to a transaction in which the Plan's overpayment recovery rights are assigned to such other plans in exchange for such plans' remittance of the amount of the reallocated payment. The reallocated payment amount will either:

- equal the amount of the required refund, or
- if less than the full amount of the required refund, will be deducted from the amount of refund owed to the Plan.

The Plan may have other rights in addition to the right to reallocate overpaid amounts and other enumerated rights, including the right to commence a legal action.

SECTION 10 - SUBROGATION AND REIMBURSEMENT

The Plan has a right to subrogation and reimbursement. References to “you” or “your” in this Subrogation and Reimbursement section shall include you, your estate and your heirs and beneficiaries unless otherwise stated.

Subrogation applies when the Plan has paid Benefits on your behalf for a Sickness or Injury for which any third party is allegedly responsible. The right to subrogation means that the Plan is substituted to and shall succeed to any and all legal claims that you may be entitled to pursue against any third party for the Benefits that the Plan has paid that are related to the Sickness or Injury for which any third party is considered responsible.

Subrogation - Example

Suppose you are injured in a car accident that is not your fault, and you receive Benefits under the Plan to treat your injuries. Under subrogation, the Plan has the right to take legal action in your name against the driver who caused the accident and that driver's insurance carrier to recover the cost of those Benefits.

The right to reimbursement means that if it is alleged that any third party caused or is responsible for a Sickness or Injury for which you receive a settlement, judgment, or other recovery from any third party, you must use those proceeds to fully return to the Plan 100% of any Benefits you received for that Sickness or Injury. The right of reimbursement shall apply to any Benefits received at any time until the rights are extinguished, resolved or waived in writing.

Reimbursement - Example

Suppose you are injured in a boating accident that is not your fault, and you receive Benefits under the Plan as a result of your injuries. In addition, you receive a settlement in a court proceeding from the individual who caused the accident. You must use the settlement funds to return to the Plan 100% of any Benefits you received to treat your injuries.

The following persons and entities are considered third parties:

- A person or entity alleged to have caused you to suffer a Sickness, Injury or damages, or who is legally responsible for the Sickness, Injury or damages.
- Any insurer or other indemnifier of any person or entity alleged to have caused or who caused the Sickness, Injury or damages.
- The Plan Sponsor in a workers' compensation case or other matter alleging liability.
- Any person or entity who is or may be obligated to provide benefits or payments to you, including benefits or payments for underinsured or uninsured motorist protection, no-fault or traditional auto insurance, medical payment coverage (auto, homeowners or otherwise), workers' compensation coverage, other insurance carriers or third party administrators.

- Any person or entity against whom you may have any claim for professional and/or legal malpractice arising out of or connected to a Sickness or Injury you allege or could have alleged were the responsibility of any third party.
- Any person or entity that is liable for payment to you on any equitable or legal liability theory.

You agree as follows:

- You will cooperate with the Plan in protecting its legal and equitable rights to subrogation and reimbursement in a timely manner, including, but not limited to:
 - Notifying the Plan, in writing, of any potential legal claim(s) you may have against any third party for acts which caused Benefits to be paid or become payable.
 - Providing any relevant information requested by the Plan.
 - Signing and/or delivering such documents as the Plan or its agents reasonably request to secure the subrogation and reimbursement claim.
 - Responding to requests for information about any accident or injuries.
 - Making court appearances.
 - Obtaining the Plan's consent or its agents' consent before releasing any party from liability or payment of medical expenses.
 - Complying with the terms of this section.

Your failure to cooperate with the Plan is considered a breach of contract. As such, the Plan has the right to terminate your Benefits, deny future Benefits, take legal action against you, and/or set off from any future Benefits the value of Benefits the Plan has paid relating to any Sickness or Injury alleged to have been caused or caused by any third party to the extent not recovered by the Plan due to you or your representative not cooperating with the Plan. If the Plan incurs attorneys' fees and costs in order to collect third party settlement funds held by you or your representative, the Plan has the right to recover those fees and costs from you. You will also be required to pay interest on any amounts you hold which should have been returned to the Plan.

- The Plan has a first priority right to receive payment on any claim against a third party before you receive payment from that third party. Further, the Plan's first priority right to payment is superior to any and all claims, debts or liens asserted by any medical providers, including but not limited to hospitals or emergency treatment facilities, that assert a right to payment from funds payable from or recovered from an allegedly responsible third party and/or insurance carrier.
- The Plan's subrogation and reimbursement rights apply to full and partial settlements, judgments, or other recoveries paid or payable to you or your representative, your estate, your heirs and beneficiaries, no matter how those proceeds are captioned or characterized. Payments include, but are not limited to, economic, non-economic, pecuniary, consortium and punitive damages. The Plan is not required to help you to pursue your claim for damages or personal injuries and no amount of associated costs, including attorneys' fees, shall be deducted from the Plan's recovery without the Plan's express written consent. No so-called "Fund Doctrine" or "Common Fund Doctrine" or "Attorney's Fund Doctrine" shall defeat this right.

- Regardless of whether you have been fully compensated or made whole, the Plan may collect from you the proceeds of any full or partial recovery that you or your legal representative obtain, whether in the form of a settlement (either before or after any determination of liability) or judgment, no matter how those proceeds are captioned or characterized. Proceeds from which the Plan may collect include, but are not limited to, economic, non-economic, and punitive damages. No "collateral source" rule, any "Made-Whole Doctrine" or "Make-Whole Doctrine," claim of unjust enrichment, nor any other equitable limitation shall limit the Plan's subrogation and reimbursement rights.
- Benefits paid by the Plan may also be considered to be Benefits advanced.
- If you receive any payment from any party as a result of Sickness or Injury, and the Plan alleges some or all of those funds are due and owed to the Plan, you and/or your representative shall hold those funds in trust, either in a separate bank account in your name or in your representative's trust account.
- By participating in and accepting Benefits from the Plan, you agree that (i) any amounts recovered by you from any third party shall constitute Plan assets to the extent of the amount of Plan Benefits provided on behalf of the Covered Person, (ii) you and your representative shall be fiduciaries of the Plan (within the meaning of ERISA) with respect to such amounts, and (iii) you shall be liable for and agree to pay any costs and fees (including reasonable attorney fees) incurred by the Plan to enforce its reimbursement rights.
- The Plan's rights to recovery will not be reduced due to your own negligence.
- By participating in and accepting Benefits from the Plan, you agree to assign to the Plan any benefits, claims or rights of recovery you have under any automobile policy - including no-fault benefits, PIP benefits and/or medical payment benefits - other coverage or against any third party, to the full extent of the Benefits the Plan has paid for the Sickness or Injury. By agreeing to provide this assignment in exchange for participating in and accepting Benefits, you acknowledge and recognize the Plan's right to assert, pursue and recover on any such claim, whether or not you choose to pursue the claim, and you agree to this assignment voluntarily.
- The Plan may, at its option, take necessary and appropriate action to preserve its rights under these provisions, including but not limited to, providing or exchanging medical payment information with an insurer, the insurer's legal representative or other third party filing an ERISA reimbursement lawsuit to recover the full amount of medical Benefits you receive for the Sickness or Injury out of any settlement, judgment or other recovery from any third party considered responsible and filing suit in your name or your estate's name, which does not obligate the Plan in any way to pay you part of any recovery the Plan might obtain. Any ERISA reimbursement lawsuit stemming from a refusal to refund Benefits as required under the terms of the Plan is governed by a six year statute of limitations.
- You may not accept any settlement that does not fully reimburse the Plan, without its written approval.
- The Plan has the authority and discretion to resolve all disputes regarding the interpretation of the language stated herein.

- In the case of your death, giving rise to any wrongful death or survival claim, the provisions of this section apply to your estate, the personal representative of your estate, and your heirs or beneficiaries. In the case of your death the Plan's right of reimbursement and right of subrogation shall apply if a claim can be brought on behalf of you or your estate that can include a claim for past medical expenses or damages. The obligation to reimburse the Plan is not extinguished by a release of claims or settlement agreement of any kind.
- No allocation of damages, settlement funds or any other recovery, by you, your estate, the personal representative of your estate, your heirs, your beneficiaries or any other person or party, shall be valid if it does not reimburse the Plan for 100% of its interest unless the Plan provides written consent to the allocation.
- The provisions of this section apply to the parents, guardian, or other representative of a Dependent child who incurs a Sickness or Injury caused by a third party. If a parent or guardian may bring a claim for damages arising out of a minor's Sickness or Injury, the terms of this subrogation and reimbursement clause shall apply to that claim.
- If a third party causes or is alleged to have caused you to suffer a Sickness or Injury while you are covered under this Plan, the provisions of this section continue to apply, even after you are no longer covered.
- In the event that you do not abide by the terms of the Plan pertaining to reimbursement, the Plan may terminate Benefits to you or your dependents, deny future Benefits, take legal action against you, and/or set off from any future Benefits the value of Benefits the Plan has paid relating to any Sickness or Injury alleged to have been contributed to or caused by any third party to the extent not recovered by the Plan due to your failure to abide by the terms of the Plan. If the Plan incurs attorneys' fees and costs in order to collect third party settlement funds held by you or your representative, the Plan has the right to recover those fees and costs from you. You will also be required to pay interest on any amounts you hold which should have been returned to the Plan.

The Plan and all Administrators administering the terms and conditions of the Plan's subrogation and reimbursement rights have such powers and duties as are necessary to discharge its duties and functions, including the exercise of its discretionary authority to (1) construe and enforce the terms of the Plan's subrogation and reimbursement rights and (2) make determinations with respect to the subrogation amounts and reimbursements owed to the Plan.

Right of Recovery

The Plan also has the right to recover Benefits it has paid on you or your Dependent's behalf that were:

- Made in error.
- Due to a mistake in fact.
- Advanced during the time period of meeting the calendar year Deductible.
- Advanced during the time period of meeting the Out-of-Pocket Maximum for the calendar year.

Benefits paid because you or your Dependent misrepresented facts are also subject to recovery.

If the Plan provides a Benefit for you or your Dependent that exceeds the amount that should have been paid, the Plan will:

- Require that the overpayment be returned when requested.
- Reduce a future Benefit payment for you or your Dependent by the amount of the overpayment.

If the Plan provides an advancement of Benefits to you or your Dependent during the time period of meeting the Deductible and/or meeting the Out-of-Pocket Maximum for the calendar year, the Plan will send you or your Dependent a monthly statement identifying the amount you owe with payment instructions. The Plan has the right to recover Benefits it has advanced by:

- Submitting a reminder letter to you or a covered Dependent that details any outstanding balance owed to the Plan.
- Conducting courtesy calls to you or a covered Dependent to discuss any outstanding balance owed to the Plan.

SECTION 11 - OTHER IMPORTANT INFORMATION

What this section includes:

- Your relationship with UnitedHealthcare and the Company.
- Relationships with providers.
- Incentives to providers and you.

Your Relationship with UnitedHealthcare and the Company

In order to make choices about your health care coverage and treatment, the Company believes that it is important for you to understand how UnitedHealthcare interacts with the Plan and how it may affect you. UnitedHealthcare helps administer the Plan in which you are enrolled. UnitedHealthcare does not provide medical services or make treatment decisions. This means:

- The Company and UnitedHealthcare do not decide what care you need or will receive. You and your Physician make those decisions.
- UnitedHealthcare communicates to you decisions about whether the Plan will cover or pay for the health care that you may receive (the Plan pays for Covered Health Services, which are more fully described in this Benefit Booklet).
- The Plan may not pay for all treatments you or your Physician may believe are necessary. If the Plan does not pay, you will be responsible for the cost.

