Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	\$0	See the chart starting on page 2 for your costs for services this plan covers. You do not pay for these services.
Are there other <u>deductibles</u> for specific services?	No	You do not have to meet deductibles for specific services.
Is there an <u>out-of-pocket limit</u> on my expenses?	No	You do not have to pay any costs for services this plan covers.
What is not included in the <u>out-of-pocket limit</u> ?	This plan has no out-of-pocket limit	Not applicable because there is not out-of-pocket limit on expenses.
Is there an overall annual limit on what the plan pays?	No	The chart starting on page 2 describes any limits on what the plan will pay for specific covered services, such as office visits.
Does this plan use a <u>network of providers</u> ?	Yes. To contact a participating counselor, call 1-800-807-1530 or www.guidanceresources.com .	This plan only provides services if you use an in-network or participating provider. Be aware, your in-network doctor or hospital may refer you to an out-of-network provider for which there is no coverage. If you use an in-network doctor, this plan will pay for all of these costs of covered services. Plans use the term in-network, preferred, or participating for providers in their network. See the chart on page 2 for how this plan pays different kinds of providers.
Do I need a referral to see a <u>specialist</u> ?	Not applicable	The EAP does not cover specialists. If the EAP provider determines that you need treatment from a specialist, the EAP provider will refer you to your group health plan or treatment resources in your community, but this plan will not cover any specialist services.
Are there services this plan doesn't cover?	Yes	The EAP only provides limited and insignificant medical services. Some of the services this plan does not cover are listed on page 4. See your plan document for information about excluded services.

Best Buy Employee Assistance Plan

Coverage Period: 01/01/24-12/31/24

Summary of Benefits and Coverage: What this Plan Covers & What it Costs Coverage for: Employee + Dependents | Plan Type: EAP

- **Copayments** are fixed dollar amounts (for example, \$15) you pay for covered health care, usually when you receive the service.
- **Coinsurance** is *your* share of the costs of a covered service, calculated as a percent of the **allowed amount** for the service. For example, if the plan's **allowed amount** for an overnight hospital stay is \$1,000, your **coinsurance** payment of 20% would be \$200. This may change if you haven't met your **deductible**.
- The amount the plan pays for covered services is based on the **allowed amount**. If an out-of-network **provider** charges more than the **allowed amount**, you may have to pay the difference. For example, if an out-of-network hospital charges \$1,500 for an overnight stay and the **allowed amount** is \$1,000, you may have to pay the \$500 difference. (This is called **balance billing**.)
- This plan may encourage you to use **providers** by charging you lower **deductibles**, **copayments** and **coinsurance** amounts.
