

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage or to get a copy of the complete terms of coverage, visit [www.myCampbellBenefits.com](http://www.myCampbellBenefits.com) or call 1-877-725-2255. Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	For <a href="#">network providers</a> Individual: \$2,000; Family: \$4,000 with individual limit of \$3,000. For <a href="#">out-of-network providers</a> Individual: \$5,000; Family: \$10,000 with individual limit of \$5,000.	Generally, you pay all of the costs from providers up to the <a href="#">deductible</a> amount before the <a href="#">plan</a> begins to pay. If you have family members on the <a href="#">plan</a> , each member must meet their own individual <a href="#">deductible</a> limit until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the family <a href="#">deductible</a> .
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Yes. <a href="#">Preventive care</a> services are covered before you meet your <a href="#">deductible</a> if received in-network.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="http://www.healthcare.gov/coverage/preventive-care-benefits/">www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	No.	You don't have to meet deductibles for specific services, but see the chart on page 2 for other costs for services this plan covers.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	For <a href="#">network providers</a> Individual: \$6,550; Family: \$13,100 with individual limit of \$6,650; For <a href="#">out-of-network providers</a> Individual: \$13,100; Family: \$26,200 with individual limit of \$13,100	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services under medical plan. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	<a href="#">Premiums</a> , <a href="#">balance-billing</a> charges, penalties for failure to obtain pre-certification for services and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
<b>Will you pay less if you use a <a href="#">network provider</a>?</b>	Yes. For a list of in-network medical providers, visit <a href="http://www.aetna.com">www.aetna.com</a> or call 1-800-847-8982. For in-network pharmacies, visit <a href="http://www.caremark.com">www.caremark.com</a> or call 1-833-956-1791.	This <a href="#">plan</a> uses a provider <a href="#">network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
<b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b>	No. You don't need a referral to see a specialist.	You can see the <a href="#">specialist</a> you choose without permission from this plan.

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