The Company and UnitedHealthcare may use individually identifiable information about you to identify for you (and you alone) procedures, products or services that you may find valuable. The Company and UnitedHealthcare will use individually identifiable information about you as permitted or required by law, including in operations and in research. UnitedHealthcare will use de-identified data for commercial purposes including research.

Relationship with Providers

UnitedHealthcare has agreements in place that govern the relationships between it, the Company and Network providers, some of which are affiliated providers. Network providers enter into agreements with UnitedHealthcare to provide Covered Health Services to Covered Persons.

The Company and UnitedHealthcare do not provide health care services or supplies, nor do they practice medicine. Instead, the Company and UnitedHealthcare arrange for health care providers to participate in a Network and administer payment of Benefits. Network providers are independent practitioners who run their own offices and facilities.

UnitedHealthcare's credentialing process confirms public information about the providers' licenses and other credentials but does not assure the quality of the services provided. They are not the Company's employees nor are they employees of UnitedHealthcare. The Company and UnitedHealthcare are not responsible for any act or omission of any provider.

UnitedHealthcare is not considered to be an employee of the Company for any purpose with respect to the administration or provision of Benefits under this Plan.

The Company and the Plan Administrator are solely responsible for:

- Enrollment and classification changes (including classification changes resulting in your enrollment or the termination of your coverage).
- The timely payment of the service fee to UnitedHealthcare.
- The funding of Benefits on a timely basis.
- Notifying you of the termination of or modifications to the Plan.

The Claims Administrator is not the Plan Administrator of the Plan, as that term is used in ERISA. The Claims Administrator is a named fiduciary of the Plan, as that term is used in ERISA, solely with respect to the Claims Administrator's authority to decide claims for Benefits under the Plan and appeals of denied claims for Benefits under the Plan. If you have questions about the Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, contact the nearest area office of the *Employee Benefits Security Administration, U. S. Department of Labor*.

Your Relationship with Providers

The relationship between you and any provider is that of provider and patient. Your provider is solely responsible for the quality of the services provided to you. You:

- Are responsible for choosing your own provider.
- Are responsible for paying, directly to your provider, any amount identified as a participant responsibility, including Copayments, Coinsurance, any Annual Deductible and any amount that exceeds Eligible Expenses.
- Are responsible for paying, directly to your provider, the cost of any non-Covered Health Service.
- Must decide if any provider treating you is right for you (this includes Network providers you choose and providers to whom you have been referred).
- Must decide with your provider what care you should receive.

Interpretation of Benefits

Duke Energy and UnitedHealthcare have the sole and exclusive discretion to do all of the following:

- Interpret Benefits under the Plan.
- Interpret the other terms, conditions, limitations and exclusions of the Plan, including this SPD, the Schedule of Benefits and any Addendums, SMMs and/or Amendments.
- Make factual determinations related to the Plan and its Benefits.

Duke Energy and UnitedHealthcare may delegate this discretionary authority to other persons or entities including Claims Administrator's affiliates that may provide services in regard to the administration of the Plan. The identity of the service providers and the nature of their services may be changed from time to time in Plan Sponsor's and the Claims

Administrator's discretion. In order to receive Benefits, you must cooperate with those service providers.

In certain circumstances, for purposes of overall cost savings or efficiency, Duke Energy may, in its discretion, offer Benefits for services that would otherwise not be Covered Health Services. The fact that Duke Energy does so in any particular case shall not in any way be deemed to require Duke Energy to do so in other similar cases.

Information and Records

UnitedHealthcare may use your individually identifiable health information to administer the Plan and pay claims, to identify procedures, products, or services that you may find valuable, and as otherwise permitted or required by law. UnitedHealthcare may request additional information from you to decide your claim for Benefits. UnitedHealthcare will keep this information confidential.

By accepting Benefits under the Plan, you authorize and direct any person or institution that has provided services to you to furnish the Plan Administrator and UnitedHealthcare with all information or copies of records relating to the services provided to you. The Plan Administrator and UnitedHealthcare have the right to request this information at any reasonable time. This applies to all Covered Persons, including enrolled Dependents. The Plan Administrator and UnitedHealthcare agree that such information and records will be considered confidential.

The Plan Administrator and UnitedHealthcare have the right to release any and all records concerning health care services which are necessary to implement and administer the terms of the Plan, for appropriate medical review or quality assessment, or as the Plan Administrator is required to do by law or regulation. During and after the term of the Plan, the Plan Administrator and UnitedHealthcare and its related entities may use and transfer the information gathered under the Plan in a de-identified format for commercial purposes, including research and analytic purposes.

For complete listings of your medical records or billing statements you should contact your health care provider. Providers may charge you reasonable fees to cover their costs for providing records or completing requested forms.

If you request medical forms or records from UnitedHealthcare, they also may charge you reasonable fees to cover costs for completing the forms or providing the records.

In some cases, UnitedHealthcare will designate other persons or entities to request records or information from or related to you, and to release those records as necessary.

UnitedHealthcare's designees have the same rights to this information as does the Plan Administrator.

Incentives to Providers

Network providers may be provided financial incentives by UnitedHealthcare to promote the delivery of health care in a cost efficient and effective manner. These financial incentives are not intended to affect your access to health care.

Examples of financial incentives for Network providers are:

- Bonuses for performance based on factors that may include quality, member satisfaction, and/or cost-effectiveness.
- A practice called capitation which is when a group of Network providers receives a monthly payment from UnitedHealthcare for each Covered Person who selects a Network provider within the group to perform or coordinate certain health services. The Network providers receive this monthly payment regardless of whether the cost of providing or arranging to provide the Covered Person's health care is less than or more than the payment.
- Bundled payments - certain Network providers receive a bundled payment for a group of Covered Health Services for a particular procedure or medical condition. The applicable Copayment and/or Coinsurance will be calculated based on the provider type that received the bundled payment. The Network providers receive these bundled payments regardless of whether the cost of providing or arranging to provide the Covered Person's health care is less than or more than the payment. If you receive follow-up services related to a procedure where a bundled payment is made, an additional Copayment and/or Coinsurance may not be required if such follow-up services are included in the bundled payment. You may receive some Covered Health Services that are not considered part of the inclusive bundled payment and those Covered Health Services would be subject to the applicable Copayment and/or Coinsurance as described in Section 4, *Plan Highlights*.

The Claims Administrator uses various payment methods to pay specific Network providers. From time to time, the payment method may change. If you have questions about whether your Network provider's contract with the Claims Administrator includes any financial incentives, the Claims Administrator encourages you to discuss those questions with your provider. You may also call the Claims Administrator at the telephone number on your ID card. The Claims Administrator can advise whether your Network provider is paid by any financial incentive, including those listed above.

Incentives to You

Sometimes you may be offered coupons or other incentives to encourage you to participate in various wellness programs or certain disease management programs, surveys, discount programs and/or programs to seek care in a more cost-effective setting and/or from Designated Providers. In some instances, these programs may be offered in combination with a non-UnitedHealthcare entity. The decision about whether or not to participate is yours alone but you should discuss participating in such programs with your Physician. These incentives are not Benefits and do not alter or affect your Benefits. You may call the number on your ID card if you have any questions. Additional information may be found in Section 6, *Clinical Programs and Resources*.

Rebates and Other Payments

The Company and UnitedHealthcare may receive rebates for certain drugs that are administered to you in a Physician's office, or at a Hospital or Alternate Facility. This includes rebates for those drugs that are administered to you before you meet your Annual

Deductible. The Company and UnitedHealthcare do not pass these rebates on to you, nor are they applied to your Annual Deductible or taken into account in determining your Copays or Coinsurance.

Workers' Compensation Not Affected

Benefits provided under the Plan do not substitute for and do not affect any requirements for coverage by workers' compensation insurance.

Review and Determine Benefits in Accordance with UnitedHealthcare Reimbursement Policies

UnitedHealthcare develops its reimbursement policy guidelines, in its sole discretion, in accordance with one or more of the following methodologies:

- As indicated in the most recent edition of the Current Procedural Terminology (CPT), a publication of the American Medical Association, and/or the *Centers for Medicare and Medicaid Services (CMS)*.
- As reported by generally recognized professionals or publications.
- As used for Medicare.
- As determined by medical staff and outside medical consultants pursuant to other appropriate sources or determinations that UnitedHealthcare accepts.

Following evaluation and validation of certain provider billings (e.g., error, abuse and fraud reviews), UnitedHealthcare's reimbursement policies are applied to provider billings. UnitedHealthcare shares its reimbursement policies with Physicians and other providers in UnitedHealthcare's Network through UnitedHealthcare's provider website. Network Physicians and providers may not bill you for the difference between their contract rate (as may be modified by UnitedHealthcare's reimbursement policies) and the billed charge. However, non-Network providers are not subject to this prohibition, and may bill you for any amounts the Plan does not pay, including amounts that are denied because one of UnitedHealthcare's reimbursement policies does not reimburse (in whole or in part) for the service billed. You may obtain copies of UnitedHealthcare's reimbursement policies for yourself or to share with your non-Network Physician or provider by going to **www.myuhc.com** or by calling the telephone number on your ID card.

UnitedHealthcare may apply a reimbursement methodology established by *OptumInsight* and/or a third party vendor, which is based on *CMS* coding principles, to determine appropriate reimbursement levels for Emergency Health Services. The methodology is usually based on elements reflecting the patient complexity, direct costs, and indirect costs of an Emergency Health Service. If the methodology(ies) currently in use become no longer available, UnitedHealthcare will use a comparable methodology(ies). UnitedHealthcare and *OptumInsight* are related companies through common ownership by *UnitedHealth Group*. Refer to UnitedHealthcare's website at **www.myuhc.com** for information regarding the vendor that provides the applicable methodology.

SECTION 12 - GLOSSARY

What this section includes:

- Definitions of terms used throughout this Benefit Booklet.

Many of the terms used throughout this Benefit Booklet may be unfamiliar to you or have a specific meaning with regard to the way the Plan is administered and how Benefits are paid. This section defines terms used throughout this Benefit Booklet, but it does not describe the Benefits provided by the Plan.

Air Ambulance – medical transport by rotary wing air ambulance or fixed wing air ambulance helicopter or airplane as defined in *42 CFR 414.605*.

Alternate Facility - a health care facility that is not a Hospital and that provides one or more of the following services on an outpatient basis, as permitted by law:

- Surgical services.
- Emergency Health Services.
- Rehabilitative, laboratory, diagnostic or therapeutic services.

An Alternate Facility may also provide Mental Health or Substance-Related and Addictive Disorders Services on an outpatient basis or inpatient basis (for example a Residential Treatment facility).

Ancillary Services – items and services provided by non-Network Physicians at a Network facility that are any of the following:

- Related to Emergency medicine, anesthesiology, pathology, radiology, and neonatology;
- Provided by assistant surgeons, hospitalists, and intensivists;
- Diagnostic services, including radiology and laboratory services, unless such items and services are excluded from the definition of Ancillary Services as determined by the Secretary;
- Provided by such other specialty practitioners as determined by the Secretary; and
- Provided by a non-Network Physician when no other Network Physician is available.

Annual Deductible (or Deductible) - the amount you must pay for Covered Health Services in a calendar year before the Plan will begin paying Benefits in that calendar year (other than Benefits for Network preventive care services which are paid at 100% by the Plan even before you satisfy your Annual Deductible. The Deductible is shown in the first table in Section 4, *Plan Highlights*.

Annual Enrollment - the period of time, determined by Duke Energy, during which eligible Retirees may enroll themselves and their Dependents under the Plan. Duke Energy determines the period of time that is the Annual Enrollment period.

