STARBUCKS®

Welcome To Starbucks Benefits

We've done the math! Starbucks benefits are more valuable than other retailers. And we're particularly proud of our health coverage. We offer multiple coverage level and insurance carrier options. Eligible partners can buy partner-only Silver coverage for \$40 per paycheck – the average per-paycheck cost at other retail companies is \$79 for hourly employees.

The following pages of this enrollment guide describe Starbucks benefit options for you and your family members.

If you have questions about enrollment after you review this guide, visit mysbuxben.com or call (877) SBUXBEN to speak to a Starbucks Benefits Center representative.

ENROLLMENT BASICS

Review the information below to learn about your benefits and how to enroll. Full details are available in the *U.S. Benefits Plan Description* at mysbuxben.com and the Partner Hub.

What benefits can I enroll in?

You have the option of enrolling in the following benefits:

- Medical (includes prescription drug coverage)
- Dental
- Vision
- Supplemental life insurance
- Long Term Disability (retail hourly partners)
- Spouse/domestic partner life insurance
- Child life insurance
- Partner Accidental Death & Dismemberment (AD&D) insurance
- Health Care Reimbursement Account (retail management or nonretail partners)
- Dependent Care Reimbursement Account (retail management or nonretail partners)
- Health Savings Account (for partners who enroll in medical coverage at the Bronze or Bronze Plus coverage level)

Coverage for basic partner life insurance, Short Term Disability, and Temporary Disability Insurance (for Hawaii partners) is automatic and paid for by Starbucks. Long Term Disability is automatic and paid for by Starbucks for retail management and nonretail partners. Eligible retail hourly partners may elect Long Term Disability.

Is there a deadline to enroll?

Yes, your deadline to enroll is shown on your personalized letter. If you do not enroll by your deadline, you will not have coverage. If you are a Hawaii partner and do not enroll by your deadline, you will be defaulted into partner-only medical coverage, unless you return a completed HC-5 form to waive coverage.

When will my coverage start?

Your coverage goes into effect on the same day you become eligible for benefits. The effective date of your coverage is shown on your personalized letter.

How much will my coverage cost?

You and Starbucks share the cost of your coverage. The per-paycheck costs for your benefit options will be shown online at mysbuxben.com when you enroll. Your share of the cost is deducted from your paycheck.

Note: Any paycheck contributions will be made retroactive to your benefits effective date. If you enroll close to your deadline, you may need to make up paycheck contributions.

How do I enroll?

Go to mysbuxben.com. You will need to register if this is your first time going to the site. If you are enrolling your dependents, you will need a Social Security number and birth date for each one you wish to enroll.

What do I need to do to keep my benefits eligibility?

It is important to know how to maintain your benefits eligibility. Refer to details on the Partner Hub or the *U.S. Benefits Plan Description*, found on the Partner Hub or mysbuxben.com.

When will I go through my first ongoing eligibility audit?

U.S. Mainland partners: Once you gain initial eligibility you will be transitioned to the ongoing eligibility audit process. You must have been hired on or before the start of the measurement period in order to be subject to the audit. Refer to the table below to understand when your first ongoing audit will be.

I gained benefits eligibility in...	My first ongoing audit will be...
Nov, Dec, Jan, Feb, Mar, Apr	Jul 6 if hired on or before Jan 6
May, Jun, Jul, Aug, Sep, Oct	Jan 6 if hired on or before Jul 6

Hawaii partners: Once you gain initial eligibility, you will be subject to each following monthly eligibility audit.

For questions about benefits eligibility, call Starbucks Benefits Center at (877) SBUXBEN.

How long is my coverage in effect?

The elections you make now remain in effect through the plan year, which ends September 30 of each year. Your coverage will end sooner if you lose benefits eligibility.

What if I transfer between Hawaii and the U.S. Mainland?

Partners who transfer to the mainland will be moved to a medical plan that covers the mainland, and will have a limited time to change that coverage. Partners will also be subject to mainland ongoing eligibility requirements.

Partners who transfer to Hawaii will be moved to a medical plan that covers Hawaii, and will have a limited time to change that coverage. Partners will also be subject to Hawaii ongoing eligibility requirements.

When can I make changes to my benefits?

For most of the benefits outlined in this guide, there are two opportunities to make changes.

- 1. Annual Benefits Enrollment:** Each year, the annual Benefits Enrollment period takes place during the summer – typically for three weeks in August. During Benefits Enrollment, you can make changes for the following plan year, October 1 through September 30.
- 2. Qualified status change:** You may make certain coverage changes outside of Benefits Enrollment for reasons including:
 - Marriage or establishment of a domestic partnership
 - Birth or adoption of a child
 - Divorce or dissolution of a domestic partnership

If you have a status change, you can update your benefits within 45 days of the event (60 days for birth or adoption of a child). For a full list of status changes, visit mysbuxben.com.