Autism Spectrum Disorder - a condition marked by enduring problems communicating and interacting with others, along with restricted and repetitive behavior, interests or activities.

Bariatric Resource Services (BRS) - a Program administered by UnitedHealthcare or its affiliates made available to you by the Company. The BRS Program provides:

- Specialized clinical consulting services to Covered Persons to educate on obesity treatment options.
- Access to specialized Network facilities and Physicians for obesity surgery services.

Benefits - Plan payments for Covered Health Services, subject to the terms and conditions of the Plan and any Addendums and/or Amendments.

Body Mass Index (BMI) – a calculation used in obesity risk assessment which uses a person's weight and height to approximate body fat.

BMI – see Body Mass Index (BMI).

Cancer Resource Services (CRS) - a Program administered by UnitedHealthcare or its affiliates made available to you by the Company. The CRS Program provides:

- Specialized consulting services, on a limited basis, to Covered Persons with cancer.
- Access to cancer centers with expertise in treating the most rare or complex cancers.
- Education to help patients understand their cancer and make informed decisions about their care and course of treatment.

Cellular Therapy - administration of living whole cells into a patient for the treatment of disease.

CHD - see Congenital Heart Disease (CHD).

Claims Administrator - UnitedHealthcare (also known as United Healthcare Services, Inc.) and its affiliates, who provide certain claim administration services for the Plan.

Clinical Trial - a scientific study designed to identify new health services that improve health outcomes. In a Clinical Trial, two or more treatments are compared to each other and the patient is not allowed to choose which treatment will be received.

COBRA - see Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA).

Coinsurance – the charge, stated as a percentage of Eligible Expenses or the Recognized Amount when applicable, that you are required to pay for certain Covered Health Services as described in Section 2, *How the Plan Works*.

Company - Duke Energy Corporation and its affiliated companies that are participating in the Plan.

Congenital Anomaly - a physical developmental defect that is present at birth and is identified within the first twelve months of birth.

Congenital Heart Disease (CHD) - any structural heart problem or abnormality that has been present since birth. Congenital heart defects may:

- Be passed from a parent to a child (inherited).
- Develop in the fetus of a woman who has an infection or is exposed to radiation or other toxic substances during her Pregnancy.
- Have no known cause.

Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) - a federal law that requires employers to offer continued health coverage to certain employees and their dependents whose group health coverage has been terminated.

Copayment (or Copay) – the charge, stated as a set dollar amount, that you are required to pay for certain Covered Health Services as described in Section 3, *How the Plan Works*.

Please note that for Covered Health Services, you are responsible for paying the lesser of the following:

- The applicable Copayment.
- The Eligible Expense or the Recognized Amount when applicable.

Cosmetic Procedures - procedures or services that change or improve appearance without significantly improving physiological function, as determined by the Claims Administrator.

Cost-Effective - the least expensive equipment that performs the necessary function. This term applies to Durable Medical Equipment and prosthetic devices.

Covered Health Services – those health services, including services, supplies or Pharmaceutical Products, which the Claims Administrator determines to be:

- Provided for the purpose of preventing, evaluating, diagnosing or treating a Sickness, Injury, Mental Illness, substance-related and addictive disorders, condition, disease or its symptoms.
- Medically Necessary.
- Described as a Covered Health Service in this Benefit Booklet under Section 4, *Plan Highlights* and Section 5, *Additional Coverage Details*.
- Provided to a Covered Person who meets the Plan's eligibility requirements, as described in the General Information Booklet.
- Not otherwise excluded in this Benefit Booklet under Section 7, *Exclusions and Limitations*.

Covered Person – the Retiree or an enrolled Dependent only while enrolled and eligible for Benefits under the Plan. References to "you" and "your" throughout this Benefit Booklet are

references to a Covered Person. For purposes of the wellness programs described in Section 6, *Clinical Programs and Resources*, “Covered Person” means all domestic Retired Employees who are eligible for the and enrolled in the Plan, and their Dependents age 18 and over who are eligible for and enrolled in the Plan.

CRS - see Cancer Resource Services (CRS).

Custodial Care - services that are any of the following:

- Non-health-related services, such as assistance in activities of daily living (examples include feeding, dressing, bathing, transferring and ambulating).
- Health-related services that are provided for the primary purpose of meeting the personal needs of the patient or maintaining a level of function (even if the specific services are considered to be skilled services), as opposed to improving that function to an extent that might allow for a more independent existence.
- Services that do not require continued administration by trained medical personnel in order to be delivered safely and effectively.

Deductible - see Annual Deductible.

Definitive Drug Test - test to identify specific medications, illicit substances and metabolites and is qualitative or quantitative to identify possible use or non-use of a drug.

Dependent - an individual who meets the eligibility requirements specified in the Plan, as described in the General Information Booklet.

Designated Dispensing Entity - a pharmacy, provider, or facility that has entered into an agreement with the Claims Administrator, or with an organization contracting on the Claims Administrator's behalf, to provide Pharmaceutical Products for the treatment of specified diseases or conditions. Not all Network pharmacies, providers, or facilities are Designated Dispensing Entities.

Designated Network Benefits – for Benefit plans that have a Designated Network Benefit level, this is the description of how Benefits are paid for the Covered Health Services provided by a Physician or other provider that has been identified as a Designated Provider. Refer to Section 5, *Plan Highlights*, to determine whether or not your Benefit plan offers Designated Network Benefits and for details about how Designated Network Benefits apply.

Designated Provider - a provider and/or facility that:

- Has entered into an agreement with the Claims Administrator, or with an organization contracting on the Claims Administrator's behalf, to provide Covered Health Services for the treatment of specific diseases or conditions; or
- The Claims Administrator has identified through the Claims Administrator's designation programs as a Designated Provider. Such designation may apply to specific treatments, conditions and/or procedures.

A Designated Provider may or may not be located within your geographic area. Not all Network Hospitals or Network Physicians are Designated Providers.

You can find out if your provider is a Designated Provider by contacting the Claims Administrator at www.myuhc.com or the telephone number on your ID card.

Designated Virtual Network Provider - a provider or facility that has entered into an agreement with the Claims Administrator, or with an organization contracting on the Claims Administrator's behalf, to deliver Covered Health Care Services through live audio with video technology or audio only.

DME - see Durable Medical Equipment (DME).

Domiciliary Care - living arrangements designed to meet the needs of people who cannot live independently but do not require Skilled Nursing Facility services.

Durable Medical Equipment (DME) - medical equipment that is all of the following:

- Is used to serve a medical purpose with respect to treatment of a Sickness, Injury or their symptoms.
- Is not disposable.
- Is generally not useful to a person in the absence of a Sickness, Injury or their symptoms.
- Can withstand repeated use.
- Is not implantable within the body.
- Is appropriate for use, and is primarily used, within the home.

Eligible Expenses – for Covered Health Services, incurred while the Plan is in effect, Eligible Expenses are determined by the Claims Administrator as stated below and as detailed in Section 2, *How the Plan Works*.

Eligible Expenses are determined in accordance with the Claims Administrator's reimbursement policy guidelines or as required by law. The Claims Administrator develops the reimbursement policy guidelines, in the Claims Administrator's discretion, following evaluation and validation of all provider billings in accordance with one or more of the following methodologies:

- As indicated in the most recent edition of the *Current Procedural Terminology (CPT)*, a publication of the *American Medical Association*, and/or the *Centers for Medicare and Medicaid Services (CMS)*.
- As reported by generally recognized professionals or publications.
- As used for Medicare.
- As determined by medical staff and outside medical consultants pursuant to other appropriate source or determination that the Claims Administrator accepts.

Emergency – a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) so that a prudent layperson, who possesses an average

knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in any of the following:

- Placing the health of the Covered Person (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy.
- Serious impairment to bodily functions.
- Serious dysfunction of any bodily organ or part.

Emergency Health Services – with respect to an Emergency:

- An appropriate medical screening examination (as required under section 1867 of the *Social Security Act*, 42 U.S.C. 1395dd or as would be required under such section if such section applied to an Independent Freestanding Emergency Department) that is within the capability of the emergency department of a Hospital, or an Independent Freestanding Emergency Department, as applicable, including ancillary services routinely available to the emergency department to evaluate such Emergency.
- Such further medical examination and treatment, to the extent they are within the capabilities of the staff and facilities available at the Hospital or an Independent Freestanding Emergency Department, as applicable, as are required under section 1867 of the *Social Security Act* (42 U.S.C. 1395dd(e)(3)), or as would be required under such section if such section applied to an Independent Freestanding Emergency Department, to stabilize the patient (regardless of the department of the Hospital in which such further exam or treatment is provided). For the purpose of this definition, “to stabilize” has the meaning as given such term in section 1867(e)(3) of the *Social Security Act* (42 U.S.C. 1395dd(e)(3)).
- Emergency Health Services include items and services otherwise covered under the Plan when provided by a non-Network provider or facility (regardless of the department of the Hospital in which the items are services are provided) after the patient is stabilized and as part of outpatient observation, or as a part of an Inpatient Stay or outpatient stay that is connected to the original Emergency unless the following conditions are met:
 - a. The attending Emergency Physician or treating provider determines the patient is able to travel using nonmedical transportation or non-Emergency medical transportation to an available Network provider or facility located within a reasonable distance taking into consideration the patient's medical condition.
 - b. The provider or facility furnishing the additional items and services satisfies notice and consent criteria in accordance with applicable law.
 - c. The patient is in such a condition, as determined by the Secretary, to receive information as stated in b) above and to provide informed consent in accordance with applicable law.
 - d. The provider or facility satisfies any additional requirements or prohibitions as may be imposed by state law.
 - e. Any other conditions as specified by the Secretary.

The above conditions do not apply to unforeseen or urgent medical needs that arise at the time the service is provided regardless of whether notice and consent criteria has been satisfied.

Employer - Duke Energy Corporation.

EOB - see Explanation of Benefits (EOB).

ERISA – the Employee Retirement Income Security Act of 1974 (ERISA), the federal legislation that regulates retirement and employee welfare benefit programs maintained by employers and unions.

Experimental or Investigational Service(s) – medical, surgical, diagnostic, psychiatric, mental health, substance-related and addictive disorders or other health care services, technologies, supplies, treatments, procedures, drug therapies, medications, or devices that, at the time the Claims Administrator makes a determination regarding coverage in a particular case, are determined to be any of the following:

- Not approved by the *U.S. Food and Drug Administration (FDA)* to be lawfully marketed for the proposed use and not as appropriate for the proposed use in any of the following:
 - *AHFS Drug Information (AHFS DI)* under therapeutic uses section;
 - *Elsevier Gold Standard's Clinical Pharmacology* under the indications section;
 - *DRUGDEX System by Micromedex* under the therapeutic uses section and has a strength recommendation rating of class I, class IIa, or class IIb; or
 - *National Comprehensive Cancer Network (NCCN)* drugs and biologics compendium category of evidence 1, 2A, or 2B.
- Subject to review and approval by any institutional review board for the proposed use (Devices which are *FDA* approved under the *Humanitarian Use Device* exemption are not considered to be Experimental or Investigational.)
- The subject of an ongoing Clinical Trial that meets the definition of a Phase I, II or III Clinical Trial set forth in the *FDA* regulations, regardless of whether the trial is actually subject to *FDA* oversight.
- Only obtainable, with regard to outcomes for the given indication, within research settings.

Exceptions:

- Clinical Trials for which Benefits are available as described under *Clinical Trials* in Section 5, *Additional Coverage Details*.
- If you are not a participant in a qualifying Clinical Trial as described under Section 5, *Additional Coverage Details*, and have a Sickness or condition that is likely to cause death within one year of the request for treatment, the Claims Administrator may, at its discretion, consider an otherwise Experimental or Investigational Service to be a Covered Health Service for that Sickness or condition. Prior to such consideration, the

Claims Administrator must determine that, although unproven, the service has significant potential as an effective treatment for that Sickness or condition.

Explanation of Benefits (EOB) - a statement provided by UnitedHealthcare to you, your Physician, or another health care professional that explains:

- The Benefits provided (if any).
- The allowable reimbursement amounts.
- Deductibles.
- Coinsurance.
- Any other reductions taken.
- The net amount paid by the Plan.
- The reason(s) why the service or supply was not covered by the Plan.

Gene Therapy - therapeutic delivery of nucleic acid (DNA or RNA) into a patient's cells as a drug to treat a disease.

Genetic Counseling - counseling by a qualified clinician that includes:

- Identifying your potential risks for suspected genetic disorders;
- An individualized discussion about the benefits, risks and limitations of Genetic Testing to help you make informed decisions about Genetic Testing; and
- Interpretation of the Genetic Testing results in order to guide health decisions.

Certified genetic counselors, medical geneticists and physicians with a professional society's certification that they have completed advanced training in genetics are considered qualified clinicians when Covered Health Services for Genetic Testing require Genetic Counseling.

Genetic Testing - examination of blood or other tissue for changes in genes (DNA or RNA) that may indicate an increased risk for developing a specific disease or disorder or provide information to guide the selection of treatment of certain diseases, including cancer.

Gestational Carrier - a female who becomes pregnant by having a fertilized egg (embryo) implanted in her uterus for the purpose of carrying the fetus to term for another person. The carrier does not provide the egg and is therefore not biologically (genetically) related to the child.

Health Statement(s) - a single, integrated statement that summarizes EOB information by providing detailed content on account balances and claim activity.

Home Health Agency - a program or organization authorized by law to provide health care services in the home.

Hospital - an institution, operated as required by law and that meets both of the following:

- It is primarily engaged in providing health services, on an inpatient basis, for the acute care and treatment of sick or injured individuals. Care is provided through medical, mental health, substance-related and addictive disorders, diagnostic and surgical facilities, by or under the supervision of a staff of Physicians.
- It has 24-hour nursing services.

A Hospital is not primarily a place for rest, Custodial Care or care of the aged and is not a nursing home, convalescent home or similar institution.

Independent Freestanding Emergency Department – a health care facility that:

- Is geographically separate and distinct and licensed separately from a Hospital under applicable law; and
- Provides Emergency Health Services.

Injury - bodily damage other than Sickness, including all related conditions and recurrent symptoms.

Inpatient Rehabilitation Facility - a long term acute rehabilitation center, a Hospital (or a special unit of a Hospital designated as an Inpatient Rehabilitation Facility) that provides rehabilitation services (including physical therapy, occupational therapy and/or speech therapy) on an inpatient basis, as authorized by law.

Inpatient Stay - an uninterrupted confinement, following formal admission to a Hospital, Skilled Nursing Facility or Inpatient Rehabilitation Facility.

Intensive Behavioral Therapy (IBT) – outpatient behavioral/educational services that aim to reinforce adaptive behaviors, reduce maladaptive behaviors and improve the mastery of functional age appropriate skills in people with Autism Spectrum Disorders. Examples include *Applied Behavior Analysis (ABA)*, *The Denver Model*, and *Relationship Development Intervention (RDI)*.

Intensive Outpatient Treatment - a structured outpatient treatment program.

- For Mental Health Services, the program may be freestanding or Hospital-based and provides services for at least three hours per day, two or more days per week.
- For Substance-Related and Addictive Disorders Services, the program provides nine to nineteen hours per week of structured programming for adults and six to nineteen hours for adolescents, consisting primarily of counseling and education about addiction related and mental health.

Intermittent Care - skilled nursing care that is provided or needed either:

- Fewer than seven days each week.
- Fewer than eight hours each day for periods of 21 days or less.

Exceptions may be made in special circumstances when the need for additional care is finite and predictable.

Kidney Resource Services (KRS) - a Program administered by UnitedHealthcare or its affiliates made available to you by the Company. The KRS Program provides:

- Specialized consulting services to Covered Persons with ESRD or chronic kidney disease.
- Access to dialysis centers with expertise in treating kidney disease.
- Guidance for the patient on the prescribed plan of care.

Manipulative/Chiropractic Treatment – the therapeutic application of chiropractic and/or manipulative treatment with or without ancillary physiologic treatment and/or rehabilitative methods rendered to restore/improve motion, reduce pain and improve function in the management of an identifiable neuromusculoskeletal condition.

Medicaid - a federal program administered and operated individually by participating state and territorial governments that provides medical benefits to eligible low-income people needing health care. The federal and state governments share the program's costs.

Medically Necessary – health care services that are all of the following as determined by the Claims Administrator or its designee, within the Claims Administrator's sole discretion. The services must be:

- In accordance with Generally Accepted Standards of Medical Practice.
- Clinically appropriate, in terms of type, frequency, extent, service site and duration, and considered effective for the Sickness, Injury, Mental Illness, substance related and addictive disorder, disease or its symptoms.
- Not mainly for your convenience or that of your doctor or other health care provider.
- Not more costly than an alternative drug, service(s), service site or supply that is at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of the Sickness, Injury, Mental Illness, substance related and addictive disorder disease or its symptoms.

Generally Accepted Standards of Medical Practice are standards that are based on credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community, relying primarily on controlled clinical trials, or, if not available, observational studies from more than one institution that suggest a causal relationship between the service or treatment and health outcomes.

If no credible scientific evidence is available, then standards that are based on Physician specialty society recommendations or professional standards of care may be considered. The Claims Administrator reserves the right to consult expert opinion in determining whether health care services are Medically Necessary. The decision to apply Physician specialty society recommendations, the choice of expert and the determination of when to use any such expert opinion, shall be within the Claims Administrator's sole discretion.

The Claims Administrator develops and maintains clinical policies that describe the *Generally Accepted Standards of Medical Practice* scientific evidence, prevailing medical standards and clinical guidelines supporting its determinations regarding specific services. These clinical

policies (as developed by the Claims Administrator and revised from time to time), are available to Covered Persons on www.myuhc.com or by calling the number on your ID card, and to Physicians and other health care professionals on www.UHCprovider.com.

Medicare - Parts A, B, C and D of the insurance program established by Title XVIII, *United States Social Security Act*, as amended by 42 U.S.C. Sections 1394, et seq. and as later amended.

Mental Health Services - services for the diagnosis and treatment of those mental health or psychiatric categories that are listed in the current edition of the *International Classification of Diseases section on Mental and Behavioral Disorders* or the *Diagnostic and Statistical Manual of the American Psychiatric Association*. The fact that a condition is listed in the current edition of the *International Classification of Diseases section on Mental and Behavioral Disorders* or *Diagnostic and Statistical Manual of the American Psychiatric Association* does not mean that treatment for the condition is a Covered Health Service.

Mental Health/Substance-Related and Addictive Disorders Services Administrator - the organization or individual designated by the Plan Administrator who provides or arranges Mental Health and Substance-Related and Addictive Disorders Services under the Plan.

Mental Illness – those mental health or psychiatric diagnostic categories listed in the current edition of the *International Classification of Diseases section on Mental and Behavioral Disorders* or *Diagnostic and Statistical Manual of the American Psychiatric Association*. The fact that a condition is listed in the current edition of the *International Classification of Diseases section on Mental and Behavioral Disorders* or *Diagnostic and Statistical Manual of the American Psychiatric Association* does not mean that treatment for the condition is a Covered Health Service.

Network – when used to describe a provider of health care services, this means a provider that has a participation agreement in effect (either directly or indirectly) with UnitedHealthcare or with its affiliate to participate in the Network; however, this does not include those providers who have agreed to discount their charges for Covered Health Services. UnitedHealthcare's affiliates are those entities affiliated with UnitedHealthcare through common ownership or control with UnitedHealthcare or with UnitedHealthcare's ultimate corporate parent, including direct and indirect subsidiaries.

A provider may enter into an agreement to provide only certain Covered Health Services, but not all Covered Health Services, or to be a Network provider for only some products. In this case, the provider will be a Network provider for the Covered Health Services and products included in the participation agreement, and a non-Network provider for other Covered Health Services and products. The participation status of providers will change from time to time.

Network Benefits - the description of how Benefits are paid for Covered Health Services provided by Network providers. Refer to Section 4, *Plan Highlights*, and Section 2, *How the Plan Works*, for details about how Network Benefits apply.

New Pharmaceutical Product - a Pharmaceutical Product or new dosage form of a previously approved Pharmaceutical Product. It applies to the period of time starting on the

date the Pharmaceutical Product or new dosage form is approved by the *U.S. Food and Drug Administration (FDA)* and ends on the earlier of the following dates.

- The date it is reviewed.
- December 31st of the following calendar year.

Non-Medical 24-Hour Withdrawal Management - An organized residential service, including those defined in *American Society of Addiction Medicine (ASAM)*, providing 24-hour supervision, observation, and support for patients who are intoxicated or experiencing withdrawal, using peer and social support rather than medical and nursing care.

Non-Network Benefits - the description of how Benefits are paid for Covered Health Services provided by non-Network providers. Refer to Section 4, *Plan Highlights*, and Section 2, *How the Plan Works*, for details about how Non-Network Benefits apply.

Out-of-Pocket Maximum - the maximum amount you pay for Covered Health Services every calendar year. Refer to Section 4, *Plan Highlights* for the Out-of-Pocket Maximum amount. See Section 2, *How the Plan Works* for a description of how the Out-of-Pocket Maximum works.

Partial Hospitalization/Day Treatment - a structured ambulatory program that may be a free-standing or Hospital-based program and that provides services for at least 20 hours per week.

Personal Health Support - Programs provided by the Claims Administrator that focus on prevention, education, and closing the gaps in care designed to encourage an efficient system of care for you and your covered Dependents.

Personal Health Support Nurse - the primary nurse that UnitedHealthcare may assign to you if you have a chronic or complex health condition. If a Personal Health Support Nurse is assigned to you, this nurse will call you to assess your progress and provide you with information and education.

Pharmaceutical Product(s) – *U.S. Food and Drug Administration (FDA)*-approved prescription medications or products administered in connection with a Covered Health Service by a Physician.

Physician - any *Doctor of Medicine* or *Doctor of Osteopathy* who is properly licensed and qualified by law.

Please note: Any podiatrist, dentist, psychologist, chiropractor, optometrist or other provider who acts within the scope of his or her license will be considered on the same basis as a Physician. The fact that a provider is described as a Physician does not mean that Benefits for services from that provider are available to you under the Plan.

Plan – The Standard PPO Option under the Duke Energy Retiree Medical Plan and/or the Duke Energy Retiree Medical Plan, as appropriate depending on context, each as amended from time to time.

Plan Administrator – The Duke Energy Benefits Committee or its designee.

Pregnancy - includes all of the following:

- Prenatal care.
- Postnatal care.
- Childbirth.
- Any complications associated with the above.

Presumptive Drug Test - test to determine the presence or absence of drugs or a drug class in which the results are indicated as negative or positive result.

Primary Physician – a Physician who has a majority of his or her practice in general pediatrics, internal medicine, obstetrics/gynecology, family practice or general medicine.

Private Duty Nursing - nursing care that is provided to a patient on a one-to-one basis by licensed nurses in a home setting when any of the following are true:

- Services exceed the scope of Intermittent Care in the home.
- The service is provided to a Covered Person by an independent nurse who is hired directly by the Covered Person or his/her family. This includes nursing services provided on a home-care basis, whether the service is skilled or non-skilled independent nursing.
- Skilled nursing resources are available in the facility.
- The Skilled Care can be provided by a Home Health Agency on a per visit basis for a specific purpose.