Who can I cover?

The following family members or dependents are eligible for coverage:

DEPENDENT	DEFINITION
SPOUSE	The person to whom you're legally married. Legal spouses include common-law spouses in states that recognize common-law marriages.
DOMESTIC PARTNER	You and your domestic partner must: <ul style="list-style-type: none">• Be age 18 or older• Not be in another domestic partnership, civil union or marriage• Not be blood-related• Be committed to one another• Live together permanently• Be jointly responsible for fiscal and legal matters
CHILD(REN)	Your children are eligible for benefits until the end of the month in which they turn age 26. Your "child" includes your son or daughter, stepchild, adopted child (including a child placed for adoption), or eligible foster child.

To verify the eligibility of dependents, Starbucks conducts random dependent audits. If selected to participate, you will be required to provide documentation to show your covered dependents satisfy the dependent eligibility requirements. If you fail to participate, they will be dropped from coverage.

YOUR BENEFIT OPTIONS

This section provides an overview of your health benefit options. Your health coverage level and insurance carrier options, and costs are outlined when you enroll at mysbuxben.com. Plan details are in the *U.S. Benefits Plan Description* or *Summaries of Benefits and Coverage (SBCs)* at mysbuxben.com.

How to Shop For Health Coverage

Starbucks offers five different health coverage levels: Bronze, Bronze Plus, Silver, Gold and Platinum. You can learn more about each coverage level when you enroll. Not sure what you should choose? Consider using Silver as your starting point.

Next, compare the insurance carriers that are available in your area. The coverage levels are very similar from one carrier to the next, so you may want to choose the lowest-cost option in your preferred coverage level. If you have preferred doctors or take prescription medications, you'll want to make sure they are covered by your preferred carrier.

Select "Help Me Choose" when you are prompted a few steps into the enrollment process. It will help narrow your choices, and you can look up your doctors and prescriptions.

Have questions about coverage, doctors, or prescriptions? Call the insurance carrier you're considering.

MEDICAL COVERAGE OVERVIEW

Here's a glimpse of your medical coverage level options. Find complete information on mysbuxben.com, including the insurance carriers in your area, dental, vision and prescription coverage, and your specific per-paycheck costs.

We've found that Bronze Plus and Silver meet most partners coverage needs.

Hawaii partners will have Gold and Platinum coverage level options available, offered through HMSA and Kaiser Hawaii. Each medical coverage level includes prescription drug coverage. Details can be found when you enroll at mysbuxben.com.

A Reminder About Bronze and Bronze Plus

Bronze and Bronze Plus have higher out-of-pocket costs, but can be combined with a Health Savings Account (HSA). An HSA lets you set aside pre-tax money to pay for healthcare expenses. Here's what you need to know:

- Consider putting \$100 per paycheck into an HSA for single coverage, and \$200 per paycheck if you cover dependents.
- If you aren't comfortable taking additional money out of your paycheck for your HSA, take a look at Silver instead – it has a typical deductible and copay.

HEALTH SAVINGS ACCOUNT (HSA)

If you are enrolled in a Bronze or Bronze Plus medical plan, use this savings account for out-of-pocket healthcare expenses such as deductibles and coinsurance amounts, with pre-tax dollars.

You get triple tax advantages when you contribute to an HSA:

1. You don't pay tax on the money you contribute to an HSA.
2. You don't pay tax on withdrawals to pay for eligible healthcare expenses.
3. You don't pay tax on investment earnings. (Once your HSA balance reaches at least \$1,000, you are able to invest your balance.)

Any money you contribute to your HSA belongs to you – it does not expire at the end of the plan year, and you keep your account if you leave Starbucks.

RETAIL MANAGEMENT AND NONRETAIL PARTNERS

HEALTH CARE REIMBURSEMENT ACCOUNT (HCRA)

Use this account to pay for out-of-pocket healthcare expenses, such as deductibles, copayments and coinsurance amounts, with pre-tax dollars.

When estimating your expenses, consider only those that you will incur between your coverage start date and September 30, 2021. Any funds not used to reimburse expenses incurred before the end of the plan year cannot be returned to you.

Note: Domestic partner expenses are not eligible for reimbursement when your domestic partner is not recognized by the IRS as a tax dependent.

RETAIL MANAGEMENT AND NONRETAIL PARTNERS

DEPENDENT CARE REIMBURSEMENT ACCOUNT (DCRA)

Use this account to pay for child care and elder care expenses with pre-tax dollars.

Note: In some cases, the federal child care tax credit may give you a better tax break. Talk with an accountant to see which method is best for you.