Recognized Amount – the amount which Copayment, Coinsurance and applicable Annual Deductible, is based on for the below Covered Health Services when provided by non-Network providers.

- Non-Network Emergency Health Services.
- Non-Emergency Covered Health Services received at certain Network facilities by non-Network Physicians, when such services are either Ancillary Services, or non-Ancillary Services that have not satisfied the notice and consent criteria of section 2799B-2(d) of the *Public Health Service Act*. For the purpose of this provision, "certain Network facilities" are limited to a hospital (as defined in section 1861(e) of the *Social Security Act*), a hospital outpatient department, a critical access hospital (as defined in section 1861(mm)(1) of the *Social Security Act*), an ambulatory surgical center as described in section 1833(i)(1)(A) of the *Social Security Act*, and any other facility specified by the Secretary.

The amount is based on either:

- 1) An *All Payer Model Agreement* if adopted,
- 2) State law, or

- 3) The lesser of the qualifying payment amount as determined under applicable law or the amount billed by the provider or facility.

The Recognized Amount for Air Ambulance services provided by a non-Network provider will be calculated based on the lesser of the qualifying payment amount as determined under applicable law or the amount billed by the Air Ambulance service provider.

Note: Covered Health Services that use the Recognized Amount to determine your cost sharing may be higher or lower than if cost sharing for these Covered Health Services were determined based upon an Eligible Expense.

Reconstructive Procedure - a procedure performed to address a physical impairment where the expected outcome is restored or improved function. The primary purpose of a Reconstructive Procedure is either to treat a medical condition or to improve or restore physiologic function. Reconstructive Procedures include surgery or other procedures which are associated with an Injury, Sickness or Congenital Anomaly. The primary result of the procedure is not changed or improved physical appearance. The fact that a person may suffer psychologically as a result of the impairment does not classify surgery or any other procedure done to relieve the impairment as a Reconstructive Procedure.

Remote Physiologic Monitoring - the automatic collection and electronic transmission of patient physiologic data that are analyzed and used by a licensed Physician or other qualified health care professional to develop and manage a treatment plan related to a chronic and/or acute health illness or condition. The treatment plan will provide milestones for which progress will be tracked by one or more Remote Physiologic Monitoring devices. Remote Physiologic Monitoring must be ordered by a licensed Physician or other qualified health professional who has examined the patient and with whom the patient has an established, documented, and ongoing relationship. Remote Physiologic Monitoring may not be used while the patient is inpatient at a Hospital or other facility. Use of multiple devices must be coordinated by one Physician.

Residential Treatment – treatment in a facility which provides Mental Health Services or Substance-Related and Addictive Disorders Services treatment. The facility meets all of the following requirements:

- It is established and operated in accordance with applicable state law for Residential Treatment programs.
- It provides a program of treatment approved by the Mental Health/Substance-Related and Addictive Disorders Services Administrator under the active participation and direction of a Physician and approved by the Mental Health/Substance-Related and Addictive Disorders Services Administrator.
- Offers organized treatment services that feature a planned and structured regimen of care in a 24-hour setting and provides at least the following basic services;
 - Room and board.
 - Evaluation and diagnosis.
 - Counseling.
 - Referral and orientation to specialized community resources.

A Residential Treatment facility that qualifies as a Hospital is considered a Hospital.

Retiree – a former employee of the Company who is eligible for benefits under the Plan as described in the General Information Booklet.

Secretary – as that term is applied in the *No Surprises Act* of the *Consolidated Appropriations Act (P.L. 116-260)*.

Semi-private Room - a room with two or more beds. When an Inpatient Stay in a Semi-private Room is a Covered Health Service, the difference in cost between a Semi-private Room and a private room is a benefit only when a private room is necessary in terms of generally accepted medical practice, or when a Semi-private Room is not available.

Sickness - physical illness, disease or Pregnancy. The term Sickness as used in this Benefit Booklet includes Mental Illness or substance-related and addictive disorders, regardless of the cause or origin of the Mental Illness or substance-related and addictive disorder.

Skilled Care - skilled nursing, teaching, and rehabilitation services when:

- They are delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome and provide for the safety of the patient.
- A Physician orders them.
- They are not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- They require clinical training in order to be delivered safely and effectively.
- They are not Custodial Care, as defined in this section.

Skilled Nursing Facility - a Hospital or nursing facility that is licensed and operated as required by law. A Skilled Nursing Facility that is part of a Hospital is considered a Skilled Nursing Facility for purposes of the Plan.

Specialist Physician - a Physician who has a majority of his or her practice in areas other than general pediatrics, internal medicine, obstetrics/gynecology, family practice or general medicine.

Specialty Pharmaceutical Product - Pharmaceutical Products that are generally high cost biotechnology drugs used to treat patients with certain illnesses.

Spouse – your spouse or domestic partner as defined in the General Information Booklet.

Substance-Related and Addictive Disorders Services - services for the diagnosis and treatment of alcoholism and substance-related and addictive disorders that are listed in the current edition of the *International Classification of Diseases section on Mental and Behavioral Disorders* or *Diagnostic and Statistical Manual of the American Psychiatric Association*. The fact that a disorder is listed in the edition of the *International Classification of Diseases section on Mental and*

Behavioral Disorders or *Diagnostic and Statistical Manual of the American Psychiatric Association* does not mean that treatment of the disorder is a Covered Health Service.

Surrogate - a female who becomes pregnant usually by artificial insemination or transfer of a fertilized egg (embryo) for the purpose of carrying the fetus for another person. When the surrogate provides the egg the surrogate is biologically (genetically) related to the child.

Telehealth/Telemedicine - live, interactive audio with visual transmissions of a Physician-patient encounter from one site to another using telecommunications technology. The site may be a *CMS* defined originating facility or another location such as a Covered Person's home or place of work. Telehealth/Telemedicine does not include virtual care services provided by a Designated Virtual Network Provider.

Therapeutic Donor Insemination (TDI) - Insemination with a donor sperm sample for the purpose of conceiving a child.

Transitional Living - Mental Health Services and Substance-Related and Addictive Disorders Services that are provided through facilities, group homes and supervised apartments that provide 24-hour supervision, including those defined in *American Society of Addiction Medicine (ASAM)* criteria, that are either:

- Sober living arrangements such as drug-free housing or alcohol/drug halfway houses. These are transitional, supervised living arrangements that provide stable and safe housing, an alcohol/drug-free environment and support for recovery. A sober living arrangement may be utilized as an adjunct to ambulatory treatment when treatment doesn't offer the intensity and structure needed to assist the Covered Person with recovery.
- Supervised living arrangements which are residences such as facilities, group homes and supervised apartments that provide stable and safe housing and the opportunity to learn how to manage activities of daily living. Supervised living arrangements may be utilized as an adjunct to treatment when treatment doesn't offer the intensity and structure needed to assist the Covered Person with recovery.

UnitedHealth Premium Program – a Program that identifies network Physicians or facilities that have been designated as a UnitedHealth Premium Program Physician or facility for certain medical conditions.

To be designated as a UnitedHealth Premium provider, Physicians and facilities must meet program criteria. The fact that a Physician or facility is a Network Physician or facility does not mean that it is a UnitedHealth Premium Program Physician or facility.

Unproven Services – health services, including medications and devices, regardless of *U.S. Food and Drug Administration (FDA)* approval, that are not determined to be effective for treatment of the medical condition or not determined to have a beneficial effect on health outcomes due to insufficient and inadequate clinical evidence from well-conducted randomized controlled trials or cohort studies in the prevailing published peer-reviewed medical literature.

- Well-conducted randomized controlled trials. (Two or more treatments are compared to each other, and the patient is not allowed to choose which treatment is received.)
- Well-conducted cohort studies from more than one institution. (Patients who receive study treatment are compared to a group of patients who receive standard therapy. The comparison group must be nearly identical to the study treatment group.)
- UnitedHealthcare has a process by which it compiles and reviews clinical evidence with respect to certain health services. From time to time, UnitedHealthcare issues medical and drug policies that describe the clinical evidence available with respect to specific health care services. These medical and drug policies are subject to change without prior notice. You can view these policies at www.myuhc.com.

Please note:

- If you have a life-threatening Sickness or condition (one that is likely to cause death within one year of the request for treatment) the Claims Administrator may, at its discretion, consider an otherwise Unproven Service to be a Covered Health Care Service for that Sickness or condition. Prior to such a consideration, the Claims Administrator must first establish that there is sufficient evidence to conclude that, even though unproven, the service has significant potential as an effective treatment for that Sickness or condition.

Urgent Care – care that requires prompt attention to avoid adverse consequences but does not pose an immediate threat to a person’s life. Urgent care is usually delivered in a walk-in setting and without an appointment. Urgent care facilities are a location, distinct from a hospital emergency department, an office or a clinic. The purpose is to diagnose and treat illness or injury for unscheduled, ambulatory patients seeking immediate medical attention.

Urgent Care Center – a facility that provides Covered Health Services that are required to prevent serious deterioration of your health, and that are required as a result of an unforeseen Sickness, Injury, or the onset of acute or severe symptoms.

myHR™ is a registered mark of Alight Solutions, LLC.

ATTACHMENT I - NOTICES

Statement of Rights under the Newborns' and Mothers' Health Protection Act

Under Federal law, group health Plans and health insurance issuers offering group health insurance coverage generally may not restrict Benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the Plan or issuer may pay for a shorter stay if the attending provider (e.g., your Physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under Federal law, plans and issuers may not set the level of Benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under Federal law, require that a Physician or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain prior authorization or notify the Claims Administrator. For information on notification or prior authorization, contact your Claims Administrator.

ATTACHMENT II – NONDISCRIMINATION & ACCESSIBILITY REQUIREMENTS

When the Plan uses the words "Claims Administrator" in this Attachment, it is a reference to United HealthCare Services, Inc., on behalf of itself and its affiliated companies.

The Claims Administrator on behalf of itself and its affiliated companies complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. UnitedHealthcare does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.

The Claims Administrator provides free aids and services to people with disabilities to communicate effectively with us, such as:

- Qualified sign language interpreters
- Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Free language services to people whose primary language is not English, such as qualified interpreters and information written in other languages

If you need these services, please call the member number on your health plan ID card, TTY 711.

If you believe that the Claims Administrator has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance in writing by mail or email with the Civil Rights Coordinator identified below. A grievance must be sent within 60 calendar days of the date that you become aware of the discriminatory action and contain the name and address of the person filing it along with the problem and the requested remedy.

A written decision will be sent to you within 30 calendar days. If you disagree with the decision, you may file an appeal within 15 calendar days of receiving the decision.

Claims Administrator Civil Rights Coordinator
United HealthCare Services, Inc. Civil Rights Coordinator UnitedHealthcare Civil Rights Grievance P.O. Box 30608 Salt Lake City, UT 84130 The member phone number listed on your health plan ID card, TTY 711 UHC_Civil_Rights@UHC.com

If you need help filing a grievance, the Civil Rights Coordinator identified above is available to help you.

You can also file a complaint directly with the U.S. Dept. of Health and Human services online, by phone or mail:

Online <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>

Complaint forms are available at <http://www.hhs.gov/ocr/office/file/index.html>

Phone: 1-800-368-1019, 800-537-7697 (TDD)

Mail: U.S. Dept. of Health and Human Services, 200 Independence Avenue, SW Room 509F, HHH Building, Washington, D.C. 20201

ATTACHMENT III – GETTING HELP IN OTHER LANGUAGES OR FORMATS

You have the right to get help and information in your language at no cost. To request an interpreter, call the member phone number listed on your health plan ID card, press 0. TTY 711.

This letter is also available in other formats like large print. To request the document in another format, please call the member phone number listed on your health plan ID card, press 0. TTY 711, Monday through Friday, 8 a.m. to 8 p.m.

SECTION 1 – WELCOME

The Duke Energy Retiree Medical Plan (“Medical Plan”) options include outpatient prescription drug coverage currently administered by CVS Caremark. CVS Caremark works with Duke Energy Corporation (“Duke Energy”) (individually or collectively referred to with its affiliated companies as the “Company,” as appropriate) to help you improve your health and make informed health care decisions, as well as save money on your prescription drugs.

Your prescription drug program benefits through CVS Caremark include the following features:

- The CVS Caremark retail network consists of more than 64,000 participating retail pharmacies.
- Your long-term prescriptions can be delivered directly to you through the CVS Caremark Mail Service Pharmacy or picked up at a CVS retail pharmacy.
- Online resources are available at **www.Caremark.com** to order medications, check the status of your order(s), locate a participating pharmacy near you, and access useful health information.
- You can reach CVS Caremark Customer Service representatives, 24 hours a day, 7 days a week at 888-797-8912. Pharmacists are also available around the clock for medication consultations.

CVS Caremark will help protect your privacy as follows:

- CVS Caremark employees follow detailed ethical standards and a comprehensive Code of Conduct regarding your personal health information.
- CVS Caremark pharmacists follow a professional Code of Ethics.

SECTION 2 – HOW THE PROGRAM WORKS

Filling Your Prescription at a Pharmacy Participating in the CVS Caremark Retail Network

You can fill a prescription for up to a 30-day supply at any of over 64,000 retail pharmacies participating in the CVS Caremark retail network. You will simply show your CVS Caremark prescription ID card at the time of your purchase. You will pay the applicable prescription drug co-pay or coinsurance amount.

- If you don't identify yourself to the pharmacist as a CVS Caremark participant, or if you go to a pharmacy that is not participating in the CVS Caremark retail network, you will have to pay the full price when you pick up the prescription and then submit a paper claim to CVS Caremark for reimbursement. You will be reimbursed based on the CVS Caremark negotiated price for the medication, less any required co-pay or coinsurance amount. Retail pharmacies that participate in the CVS Caremark retail network fill prescriptions at an agreed upon discounted price. When you fill prescriptions at a non-participating retail pharmacy, or do not identify yourself as a CVS Caremark participant, you may be charged a price higher than the negotiated price and the result is a higher cost prescription to you.
- If you make a prescription drug purchase at a pharmacy that is participating in the CVS Caremark retail network, do not identify yourself as a CVS Caremark participant by presenting your CVS Caremark prescription ID card and are required to pay full price for the prescription drug purchase, generally, you have up to 14 days from the time your prescription was purchased to return to the pharmacy, present your CVS Caremark prescription ID card and ask the pharmacist to submit the order using the original dispensing date. Please confirm at the time you make your purchase that you can return to have your purchase re-processed. You may be entitled to a refund for the difference between the full price and your applicable co-pay or coinsurance amount. This process will eliminate your need to submit a paper claim to CVS Caremark for reimbursement.

Using the CVS Caremark Maintenance Choice™ Program

Generally, a long-term (maintenance) medication is one that you take on a long-term basis such as those used for diabetes, asthma, high blood pressure, high cholesterol or birth control. Under CVS Caremark's Maintenance Choice program, if you are taking a long-term medication, you must choose to receive 90-day supplies through the CVS Caremark Mail Service Pharmacy or at a CVS retail pharmacy near you. Whether you choose delivery or pick-up, you will pay the same applicable co-pay or coinsurance amount.

Fill limit for long-term medications

The Medical Plan allows three 30-day fills of long-term medications at any pharmacy that participates in the CVS Caremark retail network. After that, the Medical Plan will cover long-term medications only if you have 90-day supplies filled through the CVS Caremark Mail Service Pharmacy or at a CVS retail pharmacy at the applicable 90-day supply co-pay or coinsurance amount. If you do not use the CVS Caremark Mail Service Pharmacy or a CVS

retail pharmacy after the third fill, you will pay 100% of the retail price of the long-term medication.

If you will be obtaining your own prescription, ask your doctor for a prescription for up to a 90-day supply of medication, plus refills as appropriate (three refills maximum).

The list of long-term medications that are part of the Maintenance Choice program is subject to change at any time. Visit www.Caremark.com to find out whether your medication is considered a long-term medication and whether it is affected by any Medical Plan limits, or you may call CVS Caremark directly for more information.

Process for Mail Order Medications

There are several methods you may use to fill your newly prescribed long-term medications through the CVS Caremark Mail Service Pharmacy.

- **Option 1:** Ask your doctor to select the CVS Caremark Mail Service Pharmacy using their provider ePrescribing tools or by calling 800-378-5697.
- **Option 2:** Use the CVS Caremark mobile app on your smart phone to photograph and submit your prescription.
- **Option 3:** Alternatively, you can complete the mail order form, which is available at www.Caremark.com, and send it with your new prescription order and payment method for any applicable copayment, deductible and coinsurance amounts to the address on the form. If you have any questions about completing the form, contact Customer Service at 888-797-8912.

Once you fill a prescription through the CVS Caremark Mail Service Pharmacy for the first time, you then have the option to use the automated refill service for future refills by CVS Caremark. Visit www.Caremark.com for more information on the automatic refill service.

Please note: When a prescription is ordered using the CVS Caremark Mail Service Pharmacy, CVS Caremark will automatically dispense the generic equivalent if one is available and permissible by law, unless your physician has indicated that substitution is not allowed.

Using Mail Order if you have an Immediate Medication Need

If you will be using the CVS Caremark Mail Service Pharmacy, but need to begin taking a long-term medication immediately, have your doctor write two prescriptions:

- The first for up to a 30-day supply to be filled right away at any pharmacy that is participating in the CVS Caremark retail network – your doctor can call/fax this prescription to the pharmacy or provide it to you so you may take it to the pharmacy.
- The second for up to a 90-day supply to be filled through the CVS Caremark Mail Service Pharmacy using one of the methods described above.

Covered Expenses

The following are covered expenses under the Medical Plan unless listed as excluded below:

- Federal Legend Drugs
- State Restricted Drugs
- Compounded Medications of which at least one ingredient is a legend drug
- Insulin
- Needles and Syringes (100% covered with no co-pay or coinsurance)
- Glucose Monitors
- Over-the-Counter (OTC) Diabetic Supplies (lancets, lancet devices, alcohol wipes 100% covered with no co-pay or coinsurance)
- Oral, Transdermal, Intravaginal and Injectable Contraceptives
- Contraceptive Emergency kits
- Drugs to Treat Impotency (Limits of 6 units per 30 days at retail, and 18 units per 90 days at mail for all dosage forms except Yohimbine)
- Inhaler Assisting Devices
- Peak flow meters
- Influenza treatments at 1 treatment course per 180 days
- Zyban and Chantix (limit of 360 days of therapy per lifetime, 100% covered with no co-pay or coinsurance)
- Anti-obesity Agents
- Products packaged as greater than a 30-day supply are covered through the CVS Caremark Mail Service Pharmacy or at a CVS retail pharmacy only

Excluded Expenses

The following are excluded from coverage under the Medical Plan unless specifically listed as a benefit under "Covered Expenses."

- Non-Federal Legend Drugs
- Non-systemic contraceptives, devices
- Smoking Deterrents (except as listed above)
- Nutritional Supplements
- Ostomy Supplies (covered as a medical expense under the Medical Plan)
- Gluconorm Products
- Mifeprex
- Therapeutic devices or appliances (including Diabetic Pumps and supplies, which are covered as a medical expense under the Medical Plan)
- Drugs whose sole purpose is to promote or stimulate hair growth or for cosmetic purposes only
- Allergy Serums (covered as a medical expense under the Medical Plan)
- Biologicals, immunization agents or vaccines (except as noted below for certain routine vaccines)
- Blood or blood plasma products (covered as a medical expense under the Medical Plan)
- Drugs labeled "Caution-limited by Federal law to investigational use," or experimental drugs, even though a charge is made to the individual
- Medication for which the cost is recoverable under any Workers' Compensation or Occupational Disease Law or from any State or Governmental Agency, or medication furnished by any other Drug or Medical Service for which no charge is made to the participant

- Medication which is to be taken by or administered to an individual, in whole or in part, while he or she is a patient in a licensed hospital, rest home, sanitarium, extended care facility, skilled nursing facility, convalescent hospital, nursing home or similar institution which operates on its premises or allows to be operated on its premises, a facility for dispensing pharmaceuticals
- Any prescription refilled in excess of the number of refills specified by the physician, or any refill dispensed after one year from the physician's original order
- Charges for the administration or injection of any drug
- New-to-market unapproved products and certain existing unapproved products that may be marketed contrary to the Federal Food, Drug and Cosmetic Act (FFDCA)
- Arestin (covered as a dental expense under the Duke Energy Retiree Dental Plan)
- Fertility Agents

Medical Plan Annual Deductibles and Out-of-Pocket Maximums

Except as otherwise noted below for the Medical Plan's Catastrophic option, the prescription drug program co-pays and coinsurance amounts are not subject to or applied toward your Medical Plan annual deductibles or *medical* out-of-pocket maximums, if applicable. This means that the prescription drug program under the Medical Plan provides applicable benefits for covered prescription drug expenses even before you satisfy your annual deductible, if applicable.

Except as otherwise noted below for the Medical Plan's Catastrophic option, the prescription drug program co-pays and coinsurance amounts are applied toward your Medical Plan annual *prescription drug* out-of-pocket maximums, if applicable. This means that once you satisfy your applicable annual *prescription drug* out-of-pocket maximums, you do not have to pay any further co-pays or coinsurance amounts for covered prescription drugs. Please note that the Medical Plan has separate annual *medical* out-of-pocket maximums. If you satisfy the Medical Plan's separate annual *medical* out-of-pocket maximums, but have not yet satisfied your applicable annual *prescription drug* out-of-pocket maximums, you still have to pay any applicable co-pay or coinsurance amount for covered prescription drugs until you satisfy your applicable annual *prescription drug* out-of-pocket maximums.

Catastrophic Option

Under the Medical Plan's Catastrophic option, prescription drug program co-pays and coinsurance amounts do apply toward your Medical Plan annual deductibles, if applicable.

In addition, the prescription drug program co-pays and coinsurance amounts also are applied toward your Medical Plan's applicable annual out-of-pocket maximums. For the Medical Plan's Catastrophic option, the annual prescription drug and annual medical deductible and out-of-pocket maximums are combined. This means that once you satisfy your applicable annual out-of-pocket maximums, you do not have to pay any further co-pays or coinsurance amounts for covered prescription drugs or medical expenses.

SECTION 3 – COVERAGE DETAILS

CVS Caremark Primary/Preferred Drug List

Your co-pay and/or coinsurance amounts for prescription purchases will vary depending on whether your physician prescribes a generic, preferred brand or non-preferred brand medication. By asking your physician to prescribe generic or preferred brand medications, you can help control rising health care costs.

Your prescription drug program incorporates a Primary/Preferred Drug List which lists the Medical Plan's preferred brand medications. The medications included on the list, which change from time to time, are commonly prescribed medications that have been selected based on their clinical effectiveness and opportunities for savings for the participant and the Medical Plan. For the most recent listing and to find out whether a medication is included in the Primary/Preferred Drug List, visit CVS Caremark online at www.Caremark.com or call CVS Caremark Customer Service at 888-797-8912.

Refer to the prescription drug benefit summary on page 19 for more information about applicable co-pays and/or coinsurance amounts for generic, preferred brand and non-preferred brand medications.

Certain Contraceptive Medications Covered at 100%

The following contraceptive medications are covered at 100% (i.e., you do not pay anything when you purchase these items) when received from a pharmacy that is participating in the CVS Caremark retail network or the CVS Caremark Mail Service Pharmacy:

- Generic contraceptive medications; and
- Brand contraceptive medications where there is no generic available.

Note: If a generic version of a brand contraceptive medication becomes available, then only the generic contraceptive medication will be covered at 100%.

Certain Routine Vaccines Covered at 100%

The Medical Plan provides coverage for certain commonly administered vaccines at 100% when you present your CVS Caremark prescription ID card at a pharmacy that is participating in the CVS Caremark retail network. This is an alternative to getting certain immunizations from your doctor. Commonly administered vaccines available at a participating pharmacy through the Medical Plan include the following, where applicable:

- Hepatitis A (Adult)
- Hepatitis A (Child)
- Hepatitis B (Adult)
- Hepatitis B (Child)
- Human Papillomavirus (Gardasil)
- Influenza (Fluzone)

- Meningitis
- MMR (Measles, Mumps, Rubella)
- Pneumonia (Pneumovax)
- Polio (IPV)
- Shingles vaccine (Zostavax)
- TD (Tetanus, Diphtheria)
- Tdap (Tetanus, Diphtheria, Pertussis)

Please Note: Not all local pharmacies are staffed to provide immunizations and some may require a prescription to administer the vaccine based on requirements of particular states. Check with your local pharmacy for vaccine availability before you go.

CVS Caremark Specialty Medications and Specialty Guideline Management

Duke Energy participates in the CVS Caremark Specialty Guideline Management Program. This program supports safe, clinically appropriate and cost-effective use of specialty medications. Under your prescription drug program, some specialty medications may only be covered when ordered through CVS Caremark's specialty care pharmacy. CVS Caremark is dedicated to helping you meet the particular needs and challenges of using specialty medications, many of which require injection or special handling.

Certain specialty medications such as treatments for Growth Hormone and related disorders, Hepatitis C, Multiple Sclerosis and Anemia will have additional management that ensures that the specialty medication continues to have appropriate lab testing and data reviewed to help ensure utilization of these specialty medications to be:

- clinically appropriate;
- safe; and
- effective for the patient throughout the duration of therapy.

For continued treatment with one of these specialty drugs, a periodic clinical review is required. CVS Caremark will obtain the necessary clinical information from your doctor's office and conduct the review.

The CVS Caremark Specialty Pharmacy provides not only your specialty medicines, but also personalized pharmacy care management services:

- Access to an on-call pharmacist 24 hours a day, seven days a week
- Coordination of care with you and your doctor
- Convenient delivery directly to you or to your doctor's office
- Medicine- and disease-specific education and counseling
- Online support through www.Caremark.com/specialty, including disease-specific information and interactive areas to submit questions to pharmacists and nurses

If a covered participant uses medications that are classified by CVS Caremark as specialty medications and wishes to use the prescription drug benefit, the participant should obtain these medications from CVS Caremark Specialty Pharmacy Services. Most of these same drugs also

require prior authorization from CVS Caremark, as described below. These drugs are typically only available in up to a 30-day supply, even if taken on a long-term basis.

All specialty medications undergo external review of the program guidelines by clinical experts to ensure the program is unbiased and consistent with current standards of care and practice.

To answer any questions you may have about specialty medications or to find out what medications are considered to be specialty medications for purposes of the Medical Plan, you may contact CVS Caremark Specialty Pharmacy Services directly at 800-237-2767.

SECTION 4 – SPECIAL PROGRAMS

Step Therapy Program

In order to have coverage for prescription medications in certain drug classes, you must try a generic medication first to treat your condition. If you try (or have tried) a generic medication and it does not work for you, then you may receive coverage for a preferred brand medication that your doctor prescribes. If you try (or have tried) a preferred brand medication and it does not work for you, then you may receive coverage for a non-preferred brand medication that your doctor prescribes.

The amount you pay for your prescription will be lowest when you choose a generic medication. If no generic is available – or if it is not right for you – your Medical Plan provides coverage for preferred brand medications, which may also save you money.

However, if you choose to use a preferred brand medication without trying a generic first or without getting prior approval via the prior authorization process, coverage may be denied and you may have to pay the full cost of the preferred brand medication. If you choose to use a non-preferred brand medication without trying a generic and preferred brand first or without getting prior approval via the prior authorization process, coverage may be denied and you may have to pay the full cost of the non-preferred brand medication.

For information regarding the drug classes subject to the Step Therapy Program, call CVS Caremark at 888-797-8912.

Maximum Drug Limitation Program

The Medical Plan prescription drug benefits include quantity limits on certain medications, which are applied to address the problem of overuse of medications that can be unsafe for the patient. By following these guidelines, participants are assured of receiving the appropriate safe dosage recommended by the FDA. This means that:

- The Medical Plan will pay only for up to a specified quantity per 30 or 90-day periods.
- In addition, some medications have limitations on the day's supply of medication that may be dispensed to a patient at any one time.
- In certain drug classes, if the medical condition warrants a greater quantity than the established quantity limit, CVS Caremark will discuss the patient's needs with the patient's physician to determine if a greater quantity is medically necessary to treat the condition.

For information regarding the medications subject to the Maximum Drug Limitation Program, call CVS Caremark at 888-797-8912.

Prior Authorization

To ensure that drugs covered by the Medical Plan are used safely and appropriately, certain medications require that physicians obtain prior authorization from CVS Caremark *before* they are covered. Other classes may be added based upon safety, efficiency and FDA approved therapies. Call CVS Caremark at 888-797-8912 to determine if a medication requires prior authorization. Prior authorization does not guarantee coverage or payment under the Medical Plan.

Prior authorization also is required for a preferred brand medication to be covered prior to trying a generic medication, and for a non-preferred brand medication to be covered prior to trying a generic and preferred brand medication, as described above.

In order for medications which require prior authorization to be covered under the Medical Plan, your physician must obtain authorization from CVS Caremark at 800-294-5979 in advance of treatment with these medications.

Drug Utilization Reviews

Drug utilization reviews may help you guard against drug interaction problems that can occur, for example, when medications are prescribed by more than one physician. When your prescriptions are filled through the CVS Caremark Mail Service Pharmacy or at a pharmacy that is participating in the CVS Caremark retail network (using your CVS Caremark prescription ID card), they are reviewed for any potential drug interactions. This review is especially important if you or your covered family members take several medications or see more than one physician. If there is a question about your prescription, a registered pharmacist may contact your physician before dispensing the medication to discuss any alternatives and recommendations. You will be notified of any change in your prescribed medication. Your doctor makes the final decision on all of your prescription medications.

SECTION 5 – COORDINATION OF BENEFITS

Under the prescription drug program, CVS Caremark will not coordinate benefits for prescription drug expenses with other coverage you may have, except for Medicare as described below. That is, if you and/or your covered family members have prescription drug coverage under another plan, you may submit your prescription drug claims to whichever plan you choose. For example, if your spouse/domestic partner's medical plan does not cover prescription drugs or requires a deductible and coinsurance, you may want to use your CVS Caremark prescription ID card, instead of your spouse/domestic partner's plan, to obtain your prescriptions. Alternatively, if your spouse/domestic partner's medical plan requires co-pays to purchase prescription medications in lieu of deductibles and coinsurance, you may want to use your spouse/domestic partner's plan, instead of your CVS Caremark prescription ID card, to obtain your prescriptions.

Please Note: CVS Caremark does coordinate benefits for Medicare Part B coverage for participants with that coverage. Please see the section titled “Medicare Part B Medications” below for more details.

Medicare Part B Medications *(Applicable only to Medicare Part B enrollees)*

If you have Medicare Part B coverage, you will be able to fill prescriptions as described below:

Take your prescription to a Medicare Part B retail pharmacy. If you choose to use a Medicare Part B retail pharmacy for your Medicare Part B medication or supply needs, you will be asked to present your Medicare ID card.

- The participating Medicare Part B retail pharmacy will work with you to bill Medicare on your behalf.
- Most independent pharmacies and national chains are Medicare Part B providers. If you want to locate a retail pharmacy that is a Medicare Part B provider, visit the Medicare website at www.medicare.gov.

Medicare Part B allows only 30 days worth of medication except for Diabetic Supplies. For Diabetic Supplies, you can receive up to a 90-day supply; however, you can only test up to 3 times a day. If you test more than 3 times a day, you will need to provide further documentation as to why it is necessary for you to test so often. Further documentation can include the results of blood tests conducted by your physician's office.

All prescriptions must be in writing; CVS Caremark cannot take a verbal prescription over the phone. However, CVS Caremark can accept a faxed copy.

Call CVS Caremark at 888-797-8912 to find out what types of drugs or supplies are covered by Medicare Part B.

CVS Caremark needs to have an original Assignment of Benefits (AOB) form filled out before your Medicare Part B prescriptions can be filled at mail order. If the AOB form is not filled out,

CVS Caremark will divert those prescriptions and make an outbound call to obtain a copy of the AOB form. An AOB form will also be included in each order; however, you only have to fill out an original once each year. To obtain an AOB form, call CVS Caremark Customer Service at 888-797-8912.

SECTION 6 – CLAIMS PROCEDURES

How to File a Prescription Drug Program Claim

When you fill your prescription at a pharmacy that is participating in the CVS Caremark retail network and identify yourself as a CVS Caremark participant, you will not have to file a claim form. At the time your prescription is filled, you will have to pay the applicable co-pay or coinsurance amount.

If you do not identify yourself to the pharmacist as a CVS Caremark participant, or if you do not use a pharmacy that is participating in the CVS Caremark retail network, you will need to file a claim for reimbursement of your prescription drug expenses through CVS Caremark. When you submit your claim, attach your original receipts and mail your claim to the address shown on the form. An original receipt should show the date of purchase, the name, cost, strength, quantity and days' supply of the medication, the prescription number and the NDC number. When you submit an original receipt, keep a copy for your records. Claim reimbursement is limited to CVS Caremark's discounted price less any required co-pay or coinsurance.

CVS Caremark will consider claims for payment, provided your prescription claim is filed within 15 months from the date of service. Claims filed after 15 months from the date of service will not be considered for payment. For example, if you purchase a covered prescription medication on January 15, 2023, from a pharmacy that is not participating in the CVS Caremark retail network, you must file your claim by April 15, 2024 to receive reimbursement for your expenses.

If you are newly eligible, you have a 45-day grace period for prescription drug claims for purchases at full cost in situations where the prescription ID card was not used. The grace period allows participants to be reimbursed at 100%, less the applicable co-pay or coinsurance amount, for paper claims submitted within 45 days from a participant's initial eligibility effective date with CVS Caremark. For example, a participant who's initial effective date with CVS Caremark is January 1, 2023 would have 45 days (until February 14, 2023) to submit a paper claim for medications purchased at full cost (no prescription ID card used) regardless of whether or not the pharmacy was participating in the CVS Caremark retail network.

Note: The period from March 1, 2020 through the date that is 60 days after the announced end of the national emergency related to the COVID-19 pandemic, or such other date announced by the federal agencies (the "Outbreak Period"), is disregarded in determining the deadline for filing prescription claims and appeals, in accordance with applicable legal guidance.

To obtain a claim form, call CVS Caremark Customer Service at 1-888-797-8912, or go online to www.Caremark.com.

Submit claim forms to:
CVS Caremark
P.O. Box 52196
Phoenix, AZ 85072-2196

Reviews & Appeals

The timing for review of your claim depends on the type of claim you submit, as described below. You may designate an authorized representative to assist you with the claims and appeals process described below.

Review Timing for Post-Service Claims

In the case of a post-service claim, CVS Caremark will notify you of the determination within 15 days after receiving the request. However, if more time is needed to make a determination due to matters beyond CVS Caremark's control, it will notify you within 15 days after receiving the request. The extension notice will include a description of the circumstances requiring the extension and the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed. The determination period will be suspended on the date CVS Caremark sends such a notice of missing information, and the determination period will resume on the date you respond to the notice. You will have at least 45 days to respond to the request for information.

For these purposes, a post-service claim is any claim that is not a pre-service claim or an urgent care claim, each as defined below.

Review Timing for Pre-Service Claims (Claims Relating to Prior Authorization)

In the case of a pre-service claim, CVS Caremark will inform you of its decision (whether adverse or not) within a reasonable period of time appropriate to the medical condition, but not later than 15 days after it receives the claim. Under special circumstances, CVS Caremark may take up to an additional 15 days to review the claim if it determines that such an extension is necessary due to matters beyond its control. If an extension of time is required, you will be notified before the end of the initial 15-day period of the circumstances requiring the extension and the date by which CVS Caremark expects to render a decision.

If additional information is needed because necessary information is missing from the request, the notice will specify what information is needed. You must provide the specified information to CVS Caremark within 45 days after receiving the notice. The determination period will be suspended on the date CVS Caremark sends a notice of missing information and the determination period will resume on the date you respond to the notice.

If you have not followed the proper procedures for filing your pre-service claim, you will be notified of the failure and the proper procedures to be followed in filing pre-service claims. This notice will be provided to you as soon as possible, but not later than 5 days, following the failure. This notification may be oral, unless you request written notification.

For these purposes, a pre-service claim means any claim for a benefit with respect to which the terms of the prescription drug program condition receipt of the benefit, in whole or in part, on approval of the benefit in advance of obtaining medical care.

Review Timing for Urgent Care Claims

If your claim is an urgent care claim, CVS Caremark will notify you of its decision on your claim (whether adverse or not) as soon as possible, but no later than 72 hours after it receives the claim. If you fail to provide sufficient information to determine whether, or to what extent, benefits are covered or payable, CVS Caremark will inform you as soon as possible, but no later than 24 hours after it receives the claim, of the specific information necessary to complete the claim. You will have a reasonable amount of time, taking into account the circumstances, but no less than 48 hours, to provide the specified information. CVS Caremark will notify you of its determination on your claim as soon as possible, and no later than 48 hours after the earlier of (1) CVS Caremark's receipt of the specified information and (2) the end of the period provided to you to provide the specified additional information.

If you have not followed the proper procedures for filing your urgent care claim, you will be notified of the failure and the proper procedures to be followed in filing urgent care claims. This notice will be provided to you as soon as possible, but not later than 24 hours, following the failure. This notification may be oral, unless you request written notification.

For these purposes, an urgent care claim is any claim for medical care or treatment with respect to which the application of time periods for making non-urgent care determinations could seriously jeopardize your life or health or your ability to regain maximum function or, in the opinion of a physician with knowledge of your medical condition, would subject you to severe pain that could not be adequately managed without the care or treatment that is the subject of the claim.

Notice of Adverse Determination

In the event of an adverse benefit determination, in whole or in part, you will be notified of the adverse determination in writing.

An adverse benefit determination is a denial, reduction or termination of, or failure to provide or make payment (in whole or in part) for, a Medical Plan benefit. An adverse benefit determination notification for any prescription drug program claim will contain:

- the specific reason or reasons for the adverse determination;
- reference to the specific plan provisions on which the determination is based;
- a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary;
- a description of the prescription drug program's review procedures, the time limits applicable to such procedures and how to initiate an appeal, including a statement of your rights to bring a civil action under section 502(a) of ERISA following any final adverse benefit determination on appeal and any time limits for filing such a civil action;
- a statement that a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim is available free of charge upon request;
- in the case of an urgent care claim, a description of the expedited review process applicable to such claims; and
- a statement that if the adverse determination is based on medical necessity or experimental treatment, or a similar exclusion or limit, you will be provided, upon request and free of

charge, an explanation of the scientific or clinical judgment, applying the terms of the prescription drug program to your medical circumstances.

If the adverse benefit determination relates to an urgent care claim, the information described above may be provided to you orally within the required time frame, provided that a written or electronic notification is provided no later than 3 days after the oral notification.

When You Have a Complaint or an Appeal

If your claim is denied, you may request a full review by CVS Caremark within 180 days of the date of the adverse benefit determination. Your written letter of appeal should include the following:

- your name and participant ID number;
- your doctor's name and telephone number;
- the name of the medication; and
- any additional information from your pharmacy or medical provider that will assist CVS Caremark in completing its review of your appeal, such as documents, records, questions or comments.

Documents, records, written comments, and other information in support of your appeal should accompany your request. This information will be considered by CVS Caremark in reviewing your claim. You may request reasonable access to copies of all documents, records, and other information relevant to your claim. CVS Caremark will review your claim without granting any deference to the initial decision regarding your claim. Also, no reviewer may be a person that was involved in making the initial decision regarding your claim, or a subordinate to that person. If the claim was based, in whole or in part, on a medical judgment in reviewing the claim, CVS Caremark will consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment in reviewing the claim. This person will not be a person (or a subordinate of a person) consulted by CVS Caremark in deciding the initial claim. Your appeal should be mailed to:

Caremark, Inc.
Department of Appeals, MC109
P.O. Box 52084
Phoenix, AZ 85072-2084

CVS Caremark can also be reached by fax at 866-689-3092. In the case of an appeal relating to an urgent care claim, you may request an expedited appeal orally by contacting CVS Caremark at 888-797-8912 or in writing. All necessary information will be transmitted by telephone, fax or other available similarly expeditious manner.

Timing of Appeal Notification for Post-Service Claims

In the case of a post-service claim, CVS Caremark will notify you of its decision on your appeal within 30 days of its receipt of your request for review.

Timing of Appeal Notification for Pre-Service Claims (Claims Requiring Preauthorization)

In the case of a pre-service claim, CVS Caremark will provide notification of its determination on appeal within a reasonable amount of time appropriate to the medical circumstances, but not later than 15 days after receipt of the request for review.

Timing of Appeal Notification for Urgent Care Claims

In the case of an urgent care claim, CVS Caremark will provide notification of its determination on appeal as soon as possible, taking into account the medical exigencies, but not later than 72 hours after receipt of the request for review.

Notice of Benefit Determination on Appeal

Every notice of a determination on appeal will be provided in writing or electronically and, if an adverse determination, will include:

- the specific reason or reasons for the adverse determination;
- reference to the specific plan provisions on which the determination is based;
- a statement that you are entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other relevant information;
- a statement describing any voluntary appeal procedures offered by the prescription drug program and your right to bring an action under ERISA section 502(a) following any final adverse benefit determination and any applicable time limits for bringing such a civil action;
- a statement that copies of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your appeal are available upon request and free of charge; and
- a statement that if the adverse determination is based on medical necessity or experimental treatment, or a similar exclusion or limit, you will be provided, upon request and free of charge, an explanation of the scientific or clinical judgment, applying the terms of the prescription drug program to your medical circumstances.

Second Level Appeal Process for Post-Service Claims

If your post-service claim is denied on appeal, you have a right to bring a second appeal within 30 days of the adverse benefit determination on the first level appeal. A second appeal should contain the information and should be submitted to the address described in “When You Have a Complaint or Appeal” above. CVS Caremark will notify you of its decision on your appeal within 30 days of your request for a second review. Every notice of a determination on appeal will be provided in writing or electronically and, if an adverse determination, will include the information listed in “Notice of Benefit Determination on Appeal” above, as well as the following statement: “You and your plan may have other voluntary dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your state insurance regulatory agency.”

Second Level Appeal Process for Pre-Service Claims

If your pre-service claim is denied on appeal, you have a right to bring a second appeal within 15 days of the adverse benefit determination on the first level appeal. A second appeal should contain the information and should be submitted to the address described in “When You Have a Complaint or Appeal” above. CVS Caremark will notify you of its decision on your appeal within 15 days of your request for a second review. Every notice of a determination on appeal

will be provided in writing or electronically and, if an adverse determination, will include the information listed in “Notice of Benefit Determination on Appeal” above, as well as the following statement: “You and your plan may have other voluntary dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your state insurance regulatory agency.”

Legal Action

You have the right to bring a civil action under section 502(a) of ERISA if you are not satisfied with the outcome of the claims and appeals procedure. You may not initiate a legal action until you have completed the first and second level appeal processes. No legal action may be brought more than one year following a final decision on the claim under the appeal processes. If a civil action is not filed within this period, your claim will be deemed permanently waived and abandoned, and you will be precluded from reasserting it.

Discretionary Authority

The authority to decide initial claims for prescription drug program benefits under the prescription drug program and denied claims for prescription drug benefits on review under the prescription drug program includes the full power and discretion to interpret prescription drug program provisions and to make factual determinations, with CVS Caremark’s decisions, interpretations and factual determinations controlling. Requests for information regarding individual claims, or a review of a denied claim, are to be directed in writing and properly addressed to CVS Caremark at the address listed above. Call CVS Caremark Customer Service for additional information regarding the appeals process.

This is a guide of covered expenses and expenses not covered under the prescription drug program. This guide contains selected highlights of Duke Energy’s benefits plans. If any statement herein, or any other communication, conflicts with the applicable plan documents, the plan documents will govern. Duke Energy retains the right to amend, modify or terminate its benefits plans in any respect and at any time, and neither its benefits plans, nor your plan participation, will be considered a contract for future employment. For more information about applicable co-pays, coinsurance and plan limits, please call CVS Caremark Customer Service or visit www.Caremark.com. For more detailed information on the Medical Plan, refer to the Duke Energy Retiree Medical Plan General Information Booklet and UnitedHealthcare® Benefits Booklet sections of this Summary Plan Description.

UnitedHealthcare® is a registered mark of United Health Group, Inc.

SECTION 7 – PRESCRIPTION DRUG BENEFIT SUMMARY

	CVS Caremark Retail Pharmacy Network For short-term medications (up to a 30-day supply) you pay:	Maintenance Choice[®] CVS Caremark Mail Service Pharmacy or CVS Retail Pharmacy For long-term medications (up to a 90-day supply) you pay:
Certain contraceptive medications and routine vaccines	\$0	\$0
Generic Medications Ask your doctor or other prescriber if there is a generic available, as these generally cost less.	Lower of \$10 or the cost of the medication*	Lower of \$25 or the cost of the medication*
Preferred Brand Medications If a generic is not available or appropriate, ask your doctor or healthcare provider to prescribe from the CVS Caremark Primary/Preferred Drug List.	25% of the cost of the medication up to a maximum of \$50*	25% of the cost of the medication up to a maximum of \$125*
Non-Preferred Brand Medications You will pay the most for medications not on the CVS Caremark Primary/Preferred Drug List.	50% of the cost of the medication up to a maximum of \$150*	50% of the cost of the medication up to a maximum of \$300*
*Prescription Drug Out-of-Pocket Maximum These amounts apply to only the prescription drug out-of-pocket maximum	\$2,000 per year for individual coverage / \$4,000 per year for family coverage	

Maintenance Choice[®] is a registered mark of Caremark, LLC.
